Independent Auditors' Report

To the Plan Sponsor
ACP CreativIT, LLC 401(k) Plan
Green Bay, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of ACP CreativIT, LLC 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ACP CreativIT, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ACP CreativIT, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ACP CreativIT, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ACP CreativIT, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2025 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2025 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2025 financial statements or to the 2025 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of Plan

The following brief description of ACP CreativIT, LLC (Company) 401(k) Plan (Plan) is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the Plan document.

General

The Plan is a defined contribution plan covering substantially all eligible employees of the Company. Leased employees are excluded from participation. Employees are eligible to participate in the Plan upon attaining age 19 and completing at least one hour of service during their first month of employment, provided they remain continuously employed during that period. Eligible employees enter the Plan on the first day of the calendar month coinciding with or next following satisfaction of these requirements.

To receive an allocation of matching or discretionary employer contributions for a Plan year, a participant generally must complete at least 1,000 hours of service during the Plan year and be employed on the last day of the Plan year. These allocation conditions are waived in certain circumstances, including death, termination of employment due to disability, or termination of employment after attaining normal retirement age.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended. The Company is the Plan sponsor and administrator and is responsible for oversight of the Plan. Participants direct the investment of their accounts among the investment options available under the Plan.

Contributions

Participants may elect to defer a portion of eligible compensation on a pre-tax or Roth basis, subject to applicable Internal Revenue Code limitations. Participants who attain age 50 before the end of the Plan year may make catch-up contributions. Participants may also contribute eligible rollover distributions from other qualified retirement arrangements.

The Plan includes an eligible automatic contribution arrangement. Newly eligible participants who do not make an affirmative deferral election are automatically enrolled at a pre-tax deferral rate of 3.5% of eligible compensation. The automatic deferral rate increases by 1% on the anniversary of the participant's date of hire until it reaches 10.5%, unless the participant elects not to defer or elects a different deferral percentage.

For 2025 and 2024, the Company elected to make a discretionary matching contribution equal to 100% of participant contributions up to 3.5% of eligible compensation, limited to $6,000 per participant. The Company's matching contributions were $1,143,232 and $947,531 for the years ended December 31, 2025 and 2024, respectively.

Participant Accounts and Rollovers

Each participant's account is credited with the participant's contributions and an allocation of the Company's contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan and individual accounts are also charged directly for loan processing fees. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan permits the transfer of funds from other qualified plans to a separate participant's rollover account.

Vesting

Participants are immediately vested in their salary deferrals and rollover contributions, plus earnings thereon. Employer and matching contributions vest at 0% after one year of credited service, 50% after two years of credited service, and 100% after three years of credited service. A year of credited service is earned for each Plan year in which a participant completes at least 1,000 hours of service. Participants also become fully vested upon death while employed by the Company or upon termination of employment due to disability.

Note 1 - Description of Plan (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan terms range from one to five years, except in the case of a home loan in which the maximum repayment period is fifteen years. The loans are secured by the vested balance in the participant's account and bear interest at a rate of prime plus 2%. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

Upon termination of employment, a participant may elect to receive the vested account balance in a lump-sum distribution, partial lump-sum distributions, or installment distributions over a specified period not exceeding the life or life expectancy of the participant and designated beneficiary. A participant whose vested account balance does not exceed $5,000 is subject to the Plan's involuntary cash-out and automatic rollover provisions.

The Plan permits hardship distributions from eligible salary deferral accounts upon satisfaction of the applicable requirements. The Plan also permits in-service distributions from fully vested accounts upon attainment of age 59½. Amounts held in a participant's rollover account are generally available for in-service distribution at any time.

Forfeited Accounts

Plan forfeitures arise as a result of participants who terminate service from the Company before becoming 100% vested in the Company's contributions and related earnings. Forfeitures may be used to pay Plan expenses, reduce employer or matching contributions, or be reallocated to participants, as determined by the Company and permitted by the Plan. The forfeited non-vested account balance at December 31, 2025 and 2024 was $1,502 and $980, respectively. Fees were reduced by $45,193 and $11,164 from forfeited accounts for the years then ended December 31, 2025 and 2024, respectively.

Administration

The Company is the sponsor and administrator of the Plan and has appointed Associated Trust Company, N.A. as recordkeeper and trustee. The trustee is responsible for investing and safekeeping all of the assets of the Plan.

Note 2 - Summary of Significant Accounting Policies

This summary of significant accounting policies of ACP CreativIT, LLC 401(k) Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to generally accepted accounting principles.

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Note 2 - Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisors and trustees. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses may be paid either by the Plan or by the Company. Expenses paid by the Company are excluded from these financial statements. Certain expenses of maintaining the Plan are allocated and charged to participants based on participant account balances, as defined, and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 6, 2026, the date the financial statements were available to be issued.

Note 3 - Fair Value Measurements

The Financial Accounting Standards Board has established a framework for measuring fair value. That framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Significant other observable inputs other than level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 3 - Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2025 and 2024.

Collective Trust Funds: Valued at the net asset value per unit held by the Plan. The net asset value, as provided by the trustee, is based on the fair value of the underlying investments held by each fund, less its liabilities. The unit values are based primarily on observable market inputs for the underlying investments. Because the unit values are not quoted in an active market, the collective trust funds are classified within Level 2 of the fair value hierarchy. Participant transactions involving purchases and redemptions may occur daily. If the Plan were to initiate a full redemption of a collective trust fund, the trustee reserves the right to temporarily delay withdrawal from the fund to permit an orderly liquidation of the underlying securities.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of other methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Investments at Fair Value as of December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual Funds	$ 26,254,434	$ -	$ -	$ 26,254,434
Collective Trust Funds	-	12,572,922	-	12,572,922
Total Investments at Fair Value	$ 26,254,434	$ 12,572,922	$ -	$ 38,827,356

	Investments at Fair Value as of December 31, 2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual Funds	$ 19,433,634	$ -	$ -	$ 19,433,634
Collective Trust Funds	-	12,291,452	-	12,291,452
Total Investments at Fair Value	$ 19,433,634	$ 12,291,452	$ -	$ 31,725,086

Note 4 - Related Party and Party-in-Interest Transactions

Certain Plan investments are managed by Associated Trust Company, N.A., who is the trustee and recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management and recordkeeping services to Associated Trust Company, N.A. amounted to $125,091 and $112,835 for the years ended December 31, 2025 and 2024, respectively. Certain employees and officers of the Company, who are also participants in the Plan, perform administrative services to the Plan at no cost to the Plan. Additional investment fees paid to the trustee are included in net appreciation in the fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

Associated Trust Company, N.A. provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement with the Company. The trustee receives revenue from fund service providers for services provided to the funds, which is used to offset amounts otherwise payable for administrative services to the Plan. If that revenue exceeds the amount owed under the agreement, the trustee remits the excess to the Plan's trust quarterly. Such amounts may be used to pay Plan administrative expenses or allocated to participant accounts. There were no excess amounts during 2025 or 2024. The Plan or the Company may pay administrative expenses not covered by revenue sharing.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to the participants' accounts will become fully vested and will be distributed to the participants in accordance with the Plan's provisions.

Note 6 - Certification of Investment Information

Associated Trust Company, N.A., a qualified institution, has provided the Plan administrator with certifications as to the completeness and accuracy of the investment information and notes receivable from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, the related investment income reflected in the statements of changes in net assets available for benefits for the years then ended, and the investment information and notes receivable from participants included in the supplemental schedule of assets (held at end of year) as of December 31, 2025.

Note 7 - Reconciliation of Financial Statements to Form 5500

The Plan has a cash value of life insurance that is an allocated contract for one participant in the Plan. The benefits of this contract are fully guaranteed by the insurance company and under generally accepted accounting principles, allocated contracts are excluded from the Plan's financial statements.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2025 and 2024:

	2025	2024
Net Assets Available for Benefits as Presented in these Financial Statements	$ 40,327,683	$ 32,931,440
Adjustment for Cash Value of Life Insurance	317,256	307,093
Net Assets Available for Benefits as Presented on Form 5500	$ 40,644,939	$ 33,238,533

The following is a reconciliation of net income per the financial statements to the Form 5500 for the years ended December 31, 2025 and 2024:

	2025	2024
Net Change in Net Assets Available for Benefits as Presented in these Financial Statements	$ 7,396,243	$ 5,869,969
Adjustment for Change in Cash Value of Life Insurance	10,163	40,012
Net Income as Presented on Form 5500	$ 7,406,406	$ 5,909,981

Note 8 - Income Taxes

The Company adopted pre-approved profit sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on June 30, 2020. As such, the Plan qualifies under Section 401(a) of the Internal Revenue Code and, therefore, is not subject to tax under present income tax laws. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and to recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities through mutual funds and collective trust funds. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
