INDEPENDENT AUDITORS' REPORT

To the Retirement Plan Committee of
Tazmanian Freight Forwarding 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Tazmanian Freight Forwarding 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Tazmanian Freight Forwarding 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tazmanian Freight Forwarding 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tazmanian Freight Forwarding 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tazmanian Freight Forwarding 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tazmanian Freight Forwarding 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TAZMANIAN FREIGHT FORWARDING 401(K) PLAN

STATEMENTS OF CHANGES IN NET ASSETS AVAILABLE FOR BENEFITS

YEARS ENDED DECEMBER 31, 2025 AND 2024

A. DESCRIPTION OF THE PLAN

The following description of the Tazmanian Freight Forwarding 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, adopted April 1, 1995 and restated effective January 1, 2016, is a defined contribution plan with 401(k) provisions. The Plan covers substantially all employees of the Company who have completed at least three months of service and are not either 1) an employee who is included in a unit of employees covered by a collective bargaining agreement, if retirement benefits were the subject of good faith bargaining, and if the collective bargaining agreement does not provide for participation in the Plan or 2) an employee who is a non-resident alien who received no earned income which constitutes income from services performed within the United States. Employees were previously able to enter the Plan on the first day of the month, following the month in which eligibility was reached. Effective November 1, 2023, the Plan was amended to allow employees to immediately enter the Plan and begin contributing upon becoming eligible. Effective May 1, 2025, the Plan was amended to remove the age requirement for participating in the Plan. Prior to this amendment, participants were required to be twenty one years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

A participant in the Plan may elect to defer (elective deferral contributions) and contribute to the Plan up to 100% of their compensation or up to an amount allowable by law. Contributions are also limited to an annual fixed dollar amount established by the Plan. The Plan allows elective deferral contributions to be made as Roth contributions, which are made in the same manner as pre-tax effective deferral contributions, except Roth contributions are made to the Plan on an after-tax basis. The Plan Sponsor will make safe harbor matching contributions in an amount equal to 100% of employee contributions that are not in excess of 4% of compensation, which are fully vested. The Plan Sponsor may make additional safe harbor matching contributions and profit-sharing contributions. Additional safe harbor matching contributions and profit-sharing contributions are subject to the matching vesting schedule described in the Vesting section. Participants who have completed at least 501 hours of service during the Plan year or are employed by the Company on the last day of the Plan year are eligible to receive any discretionary profit-sharing contributions. No additional safe harbor matching contributions or profit sharing contributions were made for the years ended December 31, 2025 and 2024.

A. DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

The Plan Administrator maintains an individual account for each participant. A participant's account is credited with contributions and earnings from plan investments. Accounts are reduced for withdrawals and distributions. Participants self-direct their investments as to their allocation among the available investment fund options. Participants may change their investment options at any time. However, the elective deferral may only be changed effective on the first day of any calendar month. A participant may suspend their elections at any time.

Distributions

Participants are entitled to receive a distribution from their account after employment has been terminated, including termination due to disability. If a participant continues working for the Company after Normal Retirement Age (65), the participant will continue to participate in the Plan and distributions will begin following the date the participant terminates employment. If a participant dies, the participant's beneficiary will become entitled to receive the participant's vested account balance.

Vesting

Participants are always 100% fully vested in their elective deferral contributions, rollover contributions and safe harbor matching contributions. A participant is vested in the non-safe harbor matching contributions and profit-sharing contributions, as follows:

Years of Service	Vested Percentage
Less than 2 years	0%
After 2 years	20%
After 3 years	40%
After 4 years	60%
After 5 years	80%
After 6 years	100%

Participants become fully vested upon attainment of Normal Retirement Age while an employee, death while an employee, or becoming disabled while an employee.

A. DESCRIPTION OF THE PLAN (CONTINUED)

Participant Loans

Participants may borrow from their fund accounts. Loans will only be made if the sum of a participant's new loan and the outstanding balance of all other loans do not exceed the lesser of (i) $50,000 minus the difference between the highest outstanding balance of loans in the past twelve months and the outstanding balance of loans form the Plan on the date the loan is made, or (ii) one-half the present value of the participant's vested account balance. The maximum number of loans outstanding at any one time is two and the minimum loan amount is $1,000. Loans must be repaid over a period not extending beyond five years from the date of the loan, unless such loan is used to acquire a dwelling unit that will be used as a principal residence for which the maximum loan term would be 20 years. Loans must be repaid in accordance with the repayment schedule or in full. Partial early loan payoffs are not permitted. Payments are made through payroll deduction from each regular paycheck. Loans become payable in full on a participant's termination of employment. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 10.5%, which is commensurate with local prevailing rates.

Change in Custodian of Plan Assets

John Hancock was the custodian of the Plan assets through February 10, 2026. In March 2026, following the blackout period, Voya Retirement Insurance and Annuity Company became the custodian of the Plan assets.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Forfeitures

In accordance with the Plan document, if employment with the Company terminates, the nonvested portion of a participant's account is forfeited. If employment is resumed after a distribution and forfeiture, the amounts forfeited (if any) will be restored to the account if the full amount of the previous distribution is repaid before the earlier of five (5) years after the first date of subsequent reemployment, or the date the participant incurs five (5) consecutive One-Year Breaks in Service following the date of the distribution. Forfeitures amounted to $0 for both the years ended December 31, 2025 and 2024.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Participant loans are stated at cost, which approximates fair value. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Subsequent events

The Plan evaluated its December 31, 2025 financial statements for subsequent events through October 13, 2026, the date the financial statements were available to be issued, and all relevant subsequent information is included within the applicable notes to the financial statements.

C. INVESTMENTS

The Plan's investments, including gains and losses on investments bought and sold, as well as held during the year, appreciated in value by $2,173,744 and $1,728,029 during the years ended December 31, 2025 and 2024, respectively.

D. FAIR VALUE OF FINANCIAL ASSETS

The Plan uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. In accordance with ASC 820-10, the Plan has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy:

Level 1 – Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that the Plan has the ability to access. These include investments that are recorded at fair value on a recurring basis and fair value measurement is based upon quoted prices, if available. Securities valued using Level 1 inputs include those traded on an active exchange and other exchange trade securities.

Money Market Funds: Valued based on cost plus accrued interest, which approximates fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 – Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for subsequently the full term of the asset or liability.

Level 3 – Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement.

If any of these actions are taken, participants will be notified. However, no such action may permit any part of Plan assets to be used for any purpose other than the exclusive benefit of participants and beneficiaries or cause any reduction in the vested account balances as of the date of the amendment or termination.
