INDEPENDENT AUDITOR'S REPORT

To the Fuentes Restaurant Management Services, Inc. 401(k)
Profit Sharing Plan and Trust
and Participants

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Fuentes Restaurant Management Services, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fuentes Restaurant Management Services, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fuentes Restaurant Management Services, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatements when it exists. The

risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fuentes Restaurant Management Services, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fuentes Restaurant Management Services, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2025

NOTE A – DESCRIPTION OF PLAN

The following description of the Fuentes Restaurant Management Services, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General

The Fuentes Restaurant Management Services, Inc. 401(k) Profit Sharing Plan and Trust was established January 1, 2019. Elective deferrals commenced on July 1, 2019. The Plan was subsequently amended and restated effective May 20, 2022.

The Plan is a defined contribution 401(k) plan covering all employees of Fuentes Restaurant Management Services (the "Company"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Carlos Riveroll is the Limited Trustee of the Plan. Mid-Atlantic Trust Company is the Directed Trustee and Custodian of the Plan. The trustees appointed Paychex Retirement Services as the record-keeper of the Plan.

The financial statements were approved for issue on October 7, 2026, which is the date the financial statements are available to be issued.

Eligibility

Employees are eligible to participate in the Plan upon attainment of the age 21 and one year of service. A year of service is defined as 1,000 hours. The Plan entry dates are the first day of each month.

401(k) provisions

Contributions are by salary reduction and are at the employee's discretion within the limits imposed by the 401(k) provisions of the Plan and the applicable Internal Revenue Code sections. The participant accounts are "participant directed accounts."

Salary deferral

The Plan is a defined contribution plan wherein participants elect to reduce their compensation and have such reductions contributed to the Plan on their behalf. Each year employees can elect to contribute to the Plan up to 92% of compensation. The term

NOTE A – DESCRIPTION OF PLAN

"compensation" for calculation of deferral shall be W-2 wages plus any amounts deferred under the Plan. The maximum contributions allowed by the Internal Revenue Service were $23,500 and $23,000 for the years ended December 31, 2025 and 2024, respectively. Participating employees are eligible to make catch-up contributions under the Plan provided the participating employees have attained or will attain the age of 50 before the close of the year. The amount of catch-up contributions allowed by the Internal Revenue Service was $7,500 for the years ended December 31, 2025 and 2024, respectively. In 2025, participating employees that have attained or will attain the age of 60 before the close of the plan year are allowed to make "super catch-up" contributions of an extra $11,250. The catch-up and "super catch-up" contributions are included in calculating the matching contribution.

The Plan contained an automatic deferral provision as of January 1, 2019. Participants were automatically enrolled at a 3% pre-tax deferral rate. The Plan was amended on October 18, 2019 to remove the automatic deferral provision.

Participants may elect to irrevocably designate all or a portion of their salary deferral as a Roth 401(k) contribution. These contributions are included in the participant's gross income at the time deferred.

Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Contributions

Upon adoption, the Plan's employer match was defined as an annualized match of 50% of participant deferrals up to 6% of salary. The Plan was amended on October 18, 2019 to remove the annualized 50% match and redefine the employer match as a discretionary year end match. No employer match was made for the years ended December 31, 2025 and 2024.

The Company may elect to make a discretionary profit sharing contribution. Participants must complete at least 1,000 hours of service during the Plan year and be employed as of the last day of the year to receive any discretionary profit sharing contributions made for the year. The Company did not make a discretionary profit sharing contribution to the Plan for the years ended December 31, 2025 and 2024.

NOTE A – DESCRIPTION OF PLAN

Participant accounts

Each participant's account is credited with the participant's 401(k) contribution, if any, and an allocation of (a) the Company's contribution, (b) investment experience on those amounts, and (c) forfeitures of terminated participants' nonvested amounts. Allocations are based on participants' compensation or account balances, as defined. Participant accounts are charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Vesting in the participants' accounts is based on years of service and the type of contribution made to the account. A participant is 100% vested immediately on participant 401(k) contributions and/or rollover contributions and employer safe harbor contributions. A participant is 100% vested after six years of credited service on employer discretionary 401(k) matching contributions.

The vesting schedule is as follows:

Years of Service	Vesting %
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes receivable from participants

The Plan allows participants to borrow fifty percent, up to $50,000, of their vested account balance from the Plan at any time. The minimum loan amount is $1,000. Each participant may have two loans outstanding at any given time. The rate of interest is equal to the Wall Street Journal prime rate plus one percent. The loans are secured by the balance in the participant's account. A loan processing fee of $175 will be assessed for each loan requested. The fee will be subtracted from the proceeds of the loan. Principal and interest is paid ratably through payroll deductions. Participant loans are valued at cost.

NOTE A – DESCRIPTION OF PLAN

Termination

Although it has not expressed any intent to do so, the Company's Board of Directors may terminate the Plan at any time. Upon termination, the Board of Directors may elect to distribute to each participant, or his or her beneficiary, the proportionate share of the Plan's assets as determined by the individual account balances on the date of termination, or continue the existence of the trust for the purpose of paying benefits as they become due under the terms of the Plan. In addition, upon termination of the Plan, the participants' vested interest in employer contributions shall be 100%.

Payment of benefits

Distributions of participants' account balances occur only upon retirement, death, hardship, in-service distribution or other termination of employment. A participant or participant's beneficiary may receive a lump sum distribution, a partial payment, installments sufficient to satisfy required minimum distributions upon attainment of age 70 ½, or an annuity contract. Mandatory distributions will be made immediately following severance from employment for participants with a vested balance, less than $5,000.

Investing options

Upon enrollment in the Plan, a participant may direct employee contributions in any of the mutual fund investment options listed in Note C. Participants may change their investment options at any time. In addition, a participant may request a reallocation of both the existing account and future contribution allocations or a rebalancing of the participant's existing account.

Funding policy

It is the policy of the Plan sponsor to remit the employee contributions as soon as administratively possible, but no later than 4 business days after the date of payroll. For the years ended December 31, 2025 and 2024, employee contributions were deposited into the Plan within the Plan's funding policy.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies of Fuentes Restaurant Management Services 401(k) Profit Sharing Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management, who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with U.S. generally accepted accounting principles (U.S. GAAP). Distributions to participants or their beneficiaries are recorded when paid.

Use of estimates

The preparation of the financial statements in conformity with U.S. GAAP requires plan management to make estimates and assumptions that affect the reported amounts of Plan assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Benefit payments

Benefits are recorded when paid.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments. Recordkeeping fees are charged directly to the participant's account and are included in administrative expenses.

NOTE D – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

> *Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
>
> *Level 2* – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
>
> *Level 3* –Inputs to the valuation methodology that are unobservable and significant to the fair value measurement.
>
> The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Cash - Valued at net asset value which is fair value.

Mutual funds – Valued at the daily closing price as reported by the fund. The mutual funds are registered with the U.S. Securities and Exchange Commission and are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D – FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 517,847	$ -	$ -	$ 517,847
Total assets in the fair value hierarchy	$ 517,847	$ -	$ -	$ 517,847

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 392,190	$ -	$ -	$ 392,190
Total assets in the fair value hierarchy	$ 392,190	$ -	$ -	$ 392,190

NOTE E – DERIVATIVES

The Plan has no instruments that, in whole or part, are accounted for as a derivative instrument under current authoritative literature, *Accounting for Derivative Instruments and Hedging Activities,* during the current plan year.

NOTE F – SEPARATED PARTICIPANTS WITH VESTED BENEFITS

There were 8 terminated participants with vested benefits of $5,573 as of December 31, 2025. There were 9 terminated participant with vested benefits of $3,551 as of December 31, 2024.

NOTE G – DETERMINATION LETTER

The Internal Revenue Service (IRS) has determined and informed the Company by letter dated March 31, 2014, that the form of the Prototype Plan is qualified under the appropriate sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

NOTE H – RELATED-PARTY TRANSACTIONS

Mid-Atlantic Trust Company, is the trustee and custodian of the Plan. For the years ended December 31, 2025 and 2024, the direct compensation paid by the Plan to Mid-Atlantic Trust Company was $860. These transactions are exempt party-in-interest transactions.

ERISA Fiduciary Services, provided tax preparation services to the Plan. For the years ended December 31, 2025 and 2024, the direct compensation paid by the Plan to ERISA Fiduciary Services was $5,555 and $15,190, respectively. These transactions are exempt party-in-interest transactions.

GuidedChoice Asset Management, Inc. provided investment advisory services to the Plan for the years ended December 31, 2025 and 2024. For the years ended December 31, 2025 and 2024, the direct compensation paid by the Plan to GuidedChoice Asset Management, Inc. was $1,253 and $186, respectively. These transactions are exempt party-in-interest transactions.

During the years ended December 31, 2025 and 2024, the Plan paid Paychex Retirement Services indirect compensation of $2,777 and $2,296, respectively, for recordkeeping services. These transactions are exempt party-in-interest transactions.

Bland Garvey, P.C. performs the annual audit of the Plan. This transaction is an exempt party-in-interest transaction.

The Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. These transactions are exempt party-in-interest transactions.

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment securities. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE J – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 for the years ended December 31:

	2025	2024
Net assets available for benefits per the financial statements	$ 533,611	$ 417,662
Accrued distribution	-	-
Employee contributions receivable	(1,087)	(1,087)
Other	(29)	(3)
Net assets available for benefits per the Form 5500	$ 532,495	$ 416,572

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Form 5500 for the years ended December 31:

	2025
Net increase in plan assets per the financial statements	$ 115,949
Change in corrective distributions	-
Change in contributions receivable	-
Other	4
Net increase in plan assets per Form 5500	$ 115,953

NOTE K – INCOME TAX STATUS

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected

NOTE K – INCOME TAX STATUS

to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE L – FIDELITY BOND

ERISA requires a fidelity bond at the beginning of each plan year in the amount of 10% of the assets of the Plan but must not be less than $1,000 and need not be greater than $500,000. The Plan has a fidelity bond in the amount of $20,000 as of December 31, 2025.

NOTE M – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 7, 2026, the date the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT

To the Fuentes Restaurant Management Services, Inc. 401(k)
Profit Sharing Plan and Trust
and Participants

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Fuentes Restaurant Management Services, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fuentes Restaurant Management Services, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fuentes Restaurant Management Services, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatements when it exists. The

risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fuentes Restaurant Management Services, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fuentes Restaurant Management Services, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The following description of the Fuentes Restaurant Management Services, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General

The Fuentes Restaurant Management Services, Inc. 401(k) Profit Sharing Plan and Trust was established January 1, 2019. Elective deferrals commenced on July 1, 2019. The Plan was subsequently amended and restated effective May 20, 2022.

The Plan is a defined contribution 401(k) plan covering all employees of Fuentes Restaurant Management Services (the "Company"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Carlos Riveroll is the Limited Trustee of the Plan. Mid-Atlantic Trust Company is the Directed Trustee and Custodian of the Plan. The trustees appointed Paychex Retirement Services as the record-keeper of the Plan.

The financial statements were approved for issue on October 7, 2026, which is the date the financial statements are available to be issued.

Eligibility

Employees are eligible to participate in the Plan upon attainment of the age 21 and one year of service. A year of service is defined as 1,000 hours. The Plan entry dates are the first day of each month.

401(k) provisions

Contributions are by salary reduction and are at the employee's discretion within the limits imposed by the 401(k) provisions of the Plan and the applicable Internal Revenue Code sections. The participant accounts are "participant directed accounts."

Salary deferral

The Plan is a defined contribution plan wherein participants elect to reduce their compensation and have such reductions contributed to the Plan on their behalf. Each year employees can elect to contribute to the Plan up to 92% of compensation. The term

NOTE A – DESCRIPTION OF PLAN

"compensation" for calculation of deferral shall be W-2 wages plus any amounts deferred under the Plan. The maximum contributions allowed by the Internal Revenue Service were $23,500 and $23,000 for the years ended December 31, 2025 and 2024, respectively. Participating employees are eligible to make catch-up contributions under the Plan provided the participating employees have attained or will attain the age of 50 before the close of the year. The amount of catch-up contributions allowed by the Internal Revenue Service was $7,500 for the years ended December 31, 2025 and 2024, respectively. In 2025, participating employees that have attained or will attain the age of 60 before the close of the plan year are allowed to make "super catch-up" contributions of an extra $11,250. The catch-up and "super catch-up" contributions are included in calculating the matching contribution.

The Plan contained an automatic deferral provision as of January 1, 2019. Participants were automatically enrolled at a 3% pre-tax deferral rate. The Plan was amended on October 18, 2019 to remove the automatic deferral provision.

Participants may elect to irrevocably designate all or a portion of their salary deferral as a Roth 401(k) contribution. These contributions are included in the participant's gross income at the time deferred.

Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Contributions

Upon adoption, the Plan's employer match was defined as an annualized match of 50% of participant deferrals up to 6% of salary. The Plan was amended on October 18, 2019 to remove the annualized 50% match and redefine the employer match as a discretionary year end match. No employer match was made for the years ended December 31, 2025 and 2024.

The Company may elect to make a discretionary profit sharing contribution. Participants must complete at least 1,000 hours of service during the Plan year and be employed as of the last day of the year to receive any discretionary profit sharing contributions made for the year. The Company did not make a discretionary profit sharing contribution to the Plan for the years ended December 31, 2025 and 2024.

NOTE A – DESCRIPTION OF PLAN

Participant accounts

Each participant's account is credited with the participant's 401(k) contribution, if any, and an allocation of (a) the Company's contribution, (b) investment experience on those amounts, and (c) forfeitures of terminated participants' nonvested amounts. Allocations are based on participants' compensation or account balances, as defined. Participant accounts are charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Vesting in the participants' accounts is based on years of service and the type of contribution made to the account. A participant is 100% vested immediately on participant 401(k) contributions and/or rollover contributions and employer safe harbor contributions. A participant is 100% vested after six years of credited service on employer discretionary 401(k) matching contributions.

The vesting schedule is as follows:

Years of Service	Vesting %
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes receivable from participants

The Plan allows participants to borrow fifty percent, up to $50,000, of their vested account balance from the Plan at any time. The minimum loan amount is $1,000. Each participant may have two loans outstanding at any given time. The rate of interest is equal to the Wall Street Journal prime rate plus one percent. The loans are secured by the balance in the participant's account. A loan processing fee of $175 will be assessed for each loan requested. The fee will be subtracted from the proceeds of the loan. Principal and interest is paid ratably through payroll deductions. Participant loans are valued at cost.

NOTE A – DESCRIPTION OF PLAN

Termination

Although it has not expressed any intent to do so, the Company's Board of Directors may terminate the Plan at any time. Upon termination, the Board of Directors may elect to distribute to each participant, or his or her beneficiary, the proportionate share of the Plan's assets as determined by the individual account balances on the date of termination, or continue the existence of the trust for the purpose of paying benefits as they become due under the terms of the Plan. In addition, upon termination of the Plan, the participants' vested interest in employer contributions shall be 100%.

Payment of benefits

Distributions of participants' account balances occur only upon retirement, death, hardship, in-service distribution or other termination of employment. A participant or participant's beneficiary may receive a lump sum distribution, a partial payment, installments sufficient to satisfy required minimum distributions upon attainment of age 70 ½, or an annuity contract. Mandatory distributions will be made immediately following severance from employment for participants with a vested balance, less than $5,000.

Investing options

Upon enrollment in the Plan, a participant may direct employee contributions in any of the mutual fund investment options listed in Note C. Participants may change their investment options at any time. In addition, a participant may request a reallocation of both the existing account and future contribution allocations or a rebalancing of the participant's existing account.

Funding policy

It is the policy of the Plan sponsor to remit the employee contributions as soon as administratively possible, but no later than 4 business days after the date of payroll. For the years ended December 31, 2025 and 2024, employee contributions were deposited into the Plan within the Plan's funding policy.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies of Fuentes Restaurant Management Services 401(k) Profit Sharing Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management, who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with U.S. generally accepted accounting principles (U.S. GAAP). Distributions to participants or their beneficiaries are recorded when paid.

Use of estimates

The preparation of the financial statements in conformity with U.S. GAAP requires plan management to make estimates and assumptions that affect the reported amounts of Plan assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Benefit payments

Benefits are recorded when paid.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments. Recordkeeping fees are charged directly to the participant's account and are included in administrative expenses.

NOTE D – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

> *Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
>
> *Level 2* – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
>
> *Level 3* –Inputs to the valuation methodology that are unobservable and significant to the fair value measurement.
>
> The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Cash - Valued at net asset value which is fair value.

Mutual funds – Valued at the daily closing price as reported by the fund. The mutual funds are registered with the U.S. Securities and Exchange Commission and are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D – FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 517,847	$ -	$ -	$ 517,847
Total assets in the fair value hierarchy	$ 517,847	$ -	$ -	$ 517,847

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 392,190	$ -	$ -	$ 392,190
Total assets in the fair value hierarchy	$ 392,190	$ -	$ -	$ 392,190

NOTE E – DERIVATIVES

The Plan has no instruments that, in whole or part, are accounted for as a derivative instrument under current authoritative literature, *Accounting for Derivative Instruments and Hedging Activities,* during the current plan year.

NOTE F – SEPARATED PARTICIPANTS WITH VESTED BENEFITS

There were 8 terminated participants with vested benefits of $5,573 as of December 31, 2025. There were 9 terminated participant with vested benefits of $3,551 as of December 31, 2024.

NOTE G – DETERMINATION LETTER

The Internal Revenue Service (IRS) has determined and informed the Company by letter dated March 31, 2014, that the form of the Prototype Plan is qualified under the appropriate sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

NOTE H – RELATED-PARTY TRANSACTIONS

Mid-Atlantic Trust Company, is the trustee and custodian of the Plan. For the years ended December 31, 2025 and 2024, the direct compensation paid by the Plan to Mid-Atlantic Trust Company was $860. These transactions are exempt party-in-interest transactions.

ERISA Fiduciary Services, provided tax preparation services to the Plan. For the years ended December 31, 2025 and 2024, the direct compensation paid by the Plan to ERISA Fiduciary Services was $5,555 and $15,190, respectively. These transactions are exempt party-in-interest transactions.

GuidedChoice Asset Management, Inc. provided investment advisory services to the Plan for the years ended December 31, 2025 and 2024. For the years ended December 31, 2025 and 2024, the direct compensation paid by the Plan to GuidedChoice Asset Management, Inc. was $1,253 and $186, respectively. These transactions are exempt party-in-interest transactions.

During the years ended December 31, 2025 and 2024, the Plan paid Paychex Retirement Services indirect compensation of $2,777 and $2,296, respectively, for recordkeeping services. These transactions are exempt party-in-interest transactions.

Bland Garvey, P.C. performs the annual audit of the Plan. This transaction is an exempt party-in-interest transaction.

The Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. These transactions are exempt party-in-interest transactions.

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment securities. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE J – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 for the years ended December 31:

Change in corrective distributions	-
Change in contributions receivable	-
Other	4
Net increase in plan assets per Form 5500	$ 115,953

NOTE K – INCOME TAX STATUS

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected

NOTE K – INCOME TAX STATUS

to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE L – FIDELITY BOND

ERISA requires a fidelity bond at the beginning of each plan year in the amount of 10% of the assets of the Plan but must not be less than $1,000 and need not be greater than $500,000. The Plan has a fidelity bond in the amount of $20,000 as of December 31, 2025.

NOTE M – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 7, 2026, the date the financial statements were available to be issued.
