Independent Auditor's Report

To the Trustee and Plan Administrator
Tully Group Employee Savings and Protection Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Tully Group Employee Savings and Protection Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Tully Group Employee Savings and Protection Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Tully Group Employee Savings and Protection Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America and, as a result, the financial statements may not be suitable for another purpose. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tully Group Employee Savings and Protection Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tully Group Employee Savings and Protection Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions - Modified Cash Basis for the year ending December 31, 2025 and the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) - Modified Cash Basis, as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental, we evaluated whether the supplemental, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental, other than the information in the supplemental that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the Tully Group Employee Savings and Protection Plan (the "Plan") is provided only for general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan covers all nonunion employees of Tully Construction Co., Inc. and affiliates (the "Company"). Employees become eligible to participate in the Plan upon completion of three months of service and attaining 21 years of age. The Plan's trustee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

Each year, participants may make voluntary contributions to the Plan as a percentage of their pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan has automatic contribution arrangements. Unless an election is made by the participant, the employer will automatically withhold 3% from the participant's compensation each payroll period. If an amendment election has not been made, contributions will be automatically invested in accordance with the Plan's investment policies. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

The Plan is authorized to make discretionary matching contributions each year. If discretionary matching contributions are made during the year, they will be determined as a percentage of salary deferrals or as a uniform dollar amount. For the year ended December 31, 2025, discretionary matching contributions amounted to $1,148,478.

The Plan also provides for participants to make contributions to a Roth 401(k) component which is includable in the participant's gross income.

Participant accounts

Each participant's account is credited with the participant's contribution and allocation of the Plan earnings and charged with an allocation of administrative costs. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching contributions is based on years of continuous service. A participant is 100% vested after five years of credited service.

Notes receivable from participants
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate similar to the rate charged for a loan made under similar circumstances by persons in the business of lending money. Principal and interest ranging from 4.25% to 10.50% are paid ratably through payroll deductions.

Payment of benefits
On termination of service due to death, disability, retirement, termination or any other reason, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account, either in a lump-sum or pursuant to the election of the participant or beneficiary. Those participants with less than $7,000, must receive a lump-sum distribution of their account. In the event of a serious financial hardship, participants may withdraw a portion of their participant accounts not to exceed the amount required to meet the immediate need.

Forfeited accounts
At December 31, 2025 and 2024, forfeited nonvested accounts totaled $207,064 and $192,296, respectively. These accounts will be used to pay Plan expenses and reduce future employer contributions. During 2025, employer contributions were reduced by $101,980, from forfeited nonvested accounts were allocated to pay employer contributions.

2. Summary of significant accounting policies

Basis of presentation
The accompanying financial statements have been prepared using the modified cash basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). The primary difference from financial statements prepared under accounting principles generally accepted in the United States of America arise from accounting for contributions which are recorded when received, rather than recording such items on an accrual basis. Accordingly, the financial statements are not intended to be presented in conformity with accounting principles generally accepted in the United States of America.

Use of estimates
The preparation of financial statements in accordance with the modified cash basis of accounting requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company, as applicable. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement date basis. Interest and dividend income are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions
Contributions from participants and the matching contributions from the employer are recorded in the year in which the employee contributions are received by the Plan.

Notes receivable from participants
Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the cash basis. Related fees are recorded as administrative expenses and are expensed when they are paid.

Payment of benefits
Benefits are recorded when paid.

Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these modified cash basis financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events
Subsequent events were evaluated through October 12, 2026, the date the modified cash basis financial statements were available to be issued.

3. Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3"). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

- Level 1: Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2: Inputs to the valuation technique include:

  - Quoted prices for similar assets or liabilities in active markets;

  - Quoted prices for identical or similar assets or liabilities in inactive markets;

  - Inputs other than quoted prices that are observable for the asset or liability; and

  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investments measured at net asset value: Consisting of common-collective trusts and pooled separate accounts, valued at the net asset value ("NAV") of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at fair value as of December 31, 2025	Level 1	Level 2	Level 3	Total
Mutual funds	$ 40,262,421	$ -	$ -	$ 40,262,421
Other investments	207,064	-	-	207,064
Total assets in the fair value hierarchy	40,469,485	-	-	40,469,485
Investments measured at net asset value (a)	20,391,551	-	-	20,391,551
Total investments at fair value	$ 60,861,036	$ -	$ -	$ 60,861,036

Assets at fair value as of December 31, 2024	Level 1	Level 2	Level 3	Total
Mutual funds	$ 52,030,426	$ -	$ -	$ 52,030,426
Total assets in the fair value hierarchy	52,030,426	-	-	52,030,426
Total investments at fair value	$ 52,030,426	$ -	$ -	$ 52,030,426

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the line items presented in the statements of net assets available for benefits.

For the years ended December 31, 2025 and 2024, there were no significant transfers between Level 1 and Level 2 and no transfers in or out of Level 3.

Fair value of investments that calculate NAV

The following table summarizes investments measured at fair value based on NAV per share practical expedient as of December 31, 2025. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common-collective trusts	$ 16,527,742	$ -	Daily	Daily
Pooled separate accounts	$ 3,863,809	$ -	Daily	Daily

4. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

5. Tax status

The Plan is a non-standardized pre-approved profit sharing plan, which has received an IRS Opinion Letter dated November 14, 2022, from the IRS stating that it is qualified under the provisions of Section 401 of the Internal Revenue Code (the "IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits - modified cash basis.

7. Certified investments

The Plan administrator has elected to have an audit performed pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, certain information in the Plan's financial statements and supplemental schedules were agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC, the Plan's current Trustee and a qualified institution. The certified information includes the Plan's investments and notes receivable from participants reported in the accompanying Statement of Net Assets Available for Benefits - Modified Cash Basis and the accompanying supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity (including net appreciation/depreciation, interest, and dividends) and interest income on notes receivable from participants reported in the accompanying Statement of changes in Net Assets Available for benefits - Modified Cash Basis for the period from November 5, 2025 through December 31, 2025. PCS Retirement, LLC, the Plan's previous Trustee and a qualified institution, certified to the completeness and accuracy of the Plan's investments and notes receivable from participants reported in the accompanying Statement of Net Assets Available for Benefits - Modified Cash Basis as of December 31, 2024, and the related investment activity (including net appreciation/depreciation, interest, and dividends) and interest income on notes receivable from participants reported in the accompanying Statement of Changes in Net Assets Available for Benefits - Modified Cash Basis for the period from January 1, 2025 through November 5, 2025.

8. Delinquent participant contributions

For the years ended December 31, 2025 and 2024, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Untimely remittances identified on the Schedule H, Line 4a Schedule of Delinquent Participant Contributions - Modified Cash Basis, which totaled $56,368, were not corrected in 2025. Untimely remittances of $93,782 were identified on the Schedule H, Line 4a Schedule of Delinquent Participant Contributions - Modified Cash Basis in a prior year and were not corrected prior to January 1, 2025. The prior year untimely remittances were corrected outside of the Department of Labor Voluntary Fiduciary Correction Program in 2025. Additionally, the Company has compensated participants for lost earnings resulting from the delay in contributions.

9. Reconciliation of financial statements to form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$ 61,619,558	$ 52,724,076
Employer contribution receivable recorded on the accrual method of accounting per Form 5500	-	1,148,478
Net assets available for benefits per Form 5500	$ 61,619,558	$ 53,872,554

The following is a reconciliation of the increase (decrease) in net assets available for benefits per the financial statements for the year ended December 31, 2025 to Form 5500:

	2025
Increase/(decrease) in net assets available for benefits per the financial statements	$ 8,895,482
Less: December 31, 2024 employer contribution receivable recorded on the accrual method of accounting per Form 5500	(1,148,478)
Increase/(decrease) in net assets available for benefits per Form 5500	$ 7,747,004
