Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) [X] Unmodified **(2)** [ ] Qualified **(3)** [ ] Disclaimer **(4)** [ ] Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) [X] DOL Regulation 2520.103-8 **(2)** [ ] DOL Regulation 2520.103-12(d) **(3)** [ ] neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: PLANTE & MORAN, PLLC **(2)** EIN: 33-1498605

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) [ ] This form is filed for a CCT, PSA, DCG or MTIA. **(2)** [ ] It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**	X		122626

Independent Auditor's Report

To the USG Corporation Human Resources Department
USG SelectBenefits Program

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of USG SelectBenefits Program (the "Program"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits and program benefit obligations as of December 31, 2025 and 2024 and the related statements of changes in net assets available for benefits and changes in program benefit obligations for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Program's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Program (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the years then ended stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Program and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

PRAXITY™
Empowering Business Globally

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Program's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Program; and determining that the Program's transactions that are presented and disclosed in the financial statements are in conformity with the Program's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Program's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Program's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year as of December 31, 2025 and reportable transactions and delinquent participant contributions for the year ended December 31, 2025 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Program Description

The following description of USG SelectBenefits Program (the "Program") provides only general information. Participants should refer to the program agreement for a more complete description of the Program's provisions.

General

The Program was established to provide eligible employees of USG Corporation and other domestic subsidiaries (the "Corporation") the opportunity to select from certain taxable and nontaxable welfare and other benefits or receive additional cash compensation, including, but not limited to, a flexible benefits feature for active eligible employees. The medical portion of the Program covers all eligible salaried and hourly paid employees of the Corporation, while the remaining portion of the Program covers all eligible salaried and hourly paid employees of the Corporation who work at least 20 hours per week on a regular basis. The Corporation has appointed its human resources department, or its designated representative, as administrator of the Program. The Program is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Under the current program, the following benefits are provided to eligible participants: health care selectaccounts, dependent care selectaccounts, medical, dental, vision, long-term disability, short-term disability, employee and dependent life insurance (including accidental death and dismemberment coverage for employees), business travel accident coverage, retiree life insurance, and employee assistance coverage.

Employees are allowed to change their welfare and other benefits elected under the Program annually during the specified enrollment period prior to the start of each program year, as well as during certain qualifying life events.

Certain participant contributions for 2024 were remitted after the timeframe required by the Department of Labor. In 2025, the Company remitted the late contributions and related lost earnings to the Plan. The correction is currently pending review under the Voluntary Fiduciary Correction Program.

Health Care and Dependent Care Selectaccounts Benefits

The health care selectaccounts is a self-insured medical care reimbursement program under Section 105 of the Internal Revenue Code (IRC). Participants may allocate up to $3,300 in each program year for reimbursement of eligible medical expenses incurred during the program year. Unused amounts up to $680 carryover to the next program year; amounts in excess of the Carryover Amount are forfeited.

The dependent care selectaccounts is a dependent care assistance program under Section 129 of the IRC, where participants may allocate up to $7,500 in a program year for reimbursement of eligible dependent care expenses that the employees' family units incurred during that program year.

The participants must make pretax contributions to the Program by electing to have their compensation reduced by an amount equal to their election for a program year. Any amounts remaining in a participant's selectaccounts after the allowable reimbursement period will be forfeited.

Retirees are not eligible to participate in the Program's flexible benefit feature.

Benefits

The Program provides medical, life insurance, and short-term disability benefits to eligible active employees and eligible dependents. Retirees who receive benefits paid from the corporation-sponsored retirement plan are enrolled for life insurance. Employees hired on or after January 1, 2002 will not be eligible for medical benefits upon retirement. Employees hired on or after January 1, 2011 will not be eligible for life insurance upon retirement.

Note 1 - Program Description (Continued)

Medical

Employees are offered a choice of a high- or low-deductible consumer-directed health plan (CDHP). The CDHP offers the standard features of a preferred provider organization (PPO) medical plan, combined with a corporation-funded health coverage account (HCA). Each year, the Corporation records an amount to each HCA to provide for payment of covered expenses up to the account maximum. The benefit received within the HCA depends on if the employee is enrolled in the high-deductible (HD) or low-deductible (LD) CDHP ($500 (HD) or $750 (LD) for an employee-only account or $1,000 (HD) or $1,500 (LD) for an employee with one or more dependents). The HCA and retirement reimbursement account (RRA) are funded only by the Corporation on a pay-as-you-go basis when claims are received and paid out of the accounts. If the entire HCA fund is not used during the year, then it is forfeited. The total HCA and RRA balances amounted to approximately $3,100,000 and $3,400,000 at December 31, 2025 and 2024, respectively. In addition to the CDHP offered above, employees have a health savings account (HSA) plan option. Employees can contribute money directly from payroll. The benefit received within the HSA depends on if the employee is enrolled in the employee only or family account ($500 employee or $1,000 family). Employees that are part of the HSA plan have an option to participate in a limited purpose flexible spending account (FSA). The FSA is available to cover dental and vision expenses up to the account maximum, with unused amounts up to $680 eligible to carryover into the following year.

Non-Medicare eligible retiree participants participate in a corporation-funded retiree health reimbursement account (the "Retiree HRA") instead of receiving medical benefits. Each year, the Corporation records an amount to each Retiree HRA to provide for payment of insurance premiums within a private insurance exchange or cover expenses. The benefit received within the Retiree HRA depends on the eligible participant's years of service and marital status upon retirement and is rolled from year to year with no expiration. Following the date on which a participant first becomes eligible for Medicare, all claims for reimbursement of eligible medical expenses must be submitted within 12 months. After that 12-month period, any amounts remaining in the HRA account are forfeited. Participants who were already Medicare eligible as of January 1, 2024 were required to submit claims by December 31, 2024, with any remaining balances forfeited after that date. The total Retiree HRA balances amounted to approximately $13,549,000 and $16,307,000 at December 31, 2025 and 2024, respectively.

Life Insurance

The Corporation provides group insurance coverage for life and accidental death benefits for its participants. Life insurance for hourly and salaried employees is one times their salary. Eligible hourly employees are covered for $50,000 in life and accidental death benefits insurance. Eligible salaried employees receive basic life and accidental death coverage equal to the participant's basic annual salary for each respective type of coverage.

The Corporation pays the entire cost of basic life and basic accidental death coverage. Participants' contributions are used to pay for supplemental life and supplemental accidental death coverage.

Short-term Disability

Hourly employees who are disabled due to injury, sickness, or pregnancy receive short-term disability income benefits weekly. The benefit is 50 percent of the employee's weekly wage up to a maximum benefit of $575 but no less than $50. The benefit will be paid to eligible participants for a maximum of 13 weeks if they have completed less than three years of service and 26 weeks if they have completed more than three years of service.

Funding of Benefits

The health care and dependent care selectaccounts are funded through the USG Employee Benefit Trust (the “Trust”), an IRC Section 501(c)(9) tax-exempt trust. The Northern Trust Company serves as custodian of the Trust.

Note 1 - Program Description (Continued)

The medical benefits are funded by both the Corporation and the participants, with the Corporation paying the major portion of the program costs. The Corporation pays the entire cost of basic life insurance, short-term disability, business travel accident coverage, and employee assistance program coverage. Eligible employees may elect to purchase certain welfare benefits on a pretax basis from the medical, dental, vision, and long-term disability coverages. The health care and dependent care selectaccounts are funded solely through employee pretax contributions.

Retiree participants are not required to make contributions to receive the Retiree HRA, and retiree life insurance coverage is paid by the Corporation. The Corporation may change and impose employee or retiree contribution requirements under any participating program at any time and for any reason.

Administrative Service Contracts

The Program has an agreement with Blue Cross Blue Shield of Illinois (BCBSIL) to provide certain medical coverage administrative services. Generally, BCBSIL handles the processing of claims, prepares drafts for benefit payments, and provides various data processing services to aid in program administration. BCBSIL also serves as the claims administrator for the health care and dependent care selectaccounts. Prescription drug administration and dental are provided by BCBSIL. Vision is provided by VSP Vision Care. Short-term and long-term disability/care, critical illness, accident, and life insurance coverage are provided by Metropolitan Life Insurance Company. The Program has an agreement with HSA Bank, which administers flexible spending accounts. Certain participant contributions for the flexible spending accounts in 2024 were paid after the time frame required by the Department of Labor. The Corporation remitted these contributions during 2025 and remitted related lost earnings to the Program in 2025.

Party-in-interest Transactions

The Northern Trust Short-Term Investment Fund is managed by The Northern Trust Company or its affiliates. The Northern Trust Company is the custodian of the Program; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines. However, they are exempt from the prohibited transactions rules under ERISA.

Termination

While it has not expressed any intent to do so, the Corporation has the right under the Program to modify the benefits provided to employees and to terminate the Program subject to the provisions set forth in ERISA. Upon termination of the Program, any amounts payable under the Program prior to termination shall be paid in accordance with the terms of the program document.

Note 2 - Summary of Significant Accounting Policies

Investment Valuation and Income Recognition

The Program's common collective trust fund is stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The investment is valued at net asset value per share (NAV) (or its equivalent), which is based on the fair value of the underlying assets. There are no redemption restrictions or unfunded commitments on this investment.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Note 2 - Summary of Significant Accounting Policies (Continued)

Pharmacy Rebate Receivable

The program sponsor periodically received rebates from its prescription drug claims processor on certain eligible prescription claims by program participants. A receivable is recorded for such rebates as they are earned. As of January 1, 2021, the Corporation switched its prescription drug claims processor, which began remitting rebates to the Program when earned. There was no rebate receivable as of December 31, 2025 and 2024. Pharmacy rebates received of approximately $9,238,000 and $7,212,000 for the years ended December 31, 2025 and 2024, respectively, have been netted with claims payments.

Benefit Payments and Retiree Subsidies

Benefit and retiree subsidy payments are recorded upon distribution.

Stop-loss Coverage

Medical benefits exceeding $850,000 per covered person in the self-insured program per calendar year are covered under the provisions of an insurance policy held with Blue Cross Blue Shield. These benefits are paid directly by the stop-loss carrier and applied as a credit to the claims. Stop-loss refunds received were approximately $7,900,000 and $83,000 for the years ended December 31, 2025 and 2024, respectively, have been netted with claims payments.

Administrative Expenses

The Program pays administrative expenses that primarily consist of fees paid to third-party administrators, the custodian, and the actuary. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Corporation on behalf of the Program. During 2025 and 2024, the Corporation paid approximately $500,000 in administrative expenses on behalf of the Program.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Postretirement Benefits

The postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed by the terms of the Program to employees' service rendered to the date of the financial statements (reduced by the actuarial present value of contributions expected to be received in the future from current program participants). Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and dependents and (2) active employees and their beneficiaries and dependents after retirement from service with participating employers. The postretirement benefit obligation represents the amount that is to be funded by contributions from the Corporation and from existing program assets. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims cost data to estimate future annual claim costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements, such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

Note 2 - Summary of Significant Accounting Policies (Continued)

All retiree participants have transitioned to the fixed subsidy (HRA) plan design, and an assumption for per capita USG subsidy amount is not applicable in the retiree medical actuarial valuation.

The following were significant assumptions used in the valuations as of December 31, 2025 and 2024:

Weighted-average discount rate	4.89 percent and 5.56 percent for medical and life, respectively - 2025
	5.40 percent and 5.72 percent for medical and life, respectively - 2024
Mortality basis	Pri-2012 mortality table with MP-2021 mortality improvement projection scale - 2025 and 2024
Retirement age	61 - 2025 and 2024

The foregoing assumptions are based on the presumption that the Program will continue. Were the Program to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

The health care cost trend rate assumption does not have a significant effect on the amounts reported. As of December 31, 2025 and 2024, an increase or decrease in the health care cost trend rate assumption would not have an impact on the amounts reported due to the retiree participants receiving the Retiree HRA fixed subsidy.

The Program's deficiency of net assets over benefit obligations at December 31, 2025 and 2024 primarily relates to the postretirement benefit obligations. It is expected that the deficiency will be funded by the Corporation as the benefits become due and through future increase in retiree contributions. Funding for benefit obligations is not required under ERISA.

Other Program Benefits

Program obligations at December 31, 2025 and 2024 include health claims incurred and reported but not paid and health claims incurred by active participants but not reported, which are estimated by the Program's administration based on claims lag reports from insurance companies.

Risks and Uncertainties

Contributions to the Program and the program benefit obligations are reported based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics. Due to the changing nature of these assumptions, it is at least reasonably possible that changes in these assumptions will occur in the near term and, due to the uncertainties inherent in setting assumptions, that the effect of such changes could be material to the financial statements. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. It is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the financial statements.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 6, 2026, which is the date the financial statements were available to be issued.

Note 3 - Certified Information

The Northern Trust Company (the "Custodian") holds the Program's investment in the Northern Trust Short-Term Investment Fund and executes all investment transactions. The investment balances and related investment income and losses included in the accompanying financial statements and supplemental schedules of assets held at end of year and reportable transactions are based solely on information certified by the Custodian.

Note 4 - Tax Status

The Trust established under the Program to hold the Program's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code; accordingly, the Trust's net investment income is generally exempt from income taxes. The Trust has obtained a favorable tax-exemption letter dated March 10, 1992 from the Internal Revenue Service, and the program sponsor believes that the Trust continues to qualify and to operate in accordance with applicable provisions of the IRC.

Note 5 - Reconciliation of the Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024 to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 2,618,889	$ 1,614,292
Less claims payable and claims incurred but not reported	(9,523,032)	(10,718,519)
Net deficit per Form 5500	$ (6,904,143)	$ (9,104,227)

Benefits that have been processed and approved for payment by the Program at year end and benefits incurred but not reported are not considered liabilities under generally accepted accounting principles and, therefore, are not presented as liabilities or benefits paid in the accompanying financial statements but are recorded on Form 5500 as benefit claims payable.

The following is a reconciliation of claims paid per the financial statements to Form 5500 for the years ended December 31, 2025 and 2024:

	2025	2024
Claims payments per the financial statements	$ 91,165,999	$ 77,204,719
Plus amounts currently payable at end of year	9,523,032	10,718,519
Less amounts currently payable at beginning of year	(10,718,519)	(5,972,914)
Claims payments directly to participants per Form 5500	$ 89,970,512	$ 81,950,324
