INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Grease Monkey International 401(k) Plan
Greenwood Village, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Grease Monkey International 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held (at end of year) and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 12, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Grease Monkey International 401(k) Plan (the "Plan"), sponsored by Grease Monkey International, LLC (the "Company"), provides general information only. Participants should refer to the plan document, adoption agreement, and other governing plan documents for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering eligible employees of the Company and other participating employers. Effective October 1, 2020, employees who have attained age 18 are eligible to make elective deferrals and receive employer matching and discretionary profit-sharing contributions, if any, after completing 30 days of elapsed time. Eligible employees enter the Plan on the first day of the calendar month coincident with or next following the date on which they satisfy the applicable eligibility requirements. The amendment also retained a 1,000-hour service failsafe, changed the eligibility computation period to the Plan Year, and established a 45-hour-per-week equivalency for employees who are not paid on an hourly basis. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Each year, participants may contribute up to 100% of annual compensation, as defined in the Plan, subject to the maximum annual contribution permitted by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified retirement plans, subject to Plan provisions.

The Company may make discretionary matching contributions as determined by the Company and subject to the Plan provisions. For the year ended December 31, 2021, the Company made matching contributions equal to 50% of the first 6% of eligible compensation deferred by participants. Additional amounts may be contributed at the option of the Company. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts - Each participant's account is credited with the participant's contributions, Company contributions, and an allocation of Plan earnings. Each participant's account is charged with an allocation of administrative expenses, if any. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures - Forfeitures of nonvested Company contribution account balances are used in accordance with the Plan document to reduce Company contributions, pay eligible Plan expenses, or be reallocated as Company contributions. At December 31, 2021 and 2020, forfeitures available for use totaled approximately $20,300 and 16,035, respectively. During 2021, forfeitures were allocated/used totaling approximately $19,464.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Vesting - Participants are immediately vested in their employee contributions and related earnings. Employer matching and profit-sharing contributions, together with the related earnings, vest under a two-to-six-year graded vesting schedule. Participants become fully vested after six years of credited service.

Payment of Benefits - Upon termination of service, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution. Under certain circumstances, a participant may withdraw his or her account balance prior to termination of service in accordance with the Plan document.

CARES Act Provisions - During 2020, the Plan adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") for eligible participants with a qualifying coronavirus-related reason, including waiver of required minimum distributions otherwise payable in 2020 and coronavirus-related distributions up to the lesser of $100,000 or 100% of the participant's vested account balance.

Investment Options - Upon enrollment in the Plan, a participant may direct the contributions made to the Plan, for or on behalf of the participant, to any one or more of the investment funds determined at the discretion of the Plan Administrator and Plan Sponsor. Participants may change their investment elections with respect to future contributions or redirect the investment of existing account balances in accordance with the Plan's administrative procedures.

Hardship Withdrawals - The Plan allows for hardship withdrawals in accordance with the IRS regulations and the Plan provisions.

Plan Expenses - The Plan's expenses are paid by either the Plan or the Company, as provided by the plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the administration of the Plan and paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, investment-related expenses are included in net appreciation in fair value of investments.

Notes Receivable from Participants - Participants may borrow from their vested accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000, reduced by the highest outstanding loan balance during the preceding 12 months less the outstanding balance on the date of the loan, or 50% of their vested account balance. Loans are secured by the participant's vested account balance and bear interest at a rate of prime plus one percent as per the Plan's loan policy. Loan repayments are generally made through payroll deductions. Loans generally must be repaid within five years unless the loan is used to acquire a principal residence, in which case the term may not exceed 15 years with proper documentation.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants – (Continued) During 2020, the Plan adopted CARES Act loan provisions for eligible participants with a qualifying coronavirus-related reason, including increased loan limits up to the lesser of $100,000 or 100% of the participant's vested account balance and deferral of certain loan repayments through December 31, 2020. Deferred notes receivable from participants were re-amortized and repayments restarted in January 2021.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements are presented on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 5 for discussion of fair value measurements. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties - The Plan provides the participants with various investment securities. Investment securities are exposed to various risks, such as interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Fair Value Measurements - ASC Topic 820 *Fair Value Measurements* defines fair value, establishes guidelines for measuring fair value, and expands disclosure regarding fair value measurements. The Plan follows the guidance in ASU 2015-07 which removed the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value ("NAV") per share as quoted on a private market that is not active.

NOTE 3 - INFORMATION CERTIFIED BY QUALIFIED INSTITUTION

The Plan Administrator has elected the method of compliance permitted by ERISA Section 103(a)(3)(C) and 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica Life Insurance Company, Inc. ("TLIC"), the Custodian for the Plan, has certified as to the completeness and accuracy of certain investment information of the Plan as of December 31, 2021 and 2020 and for the year ended December 31, 2021. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by TLIC:

	2021	2020
Statements of Net Assets Available for Benefits:		
Pooled separate accounts, at fair value	$ 3,376,060	$ 2,252,264
Investment contract, at contract value	93,155	66,143
Notes receivable from participants	89,332	40,427

	2021
Statement of Changes in Net Assets Available for Benefits:	
Net appreciation in fair value of investments	$ 377,738
Interest income	1,904

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

A related party is any party who can control or significantly influence Plan management or operating policies. Parties-in-interest are defined under DOL regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third-party administrator (TPA), investment managers, investment advisors, legal counsel, and Plan auditor.

During the year ended December 31, 2021, the Plan made direct payments of $11,609 to certain parties-in-interest for administration and investment advisory fees, as allowed by ERISA. The Plan sponsor pays directly certain other fees related to the operation of the Plan.

Fees incurred by the Plan for the investment management services are included in the net appreciation in fair value of the related investment, as they are paid using investment earnings rather than a direct payment.

NOTE 5 - INVESTMENTS MEASURED AT NAV USING THE PRACTICAL EXPEDIENT

The Plan's pooled separate accounts are measured at NAV as a practical expedient to estimate fair value and, therefore, have not been classified in the fair value hierarchy.

Investments measured at NAV, which represents investments at fair value were $3,376,060 and $2,252,264 at December 31, 2021 and 2020, respectively. Participants can redeem their investments in pooled separate accounts daily without notice. There are no unfunded commitments.

As the plan invests in pooled separate accounts for which there is a Form 5500 filed as a direct filing entity, the Plan is not required to disclose the significant investment strategies for the pooled separate accounts.

NOTE 6 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan invests in the Transamerica Stable Value Core Option, which is a fully benefit-responsive guaranteed investment contract (GIC). This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

NOTE 6 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (Continued)

The following represents the disaggregation of fully benefit-responsive investment contract held by the Plan:

	2021	2020
Traditional investment contract	$ 93,155	$ 66,143

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established in a contract between the Plan and the contract issuer, which will not fall below 0%. The crediting rate is reviewed semi-annually for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: amendments to plan documents (including complete or partial plan termination or merger with another plan), changes to plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary), that cause a significant withdrawal from the plan, the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974, or premature termination of the contract. No events are probable that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation, and a material amendment to the agreement without the consent of the issuer.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, participants become 100% vested in their accounts.

NOTE 8 - TAX STATUS

The Plan is a volume submitter defined contribution plan document sponsored by Retirement Planning Services, Inc. d/b/a RPS Plan Administrators. The Internal Revenue Service issued a favorable advisory/opinion letter dated March 31, 2014, with respect to the form of the pre-approved volume submitter plan document. The Plan itself has not received a separate determination letter from the IRS.

Plan management believes the Plan has been designed and operated in accordance with the applicable requirements of the Internal Revenue Code. Therefore, Plan management believes the Plan is qualified and the related trust is tax-exempt as of December 31, 2021.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes the Plan is no longer subject to income tax examination for years prior to 2018.

NOTE 9 - CONTINGENCY

As a result of the COVID-19 coronavirus, economic uncertainties remain which could negatively impact investment income and other plan transactions. Other financial impacts could occur though such potential impact is unknown at this time.

The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that included numerous employee benefit plan provisions to assist plan sponsors and participants. As noted in Note 1, the Plan adopted CARES Act provisions related to distributions and notes receivable from participants for the 2020 plan year.

NOTE 10 - EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants totaling $41,804 and $42,031 as of December 31, 2021 and 2020, respectively, for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as liabilities and are included in corrective distributions. The Plan distributed these excess contributions to the applicable participants prior to March 15 of the following year.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2021 and 2020, per the financial statements to Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	$ 3,545,252	$ 2,343,714
Add: Accrued excess contributions payable	41,804	42,031
Net assets available for benefits per the Form 5500	$ 3,587,056	$ 2,385,745

The following is a reconciliation of distributions for the year ended December 31, 2021, per the financial statements to the Form 5500:

	2021
Distributions per the financial statements	$ 392,054
Add: Excess contributions payable prior year	42,031
Less: Excess contributions payable current year	(41,804)
Distributions per the Form 5500	$ 392,281

NOTE 12 - SUBSEQUENT EVENTS

Management evaluated subsequent events through October 13, 2026, the date the financial statements were available to be issued.

Effective January 1, 2022, the Plan was amended and restated onto an Alerus Financial, N.A. pre-approved defined contribution plan document. The Alerus pre-approved plan is covered by a favorable IRS opinion letter dated June 30, 2020. The amendment and restatement did not materially increase benefits attributable to participant service rendered before December 31, 2021 and did not have a material financial effect on the Plan.
