REPORT OF INDEPENDENT AUDITORS

To the Thrift Plan Investment Committee of the
Hunt Consolidated, Inc. Fidelity Thrift Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Hunt Consolidated, Inc. Fidelity Thrift Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- the information in the accompanying Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter –Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

(1) Description of Plan

The following description of the Hunt Consolidated, Inc. Fidelity Thrift Plan (the Plan) provides only general information. Participants should refer to the Plan document, as amended, for a complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering substantially all full-time employees of Hunt Consolidated, Inc. and participating affiliated companies (the Employer or Company). The Plan is qualified under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Effective April 1, 2022 the Plan was amended to remove the 21 age requirement.

(b) Plan Administration

Fidelity Management Trust Company ("Fidelity") is the appointed Trustee of the Plan and manages a trust fund on behalf of the Plan. Fidelity Workplace Services (Fidelity Investments) the transfer agent and record keeper, maintains participant account balances, including receipt and allocation of interest, dividends and contributions to elected investments and distributions and loans to participants.

(c) Participant and Employer Contributions

The Plan allows participants to make pretax, Roth and after-tax contributions, the sum of which may not exceed 20 percent of their 2025 and 2024 base compensation. Newly eligible participants are automatically enrolled in the Thrift Plan at a pre-tax contribution rate of 6% following 35 days of employment, unless the participant makes a deferral election on his or her own prior to the auto enrollment date. Automatic contributions are invested in the Plan's default fund, which is the Vanguard Target Retirement Fund applicable for the participant assuming retirement at age 65. Pretax and Roth contributions may not exceed $23,500 per participant in 2025 or $23,000 per participant in 2024, except for catch-up contributions. In accordance with the 2001 Economic Growth and Tax Relief Act, participants age 50 or older are eligible to make catch-up contributions, up to $7,500 during 2025 and 2024, in addition to their pretax and Roth contributions. Participants may also contribute distributions received from other qualified benefit plans, called a rollover contribution, into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

Except as described below, the first 6 percent of base compensation contributed to the Plan is eligible for matching by the Employer. Catch-up contributions are not eligible for employer matching contributions. The Employer matches the first 6 percent of employee contributions dollar for dollar.

Effective March 31, 2017, in connection with a curtailment of the Company's pension plan, the Company began to contribute an additional 6 percent of eligible employees' base compensation to each eligible employee's Plan account regardless of whether that employee contributes anything to the Plan. In addition, the Company will make an additional discretionary contribution of up to 3 percent of eligible employees' base compensation, also regardless of whether the employee contributes to the Plan. Employees of Hunt Refining Company were not eligible for these additional contributions until January 1, 2018, at which time each adopted an employer contribution strategy, similar to the other participating employers, equal to a 6 percent company match, a 6 percent employer fixed contribution and a discretionary employer contribution of up to 3 percent. Certain employees meeting certain age and length of service requirements were given the option of continuing to accrue their current pension benefit. Those opting to remain in the pension plan did not receive the additional Plan contributions.

Effective September 30, 2020, in connection with a freeze of the Company's pension plan, the formerly grandfathered pension plan participants became eligible for the additional thrift plan contributions outlined above.

The Company made a discretionary contribution to the Plan of $3,424,122 for 2025 in February 2026 and $3,333,861 for 2024 in February 2025, which is included within the employer contribution receivable on the statement of net assets available for benefits.

Effective October 31, 2025, the Plan adopted a provision under the SECURE 2.0 Act of 2022 permitting qualified student loan payments made by eligible participants to be treated as elective deferrals for purposes of receiving

employer matching contributions. Employer matching contributions related to qualified student loan payments are made in accordance with the Plan's matching contribution formula and are subject to the same vesting and other Plan provisions applicable to matching contributions on elective deferrals.

(d) Participant Accounts

Each participant's account is credited with the participant's contribution, rollover contribution, if any, and the Employer contribution, and is adjusted for participant account earnings, gains and losses as well as loan recordkeeping fees, if applicable. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(e) Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Prior to December 31, 2019 vesting in the Employer's contributions plus actual earnings was based on a vesting schedule of 25 percent per year beginning in the second year of service, such that participants are 100 percent vested after 5 years of service. Nonvested contributions are forfeited upon termination of participants. Effective January 1, 2020, the Company amended the vesting requirements so all accounts of a participant who completes an hour of service after December 31, 2019, shall be fully vested.

(f) Investment Options

Participants can elect to contribute to any investment option offered by the Plan. The Fidelity Thrift Plan Investment Committee is appointed by Hunt Consolidated, Inc. Board of Directors and has discretionary authority concerning investment options offered to participants of the Plan.

(g) Loans to Participants

Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 less the highest outstanding loan balance in the previous 12 months or 50 percent of the vested value of their account. Loan transactions are treated as transfers between the investment funds and participant loan accounts. Loan repayment terms range from less than one year to five years or, for a loan made for the purchase of a primary residence, a maximum repayment term of 10 years. Each loan is secured by the vested balance in the participant's account and bears interest at a rate as determined by the Plan Administrator that is commensurate with prevailing rates charged by commercial lenders for loans, which would be made under similar circumstances. Participant loans determined to be in default are reclassified as distributions. During 2025 and 2024 the Plan had no defaulted loans reclassified as distributions.

(h) Payment of Benefits

Participants withdrawing during the year for reasons of disability, retirement, death or termination are entitled to their vested account balance. If the payment is due to death or disability, benefits are distributed in the form of rollovers or lump sum payments. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited. Effective January 1, 2019, participants are allowed certain in-service withdrawals twice per year, at any time, outside of termination. Previously, in-service withdrawals were limited to the months of March and September. A participant may also elect to withdraw all or a portion of their vested account balance while employed after reaching age 59 ½. Withdrawals are also allowed in the event of a hardship, provided specific criteria are met.

Effective January 1, 2021 the Plan was also amended to remove the provision that required a forced distribution at age 65 for all terminated/retired participants.

(i) Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

(j) Forfeited Accounts

Forfeitures are used to reduce Employer contributions. Employer contributions were reduced by $132,284 and $192,000 from forfeited nonvested accounts in 2025 and 2024. At December 31, 2025 and 2024, there were $37,731 and $11,098 of unallocated forfeitures, respectively.

(k) Contributions
Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan's administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation
The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

(b) Investment Valuation and Income Recognition
Investments in mutual funds are recorded at fair value using quoted market prices. The commingled trust fund is recorded at fair value based on quoted market prices of the underlying assets when available. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded as it is earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of mutual funds includes realized gains and losses on mutual funds sold during the year as well as appreciation (depreciation) of the investments held at year end.

(c) Notes Receivable from Participants
Notes receivable from participants are valued at their outstanding balances plus accrued but unpaid interest, if significant.

(d) Payment of Benefits
Benefits are recorded when paid.

(e) Plan Expenses
Plan participants pay administrative expenses of the Plan through fees deducted directly from participant accounts on a per-participant basis. Revenue sharing arrangements between the Plan's investment funds and the Plan's trustee are not used to pay the Plan's administrative expenses, but rather are credited into the accounts of the participants invested in the respective funds which generated such amounts. Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Loan recordkeeping fees are paid by the participants.

Revenue sharing and sub-transfer fees received by the Plan from its investment funds are credited directly into the Plan's trust accounts and are reported in the Plan's financial statements within dividends and interest from investments. The Revenue Credit account had a balance of $109,232 at December 31, 2025 and $65,481 at December 31, 2024. No Plan expenses were paid from the Revenue Credit Account during 2025 or 2024. During 2014, the fee structure with Fidelity Investments was amended and the Plan will no longer receive future revenue credits.

(f) Use of Estimates
The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(g) Risks and Uncertainties
The Plan offers a number of investment options that are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

(h) Party-in-Interest Transactions
The Plan engaged in investment transactions with certain plan investments managed by Fidelity Management Trust Company and Fidelity Workplace Services, both related-parties to Fidelity Investments. As the record keeper and transfer agent, Fidelity Investments is a party-in-interest with respect to the Plan. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the IRC.

The Plan paid certain expenses related to Plan operations and investment activity to service providers. These transactions are party-in-interest transactions under ERISA. Loans made to participants are considered party-in-interest transactions.

(i) Subsequent Events

The Company's management evaluates events occurring subsequent to the end of the year to determine whether they require recognition, disclosure or both in the Plan's financial statements. Events that provide additional evidence about conditions that existed at December 31, 2025 are recognized in the financial statements during the current period presented. Nonrecognized subsequent events are events that provide evidence about conditions that arose after the balance sheet date but are not recognized in the financial statements. Both types of subsequent events require disclosure in the financial statements if nondisclosure of such events causes the financial statements to be misleading. The Company's management has evaluated subsequent events through September 14, 2026, the date at which the financial statements were available to be issued and determined the following event for disclosure: Effective January 1, 2026, the Plan was amended to increase participant's maximum deferral percentage from 20% to 30% of base compensation.

(3) Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated June 27, 2015, that the Plan is qualified under Section 401(a) of the IRC and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the letter. The Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(4) Fair-value Measurements

The following three-tier fair value hierarchy prioritizes the inputs used in measuring fair value.

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date.

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 inputs are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

Registered Investment Companies – Mutual Funds – The shares of registered investment companies are valued at quoted market prices in an exchange and active market, which represent the net asset values ("NAV") of shares held by the Plan at year end and are classified as Level 1 investments. These include bond funds, equity funds and balanced funds.

Commingled Trust Funds – The commingled trust fund (CTF) is composed of fully benefit-responsive investment contracts. A portion of the CTF is classified as a Level 2 investment and the remaining portion is valued at the net asset value of the underlying fund as reported on each business day. The fair value of fully benefit-responsive investment contracts classified as Level 2 investments is calculated using a discounted cash flow model which considers recent fee bids as determined by recognized dealers, discount rate and the duration of the underlying portfolio securities. For these Level 2 investments, the CTF is not available in an

exchange and active market, however, the fair value is determined based on the underlying investments as traded in an exchange and active market at a daily NAV of $1.00. For the remaining portion of the CTF not

categorized as a Level 2 investment, the net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. There are no significant restrictions on redeeming those investments at net asset value.

Cash Equivalents – Cash equivalents consist of money market funds, which are valued at quoted market prices in an exchange and active markets. The fair values represent the net asset values of shares held by the Plan at year end and are classified as Level 1 investments.

As of December 31, 2025 and 2024, the Plan's investments measured at fair value on a recurring basis were as follows:

	Markets for Identical Assets (Level 1)	Observable Inputs (Level 2)	Investments Measured at Net Asset Value[1]	Total
2025				
Investments:				
Mutual Funds	**$ 442,454,842**	**$ -**	**$ -**	**$ 442,454,842**

Total	$ 400,697,888	$ 10,876,426	$ 684,586	$ 412,258,900

[1] Certain investments that are measured at fair value using the net asset value per share for its equivalent practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Company's consolidated balance sheets.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investments	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period

To the Thrift Plan Investment Committee of the
Hunt Consolidated, Inc. Fidelity Thrift Plan

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of the Hunt Consolidated, Inc. Fidelity Thrift Plan (the "Plan") as of and for the year ended December 31, 2025, and have issued our report thereon dated September 14, 2026. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated May 11, 2026, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution"). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America ("U.S. GAAP"). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team and our firm, including its employees, have complied with all relevant ethical requirements regarding independence.

Significant Risks Identified

No significant risks were identified that require special audit consideration.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2025. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates and Related Disclosures

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. There are no significant accounting estimates included in the financial statements.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Plan's financial statements relate to the fair value of investments.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. We have not identified any significant unusual transactions.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Identified or Suspected Fraud

We have not identified any fraud or suspected fraud.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management.

Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances, or disclosures, and the financial statements as a whole. Uncorrected misstatements or matters underlying those uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even though the uncorrected misstatements are immaterial to the financial statements currently under audit. There were no uncorrected misstatements identified in the current or prior year.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. There were no material corrected misstatements identified during the current year.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached management letter dated September 14, 2026.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Matters

The ERISA-required supplemental schedule was subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This representation letter is provided in connection with your audits of the financial statements of the Hunt Consolidated, Inc. Fidelity Thrift Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

We have elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information such that, in the light of surrounding circumstances, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of the date of this letter the following representations made to you during your audits:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 11, 2026, for the preparation and fair presentation of the financial statements (and disclosures) in accordance with U.S. GAAP, and the notes include all the disclosures required by laws and regulations in which the Plan is subject, including the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

2. We acknowledge our responsibility for administering the plan and determining the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

3. We acknowledge our responsibility for the design, implementation, and maintenance of the system of internal control relevant to the preparation and fair presentation of financial statements, notes, and supplemental schedule that are free from material misstatement, whether due to fraud or error.

4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.

5. The methods, data, and significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable. The methods and significant assumptions used to estimate fair values are properly disclosed in Note 4. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.

7. All related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.

8. Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.

9. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.

10. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.

11. We have no intentions to terminate the Plan.

12. Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or another lending institution have been properly recorded or disclosed in the financial statements.

13. We have properly reported and disclosed amendments to the Plan instrument, if any.

14. We acknowledge that administrative expenses paid by the Plan sponsor on behalf of the Plan will not be reimbursed by the Plan.

15. We will notify in you in advance of our intent to include your report, in whole or in part, in any document other than Form 5500 filed with a regulatory agency or printed, in whole or in part, for any reason, and you will have the opportunity to review such matter before its filing or issuance.

16. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the ERISA-required supplemental schedules, including the form and content, is/are fairly presented in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement or presentation have not changed from those used in the prior period.

17. Employer contributions receivable recorded in the financial statements represents valid claims against employers for employer contributions due for the period on or before the statement of net assets available for benefits date and have been appropriately reduced to their estimated net realizable value.

18. In regard to the assistance with the financial statement preparation services performed by you, we have—

    a. Made all management decisions and performed all management functions;

    b. Assigned a competent individual to oversee the services;

    c. Evaluated the adequacy and results of the services performed;

d. Evaluated and accepted responsibility for the result of the service performed; and

e. Established and maintained controls, including a process to monitor the system of internal control.

19. Material concentrations have been properly disclosed in accordance with U.S. GAAP.

Information Provided

20. We have provided you with:

a. Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, Plan instruments, trust agreements, insurance contracts, as applicable, or investments contracts, as applicable, and amendments to such documents entered into during the year;

b. The most current plan instrument for the audit period, including all amendments;

c. A draft of the Form 5500 that is substantially complete;

d. Additional information that you have requested from us for the purpose of the audits;

e. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence; and

f. All minutes of the meetings of the Thrift Plan Investment Committee or summaries of actions of recent meetings for which minutes have not yet been prepared.

21. All transactions have been recorded in the accounting records and are reflected in the financial statements.

22. Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.

23. The Plan or trust has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.

24. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

25. We have evaluated the Plan's ability to meet its obligations as they become due, and have not identified any conditions or events, individually or in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern.

26. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:

    a. Management;

    b. Employees who have significant roles in internal control; or

    c. Others when the fraud could have a material effect on the financial statements.

27. We have no knowledge of any allegations of fraud, or suspected fraud, affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

28. We have no knowledge of any of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.

29. There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.

30. We have disclosed to you the identity of all of the Plan's related parties and parties in interest and the nature of all the related party and party in interest relationships and transactions of which we are aware.

31. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

32. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

33. All required filings with the appropriate agencies have been made.

34. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and intends to continue as a qualified plan (and trust). The Plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status.

35. The Plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan.

36. The Plan has complied with the fidelity bonding requirements of ERISA.

37. The form and content of the Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is fairly presented in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

38. There are no:

    a. Nonexempt party in interest transactions (as defined in ERISA Section 3[l4] and regulations under that section) that were not disclosed in the supplemental schedules or financial statements.

    b. Investments in default or considered to be uncollectible that were not disclosed in the supplemental schedule.

    c. Reportable transactions (as defined in ERISA Section 103[b][3][H] and regulations under that section) that were not disclosed in the supplemental schedule.

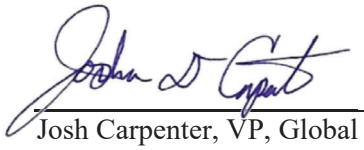

39. We represent the payroll detail provided is complete and included all eligible employees and entities associated with the Plan.

40. We have read the SOC 1 reports provided by UKG, Inc. (prepared by Ernst & Young), Fidelity Workplace Services LLC and Fidelity Technology Group LLC (prepared by Pricewaterhouse Coopers) and believe that the user controls suggested in these reports are properly implemented within our internal control procedures. We are aware of the exceptions noted in the SOC 1 reports and have considered the need for additional controls within our internal control procedures. No change within our internal control procedures deemed necessary.

41. For the years ended December 31, 2025 and 2024, the Plan Sponsor contributed 100% of the first 6% for all participants. There was a discretionary match of 3% for the years ended December 31, 2025 and 2024. Catch-up contributions are not eligible for company match.

42. We represent that the interest rates for outstanding loans as of December 31, 2025 and 2024, were between 5.25% and 10.50% which is in accordance with the loan policy and provisions of the Plan document.

43. We have read, reviewed, and agree with the financial statements to which this letter refers and approve of their issuance.
