Independent Auditor's Report

To the Plan Administrator
Spectrum Comm Inc. 401(k) Profit Sharing Plan
Newport News, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Spectrum Comm Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Spectrum Comm Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

231 Wylderose Drive | Midlothian, VA 23113 | 804.323.1313

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Spectrum Comm Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Spectrum Comm Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the report is issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Spectrum Comm Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Spectrum Comm Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Spectrum Comm Inc. 401(k) Profit Sharing Plan

December 31, 2025 and 2024

Note A - Description of the Plan

The following description of the Spectrum Comm Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all of the employees of Spectrum Comm Inc. (the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All eligible employees are subject to an automatic enrollment contribution provision. Assets of the Plan are held by Fidelity Management Trust Company, the Trustee of the Plan, which manages the Plan's assets and executes Plan transactions in accordance with the trust agreement. The Employer is the Plan's sponsor and administrator. Certain administrative functions are performed by employees of the Employer. These employees do not receive compensation from the Plan.

Certain employees participating in the Plan are covered under a collective bargaining agreement. Employer contributions on behalf of these employees are made in accordance with the terms of the respective agreement. As of December 31, 2025, approximately 10% of plan participants were covered by such agreement. The collective bargaining agreement expires at December 31, 2027. Management does not anticipate that the renewal of these agreements will have a material effect on the Plan's operations or financial position.

Contributions

Participants may contribute a portion of their eligible compensation to the Plan, subject to limitations under the Internal Revenue Code. The Company makes a matching contribution equal to 100% of participant contributions up to 3% of eligible compensation, and 50% of the next 2% of eligible compensation. The matching contribution is determined on a Plan-year basis. In addition, pursuant to the applicable collective bargaining agreement, the Company is required to contribute $1.25 per hour on behalf of covered employees. Such contributions begin accruing on the first day of employment and continue based on a 40-hour work week during paid vacation, holidays, sick leave and other paid time off, not to exceed 40 hours per week. The Company may also make discretionary contributions to the Plan.

Participant Accounts

Each participant's account is credited with the Employer contributions and the participant's voluntary contribution, in addition to allocated shares of the Plan's investment earnings and losses, plan expenses and forfeitures, if any. The Plan allocates income and net appreciation in the current market value of the funds on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note A - Description of the Plan - Continued

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of their account balance (reduced by the highest outstanding loan balance, if any, during the one-year period ending on the day before the new loan is made). Loans bear interest at the current prime lending rate, or such other rate as is prescribed by the Plan based on periodic re-evaluations of the adequacy of such rates and must be repaid over a period not to exceed five years unless used to purchase the participant's primary residence. The outstanding loans at December 31, 2025 mature between 2026 and 2030. Loans are secured by the participant's account balance. Loans are repaid through payroll deductions including principal and interest. The principal portion reduces the receivable from participants and both principal and interest are transferred to the participant's investment options as repayments are received. Interest rates at December 31, 2025 ranged from 3.25% to 8.50%.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan, to discontinue contributions and terminate the Plan, subject to the provisions of ERISA. In the event of termination, each participant would become 100% vested in their employer contributions.

Vesting

Participants are immediately vested in their voluntary contributions and employer matching and discretionary contributions plus actual earnings thereon.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or monthly installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $3,340 and $3,394, respectively. These accounts will be used to reduce future employer contributions. There were no forfeitures used to reduce employer contributions during the year ended December 31, 2025.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Note B - Summary of Significant Accounting Policies - Continued

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payments of Benefits

Benefits are recorded when paid by the Plan.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Note C - Information Certified by the Plan's Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2025, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company (the "Trustee" of the Plan).

	December 31,	
	2025	2024
Investments at fair value:		
Mutual funds	$ 18,166,071	$ 16,520,844
Common/collective trust	173,137	347,894
Notes receivable from participants	138,746	112,996
	$ 18,477,954	$ 16,981,734

The Trustee also certified to the completeness and accuracy of income related to the aforementioned investments of the following for the year ended December 31, 2025:

Net appreciation in fair value of investments	$ 2,049,040
Dividends and interest	768,234
Interest on notes receivable from participants	8,636
	$ 2,825,910

Note D - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs derived principally from or corroborated by observable market data by correlation or other means.

Note D - Fair Value Measurements - Continued

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no significant changes in methodologies used at December 31, 2025.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed actively traded.

Common/collective trust: Valued at NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business fashion.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 18,166,071	$	$	$ 18,166,071
Investments measured at net asset value				173,137
Total assets at fair value				$ 18,339,208

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 16,520,844	$	$	$ 16,520,844
Investments measured at net asset value				347,894
Total assets at fair value				$ 16,868,738

Note D - Fair Value Measurements - Continued

The following table summarizes investments at fair value based on net asset value per share as of December 31, 2025 and 2024:

December 31, 2025				
Asset	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust -				
Putnam Stable Value	$ 172,469	n/a	Daily	Benefit payments -
FID Govt Mmkt	$ 668	n/a	Daily	1 day
				Other - 12 months

December 31, 2024				
Asset	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust -				
Putnam Stable Value	$ 347,509	n/a	Daily	Benefit payments -
FID Govt Mmkt	$ 385	n/a	Daily	1 day
				Other - 12 months

Note E - Party-in-Interest Transactions

Certain Plan investments are managed by Fidelity Management Trust Company, the Trustee, and therefore, those transactions qualify as party-in-interest transactions. Notes receivable from participants are considered to be party-in-interest transactions because they are transacted with the Plan participants.

Note F - Tax Status

The Plan is an adoption of a Prototype Non-Standardized 401(k) Plan (the "Prototype Plan") with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, in which the IRS stated that the Prototype Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself, and the Prototype Plan has been amended since receiving the determination letter. However, the Plan's management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to business income tax and therefore, the Plan and related trust continue to be tax-exempt. Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note G - Risks and Uncertainties

The Plan's assets are invested in various investment securities. Investments are exposed to various risks, such as changes in interest rates, market conditions and credit assessments. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the financial statements.

Note H - Subsequent Events

The Plan management has evaluated subsequent events through October 1, 2026, which is the date these financial statements were available to be issued.

Note I - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 18,487,985	$ 16,993,847
Current year employer receivable	(10,031)	(12,113)
Net assets available for benefits per Form 5500	$ 18,477,954	$ 16,981,734

The following is a reconciliation of employer and employee contributions paid per the financial statements for the year ended December 31, 2025, to Form 5500:

Employer contributions per the 2025 financial statements	$ 458,172
Less: Employer contribution receivable - current year	(10,031)
Plus: Employer contribution receivable - prior year	12,113
Employer contributions per the 2025 Form 5500	$ 460,254
