**Sail Energy 401(k) Plan**

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Sail Energy 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Sail Energy 401(k) Plan**'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Sail Energy 401(k) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Sail Energy 401(k) Plan**'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Sail Energy 401(k) Plan**'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Sail Energy 401(k) Plan**'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTE 1: DESCRIPTION OF PLAN

The following description of Sail Energy 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

**General:** The Plan is a defined-contribution plan established on October 1, 1985, to provide retirement and other related benefits to all employees of Sail Energy, LLC (the "Company"). An employee becomes eligible to participate for purposes of salary reduction contributions when they have completed two months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions:** Each year, participants may contribute an amount up to a certain percentage of their pretax annual compensation, as defined in the Plan, or the limits set by the Internal Revenue Service (IRS). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts received from any other retirement plan which satisfy the tax rules for rollovers.

Participants may designate a portion, or all, of their deferred contributions as Roth contributions, which are includable in the participant's gross income.

The Company may also make an employer matching contribution at a discretionary percentage to be determined by the Company. For the year ended December 31, 2025, the Company made employer matching contributions equal to 33.33% of the employee's deferrals up to 9% of the employee's eligible compensation.

**Participant Accounts:** Each participant's account is credited with the participant's and employer contributions, an allocation of Plan earnings or losses, and may be charged with certain administrative expenses. Allocations of earnings or losses are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

**Investment Options:** Participants direct the investment of contributions into various investment options offered by the Plan.

**Vesting:** Participants are immediately vested in their voluntary contributions and any actual earnings thereon. Vesting in the employer matching contribution is based on years of credited service, with vesting in 25% increments beginning with the completion of one year of service, and full vesting upon the completion of four years of credited service.

## NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

**Forfeited Accounts:** Forfeited accounts may be used to pay administrative expenses and any remaining amounts can be used to reduce future employer matching contributions. There was $11 and $7 in the forfeiture account as of December 31, 2025 and 2024, respectively. For the year ended December 31, 2025, the Plan utilized $20,219 of forfeited accounts to reduce administrative expenses.

**Notes Receivable from Participants:** Participants may borrow a minimum of $1,000 and a maximum of the lesser of 50% of their vested account balance of $50,000. Interest rates on these loans are at prime, plus 1% and the interest rates for outstanding loans currently range from 4.25% to 9.50%. Loans must be repaid within five years, unless the loan is taken for the purchase of a primary residence, which may be repaid over a period not to exceed 30 years. Participants repay principal and interest usually through payroll deductions. If participants terminate or retire, the outstanding loan balance is due in full immediately. Failure to repay the outstanding loan balance will result in the loan being offset from the participant's account. The offset loan amount will be considered a taxable distribution to the participant.

**Payment of Benefits:** Benefits may be distributed to participants upon termination of employment by reason of retirement (65 years or older), disability, death, or other separation from service. Participants who terminate employment and have an account balance less than $1,000 will receive a lump sum distribution of their benefits. Participants who have an account balance between $1,000 and $7,000 will have their funds transferred to an individual retirement account on their behalf. Participants with account balances greater than $7,000 may elect to receive a lump sum amount equal to the value of the participant's vested account balance or periodic installment distributions. A participant may also request a withdrawal upon attainment of the age of 59½, or upon demonstration by the participant to the Plan Administrator that the participant is suffering from a hardship, as defined in the Plan document. The hardship withdrawals are subject to a minimum of $1,000. Participants may also withdraw any portion of their account attributed to rollover contributions at any time.

## NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting**: The financial statements of the Plan are prepared under the accrual method of accounting. The financial statements and supplementary schedules have been prepared to satisfy the reporting and disclosure requirements of ERISA.

**Use of Estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires Plan management to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees and other parties involved with the Plan. See Note 6 for discussion of fair value measurements.

## NOTE 2: SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Administrative Expenses:** Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**Risks and Uncertainties:** The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

**Payment of Benefits:** Benefit payments to participants are recorded when paid.

**Notes Receivable from Participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

**Uncertain Tax Positions:** GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

**Excess Contributions Refundable:** Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

## NOTE 3: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate it at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

## NOTE 4: TAX STATUS

On June 24, 2019, the IRS stated that the prototype adopted by the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself and the Plan has been amended since the latest determination letter; however, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

## NOTE 5: CERTIFICATION OF TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company, the Trustee, certified that the following data included in the accompanying financial statements and the supplemental schedule of assets held (at end of year) are complete and accurate.

| | December 31, 2025 | December 31, 2024 |
|---|---|---|
| Mutual funds | **$ 7,143,271** | $ 7,415,387 |

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

## NOTE 6: FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, "*Fair Value Measurement and* Disclosures" provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access at the measurement date.

Level 2 - inputs other than quoted market prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs that are unobservable for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodologies used at December 31, 2025 and 2024.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV)" and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Pooled separate accounts*: Valued at the unit value based on the NAV of the underlying mutual fund at year-end. The NAV, as provided by the fund manager, is used as the practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

## NOTE 6: FAIR VALUE MEASUREMENTS (CONTINUED)

*Common/collective trusts:* Valued at the NAV of units of a collective trust. The NAV, as provided by the fund manager, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

| | 2025 | | | |
|---|---|---|---|---|
| | **Level 1** | **Level 2** | **Level 3** | **Total** |
| **Investments measured at fair value:** | | | | |
| **Mutual funds** | **$ 7,143,271** | **$ -** | **$ -** | **$ 7,143,271** |
| **Total assets in the fair value hierarchy** | **$ 7,143,271** | **$ -** | **$ -** | **7,143,271** |
| **Investments measured at NAV (a)** | | | | |
| **Common/collective trusts** | | | | **1,278,088** |
| **Total investments, at fair value** | | | | **$ 8,421,359** |

| | 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Investments measured at fair value: | | | | |
| Mutual funds | $ 7,415,387 | $ - | $ - | $ 7,415,387 |
| Total assets in the fair value hierarchy | $ 7,415,387 | $ - | $ - | 7,415,387 |
| Investments measured at NAV (a) | | | | |
| Pooled separate accounts | | | | 52,471 |
| Total investments, at fair value | | | | $ 7,467,858 |

(a) In accordance with Subtopic 820-10, the common/collective trusts and the pooled separate accounts that were measured at NAV per share, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

## NOTE 6: FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables summarize investments measured at fair value based on NAV per share as of December 31:

| | 2025 | | | | |
|---|---|---|---|---|---|
| **Investment** | **Fair Value** | **Unfunded Commitments** | **Redemption Frequency** | **Other Redemption Restrictions** | **Redemption Notice Period** |

| | 2024 | | | | |
|---|---|---|---|---|---|
| Investment | Fair Value | Unfunded Commitments | Redemption Frequency | Other Redemption Restrictions | Redemption Notice Period |
| Pooled separate accounts | $ 52,471 | None | Daily | None | None |

## NOTE 7: PARTY-IN-INTEREST TRANSACTIONS

The Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA

## NOTE 8: RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

| | 2025 | 2024 |
|---|---|---|
| Net assets available for benefits per the financial statements | **$ 8,540,613** | $ 7,670,752 |
| Add: excess contributions refundable | **17,936** | **-** |
| Net assets per Form 5500 | **$ 8,558,549** | $ 7,670,752 |

The following is a reconciliation of the net increase per the financial statements to net income reported in the Form 5500 for the year ended December 31, 2025:

| | |
|---|---|
| Net increase per the financial statements | **$ 869,861** |
| Change in excess contributions refundable | **17,936** |
| Net income per Form 5500 | **$ 887,797** |

## NOTE 9: SUBSEQUENT EVENTS

The date to which events occurring after December 31, 2025, the date of the most recent statement of financial position, have been evaluated for possible adjustment to the financial statements or disclosure is October 8, 2026, which is the date the financial statements were available to be issued.

Subsequent to the plan year ended December 31, 2025, the Company divested a portion of its business and experienced a significant reduction in workforce, resulting in the termination of more than 20% of the Plan's participants. Under IRS guidelines, a reduction of 20% or more of plan participants during a plan year is generally considered a partial plan termination. As a result, all affected participants who were terminated during this event became 100% vested in their account balances as of the date of termination. The Company is in the process of identifying all affected participants and ensuring that vesting adjustments are made in accordance with IRS requirements.
