Independent Auditor's Report

To the Administrative Committee of
the Felsburg, Holt & Ullevig, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Felsburg, Holt & Ullevig, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Felsburg, Holt & Ullevig, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the years ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Felsburg, Holt & Ullevig, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Felsburg, Holt & Ullevig, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Felsburg, Holt & Ullevig, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Felsburg, Holt & Ullevig, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i-Schedule of Assets (Held At End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FELSBURG, HOLT & ULLEVIG, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF PLAN

The following description of the Felsburg, Holt & Ullevig, Inc. 401(k) Profit Sharing Plan (the "Plan"), provides only general information. Participants should refer to the Summary Plan Description and the prototype Plan document and the accompanying adoption agreement for a more complete description of the Plan's provisions. The Summary Plan Description has been made available to all participants in the Plan, and a copy of the Plan documents is available from the Plan administrator.

GENERAL

The Plan is a defined contribution plan established effectively January 1, 1993. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was amended to reflect the operational changes of the Coronavirus Aid, Relief and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act) and these changes were formally adopted on July 22, 2022 in accordance with applicable law and Internal Revenue Service ("IRS") guidance.

The Plan was amended to make the following changes to the Plan:

- Eligibility was changed to immediate. Entry date is the first day of the month coinciding with or next following the date on which eligibility requirements have been met.
- Vesting in the Employer contributions is immediate.
- The definition of compensation was amended to exclude certain fringe benefits.
- A discretionary profit-sharing provision, using a pro rate formula, was added to the Plan. Employees must be employed on the last day of the year to be eligible.

The amended provisions of the Plan were effective October 1, 2022.

ADMINISTRATION

The Plan is administered and sponsored by Felsburg, Holt & Ullevig, Inc. (the "Company"). Empower Trust Company, LLC ("Empower") serves as the Custodian, manages Plan assets, and maintains the records for the Plan. The Company provides, at no cost to the Plan, certain administrative, accounting, and legal services to the Plan and also pays the cost of certain outside services for the Plan.

ELIGIBILITY

Effective October 1, 2022, the Plan is immediately available to employees age 18 years or older. Prior to October 1, 2022, employees were eligible to participate in the Plan when they completed three months of service. Employees can enter the Plan on the first day of the month coinciding with or next following the date on which the eligibility requirements have been satisfied. Part-time, temporary, and seasonal employees are excluded from participation in the Plan.

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS

Participants may make before-tax contributions up to 100 percent of their annual compensation excluding bonuses, subject to limitations imposed by the IRS, which is adjusted annually by the Secretary of the Treasury for inflation. Additional catch-up contributions are available if the participant is 50 years of age or older as of the end of the Plan year. Employees may elect to contribute on an after-tax basis as Roth 401(k) deductions. Provided requirements are met, withdrawals of contributions and any earnings are tax-free from Roth 401(k) accounts. A participant's combined pre-tax and Roth 401(k) contributions cannot exceed the maximum annual amount allowed by law. Employee contributions to the Plan are made through regular payroll deductions. The Plan also permits rollover contributions from other qualified retirement plans.

The Company makes a matching contribution to a participant's account equal to 50 percent of the amount of the participant's contribution. The maximum contribution amount eligible to be matched is 6 percent of eligible compensation. The Plan provides for a match true-up contribution which is made at the end of the plan year to ensure participants receive the full Company match.

Effective October 1, 2022, the Plan provides for a discretionary profit-sharing contribution based on a pro rata formula. Participants must be employed at year end to be eligible. Subsequent to year end, the Company made a discretionary profit-sharing contribution of $610,351 and $584,588 for the years ended December 31, 2025 and 2024, respectively.

VESTING

Participants are immediately 100% vested in their voluntary contributions, and allocated earnings or losses thereon.

Effective October 1, 2022, participants are immediately 100% vested in the Company's contributions. Prior to October 1, 2022, participants were vested in the Company's contribution portion of their accounts based on years of continuous service. A participant was vested 100% after four years of credited service as follows:

Years of Service	Vested Interest
Less than 1 year	0%
1 year	25%
2 years	50%
3 years	75%
4 years	100%

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Individual accounts are maintained for each Plan participant. Participants are allowed to direct the investment of their contributions among the investment options offered by the Plan. Participants may change investment options at any time. An eligible participant's account is credited with the participant's contribution, rollover contributions, the Company's matching contribution, and Plan earnings, and charged with withdrawals, Plan losses, and an allocation of Plan expenses. The benefit to which a participant is entitled is the vested portion of the participant's account.

PAYMENT OF BENEFITS

Upon death, disability, retirement or termination of service, a participant may elect to receive a lump-sum payment in the amount equal to the participant's vested account balance. Distributions are subject to the applicable provisions of the Plan agreement and are made as soon as administratively possible after the receipt of the distribution request. Vested account balances of less than $1,000 may be immediately distributed upon a distribution event. In the event of a distribution where the participants balance is greater than $1,000 and does not exceed $5,000 and the participant has not elected a distribution, the vested account balance will be paid as a distribution to an individual retirement account established for the participant by the Plan administrator.

Effective January 1, 2020, as a result of the Setting Every Community Up for Retirement Enhancement (SECURE) Act, participants with vested balances greater than $5,000 who leave the Company may leave their money in the Plan until April 1st of the year following the calendar year in which they attain age 72 (if they were born after June 30, 1949) or age 70 ½ (if they were born before July 1, 1949) or, if later, the April 1st of the calendar year following the calendar year in which they terminated employment. In addition, certain distribution rules changed relating to payments to beneficiaries upon a participant's death.

WITHDRAWALS

Participants may make withdrawals from their elective deferral account, subject to federal income taxes, under the hardship provisions of the Plan while still employed with the Company. A participant who reaches age 59 ½ and who is actively employed by the Company may elect to withdraw all or a portion of the balance in their elective deferral account and the vested portion of their employer contribution account.

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct the contributions made to the Plan, for or on behalf of the participant, to any one or more of the investment funds determined at the discretion of the Plan Administrator and Plan Sponsor and in such multiples as the participant prescribes. A participant may change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances.

FORFEITURES

If at the time of termination of employment, the participant is not 100% vested, the non-vested portion ("forfeitures") of the participant's account shall be placed in a separate account. Forfeitures are utilized to offset employer contributions. For the years ended December 31, 2025, and 2024, $0 and $0 were used to offset the employer match, respectively. At December 31, 2025 and 2024 forfeited non-vested accounts totaled $1,483 and $13, respectively.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their account balance. A participant may not have more than two loans outstanding at a time. The notes are secured by the balance in the participant's account and bear interest at the rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. For the years ended December 31, 2025 and 2024, interest rates ranged from 4.25% to 9.50%. Principal and interest are paid ratably through payroll deductions. Delinquent loans are reclassified as distributions based upon the terms of the Plan document.

PLAN EXPENSES

The Plan's expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

TERMINATION OF PLAN

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

TERMINATION OF PLAN (CONTINUED)

Upon termination, no further contributions will be made to the Plan and all amounts credited to the participant's account will become 100% vested. The Company will direct the distribution of the participants' accounts in a manner permitted by the Plan as soon as practicable.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). Wherever necessary, prior period financial statements have been reclassified to conform to changes in the way amounts are classified in the current year financial statements.

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are recorded at fair value or contract value as reported to the Plan by the custodian. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by investment advisers, the custodian and insurance company.

Investments in mutual funds are reported at the last reported sales price at the end of the respective periods using the quoted market values.

Full benefit-responsive investment contracts held by a defined contribution plan are required to be reported at contract value. Fully benefit-responsive contract value is a relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. As required by generally accepted accounting principles, the statements of net assets available for benefits present the contract value of the investment.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION (CONTINUED)

The net realized and unrealized investment gain or loss (net appreciation or depreciation in fair value of investments) is reflected in the accompanying statements of changes in net assets available for benefits and is determined as the difference between fair value at the beginning of the year (or date purchased if during the year) and selling price (if sold during the year) or year-end fair value. Purchase and sales of investments are recorded on a trade-date basis. Interest income is recognized on the accrual basis. Dividends are recognized on the ex-dividend date.

CONTRIBUTIONS

Employee contributions are recorded in the period related to the participant's service or compensation (even if not yet withheld). The Company matching contributions are recorded in the same period.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make scheduled repayments and the Plan Administrator deems the participant note receivable to be in default, the participant note receivable balance is reduced and a benefit payment recorded.

BENEFITS

Benefit claims are recorded as expenses when they have been approved for payment and paid by the Plan.

AMINISTRATIVE EXPENSES

The Plan pays for all investment management fees and transaction fees directly related to the investments of the Plan, as well as all other costs of administering the Plan. Certain transaction fees and a fee based on a fixed percentage of net assets are charged directly to the participant accounts. These fees are recorded as administrative expenses in the accompanying financial statements. Certain other fees were deducted from income earned on investments, and these fees are included in net appreciation (depreciation) in the fair value of investments.

NOTE 3: CERTIFIED FINANCIAL INFORMATION (UNAUDITED)

Empower Annuity Insurance Company of America, and Empower Trust Company, LLC have certified in writing to the Plan administrator that the stated amounts for investments at fair value as of December 31, 2025 and 2024, and the income earned or losses incurred thereon for the years ended December 31, 2025 and December 31, 2024, as reflected in the accompanying financial statements and the supplemental schedule of assets (held at end of year), are complete and accurate.

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's auditors not to perform any auditing procedures with respect to the investment information certified by the custodian, except for comparing the information contained therein to information included in the financial statements and the supplemental schedule of assets (held at end of year).

The fair value and contract value of investments at December 31, 2025 and 2024, reported by Empower Annuity Insurance Company of America, and Empower Trust Company, LLC, the custodian, is as follows:

Investments:	2025	2024
Investment values, certified	$ 38,812,852	$ 30,645,201
Guaranteed investment contract	802,078	877,426
Notes receivable from participants, certified	146,870	167,278

The income earned or losses incurred thereon for the years ended December 31, 2025 and December 31, 2024, reported by Empower Annuity Insurance Company of America, and Empower Trust Company, LLC, the custodian, are as follows:

Certified Investment Income:	2025	2024
Net appreciation (depreciation) in investments	$ 4,551,840	$ 3,390,675
Dividend income	1,140,406	920,643
Total Investment Income	$ 5,692,246	$ 4,311,318
Interest on notes receivable from participants, certified	$ 12,277	$ 11,264

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). This hierarchy consists of three broad levels which are described below:

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Other observable market-based inputs or unobservable inputs that are corroborated by market data. Includes quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Level 3: Unobservable inputs that cannot be corroborated by market data that reflect the reporting entity's own assumptions.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in methodologies used at December 31, 2025 and 2024. A description of the investments by level and the valuation techniques and inputs used in the fair market value measurement of the Plan follows:

Mutual Funds: Mutual funds held by the Plan are open-ended funds that are registered with the SEC. The fair values of these securities are based on observable market quotations for identical assets and are priced on a daily basis at the close of business. The mutual funds are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Fair Value Measurements	
	2025	**2024**
Level 1		
Mutual Funds	$ 38,812,852	$ 30,645,201
Level 2	-	-
Level 3	-	-
Total assets in fair value hierarchy	38,812,853	30,645,201
Investments measured at NAV	-	-
Total investments at fair value	$ 38,812,852	$ 30,645,202

NOTE 5: INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive group annuity investment contract with Empower Annuity Insurance Company of America ("Empower") that invests contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is a general account product. The investment contract is considered a "traditional" contract, meaning that the Plan owns the contract itself and not the underlying assets of the investment contract.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract since the contract was determined to be fully benefit-responsive. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. The guaranteed investment contract is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly.

Certain events limit the Plan's ability to transact at contract value with Empower. Such events include the following: (a) amendments to the plan documents (including partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the plan, or (d) failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

If the contract is terminated prior to Empower's recovery of any and all start-up costs (as defined in the contract) such amounts, as well as any and all other outstanding charges and fees, shall be recouped as a contract termination fee.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

NOTE 6: RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Additionally, some of the investments held are invested in the securities of foreign companies, which involve special risk and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlements practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. Companies.

NOTE 7: INCOME TAX STATUS

The Plan has adopted a prototype non-standardized profit-sharing plan which received an opinion letter from the IRS dated November 14, 2022, stating that the prototype was designed in accordance with the applicable sections of the Internal Revenue Code. The Plan administrator believes that the Plan, as amended, continues to be operated and administered in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

GAAP, requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and had concluded that, as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2022.

NOTE 8: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statement to Schedule H of the Form 5500:

	December 31, 2025	December 31, 2024
Net assets available for benefits per the financial statements	$ 40,466,909	$ 32,368,290
Contributions receivable per the financial statements at December 31, 2025 and 2024	(705,109)	(678,385)
Net assets available for benefits per Schedule H of the Form 5500	$ 39,761,800	$ 31,689,905

	December 31, 2025	December 31, 2024
Change in net assets available for benefits per the financial statements	$ 8,098,619	$ 4,192,497
Decrease (increase) in employer contributions receivable	(21,054)	(386,935)
Decrease (increase) in participant contributions receivable	(5,670)	(362)
Change in net assets available for benefits per Schedule H of the Form 5500	$ 8,071,894	$ 3,805,200

NOTE 9: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are mutual funds and a guaranteed investment contract, which are managed by Empower. Empower is the asset custodian, as defined by the Plan; therefore, these transactions qualify as party-in-interest and are exempt from the prohibited transaction rules. In addition, the Plan provides for loans to participants, which are also party-in-interest transactions that are exempt from the prohibited transaction rules.

NOTE 9: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

Effective May 1, 2015, Global Retirement Partners, LLC ("Global") provides certain investment advisory services to the Plan pursuant to an Investment Advisory Agreement with the Plan. For the years ended December 31, 2025 and 2024, payments for these services were paid by the investment management company through a revenue sharing agreement with the Plan. The revenues received by the Plan under the agreement are offset by the expenses paid to Global.

NOTE 10: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated for any reason, all participants become 100% vested, and the Plan administrator is to distribute each participant's interest to the participant or the participant's beneficiary.

NOTE 11: TERMINATED PARTICIPANTS WITH ACCOUNT BALANCES

At December 31, 2025, the Plan had 43 terminated participants with vested account balances that remained in the Plan. These terminated participants' account balances totaled approximately $7,487,681 as of year-end.

At December 31, 2024, the Plan had 41 terminated participants with vested account balances that remained in the Plan. These terminated participants' account balances totaled approximately $5,375,083 as of that date.

Amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not yet been paid are not reported as a liability in the statement of net assets available for benefits and are included in net assets available for benefits in accordance with GAAP.

NOTE 12: SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 8, 2026, which is the date the financial statements were available to be issued.
