Opinion

We have audited the financial statements of AbbVie Puerto Rico Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2025, and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

with confidence

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion of the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2025 (referred to as the "supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such

information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - DESCRIPTION OF THE PLAN

The following description of the AbbVie Puerto Rico Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

In general, employees of AbbVie Inc.'s ("AbbVie") selected subsidiaries and affiliates in Puerto Rico (the "Company") may, after their date of hire, voluntarily participate in the Plan. Any eligible employee who begins employment or re-employment on or after January 1, 2022, and any eligible employee who first becomes eligible to participate in the Plan on or after January 1, 2022, shall be covered by the AbbVie Puerto Rico Savings Plan Plus ("ASP+") provisions set forth in the Plan document. The ASP+ provisions provide for automatic enrollment into the Plan and matching contribution and annual employer contribution formulas that differ from those that apply to participants who joined the Plan before January 1, 2022. The Plan's sponsor is AbbVie Ltd. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Empower Retirement serves as the recordkeeper of the Plan and Empower Trust Company, LLC ("Custodian") serves as the custodian. Banco Popular de Puerto Rico serves as trustee ("Trustee") of the Plan.

Contributions and Vesting

Contributions to the Plan are paid to the AbbVie Puerto Rico Savings Plan Trust ("Trust"). The Trust is administered by the Trustee, the Custodian, and an investment committee comprised of AbbVie employees (the "Committee").

Eligible employees electing to participate may choose to make their contributions from either pre-tax earnings or after-tax earnings or both, subject to certain limitations. Participants who have attained age 50 before the end of the Plan year and who are making the maximum pre-tax contribution are eligible to make catch-up contributions. Participants' pre-tax contributions are an elective deferral feature, which is a cash or deferred arrangement under the provisions of Section 1081.01(d) of the Puerto Rico Internal Revenue Code of 2011 ("Puerto Rico Code"), as amended. All the contributions are subject to certain limitations of the Puerto Rico Code. Participant contributions may be invested in any of the investment options offered by the Plan.

Eligible employees who are not covered by ASP+ and who elect to participate in the Plan may contribute from 2% to 50% of their eligible earnings to the Trust. Eligible employees covered by

ASP+ and who elect to participate in the Plan may contribute from 1% to 50% of their eligible earnings to the Trust. Following the 30-day period from an employee's hire or eligibility date, employees covered by ASP+ who have not affirmatively enrolled in the Plan and elected a specified contribution type and percentage or who have not opted out of automatic contributions, will be automatically enrolled in the Plan to contribute 3% of their pre-tax earnings.

Employer matching contributions to the Plan are made each payroll period based on the participating employees' eligible earnings. Catch-up contributions are not eligible for matching contributions. The amount of the employer matching contribution for participants not covered by ASP+ is determined by the Board of Directors of AbbVie Ltd. and for the year ended December 31, 2025, was 5% of the participant's eligible earnings if the employee elected to contribute at least 2% to the Plan. For participants covered by ASP+, contributions are matched dollar for dollar up to 6% of the participant's eligible earnings.

In addition, ASP+ participants receive an annual employer contribution if the ASP+ participant is employed by the Company on the last day of the Plan year or separated from employment during the Plan year due to death or qualifying retirement. The annual employer contribution is equal to a percentage of eligible compensation based on each eligible ASP+ participant's age plus years of credited service according to the following schedule:

Age + Years of Credited Service (whole years)	Contribution Percentage
Less than 30	2%
30-39	3%
40-49	4%
50-59	5%
60-69	6%
70 or more	7%

Employer contributions are invested according to the employee's investment elections.

The Plan offers a variety of investment options, including AbbVie common shares. AbbVie was established by the January 1, 2013 separation of Abbott Laboratories ("Abbott") into two publicly traded companies. The separation was a tax-free distribution where Abbott shareholders received one share of AbbVie stock for every share of Abbott held as of the close of business on December 12, 2012, the record date for the distribution. Effective January 1, 2013, AbbVie participants may no longer make new contributions or transfer funds to purchase Abbott stock in the Plan; however, they may continue to hold Abbott stock in their Plan accounts.

NOTE A - DESCRIPTION OF THE PLAN - Continued

Contributions and Vesting - Continued

Participants are at all times fully vested in their own contributions and earnings thereon. Vesting in employer matching contributions is based on the following vesting schedule:

Years of Credited Service	Vesting Percentage
Less than 2 years	0%
2 years or more	100%

Vesting in the annual employer contribution for ASP+ participants is based on the following vesting schedule:

Years of Credited Service	Vested Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Non-vested portions of employer contributions and earnings thereon are forfeited upon the earlier of (a) the date of distribution of the vested portion of the participant's full balance or (b) the date on which the participant incurs five consecutive "break years" (i.e., a 12-consecutive month period of severance). Forfeitures are used to (1) restore any forfeitures of participants who are reemployed with the Company before incurring five consecutive break years, (2) fund corrective allocations or contributions and/or (3) reduce future employer contributions. In 2025, approximately $41,000 of forfeitures were used to reduce AbbVie's employer contributions. As of December 31, 2025 and 2024, approximately $76,400 and $34,600, respectively, of forfeitures were available.

Distributions

Following retirement, termination or death, participants or their beneficiaries receive a distribution in cash, AbbVie common shares or direct rollovers, as applicable. Also, participants may elect to defer distribution to a future date, but, after termination of employment, distribution must be made or commence by the 1st of April following the year the participant reaches age 73. When participants defer distributions, their account balance remains in the Plan, and they may continue

to transfer funds among the Plan's investment options. Prior to separation of service, participants are permitted to withdraw their rollover contributions and their after-tax contributions in shares or in cash, subject to certain limitations. In-service withdrawals are available in certain other circumstances as defined by the Plan. The Plan also permits hardship withdrawals for participants who meet the criteria outlined in the Plan document.

Administrative Expenses

Investment fees for mutual funds and collective trusts are charged against the net assets of the respective fund. All other expenses incident to the administration of the Plan and Trust are charged to the Trust, except to the extent the Company pays such expenses directly. Expenses paid by the Company are excluded from these financial statements. To the extent that any expense is specifically attributable to a participant's account (including, but not limited to, a managed account service fee, loan fee, Qualified Domestic Relations Order review fee, brokerage fee, or check fee), such expense is charged to the account of the participant,

Participant Accounts

Each participant's account is credited with the participant's contributions and employer contributions and allocations of plan earnings and charged with any participant account fees. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance, subject to the Puerto Rico Code limitations and restrictions and Plan rules, and may have one or two loans outstanding. The loans are secured by the balance in the participant's account. Participants pay interest on such loans at the prime rate on the first business day of the month the loan is made. Loans must be repaid within five years unless the loan is used for the purchase of the primary residence of the employee, in which case the repayment period can be extended to a period of fifteen years. Repayment is generally made through periodic payroll deductions but a loan may be repaid in a lump sum at any time. For employees terminating employment with the Company during the repayment period who do not repay their loan before distribution of their Plan account, the balance of the outstanding loan is netted from their Plan distribution.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan uses the following methods and significant assumptions to estimate the fair value of investments:

Common stock, mutual funds and collective trust funds - Valued at the published net asset value ("NAV") or market price per share.

Self-directed brokerage accounts – Include various securities, mainly consisting of cash and cash equivalents, common stock, and exchange-traded funds, which are valued at the closing price reported in the active market in which the securities are traded.

The fair value hierarchy under the accounting standard for fair value measurements consists of the following three levels:

- Level 1 – Valuations based on unadjusted quoted prices in active markets for identical assets that the Plan has the ability to access;
- Level 2 – Valuations based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuations in which all significant inputs are observable in the market; and
- Level 3 – Valuations using significant inputs that are unobservable in the market and include the use of judgment by the company's management about the assumptions market participants would use in pricing the asset or liability.

Investment Valuation - Continued

The following tables set forth the fair value hierarchy levels of the Plan's assets at fair value at December 31, (dollars in thousands):

Self-directed brokerage accounts	1,571	-	-	1,571
Total assets at fair value	$ 552,504	$ -	$ -	$ 552,504

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent loans are reclassified as distributions based upon the terms of the Plan. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation/depreciation is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

NOTE C - INVESTMENTS

A summary of AbbVie common share data as of December 31, is presented below:

	2025	2024
AbbVie common shares, 1,228,784 and 1,290,504 shares, respectively (dollars in thousands)	$280,765	$229,322
Market value per share	$228.49	$177.70

In general, the investments provided by the Plan are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant accounts and the amounts reported in the statements of net assets available for benefits.

NOTE D - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in the common stock of AbbVie. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA. During 2025, the Plan received $8.3 million in common stock dividends from AbbVie.

Participants pay fees to the recordkeeper for loan and withdrawal transaction processing and also pay commissions on purchases and sales of AbbVie shares and sales of Abbott stock. These transactions qualify as permitted party-in-interest transactions.

NOTE E - PLAN TERMINATION

The Plan may be terminated or contributions discontinued at any time by AbbVie Ltd. upon written notice to the Trustee and Committee. All participants' account balances are fully vested upon Plan termination. Upon termination of the Plan, distributions of each participant's share in the Trust, as determined by the terms of the Plan, will be made to each participant. At the present time, AbbVie has no intention of terminating the Plan.

NOTE F - TAX STATUS

The Plan has received a determination letter from the Commonwealth of Puerto Rico's Department of Treasury ("Treasury") dated February 6, 2024, stating that the Plan is qualified under Section 1081.01 of the Puerto Rico Code, and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the Treasury, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Puerto Rico Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Puerto Rico Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G – SUBSEQUENT EVENTS

The Company has evaluated subsequent events from December 31, 2025 through June 24, 2026 the date these financial statements were available to be issued and there were no subsequent events that require recognition or additional disclosure in these financial statements.
