# INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Southeastern 401(k) Plan
Mulberry, FL

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Southeastern 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Southeastern 401(k) Plan's financial statements be performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the investment information is prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and

- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Southeastern 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southeastern 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southeastern 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southeastern 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SOUTHEASTERN 401(K) PLAN**
**NOTES TO FINANCIAL STATEMENTS**

## NOTE 1 - DESCRIPTION OF PLAN

The following description of the Southeastern 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

***General*** - The Plan is a defined contribution plan covering full-time employees of Southeastern Construction & Maintenance, Inc., its wholly owned subsidiary, Southeastern Industrial Fabricators, LLC, and a company under common ownership, Rail Services of Mulberry, LLC (the "Company") who have three months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Southeastern Construction & Maintenance, Inc.'s Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Trustees.

***Contributions*** - Participants may contribute up to, but not exceed, the maximum amount allowed by the Internal Revenue Code limits. Participants who have attained the age of 50 are eligible to make pre-tax catch-up contributions, subject to certain limitations. Additionally, the plan permits rollovers from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes 25% of the first 4% of base compensation that a participant contributes to the Plan. Contributions are subject to certain statutory limitations.

***Participant Accounts*** - Each participant's account is credited with the participant's contribution, the Company's contribution, if any, and Plan earnings; and is charged with the participant's withdrawals, Plan losses, and an allocation of administrative expenses. Allocations are based on participant investment account earnings, elective deferrals, or account balances, as defined. The benefit to which a participant is entitled is the vested balance in the participant's account. All participant accounts are maintained by the Company.

***Investment Options*** - Upon enrollment in the Plan, a participant may direct employee and employer contributions into various investment options, which includes mutual funds. Participants may change their investment options at their discretion, as permitted by the Plan.

***Notes Receivable from Participants*** - Participants may borrow from their fund accounts an amount not less than $1,000 of the vested portion of the participant's account balance. The term of the loan may not exceed five years, unless meeting certain criteria for residential loans. The Plan limits the number of loans a participant can have outstanding at any time to one. The loans are secured by the balance in the participant's account and are charged an interest rate of Wall Street Prime, plus 1%. Principal and interest are paid ratably through payroll deductions. Loans at December 31, 2025 had interest rates between 5.0% and 9.5% and a final maturity date of September 2033.

## NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

***Vesting*** - Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Vesting in the Company contribution portion of their accounts, plus actual earnings thereon, is based on each employee's years of continuous service, as defined by the Plan. The Plan's vesting provision is as follows:

| Years of Service | Vested Percentage |
|---|---|
| Less than 2 Years | 0% |
| 2 Years but Less than 3 | 20% |
| 3 Years but Less than 4 | 40% |
| 4 Years but Less than 5 | 60% |
| 5 Years but Less than 6 | 80% |
| 6 Years or more | 100% |

An active participant who is less than 100% vested is deemed to be 100% vested upon death, total disability or termination of the Plan.

***Forfeited Accounts*** - Pursuant to the plan document, the non-vested portion of discretionary matching and nonelective contributions credited to the accounts of participants who withdraw from the Plan are forfeited and held as nonparticipant-directed investments. These amounts may be used to pay administrative expenses of the Plan and any remaining amounts may be allocated to qualifying participants as an additional discretionary nonelective contribution. The Plan had $9,776 and $9,105 of forfeitures available to pay administrative expenses as of December 31, 2025 and 2024, respectively. The Plan Sponsor used no forfeitures to pay administrative expenses for the 2025 Plan year.

***Benefit payments*** - Upon termination of service due to death, retirement, disability, or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

***Hardship Withdrawals*** - Withdrawal of a portion of a participant's account will be permitted due to an immediate and heavy financial need, if it meets IRS requirements.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

***Basis of Accounting*** - The accompanying financial statements have been prepared on the accrual basis of accounting.

***Subsequent Events*** - The Plan evaluated subsequent events through October 9, 2026, the date these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

***Estimates*** - The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Investments, Investment Valuation and Income Recognition*** - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value determinations are made based upon a hierarchy that prioritizes the inputs to valuation techniques. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are quoted prices available in active markets for investments as of the reporting date. As of December 31, 2025 and 2024, the Plan did not have such assets.

- Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets. As of December 31, 2025 and 2024, the Plan did not have such assets**.**

- Level 3 - unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets include financial instruments whose value is determined using pricing models, for which the determination of fair value requires significant management judgment or estimation. As of December 31, 2025 and 2024, the Plan did not have such assets.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

- *Mutual Funds:* These investments are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded ("Level 1").

The estimated fair value is subjective in nature and involves uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could affect these fair value estimates. The fair value estimates do not take into consideration the value of future business and the value of assets and liabilities that are not financial instruments.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

There were no transfers into or out of Level 1 and Level 2 fair value measurements during the years ended December 31, 2025 and 2024.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

***Benefits Paid to Participants*** - Benefits are recorded when processed and paid by the Plan.

***Administrative Expenses*** - The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits.

## NOTE 3 - CERTIFIED PLAN ASSETS

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian of the Plan, Fidelity Management Trust Company, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of December 31:

| | 2025 | 2024 |
|---|---|---|
| Assets | | |
| Mutual funds | $ 10,059,295 | $ 8,663,193 |
| Cash | 11,096 | 9,989 |
| Notes receivable from participants | 244,848 | 220,807 |
| | $ 10,315,239 | $ 8,893,989 |
| | | |
| Investment income: | | |
| Net appreciation in fair value of investments | | $ 1,052,076 |
| Interest and divident income | | 335,572 |
| Total investment income | | $ 1,387,648 |
| | | |
| Interest income on notes receivable from participants | | $ 19,870 |

## NOTE 4 - FAIR VALUE MEASUREMENTS

The following tables summarize the Plan's investments based upon the fair value hierarchy discussed in Note 2:

| | As of December 31, 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual Funds | $ 10,059,295 | $ - | $ - | $ 10,059,295 |
| Total Assets in Fair Value Hierarchy | $ 10,059,295 | $ - | $ - | $ 10,059,295 |

| | As of December 31, 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual Funds | $ 8,663,193 | $ - | $ - | $ 8,663,193 |
| Total Assets in Fair Value Hierarchy | $ 8,663,193 | $ - | $ - | $ 8,663,193 |

## NOTE 5 - PLAN TERMINATION

The Company anticipates the Plan will continue without interruption but reserves the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, the participants shall become 100% vested in their plan accounts and the net assets of the Plan shall be distributed to the participants and beneficiaries of the Plan.

## NOTE 6 - INCOME TAX STATUS

The Plan is placing reliance on an opinion letter dated June 30, 2020 received from the Internal Revenue Service on the prototype plan indicating that the Plan is qualified under Section 401 of the Internal Revenue Code and is, therefore, not subject to income tax under current income tax law. The prototype Plan has been amended since receiving the opinion letter, however, the Plan administrator and the Plan's sponsor believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the Internal Revenue Code. Accordingly, the Plan administrator believes that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

## NOTE 7 - ADMINISTRATIVE EXPENSES

Administrative expenses are comprised primarily of investment fees and are paid by the Plan. Additionally, any professional fees incurred on behalf of the Plan are paid by the Company.

## NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company.

For the year end December 31, 2025, the Plan held 100% of its investments in managed by FMTC and, therefore, payments to FMTC for investment management fees and record keeping fees qualify as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.

## NOTE 9 - RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
