Independent Auditors' Report

The Participants and Administrator
The Pruet Companies Salaried Reduction Plan and Trust
Jackson, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Pruet Companies Salaried Reduction Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)" audit). The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits - modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for the Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

Opinion (continued)

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Modified Cash Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Item 4(a) - schedule of delinquent participant contributions for the year ended December 31, 2025, and Schedule H, Item 4(i) - schedule of assets (held at end of year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedules Required by ERISA (continued)

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 • DESCRIPTION OF THE PLAN

The following description of The Pruet Companies Salaried Reduction Plan and Trust (hereafter referred to as the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of The Pruet Companies (hereafter referred to as the "Company") who are twenty years of age and have completed one year of service. A year of service is defined as 1,000 hours. An employee may begin participation in the Plan on January 1st, April 1st, July 1st or October 1st following the date the employee meets the requirements for eligibility. The Company's Board of Directors and the Plan Administrator control and manage the operation and administration of the Plan. The Standard Insurance Company serves as the custodian of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Company is an oil operator existing under the laws of the State of Mississippi. Its primary business is to provide and have an involvement in the oil industry through operations, exploration and/or production of crude oil and natural gas.

Contributions

Participants may contribute a percentage of pre-tax annual compensation, as defined in the Plan. There are no limitations on the percentage the participant can defer; however, the participant is limited by law as to the total contribution amount per year of $23,500 and $23,000 for 2025 and 2024, respectively. This amount is adjusted by the Secretary of the Treasury for the percentage increase in the Consumer Price Index each year. Additionally, participants age 50 and older can elect to make additional catch-up deferrals as described in the Plan, but not to exceed the limitation imposed by law of $7,500 for 2025 and 2024, respectively. In 2025, the law increased the total allowable catch-up contributions for participants age 60 to 63 to $11,250. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. During 2025 and 2024, the Company's elected discretionary matching contribution was 100 percent of elective deferrals up to six percent contributed by the participant, but not exceeding $2,700.

NOTE 1 • DESCRIPTION OF THE PLAN (continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and Plan earnings and charged with an allocation of service and investment fees expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. There is no occurrence of forfeitures because accounts are 100 percent vested at all times.

Vesting

Participants are immediately vested in their contributions and the Company's discretionary matching contributions, plus actual earnings thereon.

Investment Options

Upon enrollment in the Plan, a participant may make direct contributions in any investment option offered by the Plan. Participants may change their investment options daily.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25 percent to 9.50 percent, which are commensurate with local prevailing rates as determined by the Plan Administrator, but in no case less than the prime rate of interest at the time the loan is made, plus one percent. Principal and interest are paid ratably through monthly automatic deductions from the participants' designated bank account.

Payment of Benefits

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a specified period.

NOTE 1 • DESCRIPTION OF THE PLAN (continued)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Administrative Expenses

During 2025 and 2024, administrative fees payable to the custodian of the investments were paid by the Plan and all other expenses related to the administration of the Plan were absorbed by the Company.

NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the modified cash basis of accounting. The modified cash basis of accounting differs from accounting principles generally accepted in the United States of America in that Plan contributions and interest income from the Plan are recorded when received and administrative expenses are recorded when disbursed.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Significant estimates include the fair value measurement of investments. It is at least reasonably possible that the significant estimates will change within the next year.

Employee and Employer Contributions

Employee and employer contributions are recognized as additions to net assets when received. Employee rollover contributions are recognized as additions to net assets when received from other qualified plans.

NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

Investments are stated at year-end fair value (except for the fully benefit-responsive investment contract which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Any unrealized appreciation or depreciation for the year is reflected in the statements of changes in net assets available for benefits on a modified cash basis. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income and dividends are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Participant loans are measured at their unpaid principal balance, and interest income is recorded when received. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Concentration of Market Risk

The Plan assets include a significant amount of pooled separate accounts, which invest primarily in marketable equity securities and fixed income securities. Accordingly, the performance of the investments is dependent on the equity and debt securities markets which involve price volatility. Additionally, the pooled separate accounts may invest in securities with contractual cash flows, such as asset backed securities, collateralized mortgage obligations and commercial mortgage-backed securities, including securities backed by subprime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

Payment of Benefits

Benefits payments to participants are recorded upon distribution.

Subsequent Events

Subsequent events were evaluated by the Plan through October 12, 2026 which is the date the financial statements were available to be issued.

NOTE 3 • INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and participant loans held at December 31, 2025 and 2024, and net appreciation in fair value of investments, loan interest and interest income for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate. The information was certified by The Standard Insurance Company (current custodian of the Plan) as of and for the years ended December 31, 2025 and 2024, respectively.

NOTE 4 • FAIR VALUE MEASUREMENTS

Fair value measurements define fair value as the price that would be received for an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. Fair value measurements establish a fair value hierarchy that prioritizes the observable and unobservable inputs used to measure fair value into three broad levels:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2025.

Pooled separate accounts: Primarily valued at net asset value per share based on quoted market prices of underlying investments.

NOTE 4 • FAIR VALUE MEASUREMENTS (continued)

The preceding methods may produce a fair value calculation that may not be indicative of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025.

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -	$ 24,978,993	$ -	$ 24,978,993
Total investments at fair value	$ -	$ 24,978,993	$ -	$ 24,978,993

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -	$ 22,366,530	$ -	$ 22,366,530
Total investments at fair value	$ -	$ 22,366,530	$ -	$ 22,366,530

NOTE 5 • INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

The Plan has entered into a traditional fully benefit-responsive investment contract with Minnesota Life Insurance Company (the "Insurer") totaling $3,200,971 and $3,626,626 for December 31, 2025 and 2024 respectively. The Insurer maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon by the issuers. Such interest rates are reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 5 • INVESTMENT CONTRACTS WITH INSURANCE COMPANIES (continued)

This guaranteed investment contract meets the fully benefit-responsive criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the Insurer, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No events are probable occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate with the Plan and settle at an amount different from contract value. Such events include: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 • PARTY-IN-INTEREST TRANSACTIONS

Plan investments include a pooled separate account and a guaranteed investment contract managed by The Standard Insurance Company (current custodian of the Plan) for 2025 and 2024. Fees incurred by the Plan for the investment management services qualify as party-in-interest transactions amounting to $2,040 and $1,150 for 2025 and 2024, respectively. Such fees are based on customary and reasonable fees for such services.

NOTE 7 • INCOME TAX STATUS

The Plan adopted a volume submitter plan sponsored by Minnesota Life Insurance Company - Securian Financial Group. The volume submitter plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, as to the prototype plan's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan recognizes interest and penalties, if any, related to unrecognized tax benefits as a component of income tax expense.

NOTE 8 • NON-EXEMPT TRANSACTIONS

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. Contributions of $18,821 and $51,955 were not remitted within the required time period for the years ended December 31, 2025 and 2024, respectively. These amounts remain uncorrected as of December 31, 2025, but the Plan has procedures in place to correct these matters through the Voluntary Fiduciary Correction Program to make the participant accounts whole in 2026.

NOTE 9 • SECURE 2.0 ACT

On December 29, 2022, the Securing a Strong Retirement Act of 2022 ("SECURE 2.0") was signed into law. Secure 2.0 has key effective dates which vary by provision. The plan has adopted and implemented all mandatory provisions to date with other provisions to be phased in over the next few years in accordance with applicable law and IRS guidance. Written amendments to the Plan to reflect these operational changes will be adopted at a later date.

NOTE 10 • RECONCILIATION TO FORM 5500

The Board of Directors
The Pruet Companies Salaried Reduction Plan and Trust
217 West Capitol Street, Suite 201
Jackson, Mississippi 39201

To Management of the Pruet Companies:

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of The Pruet Companies Salaried Reduction Plan and Trust (the "Plan") as of and for the year ended December 31, 2025, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that

there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected on a timely basis. A reasonable possibility exists when the likelihood of an event occurring is either reasonably possible or probable as defined as follows:

- *Reasonably possible*. The chance of the future event or events occurring is more than remote but less than likely.
- *Probable*. The future event or events are likely to occur.

We consider the following deficiencies in the Plan's internal control to be material weaknesses:

Failure to Remit and Timely Remittance of Employee Contributions

During 2025, certain participants' 401(k) deferrals totaling $18,821, withheld from their paychecks were not deposited with Plan assets in accordance with the existing requirements. Department of Labor ("DOL") Regulation 2510.3-102 requires that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Plan's general assets, but in no event later than the 15th business day following the end of the month in which amounts are contributed by employees or withheld from their wages. Failure to remit participant contributions to the Plan in a timely manner results in prohibited transactions which must be separately reported to the DOL and may result in lost earnings for the Plan and penalties to the Plan sponsor.

We recommend that the Plan sponsor review the procedures involved in remittance of participant contributions to the Plan and institute the necessary controls to ensure participant contributions are remitted timely and to identify when a deposit has been delayed and to complete any correction action promptly.

Documentation of Participant Election Forms

The Plan sponsor should maintain a process to identify the eligibility date for each employee and provide that employee with a participation election form. The election form should require each employee to document whether they elected or declined to participate in the Plan. Additionally, each form should be signed by the employee and the Plan sponsor representative.

No signed election forms were maintained for several participants sampled during the audit; the absence of the procedures discussed above provides no documentation to support a participant's election not to participate and increases the likelihood that eligible employees, who wanted to participate, may not be properly enrolled. A notice detailing the Plan's eligibility requirements and instructions for employees to participate in the Plan was provided to each employee upon hire which prevented an overall compliance issue regarding the Plan's fiduciary responsibility to

Documentation of Participant Election Forms (continued)

properly notify participants of their eligibility, however, best practice is to maintain documentation of each employee's election.

We recommend the Plan sponsor implement a process to document any eligible employee's election to not participate. We also recommend the Plan sponsor reconcile, on a semiannual basis, signed participation election forms with a list of employees who became eligible during the period and review all prior eligible employees not participating to ensure proper documentation is maintained.

Retention of Distribution Request Forms

The Plan Sponsor should retain documentation for all distribution requests processed. A distribution request form could not be provided for one of the selected samples. We recommend the Plan sponsor implement controls to ensure that distribution forms are received and retained prior to the processing of a distribution request.

Approval of Distributions

The Plan Sponsor should retain documentation of approval by the Plan Administrator for all distribution requests processed. One distribution request form tested did not include the approval by the Plan Administrator. We recommend the Plan sponsor implement controls to ensure that distribution requests are approved by the Plan Administrator prior to distribution.

This communication is intended solely for the information and use of the Plan Administrator, Board of Directors, management and others within the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

The Board of Directors
The Pruet Companies Salaried Reduction Plan and Trust
217 West Capitol Street, Suite 201

Dear: Mr. William R. James, President

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of The Pruet Companies Salaried Reduction Plan and Trust (the "Plan") as of and for the year ended December 31, 2025, and have issued our report thereon dated October 12, 2026. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated May 6, 2026, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution"). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting. Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the finncial statements are free of material misstatement. An audit of financial statements includes consideration of the system of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the

Our Responsibility in Relation to the Financial Statement Audit (continued)

effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the system of internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding material weaknesses and other matters noted during our audit in a separate letter to you dated October 12, 2026.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

Appropriate safeguards have been put in place to eliminate identified threats to independence. These safeguards include placing responsibility on the Plan's management to (a) make all management decisions and perform all management functions; (b) assign a competent individual to oversee our services; (c) evaluate the adequacy of the services performed; (d) evaluate and accept responsibility for the results of the services performed; and (e) establish and maintain internal controls, including monitoring ongoing activities. In addition, the quality assurance review is performed by a senior member of the firm who is not a member of the engagement team.

Significant Risks Identified

We have identified the following significant risks: (1) management override of controls was identified as a significant risk because management could override controls related to operations of the Plan that impact financial reporting and (2) compliance requirements was identified as a significant risk due to the risk that the Plan is not operating in compliance with regulatory requirements of the DOL/ERISA or Plan document.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2025. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates and Related Disclosures

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimate affecting the financial statements is the fair market measurement of investments.

Management's estimate of the fair market value measurement of investments is based on the investment valuations certified by the Plan trustee. We evaluated the key factors and assumptions used to develop the fair value of investments measurement and determined that it is reasonable in relation to the basic financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. There are no particularly sensitive disclosures.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. No significant unusual transactions were identified as a result of our audit procedures.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. No uncorrected misstatements were identified during the audit.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. See the schedule at the end of this letter for material misstatements that we identified as a result of our audit procedures, and were brought to the attention of, and corrected by, management.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditors' report. No such disagreements arose during the course of the audit.

Circumstances that Affect the Form and Content of the Auditors' Report

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditors' report. No circumstances that affect the form and content of the auditors' report have been identified.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated October 12, 2026.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Noncompliance with Laws and Regulations

We have identified the following matter involving noncompliance with laws and regulations that came to our attention during the course of our audit.

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. Contributions of $18,821 were remitted to the Plan but were not remitted within the required time period for the year ended December 31, 2025, respectively.

The Plan's enrollment process includes no documentation of declaration to not participate for employees who met eligibility and who are currently not participating in the Plan. The absence of this procedure provides no documentation to support a participant's election to not participate and increases the likelihood that eligible employees who wanted to participate may not be properly enrolled or notified of eligibility to enroll.

The Plan failed to retain sufficient documentation for benefit distributions The absence of this documentation demonstrates lack of control over distributions and increases the likelihood of improper distributions taking place.

The plan processed a benefit distribution despite the distribution form lacking the Plan Administrator's signature. The absence of this approval demonstrates lack of controls over distributions and increases the likelihood of improper distributions taking place.

Other Matters

The ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, were subjected to the audit procedures applied in the audit of the statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such

Other Matters (continued)

information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

Modifications of the Auditors' Report

We have made the following modification to our auditors' report:

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Item 4(a) - schedule of delinquent participant contributions for the year ended December 31, 2025, and Schedule H, Item 4(i) - schedule of assets (held at end of year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Closing

This report is intended solely for the information and use of the participants, Executive Committee and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties. We appreciate the opportunity to continue to be of service to the Plan.

This representation letter is provided in connection with your audits of the financial statements of The Pruet Salaried Reduction Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2025 and 2024 and the related statements of changes in net assets available for benefits – modified cash basis for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

We have elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with the modified cash basis of accounting.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information such that, in the light of surrounding circumstances, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm that, to the best of our knowledge and belief, having made sure inquiries as we considered necessary for the purpose of appropriately informing ourselves as of October 12, 2026:

Financial Statements

- We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 6, 2026, for the preparation and fair presentation of the financial statements (and disclosures) in accordance with the modified cash basis of accounting.
- The financial statements referred to above are fairly presented in conformity with the modified cash basis of accounting, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedules referred to above are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- We acknowledge our responsibility for administering the Plan and determining the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
- We acknowledge our responsibility for the design, implementation, and maintenance of the system of internal control relevant to the preparation and fair presentation of financial statements, notes, and supplemental schedules that are free from material misstatement, whether due to fraud or error.
- We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- The methods, data, and significant assumptions used by us in making estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable in the context of the modified cash basis of accounting. The methods and significant assumptions used to estimate fair values of financial instruments are as follows: management values financial instruments at their year-end market values determined and certified by the investment trustee. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
- All related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of the modified cash basis of accounting.
- Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.
- We have no knowledge of any uncorrected misstatements in the financial statements. As a result, there is no summary of unrecorded misstatements.

- The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with the modified cash basis of accounting.
- All events subsequent to the date of the financial statements and for which the modified cash basis of accounting requires adjustment or disclosure have been adjusted or disclosed.
- We have no intention to terminate the Plan.
- Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or another lending institution have been properly recorded or disclosed in the financial statements. We have properly reported and disclosed amendments to the plan instrument, if any.
- We have obtained the SOC 1 report from our service organization, The Standard Insurance Company. We have reviewed such report, including complementary user controls. We have implemented the relevant user controls, and they were in operation for the year ended December 31, 2025.
- With respect to drafting the financial statements and notes, we have performed the following:
  - Made all management decisions and performed all management functions;
  - Assigned a competent individual to oversee the services;
  - Evaluated the adequacy of the services performed;
  - Evaluated and accepted responsibility for the result of the service performed; and
  - Established and maintained controls, including a process to monitor the system of internal control.
- Material concentrations have been properly disclosure in accordance with the modified cash basis of accounting.
- We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- We believe the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Information Provided

- We have provided you with:
  - Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, plan instruments, trust agreements, insurance contracts, as applicable, or investments contracts, as applicable, and amendments to such documents entered during the year;
  - The most current plan instrument for the audit period, including all amendments;
  - A draft of the Form 5500 that is substantially complete;
  - Additional information that you have requested from us for the purpose of the audits;
  - Unrestricted access to persons within the Plan and others from whom you determined it necessary to obtain audit evidence; and
  - All minutes of the meetings of the Equity Members or summaries of actions relating to the Plan for which minutes have not yet been prepared.

- All transactions have been recorded in the accounting records and are reflected in the financial statements.
- Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
- The Plan has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.
- We have disclosed to you the results of our assessment of risk that the financial statements may be materially misstated as a result of fraud.
- We have provided to you our evaluation of the Plan's ability to continue as a going concern, including significant conditions and events present, and we believe that our use of the going concern basis of accounting is appropriate.
- We have no knowledge of any fraud, or suspected fraud, that affects the plan and involves:
  - Management;
  - Employees who have significant roles in internal control; or
  - Others when the fraud could have a material effect on the financial statements.
- We have no knowledge of any allegations of fraud, or suspected fraud, affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
- We are not aware of any pending or threatened litigation, claims, and assessments whose effects should be considered when preparing the financial statements, and neither we, nor the Plan Sponsor, or others acting on behalf of the Plan, have consulted legal counsel concerning litigation and claims or other matters affecting the Plan.
- There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, events reportable to the Pension Benefit Guaranty Corporation, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.
- We have disclosed to you the identity of the Plan's related parties and parties in interest and the nature of all the related party and party in interest relationships and transactions of which we are aware.
- We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance, including the release of unallocated shares held in employee stock ownership plans.
- All required filings with the appropriate agencies have been made.
- The Plan (and the trust established under the plan) is qualified under the appropriate section of the Internal Revenue Code and intends to continue as a qualified plan (and trust). The Plan sponsor has operated the plan and trust in a manner that did not jeopardize this tax status.
- The Plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the plan except those outlined in the

Schedule of Delinquent Participant Contributions. Contributions outside the timely remittance period will be corrected via a qualified voluntary correction process.

- The Plan has complied with the fidelity bonding requirements of ERISA.
- The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan and trust. The Plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
- We intend to formally amend the Plan by December 31, 2026 to incorporate the following provisions under which the Plan is currently operating, that were adopted to comply with new laws and regulations:
  - Changes to long-term, part-time employee rules
  - Attribution rule changes for spouses and child for controlled groups and affiliated service group determination
  - No top-heavy contributions for otherwise excludable employees
  - Retroactive increase in employer nonelective contributions
  - Cash-out limit increased to $7,000 (from $5,000)
  - Mandatory automatic enrollment with auto automatic escalation
  - Increased catch-up limit
- There are no:
  - Nonexempt party in interest transactions (as defined in ERISA Section 3(14) and regulations under that section) that were not disclosed in the supplemental schedules or financial statements.
  - Investments in default or considered to be uncollectible that were not disclosed in the supplemental schedules.
  - Reportable transactions (as defined in ERISA Section 103[b][3][H] and regulations under that section) that were not disclosed in the supplemental schedules.
- The form and content of the supplemental Schedule of Assets and Schedule of Delinquent Participant Contributions are fairly presented in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- With respect to supplementary information presented in relation to the financial statements as whole:
  - We acknowledge our responsibility for the presentation of such information.
  - We believe such information, including its form and content, is fairly presented in accordance with the modified cash basis of accounting.
  - The methods of measurement or presentation have not changed from those used in the prior period.
