INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Bridgepoint Healthcare 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Bridgepoint Healthcare 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 8 to the financial statements, on April 13, 2026, the Plan Sponsor adopted a resolution to terminate the Plan effective April 15, 2026. Upon termination, all participants became 100% vested in their accounts. Participants were notified of the termination and given the opportunity to elect a distribution or direct rollover of their account balances, and the account balances of participants who did not make an election were rolled over to individual retirement accounts established on their behalf. As discussed in Note 2, because the decision to terminate the Plan was made after December 31, 2025, the accompanying financial statements have not been prepared on the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Auditor's Report on the 2024 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2024 were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, that audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 14, 2025 indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Of those financial statements, only the statement of net assets available for benefits as of December 31, 2024 is presented herein, for comparative purposes.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2025, and the supplemental schedule of assets (held at end of year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BRIDGEPOINT HEALTHCARE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of the Bridgepoint Healthcare 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Bridgepoint Healthcare, LLC (the Plan Sponsor) and its subsidiaries. An employee becomes eligible to participate at age 21 after completing three months of service, except for nonresident aliens, leased employees and residents of Puerto Rico. The Plan Sponsor is also the Plan Administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may voluntarily make qualified retirement contributions to the Plan up to 100% of their pretax annual compensation, as defined in the Plan, which are excluded from the participants' taxable income for federal income tax purposes under section 401(k) of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, in accordance with the plan document.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation.

The Plan allows for the Plan Sponsor to make a discretionary matching contribution based on each participant's contribution percentage. No discretionary matching contribution was made by the Plan Sponsor during 2025 or 2024.

The Plan also provides that the Plan Sponsor may make a discretionary profit sharing contribution. To be eligible for the discretionary profit sharing contribution, generally, the participant must have at least 1,000 hours of service in the plan year and be actively employed on the last day of the plan year. No discretionary profit sharing contribution was made by the Plan Sponsor during 2025 or 2024.

Per Diem/PRN employees are not eligible to receive discretionary matching or profit sharing contributions, but are otherwise eligible to make elective deferrals under the Plan.

1. Description of Plan (Continued)

Investment options

Upon enrollment in the Plan, a participant may direct contributions among the investment options made available by the Plan Administrator. Participants may change their investment elections daily.

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of the Plan Sponsor's contributions and investment earnings or losses and administrative expenses. Allocations are based on investment earnings or losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Forfeitures

Forfeitures may be used to pay administrative expenses of the Plan or to reduce employer contributions. There were no forfeitures, and no forfeitures were used, during the year ended December 31, 2025. As of December 31, 2025 and 2024, the forfeiture account balance was $8,628 and $8,425, respectively.

Vesting

Participants are immediately vested in their elective salary deferral, plus actual earnings (losses) thereon. Vesting in the Plan Sponsor's discretionary matching and profit sharing contributions is based on years of continuous service. A participant is 20% vested after one year of service and vesting increases 20% each year until the participant is fully vested after five years of service.

Payment of benefits

On termination of service, whether due to death, disability, retirement, or other cause, a participant will be entitled to receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to the participant's vested account balance.

1. Description of Plan (Continued)

Notes receivable from participants

Participants may borrow from their accounts a minimum of $1,000, up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. A maximum of one loan is allowed at any one time. The loans are secured by the vested balance in the participants' accounts, and bear interest at fixed rates ranging from 4.25% to 9.50% which are commensurate with local prevailing rates, as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. Repayment periods may not exceed five years, except in limited circumstances, such as purchase of a principal residence.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. Because the decision to terminate the Plan was made after December 31, 2025, the financial statements have not been prepared on the liquidation basis of accounting (Note 8).

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash

Cash consists of amounts held in the Plan's non-interest bearing account at the trustee. The balance at December 31, 2024 represented a benefit distribution check that had been issued to a participant but had not been presented for payment at that date. The check cleared during 2025, and there was no such balance at December 31, 2025.

2. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

Notes Receivable from Participants

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable are recorded as distributions based on the terms of the plan document. Interest accrues through the date the loan is treated as distributed and is included in the amount recorded as a distribution. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Contributions

Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from compensation. Rollover contributions are recorded when received. Participant contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction in contributions. Contributions from the Plan Sponsor are recorded in the year in which they are deposited to the Plan. Amounts contributed by the Plan Sponsor to correct delinquent remittances of participant contributions, including lost earnings, are recorded as Plan Sponsor contributions when deposited (Note 11).

Payment of Benefits

Benefits are recorded when paid.

2. Summary of Significant Accounting Policies (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the processing of distributions and recordkeeping services are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent Events

Subsequent to December 31, 2025, the Plan Sponsor terminated the Plan effective April 15, 2026, and distributed participant account balances (Note 8).

Subsequent events were evaluated through October 13, 2026, the date the financial statements were available to be issued.

3. Information Certified by AdvisorTrust, Inc. (Trustee)

The following is a summary of the Plan's asset information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified as complete and accurate by AdvisorTrust, Inc., a qualified institution. The certification as of and for the year ended December 31, 2025 was obtained by the Plan Administrator in connection with the current year audit. The information as of December 31, 2024 was obtained by the Plan Administrator in connection with the audit performed by the predecessor auditors and is presented for comparative purposes.

3. Information Certified by AdvisorTrust, Inc. (Trustee) (Continued)

Statements of net assets available for benefits:

	2025	2024
Investments at fair value		
Mutual funds (registered investment companies)	$ 9,159,201	$ 7,881,419
Collective investment trust	359,752	305,116
	9,518,953	8,186,535
Cash	-	22,387
Notes receivable from participants	$ 201,242	$ 228,836

Notes receivable from participants at December 31, 2025 is presented net of $30,530 of participant loans recorded as deemed distributions during the year (Note 7). The certified balance before that adjustment was $231,772.

The Trustee also certified to the completeness and accuracy of $998,801 of net appreciation in fair value of investments, $333,043 of interest and dividends and $14,387 of interest income on notes receivable from participants for the year ended December 31, 2025. Interest income on notes receivable from participants reported in the statement of changes in net assets available for benefits is $15,360. The difference of $973 represents interest accrued through the dates the defaulted loans were treated as distributed, which was not recorded by the Trustee and was determined from loan-level information provided by the Plan’s third-party administrator.

4. Fair Value Measurements

Guidance included in ASC 820 Fair Value Measurements provides a framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs used to measure fair value, giving the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

- Level 1 - The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. No Plan investments are classified under this level.

- Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk. No Plan investments are classified under this level.

Investments measured at net asset value: Consisting of a collective investment trust, valued at the net asset value (NAV) of units of the collective investment trust. The NAV, as provided by the trustee of the collective investment trust, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective investment trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

4. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Level 1	Level 2	Level 3	Total
December 31, 2025				
Mutual funds	$ 9,159,201	$ -	$ -	$ 9,159,201
Investments measured at net asset value (a)	-	-	-	359,752
Total investments at fair value	$ 9,159,201	$ -	$ -	$ 9,518,953

	Level 1	Level 2	Level 3	Total
December 31, 2024				
Mutual funds	$ 7,881,419	$ -	$ -	$ 7,881,419
Investments measured at net asset value (a)	-	-	-	305,116
Total investments at fair value	$ 7,881,419	$ -	$ -	$ 8,186,535

(a) In accordance with the Fair Value Measurements topic, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to line items presented in the statements of net assets available for benefits.

4. Fair Value Measurements (Continued)

The following table summarizes investments measured at fair value based on net asset value (NAVs) per share as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Collective investment trust (b)	$ 359,752	$ -	Daily	60 days

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Collective investment trust (b)	$ 305,116	$ -	Daily	60 days

(b) Seeks to provide safety of principal, adequate liquidity and a competitive yield with low return volatility. This fund invests entirely in the MetLife Group Annuity Contract 25554, which consists of separately managed investment portfolios directed by Great Gray Trust Company, LLC. Participant-directed withdrawals are made at net asset value. A participating plan must provide at least 60 days' advance notice to withdraw from the fund, and a plan that terminates its participation receives the lesser of the contract value or the fair value of its interest in the fund.

5. Tax Status

The Plan adopted the Non-Standardized Pre-Approved Profit Sharing Plan with CODA, sponsored by Retirement Planners & Administrators, Inc., which obtained its latest opinion letter on June 30, 2020. In this letter, the Internal Revenue Service states that the form of the pre-approved plan document is in compliance with the applicable requirements of the Internal Revenue Code (the "Code"), and that a plan adopting this form qualifies under Section 401(a) of the Code, with the underlying trusts therefore exempt from federal income taxes under Section 501(a) of the Code. The Plan has been amended since receiving the opinion letter, and the Plan Administrator believes the amendments have not affected the Plan's qualified status.

5. Tax Status (Continued)

The Plan is required to operate in accordance with the Code to maintain its tax qualification, and the Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements. The Plan Administrator is not aware of any course of action or series of events that has occurred that might adversely affect the Plan's qualified status. Accordingly, no provision for income taxes is reflected in the accompanying financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025 and 2024, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or asset, or disclosure, in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

6. Related-Party and Party-In-Interest Transactions

The Plan's assets are held by AdvisorTrust, Inc., which serves as trustee and custodian of the Plan. Fees paid by the Plan to its service providers for trustee, custodial, recordkeeping and investment advisory services qualify as party in interest transactions and are exempt from the prohibited transaction rules of ERISA.

Notes receivable from participants of $201,242 and $228,836 at December 31, 2025 and 2024, respectively, also qualify as party in interest transactions.

Certain officers and employees of the Plan Sponsor, who are participants in the Plan, perform administrative services related to the operation, recordkeeping and financial reporting of the Plan. No such officer or employee receives compensation from the Plan. Some of the Plan's expenses were paid by the Plan Sponsor, and personnel and facilities of the Plan Sponsor are used by the Plan at no charge.

7. Deemed Distributions of Participant Loans

During 2025, the Plan recorded deemed distributions of participant loans of $31,503, representing the unpaid principal balance and accrued interest on nine participant loans. A participant loan is treated as distributed when scheduled repayments are not made by the last day of the calendar quarter following the calendar quarter in which the payment was due.

A deemed distribution is taxable to the participant in the year the loan is treated as distributed. The loan obligation remains outstanding until repaid or offset against the participant's account balance.

8. Plan Termination

On April 13, 2026, the Plan Sponsor adopted a resolution to terminate the Plan effective April 15, 2026. All participants became 100% vested in their accounts as of the termination date. In April 2026, participants were notified of the termination and asked to elect a distribution or rollover of their account balances by June 5, 2026; a final notice sent in July 2026 set a deadline of August 14, 2026. Account balances of participants who did not make an election were rolled over to individual retirement accounts established on their behalf. Outstanding participant loans were offset against participants' account balances when the balances were distributed. As of August 31, 2026, net assets of approximately $2,299,000 remained in the Plan, and substantially all of those assets were distributed in September 2026.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets per the Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 9,722,403	$ 8,438,348
Difference in:		
Benefit claims payable	-	(22,387)
Net assets per the Form 5500	$ 9,722,403	$ 8,415,961

The Plan recognizes benefits when paid, while the Form 5500 reports the amount as a benefit claim payable at December 31, 2024.

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to net income per the Form 5500:

	2025
Net increase in net assets available for benefits per the financial statements	$ 1,284,055
Difference in:	
Benefit claims payable	22,387
Net income per the Form 5500	$ 1,306,442

11. Nonexempt Transactions

During 2024, the Plan Sponsor inadvertently failed to deposit $25,683 of participant contributions and loan repayments within the required time frame as stated by the DOL regulations. The Plan Sponsor deposited lost earnings to correct this failure in 2025. The correction was made from the Plan Sponsor's assets and not from assets of the Plan.

During 2025, the Plan Sponsor did not deposit $7,718 of participant contributions and loan repayments within the time frame required by DOL regulations. The amount is reported on the supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions.
