Independent Auditor's Report

To the Trustee
J & J Exterminating Co., Inc. 401(k) P/S Plan
Lafayette, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the J & J Exterminating Co., Inc. 401(k) P/S Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of J & J Exterminating Co., Inc. 401(k) P/S Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of plan management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Respectfully submitted,

Note 1 - Description of Plan -

Description of Plan

The following description of J & J Exterminating Co., Inc. 401(k) P/S Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of J & J Exterminating Co., Inc., J & J Exterminating of New Orleans, J & J Exterminating of Deridder, J & J Exterminating of Crowley, J & J Exterminating of Shreveport, J & J Exterminating of Lake Charles, J & J Exterminating of Alexandria, J & J Exterminating of Texas, John PR Services, LLC and J & J Marine Pest Solutions, LLC (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Management oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Qualified employees of the Company who have attained the age of 21 are immediately eligible to contribute to the Plan and are automatically enrolled at 4% unless the participate makes an affirmative election. In addition, upon eligibility, the participant is eligible to participate in the match.

Contributions

Participants may contribute a portion of their eligible compensation as defined in the Plan up to the maximum amount allowed by Section 401(k) of the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also rollover amounts representing distributions from other qualified defined benefit or contribution plans.

The Company has elected to make discretionary matching contributions totaling 50% of the first 4% of the amount of employee elective deferrals, not to exceed 2% of a participant's salary. For the year ended December 31, 2025, the Company made discretionary matching contributions of $128,461.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's discretionary matching contributions, the Plan's investment earnings or losses, and certain plan administration costs not covered by the Company. Allocations are based upon participant account balances, as defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and the actual earnings thereon. Vesting in the Company's discretionary matching contributions is based on years of continuous service with a participant being 20% vested after two years of credited service and 100% vested after six years of credited service. Participants will become fully vested in the Company's discretionary matching contributions and earnings upon death, disability, or normal retirement.

Payment of Benefits

Upon termination of service, a participant or their designated beneficiary may elect to receive a distribution equal to the vested interest in the account. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $2 and $29,007, respectively. Forfeitures may be used to pay administrative expenses, to reduce Company contributions, or may be reallocated to eligible participant accounts. During 2025, forfeited nonvested accounts of $119,470 were used or reallocated.

Note 2 - Summary of Accounting Policies -

Basis of Accounting

The financial statements of the Plan are prepared in accordance with the accrual basis of accounting. At December 31, 2025 and 2024, all assets of the Plan are participant directed.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan. As of December 31, 2025 and 2024, the Plan had no fully benefit-responsive investment contracts.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates, and such differences may be material.

Contributions

Contributions from Plan participants and employer matching contributions are recorded in the year in which the employee contributions are withheld from compensation.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management determines the Plan's valuation policies utilizing information provided by the Plan custodians. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis of accounting. Dividends are recorded on the ex-dividend date. Net investment income includes the Plan's gains and losses on investments sold during the year as well as appreciation and depreciation of the investments held at the end of the year. Benefits are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment options in any combination of selected funds held by the custodians. These funds are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with these funds, it is at least reasonably possible that changes in the values of the funds will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

Administrative Expenses

Certain expenses of maintaining the Plan may be paid directly by the Company and are excluded from these financial statements. Fees for certain transactions, such as withdrawals, are charged directly to the account of the participant reporting such a transaction. Investment related expenses are included in net investment income.

Note 3 - Plan Termination -

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 4 - Tax Status -

The Company has adopted a protype plan which received a favorable determination from the Internal Revenue Service. The Plan itself has not separately applied for recognition of tax-exempt status. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. With few exceptions, the Plan is no longer subject to income tax examinations for years prior to 2022.

Note 5 - Fair Value Measurements -

The fair value measurement accounting literature provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs to the valuation methodology are based on unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access. Level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets and/or based on inputs that are derived principally from or corroborated by observable market data by correlation or other means. Level 3 inputs are unobservable and are based on assumptions market participants would utilize in pricing the asset.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2025 and 2024:

Interest-Bearing Cash (Money Market): The fair values of these funds are based on preserving the net asset value of $1.00 per share based on the underlying assets invested in treasury securities, when applicable.

Registered Investment Companies (Mutual Funds): These securities are valued using a net asset value that is not the same as the net asset value reported by the fund house. Rather, after close of the stock market, the daily price is received from each house and adjusted for any dividends and capital gains declared. A gross investment rate is calculated to compute the unit value.

Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Interest-Bearing Cash	$ 5,052	$ -	$ -	$ 5,052
Registered Investment Companies	7,721,367	-	-	7,721,367
Total Investments in the Fair Value Hierarchy	$ 7,726,419	$ -	$ -	7,726,419
Investments Measured Using Net Asset Value Per Share Practical Expedient*				622,567
Total Investments at Fair Value				$ 8,348,986

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Interest-Bearing Cash	$ 29,689	$ -	$ -	$ 29,689
Registered Investment Companies	7,590,409	-	-	7,590,409
Total Investments at Fair Value	$ 7,620,098	$ -	$ -	7,620,098
Investments Measured Using Net Asset Value Per Share Practical Expedient*				437,455
Total Investments at Fair Value				$ 8,057,553

* Certain investments that were measured at net asset value per share (NAV) practical expedient of the fund have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits. These accounts, as disclosed by the custodian, file Forms 5500 as direct filing entities with the Department of Labor.

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2025, are reported in net investment income.

The following tables summarize investments measured at fair value based on NAV per share practical expedient as of December 31, 2025 and 2024:

	December 31, 2025			
	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common/Collective Trusts	$ 622,567	n/a	daily	none

	December 31, 2024			
	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common/Collective Trust	$ 437,455	n/a	daily	none

Note 6 - Information Prepared and Certified by the Custodians -

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments held as of Decemer 31, 2025 and 2024, and net appreciation in fair value of investments for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus Trust Company and Newport Trust Company, LLC, a qualified institution.

Note 7 - Related Party and Party-in-Interest Transactions -

Certain plan investments are managed by Ascensus Trust Company and Newport Trust Company, LLC. Since these entities are the custodians as defined by the Plan, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Company, a related party, may also directly pay other fees related to the Plan's operations. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 8 - Prohibited Transactions - Delinquent Participant Contributions

During the year ended December 31, 2024, the Plan Sponsor failed to deposit $10,333 of participant contributions within the Department of Labor (DOL) agreed-upon timeframe of five business days. The DOL considers late deposits to be prohibited transactions. The Plan Sponsor will deposit lost earnings to the affected participants' accounts to compensate those participants for potential lost income due to the delays.

Note 9 - Subsequent Events -

In September 2026, the Plan transitioned to a new service provider and custodian. As part of the transition to the new custodian, there was a short-term blackout period for Plan participants. During the blackout period, access to participant accounts was not available, and participants could not change their contribution amount, request a benefit payment, or make a rollover contribution into the Plan. No Plan provisions were materially changed as a result of the transition to the new custodian.

The Company evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through October 6, 2026, the date which the financial statements were available to be issued.
