INDEPENDENT AUDITORS' REPORT

To the Clearstead 401(k) Retirement Plan Committee
Clearstead Advisors 401(k) Retirement Plan
Cleveland, OH

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits
We have performed audits of the accompanying financial statements of Clearstead Advisors 401(k) Retirement Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Clearstead Advisors 401(k) Retirement Plan (the "Plan") provides general information only. Participants should refer to the Plan document for a more comprehensive description of the Plan's provisions.

Description

The Plan is a defined contribution plan adopted and administered by Clearstead Advisors, LLC (the "Sponsor" or "Plan Administrator"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Eligibility

All full-time employees of the Sponsor are eligible to participate once they attain the age of 20.5. An individual may enter the Plan on the first day of the month following the date the requirements were met.

Contributions

Participants can elect to contribute up to 100% of their compensation on a pre-tax or Roth basis, as limited by the Internal Revenue Service ("IRS"). Participant contributions may be made as pre-tax or Roth 401(k) contributions. During any calendar year in which a participant attains age 50 or older, he or she may elect to make additional pre-tax contributions and/or Roth 401(k) contributions, called "catch-up" contributions.

The Sponsor contributes a safe harbor match, calculated as 100% of the first 3% and 50% of the next 2% of employee deferrals.

The Sponsor may also contribute an additional discretionary contribution in excess of the safe harbor matching amount. These additional contributions are allocated as determined by the Sponsor. During the year ended December 31, 2025, the Sponsor did not make any discretionary employer contributions.

Notes Receivable from Participants

The Plan allows participants to apply for and obtain, from the balance of the participant's account, notes in an amount of no less than $1,000 and limited to 50 percent of the participant's vested account balance provided such notes do not exceed $50,000. The notes are secured by the balance in the participant's account and bear a fixed interest rate set at prime at the time of the note. The participant loans have repayment terms of up to five years, except for loans taken for the purchase of a primary residence, which may be repaid over a period not to exceed ten years. Payments of principal and interest are paid through payroll deductions and credited to the participant's account.

Notes are in default when payments are not made by the end of the calendar quarter following the quarter in which the payment was due, or the participant makes or furnishes any false representation or statement to the Plan. In the event of default, the entire outstanding note balance, consisting of the missed payments, remaining principal, and all accrued but unpaid interest, will remain as the participant's obligation. Participants have the opportunity to repay the loan or to resume current status by paying all missed payments. If distribution is or becomes available under the Plan, the participant's vested balance will be offset by the outstanding loan balance and deemed a distribution as permitted by law.

Vesting

Participants are immediately vested in their contributions, safe harbor match contributions, and rollover contributions, plus actual earnings thereon. All eligible participants will vest 20% in employer discretionary contributions after each year of credited service, and will be 100% vested after five years. Forfeitures relating to matching contributions are added to the employer matching contributions and allocated as an additional matching contribution or may be applied toward Plan expenses.

Investment Options

Participants direct the investment of all elective and Sponsor contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Plan Sponsor's contributions, rollovers, and Plan earnings based on the participant's relative investment holdings. The administrative expenses are also allocated to participant's accounts based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

A participant may elect to invest contributions and transfers in any combination of the funds. Participants can change their investment direction or transfer funds directly through the Fidelity Management Trust Company ("Trustee") website.

Payment of Benefits

Participants, or their beneficiaries, may elect to receive the amount as a lump-sum or designated sums from time to time. Upon the age of 59 ½, a participant may elect to receive a lump-sum amount or installment payments. If the participant's vested account balance is less than $1,000, it will be distributed to the participant in a lump sum without the participant's consent. If the vested balance is between $1,000 and $5,000, it will be rolled over to an Individual Retirement Account. All distributions are in the form of cash.

Administrative Expenses

The Plan pays expenses incurred in the administration of the Plan, unless paid by the Sponsor. Expenses paid to the Trustee are accounted for as a reduction in investment earnings.

Termination Provisions

Although it has not expressed an interest to do so, the Sponsor has the right under the Plan to discontinue its contributions and terminate the Plan subject to the provisions set forth by ERISA.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Fair Value Measurements

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Reclassification of Prior Year Presentation

Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on net assets available for benefits or changes in net assets available for benefits.

Investment Valuation

The Plan's investments are valued at fair market value.

The change in the difference between fair value and the cost of the investments, along with gains (losses) from sales of investments, is reflected in the statements of changes in net assets available for benefits as net appreciation (depreciation) in the fair value of investments. Purchases and sales of investments are recorded on the trade-date basis. Dividends are recorded on the ex-dividend date. Realized gains and losses from security transactions are reported based on historical cost.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2026, the date the financial statements were available to be issued.

NOTE 3 – SUMMARY OF FINANCIAL DATA CERTIFIED BY TRUSTEE (UNAUDITED)

The following is a summary of unaudited information regarding the Plan, included in the Plan's financial statements, which was prepared by the Trustee as of December 31, 2025 and 2024 and for the year ended December 31, 2025 and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee as of December 31, 2025 and 2024 and for the year ended December 31, 2025 that such information is complete and accurate.

	2025	2024
Investments, at fair value	$ 44,917,230	$ 34,682,856
Notes receivable from participants	$ 711,558	$ 669,647
Interest and dividend income	$ 964,042	N/A
Interest on notes receivable from participants	$ 52,676	N/A
Net appreciation in fair value of investments	$ 5,592,124	N/A

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan's investments are participant-directed accounts that are held by the Trustee.

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Investments that were measured at net asset value ("NAV") per share as a practical expedient are not classified in the fair value hierarchy. The fair value amounts presented in the below tables are intended to permit reconciliation of the fair value hierarchy to total investments at fair value. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- *Mutual funds*: Valued at fair value as determined by quoted market prices on active markets.
- *Common collective trusts*: Valued at NAV of the underlying investments held by the funds, less their liabilities. NAV is used as a practical expedient to estimate fair value.
- *Self-directed brokerage accounts*: Valued at fair value as determined by quoted market prices on active markets for each individual fund purchased.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$25,589,805	$ -	$ -	$25,589,805
Self-directed brokerage accounts	1,767,186	-	-	1,767,186
Total assets in the fair value hierarchy	$27,356,991	$ -	$ -	$27,356,991
Investments measured at net asset value:				
Common collective trusts				17,560,239
Total investments at fair value				$44,917,230

	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$20,051,507	$ -	$ -	$20,051,507
Self-directed brokerage accounts	701,988	-	-	701,988
Total assets in the fair value hierarchy	$20,753,495	$ -	$ -	$20,753,495
Investments measured at net asset value:				
Common collective trusts				13,929,361
Total investments at fair value				$34,682,856

NOTE 5 – TAX STATUS OF THE PLAN

The Plan is a pre-approved plan provided by Fidelity which has received an opinion letter, dated June 30, 2020, from the IRS. The opinion letter states that the pre-approved plan is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. Subsequently, the Plan has been amended. The Plan's Advisory Committee believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and therefore operates as tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan Sponsor has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024 and for the year ended December 31, 2025 there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include the purchases and sales of investments through the Plan's Trustee and the payment of services and expenses. There are also indirect fees deducted directly from investment earnings of the Plan.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, volatility, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.
