Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Team One Contract Services 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024; the related statement of changes in net assets available for benefits for the year ended December 31, 2025; and the related notes to the financial statements (collectively, the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Management Trust Company ("Fidelity"), a qualified institution, as of and for the years ended December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- **the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America;**

- **the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).**

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Team One Contract Services 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Team One Contract Services 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- **Exercise professional judgment and maintain professional skepticism throughout the audit.**

- **Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of Team One Contract Services 401(k) Plan's internal control. Accordingly, no such opinion is expressed.**

- **Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluate the overall presentation of the financial statements.**

- **Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Team One Contract Services 401(k) Plan's ability to continue as a going concern for a reasonable period of time.**

Our audits did not extend to the certified investment information except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i-Schedule of Assets (Held At End of Year), and Schedule H, line 4a, Schedule of Delinquent Participant Contributions as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- **the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.**

- **the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).**

NOTE 1 DESCRIPTION OF PLAN

The following description of the Team One Contract Services 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan, formed on September 15, 2004, is a defined contribution plan covering all eligible employees of Team One Contract Services (the "Company"), which includes a salary reduction feature that meets the requirements of Section 401(k) of the Internal Revenue Code. The Plan covers all full-time employees of the Company who have thirty days of service and are at least 18 years old. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). In January 2025, the Company amended its Plan to transfer another company's employees into the Plan. As a result of the amendment, the accounts of the transferred Company's employees were transferred into the Plan effective October 2025 and totaled $1,481,350.

Contributions – Employee contributions are made using funds withheld by the Company from compensation of participants. Each year, participants may contribute a portion of their pre-tax annual compensation, as specified in an elective deferral agreement and defined in the plan, not to exceed the dollar limit. Participants may also make certain after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Matching contributions are discretionary. Additional profit-sharing amounts may be contributed at the option of the Company's board of directors. The Company elected to make no profit-sharing contribution for the year ended December 31, 2025.

Participant accounts – Each participant's account is credited with the participant's contributions, Company contributions, and Plan earnings and losses on the participant's investments. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options – Upon enrollment in the Plan, a participant may direct employer and employee contributions in any of several investment options approved by the Team One Contract Services 401(k) Plan Committee. Participants may change their investment options daily.

Notes receivable from participants – Participants who have participated in the Plan may borrow against their account balance. The minimum amount of any loan is $1,000, and the loan cannot exceed 50% of the vested portion of the participant's account balance or $50,000, whichever is less. Payments of principal and interest are made ratably through payroll deductions. The loans are secured by the balance in the participant's account and bear interest at 4.75% to 8.75% which is commensurate with local prevailing rates as determined by the Plan Administrator.

Vesting – Each participant account is credited with employee and employer contributions and earnings of each of the funds in which that participant's contributions have been invested. Each participant is fully vested at all times in his or her salary reduction contributions plus actual earnings thereon. Vesting for all other employer contributions is based on years of continuous service. Participants are 100% vested after one year of service.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Rollover contributions – Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). An aggregate of $206,692 was rolled into the Plan during the year ended December 31, 2025, and is included in rollovers in the statement of changes in net assets available for benefits.

Payment of benefits – On termination of service due to death, disability or retirement, a participant, or their beneficiary, may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or other installment options as provided by the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Forfeited accounts – As of December 31, 2025 and 2024, forfeited nonvested accounts totaled $13,846 and $17,771, respectively. These accounts will be used to reduce future employer contributions or pay administrative expenses. In 2025, the Company applied $17,040 in forfeitures towards prior year employer contributions funded in the current year.

Risks and uncertainties – The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates – The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Team One Contract Services 401(k) Plan's Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized gains and losses on investments are included in the net appreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits.

Contributions – Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded monthly. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Administrative expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net appreciation of fair value of investments.

Payment of benefits – Benefits are recorded when paid.

NOTE 3 INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following is a summary of the Plan's asset information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information provided by Fidelity, the trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	2025	2024
Investments:		
Mutual funds	$ 10,854,007	$ 7,580,666
Cash equivalents	64,143	52,796
Notes receivable from participants	172,650	229,049
Total investments	$ 11,090,800	$ 7,862,511
Changes in net assets attributed to:		
Net appreciation	$ 1,258,073	

For the year ended December 31, 2025, the trustee certified to the completeness and accuracy of the dividends and interest related to the aforementioned Plan assets of $308,675 and $2,309, respectively.

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described below:

Level 1 **Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.**

Level 2 **Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liabilities; inputs that are derived principally from or corroborated by observable market data by correlation or other means.**

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 **Inputs to the valuation methodology are unobservable and significant to the fair value measurement.**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: **Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

NOTE 5 RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by a related company of Fidelity. Fidelity is also the investment trustee, as defined by the Plan, and, therefore, these transactions qualify as party in interest transactions.

Fidelity, the recordkeeper for the Plan, provides certain administrative services to the Plan pursuant to a Master Plan Service Agreement ("MSA") between the Company and Fidelity. Fidelity receives revenue from mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

If the revenue received by Fidelity from such mutual fund service providers exceeds the amount owed under the MSA, Fidelity remits the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2025, there were no excess amounts. The Plan or Plan Sponsor may make a payment to Fidelity for administrative expenses not covered by revenue sharing.

Management fees and service fees are paid by participants to invest in the various funds managed by Fidelity. These transactions are exempt from the prohibited transaction rules. Fees paid by the Plan for the administrative services totaled $61,503 for the year ended December 31, 2025.

NOTE 6 TAX STATUS

The Company has adopted the Plan based on a volume submitter plan document sponsored by Fidelity Management and Research Company. Fidelity Management and Research Company has received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, that states that the form of the volume submitter plan is acceptable under Section 401 of the Internal Revenue Code ("IRC"). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 11,278,785	$ 8,051,490
Employer contribution receivable	(167,468)	(188,979)
Employee contribution receivable	(20,517)	-
Net assets available for benefits per the Form 5500	$ 11,090,800	$ 7,862,511

The following is a reconciliation of the statement of changes in net assets available for benefits at December 31, 2025, to Form 5500:

	2025
Employer contributions per Form 5500	$ 484,225
2024 employer contributions receivable	(188,979)
2025 employer contributions receivable	167,468
Employer contribution per financial statements	$ 462,714

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

	2025
Employee contributions per Form 5500	$ 1,098,859
2024 employee contributions receivable	-
2025 employee contributions receivable	20,517
Employee contribution per financial statements	$ 1,119,376

Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to year-end but not yet paid as of that date. No approved benefit claims existed at December 31, 2025, which were not paid.

NOTE 9 DELINQUENT EMPLOYEE DEFERRALS AND LOAN REPAYMENT TRANSMITTALS

During 2023, the Company erroneously failed to timely remit certain employee deferrals and loan repayments to the Plan aggregating $44,928. These deferrals were corrected in October 2025, at which time the Company submitted the lost earnings on these 2023 delinquent deferrals and made a contribution for lost earnings to the affected participants in the Plan.

NOTE 10 SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through October 13, 2026, the date the financial statements were available to be issued.

Team One Contract Services 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Team One Contract Services 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024; the related statement of changes in net assets available for benefits for the year ended December 31, 2025; and the related notes to the financial statements (collectively, the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Management Trust Company ("Fidelity"), a qualified institution, as of and for the years ended December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- **the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America;**

- **the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).**

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Team One Contract Services 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Team One Contract Services 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- **Exercise professional judgment and maintain professional skepticism throughout the audit.**

- **Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of Team One Contract Services 401(k) Plan's internal control. Accordingly, no such opinion is expressed.**

- **Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluate the overall presentation of the financial statements.**

- **Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Team One Contract Services 401(k) Plan's ability to continue as a going concern for a reasonable period of time.**

Our audits did not extend to the certified investment information except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i-Schedule of Assets (Held At End of Year), and Schedule H, line 4a, Schedule of Delinquent Participant Contributions as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- **the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.**

- **the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).**

NOTE 1 DESCRIPTION OF PLAN

The following description of the Team One Contract Services 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan, formed on September 15, 2004, is a defined contribution plan covering all eligible employees of Team One Contract Services (the "Company"), which includes a salary reduction feature that meets the requirements of Section 401(k) of the Internal Revenue Code. The Plan covers all full-time employees of the Company who have thirty days of service and are at least 18 years old. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). In January 2025, the Company amended its Plan to transfer another company's employees into the Plan. As a result of the amendment, the accounts of the transferred Company's employees were transferred into the Plan effective October 2025 and totaled $1,481,350.

Contributions – Employee contributions are made using funds withheld by the Company from compensation of participants. Each year, participants may contribute a portion of their pre-tax annual compensation, as specified in an elective deferral agreement and defined in the plan, not to exceed the dollar limit. Participants may also make certain after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Matching contributions are discretionary. Additional profit-sharing amounts may be contributed at the option of the Company's board of directors. The Company elected to make no profit-sharing contribution for the year ended December 31, 2025.

Participant accounts – Each participant's account is credited with the participant's contributions, Company contributions, and Plan earnings and losses on the participant's investments. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options – Upon enrollment in the Plan, a participant may direct employer and employee contributions in any of several investment options approved by the Team One Contract Services 401(k) Plan Committee. Participants may change their investment options daily.

Notes receivable from participants – Participants who have participated in the Plan may borrow against their account balance. The minimum amount of any loan is $1,000, and the loan cannot exceed 50% of the vested portion of the participant's account balance or $50,000, whichever is less. Payments of principal and interest are made ratably through payroll deductions. The loans are secured by the balance in the participant's account and bear interest at 4.75% to 8.75% which is commensurate with local prevailing rates as determined by the Plan Administrator.

Vesting – Each participant account is credited with employee and employer contributions and earnings of each of the funds in which that participant's contributions have been invested. Each participant is fully vested at all times in his or her salary reduction contributions plus actual earnings thereon. Vesting for all other employer contributions is based on years of continuous service. Participants are 100% vested after one year of service.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Rollover contributions – Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). An aggregate of $206,692 was rolled into the Plan during the year ended December 31, 2025, and is included in rollovers in the statement of changes in net assets available for benefits.

Payment of benefits – On termination of service due to death, disability or retirement, a participant, or their beneficiary, may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or other installment options as provided by the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Forfeited accounts – As of December 31, 2025 and 2024, forfeited nonvested accounts totaled $13,846 and $17,771, respectively. These accounts will be used to reduce future employer contributions or pay administrative expenses. In 2025, the Company applied $17,040 in forfeitures towards prior year employer contributions funded in the current year.

Risks and uncertainties – The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates – The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Team One Contract Services 401(k) Plan's Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized gains and losses on investments are included in the net appreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits.

Contributions – Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded monthly. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Administrative expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net appreciation of fair value of investments.

Payment of benefits – Benefits are recorded when paid.

NOTE 3 INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following is a summary of the Plan's asset information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information provided by Fidelity, the trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	2025	2024
Investments:		
Mutual funds	$ 10,854,007	$ 7,580,666
Cash equivalents	64,143	52,796
Notes receivable from participants	172,650	229,049
Total investments	$ 11,090,800	$ 7,862,511
Changes in net assets attributed to:		
Net appreciation	$ 1,258,073	

For the year ended December 31, 2025, the trustee certified to the completeness and accuracy of the dividends and interest related to the aforementioned Plan assets of $308,675 and $2,309, respectively.

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described below:

Level 1 **Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.**

Level 2 **Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liabilities; inputs that are derived principally from or corroborated by observable market data by correlation or other means.**

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 **Inputs to the valuation methodology are unobservable and significant to the fair value measurement.**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: **Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

NOTE 5 RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by a related company of Fidelity. Fidelity is also the investment trustee, as defined by the Plan, and, therefore, these transactions qualify as party in interest transactions.

Fidelity, the recordkeeper for the Plan, provides certain administrative services to the Plan pursuant to a Master Plan Service Agreement ("MSA") between the Company and Fidelity. Fidelity receives revenue from mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

If the revenue received by Fidelity from such mutual fund service providers exceeds the amount owed under the MSA, Fidelity remits the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2025, there were no excess amounts. The Plan or Plan Sponsor may make a payment to Fidelity for administrative expenses not covered by revenue sharing.

Management fees and service fees are paid by participants to invest in the various funds managed by Fidelity. These transactions are exempt from the prohibited transaction rules. Fees paid by the Plan for the administrative services totaled $61,503 for the year ended December 31, 2025.

NOTE 6 TAX STATUS

The Company has adopted the Plan based on a volume submitter plan document sponsored by Fidelity Management and Research Company. Fidelity Management and Research Company has received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, that states that the form of the volume submitter plan is acceptable under Section 401 of the Internal Revenue Code ("IRC"). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 11,278,785	$ 8,051,490
Employer contribution receivable	(167,468)	(188,979)
Employee contribution receivable	(20,517)	-
Net assets available for benefits per the Form 5500	$ 11,090,800	$ 7,862,511

The following is a reconciliation of the statement of changes in net assets available for benefits at December 31, 2025, to Form 5500:

	2025
Employer contributions per Form 5500	$ 484,225
2024 employer contributions receivable	(188,979)
2025 employer contributions receivable	167,468
Employer contribution per financial statements	$ 462,714

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

	2025
Employee contributions per Form 5500	$ 1,098,859
2024 employee contributions receivable	-
2025 employee contributions receivable	20,517
Employee contribution per financial statements	$ 1,119,376

Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to year-end but not yet paid as of that date. No approved benefit claims existed at December 31, 2025, which were not paid.

NOTE 9 DELINQUENT EMPLOYEE DEFERRALS AND LOAN REPAYMENT TRANSMITTALS

During 2023, the Company erroneously failed to timely remit certain employee deferrals and loan repayments to the Plan aggregating $44,928. These deferrals were corrected in October 2025, at which time the Company submitted the lost earnings on these 2023 delinquent deferrals and made a contribution for lost earnings to the affected participants in the Plan.

NOTE 10 SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through October 13, 2026, the date the financial statements were available to be issued.
