Independent Auditor's Report

Plan Administrator and Participants
Rodefer Moss & Co, PLLC 401(k) Profit Sharing Plan
Knoxville, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of Rodefer Moss & Co, PLLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Rodefer Moss & Co, PLLC 401 (k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document, copies of which are available from the Plan Administrator, for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering eligible employees of Rodefer Moss & Co, PLLC (the Employer and Plan Administrator) age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's trustees oversee governance of the Plan, determine the appropriateness of the Plan's investment offerings, monitor investment performance, and report to the Plan Administrator.

The Plan was amended and restated effective July 22, 2022 to bring the Plan into compliance with the requirements of the 2017 Cumulative List (Notice 2017-37).

Contributions - Each year, participants may contribute, on a pre-tax or post-tax basis, a percentage or specific dollar amount of their eligible compensation, as defined in the Plan document. Contributions in any taxable year are subject to certain statutory limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans ("rollovers").

The Employer provides a matching contribution equal to 100% of each participant's contribution percentage up to 3% of compensation plus 50% of each participant's contribution percentage between 3% and 5%.

Participant Accounts - Each participant's account is credited with the participant's contributions (including any rollovers), any Employer contributions, and allocations of earnings (losses) on the investments in their account, and is charged with an allocation of any administrative expenses paid by the Plan. Allocations of earnings (losses) and administrative expenses are based on participant account balances, as defined. Participants direct the investment of their accounts into the investment options offered by the Plan. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings (losses) thereon. Vesting in the Employer's matching contribution portion of their accounts is based on years of continuous service. A participant vests in 20% increments in his or her Employer contribution account after each additional year of credited service. A participant is 100% vested in his or her Employer contribution account after five years of credited service.

Payment of Benefits - On termination of service, a participant with a vested account balance of over $5,000 may elect to receive a lump-sum amount equal to the value of the participant's vested balance in his or her account. Terminated participants with vested account balances of $5,000 or less are required to take a distribution as promptly as possible following termination of employment.

Forfeited Accounts - At December 31, 2025 and 2024, forfeited nonvested accounts totaled $5,234 and $2,070, respectively. Forfeitures are used to pay administrative expenses of the Plan. Any remaining forfeitures attributable to employer matching contributions will be used to reduce future employer matching contributions. Forfeitures of $1,230 were used during the year end December 31, 2024 to reduce employer matching contributions.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan payments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants (Continued) - Participants may borrow from their accounts a minimum of $1,000 and up to a maximum equal to the lesser of one-half of their vested account balance or $50,000. The maximum loan amount is further reduced by any outstanding loan(s) through this Plan, another qualified plan, 403(b) plan or 457 plan, maintained by the same employer. The loans are secured by participant account balances and bear interest at the prime rate published in The Wall Street Journal on the first business day of each month, plus 1%. At December 31, 2025, outstanding loans had rates at 8.00% to 9.50%. Principal and interest are paid ratably through payroll deductions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review of Subsequent Events - Management has evaluated events and transactions occurring subsequent to December 31, 2025 for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through October 13, 2026, which is the date these financial statements were available to be issued.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value. The Plan has no fully-benefit responsive investment contracts as of December 31, 2025 or 2024.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The trustees determine the Plan's valuation policies. See Note 4 for discussion of fair value measurements. Net appreciation (depreciation) in fair value of investments includes gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain investment options may be subject to investment fees based upon a percentage of the invested assets, as disclosed in the prospectus. Such fees are typically charged directly against investment performance and thus, are not separately disclosed in these financial statements. Certain other expenses of maintaining the Plan are paid by the Employer and are therefore excluded from these financial statements.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified to be complete and accurate by the custodian:

	2025	2024
Investments	$ 11,021,234	$ 12,262,421
Notes receivable - participants	$ 153,314	$ 155,590
Unrealized loss on investments	$ 1,478,801	
Interest and dividends	$ 554,592	
Interest on notes receivable - participants	$ 12,436	

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (Continued)

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplementary schedule.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

NOTE 5 - COMMON/COLLECTIVE TRUST

The Plan invests in the EB Magic 40 Stable Value Fund, a common/collective trust. The investment is measured at fair value using the net asset value per share reported by the fund as a practical expedient. The net asset value is used as a practical expedient because the investment does not have a readily determinable fair value and the reported net asset value is used as the practical expedient to estimate fair value. The value of the fund at December 31, 2025 and 2024 was $1,132,514 and $1,844,717, respectively.

Net asset values and share prices reported on the Plan Summary Reports for stable value funds are generally obtained directly from the fund house or other investment provider. If available, the recordkeeper attempts to receive share prices from more than one source. Before a share price is entered into the recordkeeping system, a systematic comparison is performed, and any difference in quoted share prices for the same fund is resolved by contacting the investment provider directly to ensure the correct share price is recorded. Variance reports showing percentage changes in share prices from the prior day are reviewed. The internal pricing analyst and management review the overall movement of market indices and apply judgment in determining whether additional research with investment providers is necessary for share price variances from the prior day. After research and validation procedures have been performed and variances have been resolved, share prices are closed and loaded to the recordkeeping system.

Management believes the net asset value reported by the investment provider represents a reasonable estimate of the fair value of the Plan's interest in the common/collective trust as of December 31, 2025 and 2024.

NOTE 6 - PARTY-IN INTEREST TRANSACTIONS / EXEMPT

Capital Bank and Trust, as the Plan's custodian, served as the depository for the Plan assets invested in The American Funds Group listing of mutual funds. Accordingly, these transactions qualify as being with a party-in-interest. Other parties in interest include ERISA Services, Inc. that serve as the third-party administrator and Clayton-Metier & Company, who serves as the auditor of the Plan.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contribution accounts.

NOTE 8 - TAX STATUS

The Plan has adopted ERISA Services Inc. Volume Submitter Profit Sharing Plan ("Prototype Plan"). The Internal Revenue Service has determined and informed the Prototype Plan by a letter dated June 30, 2020, that the Prototype Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has not filed for its own determination letter and has since been amended. The Plan Administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in securities which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, changes in their values are at least reasonably possible in the near term, and some changes could materially affect participant's account balances and the assets reported in the statement of net assets available for benefits.
