INDEPENDENT AUDITORS' REPORT

To The Board of Trustees
Sandata, LLC 401(k) Salary Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Sandata, LLC 401(k) Salary Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 16, 2025 and December 31, 2024, and the related statements of changes in net assets available for benefits for the period from January 1, 2025 to December 16, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sandata, LLC 401(k) Salary Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Voya Retirement Insurance and Annuity Company as of December 16, 2025, and for the period from July 25, 2025 through December 16, 2025, and from Vanguard Fiduciary Trust Company as of December 31, 2024, and for the period from January 1, 2025 through July 25, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sandata, LLC 401(k) Salary Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, on December 16, 2025, the Company merged Sandata, LLC 401(k) Salary Savings Plan into Homecare Software Solutions, LLC 401(k) Profit Sharing Plan and all assets of Sandata, LLC 401(k) Salary Savings Plan were transferred. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sandata, LLC 401(k) Salary Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

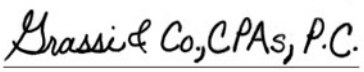

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sandata, LLC 401(k) Salary Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sandata, LLC 401(k) Salary Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SANDATA, LLC
401(k) SALARY SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 16, 2025

Note 1 - Description of Plan

The following description of the Sandata, LLC 401(k) Salary Savings Plan (the “Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established on June 1, 1989 and restated on January 1, 2025, is a defined contribution plan covering all eligible employees of Sandata Technologies, LLC (the “Sponsor”) who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

In October 2024, Sandata Technologies, LLC (“Sandata”) was acquired by Homecare Software solutions, LLC dba HHA Exchange (“Homecare”). Effective January 1, 2025, Sandata employees were transferred to Homecare and became employees of Homecare. Effective January 1, 2025, sponsorship and administration of the Plan were also transferred from Sandata to Homecare (the “Sponsor”).

The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees. Effective January 1, 2025, Homecare is designated as the Plan Administrator, and Anna Pavlik is designated as the Plan’s Trustee. Vanguard Fiduciary Trust Company and its affiliate, The Vanguard Group, Inc., provided recordkeeping services, and Vanguard Fiduciary Trust Company was the custodian of the Plan for the period from January 1, 2025 through July 25, 2025, and Voya Retirement Insurance and Annuity Company provided recordkeeping services and was the custodian for the period from July 25, 2025 through December 16, 2025.

Effective December 16, 2025, the Plan was merged into Homecare Software Solutions, LLC 401(k) Profit Sharing Plan (the “Successor Plan”), another defined contribution plan sponsored by Homecare. Pursuant to the merger, the Successor Plan assumed the assets of the Plan, including participant account balances and outstanding participant loans. On December 16, 2025, the Plan’s participant account balances and related Plan assets were transferred to the Successor Plan.

Contributions

Each year, participants may contribute between 1% and 70% of eligible annual compensation, as defined in the Plan, provided that such contributions do not exceed the limitations under the Internal Revenue Code (the “Code”) for 2025 of $23,500, plus catch-up contributions of up to $7,500 for participants who have attained age 50 before the end of the Plan year, or up to $11,250 for participants who attain ages 60 through 63 before the end of the Plan year. Contributions may be made as a pre-tax deferral or after-tax (Roth) deferral. Highly compensated employees are subject to additional limits set forth in the Code. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Note 1 - Description of Plan (cont'd.)

Contributions (cont'd.)

The Plan includes an auto-enrollment provision whereby participants without an existing affirmative election, or whose affirmative election is less than the automatic enrollment amount, are subject to automatic enrollment. The automatic deferral rate is 5% of eligible compensation, and their contributions are designated as pre-tax elective deferrals.

The Sponsor makes a discretionary matching contribution to participants who contribute to the Plan each year. The matching contribution is invested as directed by the participant. For the period from January 1, 2025 to December 16, 2025, no matching contributions were declared.

The Sponsor also may make discretionary profit sharing contributions to the Plan at the option of the Sponsor's board of directors. Profit sharing contributions are invested as directed by the participant. There were no profit sharing contributions recorded in 2025.

Participants are generally eligible for discretionary matching contributions if they are employed on the last day of the Plan year and completed 1,000 hours of service in the Plan year.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Sponsor's matching contributions, as well as allocations of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion of their accounts is based on years of continuous service as follows:

Years of Service	Vesting Percentage
Less than 1	0%
At least 1 but less than 2	20%
At least 2 but less than 3	40%
At least 3 but less than 4	60%
At least 4 but less than 5	80%
At least 5 or more years	100%

In addition, a participant becomes 100% vested in all allocated Sponsor contributions upon death, disability or the attainment of age 65 while employed by the Sponsor.

Note 1 - Description of Plan (cont'd.)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%, as defined by the Plan. The interest rate is determined as of the date of origination and is fixed for the loan term. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, unless the funds are used to acquire a principal residence, in which case the maximum repayment period is thirty years. Upon termination of employment with the Sponsor, a participant must repay the outstanding balance immediately.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over the period of the participant's life expectancy. For termination of service for other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

At December 16, 2025 and December 31, 2024, forfeited nonvested accounts totaled $0 and $13,189, respectively. These accounts will first be used to pay any Plan administrative expenses, and then any remaining forfeitures attributable to amounts other than Sponsor matching contributions will be used to reduce any Sponsor contribution. In 2025, $16,171 of forfeitures was used to offset Sponsor contributions. The amounts exclude dividends, transfers, and other fees.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment adviser. See Note 4 for a discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. Notes receivable from participants are reclassified as distributions once the participant is no longer employed by the Sponsor. At December 16, 2025, there were no outstanding notes receivable from participants.

Payment of Benefits

Benefits are recorded when paid.

Deemed Distributions

For participant loans in which the participant has a distributable event, such as employment termination, death, or disability, the loan is considered a deemed distribution. The participant loan is removed from the statement of net assets available for benefits and a distribution is recorded. For active participants who have not incurred a distributable event, but have delinquent loans, the participant loan remains outstanding until a distributable event occurs. For the period from January 1, 2025 to December 16, 2025, the Plan had $120,987 in deemed distributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation or depreciation of fair value of investments. Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan.

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Adoption of ASU No. 2025-12

During 2025, the Plan early adopted Financial Accounting Standards Board Accounting Standards Update ("ASU") No. 2025-12, *Codification Improvements*, which amends various topics within the Financial Accounting Standards Board's Accounting Standards Codification to correct, clarify, and make other incremental improvements to U.S. GAAP. ASU No. 2025-12 includes amendments intended to improve the consistency and operability of existing guidance across a broad range of accounting topics and generally is not expected to significantly change current accounting practices for most entities. The adoption of ASU No. 2025-12 did not have a material impact on the Plan's financial statements.

Note 3 - Information Certified By Trustee and Custodian

The following information, including investments and notes receivable from participants as of December 16, 2025 and December 31, 2024, and related investment income and interest income on notes receivable from participants for the period from January 1, 2025 to December 16, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard Fiduciary Trust Company as of December 31, 2024 and for the period from January 1, 2025 through July 25, 2025, and by Voya Retirement Insurance and Annuity Company as of December 16, 2025 and for the period from July 25, 2025 through December 16, 2025.

	2025	2024
Investments, at fair value:		
Mutual funds	$ -	$ 30,515,981
Stable value collective trust funds	-	662,820
Total Investments, at Fair Value	$ -	$ 31,178,801
Notes receivable from participants	$ -	$ 223,777
Investment income:		
Net appreciation of investments	$ 3,998,759	
Interest and dividend income	68,996	
Total Investment Income	$ 4,067,755	
Interest income on notes receivable from participants	$ 11,342	

Note 4 - Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement,* are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 16, 2025 and December 31, 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust funds: Valued at the NAV of units of the bank collective trust. NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification to ensure that securities liquidations will be carried out in an orderly business manner.

Note 4 - Fair Value Measurement (cont'd.)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

At December 16, 2025, the Plan's assets at fair value amounted to $0. For the period from January 1, 2025 to December 16, 2025, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2024.

	Assets at Fair Value at December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 30,515,981	$ -	$ -	$ 30,515,981
Stable value collective trust funds (a)				662,820
Total Investments at Fair Value				$ 31,178,801

(a) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at NAV per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 5 - Related Party Transactions and Party-in-Interest Transactions

Effective January 1, 2025, Anna Pavlik is the Trustee of the Plan. Vanguard Fiduciary Trust Company and its affiliate, The Vanguard Group, Inc., provided recordkeeping services to the Plan for the year ended December 31, 2024 and for the period from January 1, 2025 through July 25, 2025. For the period from July 25, 2025 through December 16, 2025, Voya Retirement Insurance and Annuity Company provided recordkeeping services to the Plan. Fees paid by the Plan to these service providers qualify as party-in-interest transactions.

Certain Plan investments are shares of mutual funds managed by the recordkeeper. Therefore, the transactions related to these investments qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in the net change in the fair value of investments.

Notes receivable from participants also qualify as party-in-interest transactions.

Note 6 - Tax Status

The Plan has adopted the CCH Incorporated dba ftwilliam.com non-standardized pre-approved profit sharing plan. Accordingly, the Plan is permitted to rely on CCH Incorporated dba ftwilliam.com's opinion letter. The Internal Revenue Service ("IRS") has determined and informed CCH Incorporated dba ftwilliam.com by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Code. Prior to the Plan's restatement on January 1, 2025, the Plan had adopted The Vanguard Group's non-standardized pre-approved profit sharing plan. The IRS has determined and informed The Vanguard Group by a letter dated June 30, 2020, that the Plan and related trust were designed in accordance with applicable sections of the Code.

Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore believes that the Plan is qualified and the related trust is tax exempt

U .S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan and recognize a tax benefit only if it is more likely than not that the tax position would be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that at December 16, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset), or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

Note 7 - Subsequent Events

The Plan administrator has evaluated all events or transactions that occurred after December 16, 2025 through October 13, 2026, which is the date that the financial statements were available to be issued. During the period, there were no material subsequent events requiring disclosure.

The financial statements comprise the statements of net assets available for benefits as of December 16, 2025 and December 31, 2024, and the related statements of changes in net assets available for benefits for the period from January 1, 2025 to December 16, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sandata, LLC 401(k) Salary Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Voya Retirement Insurance and Annuity Company as of December 16, 2025, and for the period from July 25, 2025 through December 16, 2025, and from Vanguard Fiduciary Trust Company as of December 31, 2024, and for the period from January 1, 2025 through July 25, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sandata, LLC 401(k) Salary Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, on December 16, 2025, the Company merged Sandata, LLC 401(k) Salary Savings Plan into Homecare Software Solutions, LLC 401(k) Profit Sharing Plan and all assets of Sandata, LLC 401(k) Salary Savings Plan were transferred. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sandata, LLC 401(k) Salary Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

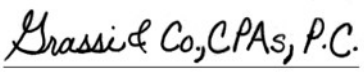

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sandata, LLC 401(k) Salary Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sandata, LLC 401(k) Salary Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SANDATA, LLC
401(k) SALARY SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 16, 2025

Note 1 - Description of Plan

The following description of the Sandata, LLC 401(k) Salary Savings Plan (the “Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established on June 1, 1989 and restated on January 1, 2025, is a defined contribution plan covering all eligible employees of Sandata Technologies, LLC (the “Sponsor”) who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

In October 2024, Sandata Technologies, LLC (“Sandata”) was acquired by Homecare Software solutions, LLC dba HHA Exchange (“Homecare”). Effective January 1, 2025, Sandata employees were transferred to Homecare and became employees of Homecare. Effective January 1, 2025, sponsorship and administration of the Plan were also transferred from Sandata to Homecare (the “Sponsor”).

The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees. Effective January 1, 2025, Homecare is designated as the Plan Administrator, and Anna Pavlik is designated as the Plan’s Trustee. Vanguard Fiduciary Trust Company and its affiliate, The Vanguard Group, Inc., provided recordkeeping services, and Vanguard Fiduciary Trust Company was the custodian of the Plan for the period from January 1, 2025 through July 25, 2025, and Voya Retirement Insurance and Annuity Company provided recordkeeping services and was the custodian for the period from July 25, 2025 through December 16, 2025.

Effective December 16, 2025, the Plan was merged into Homecare Software Solutions, LLC 401(k) Profit Sharing Plan (the “Successor Plan”), another defined contribution plan sponsored by Homecare. Pursuant to the merger, the Successor Plan assumed the assets of the Plan, including participant account balances and outstanding participant loans. On December 16, 2025, the Plan’s participant account balances and related Plan assets were transferred to the Successor Plan.

Contributions

Each year, participants may contribute between 1% and 70% of eligible annual compensation, as defined in the Plan, provided that such contributions do not exceed the limitations under the Internal Revenue Code (the “Code”) for 2025 of $23,500, plus catch-up contributions of up to $7,500 for participants who have attained age 50 before the end of the Plan year, or up to $11,250 for participants who attain ages 60 through 63 before the end of the Plan year. Contributions may be made as a pre-tax deferral or after-tax (Roth) deferral. Highly compensated employees are subject to additional limits set forth in the Code. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Note 1 - Description of Plan (cont'd.)

Contributions (cont'd.)

The Plan includes an auto-enrollment provision whereby participants without an existing affirmative election, or whose affirmative election is less than the automatic enrollment amount, are subject to automatic enrollment. The automatic deferral rate is 5% of eligible compensation, and their contributions are designated as pre-tax elective deferrals.

The Sponsor makes a discretionary matching contribution to participants who contribute to the Plan each year. The matching contribution is invested as directed by the participant. For the period from January 1, 2025 to December 16, 2025, no matching contributions were declared.

The Sponsor also may make discretionary profit sharing contributions to the Plan at the option of the Sponsor's board of directors. Profit sharing contributions are invested as directed by the participant. There were no profit sharing contributions recorded in 2025.

Participants are generally eligible for discretionary matching contributions if they are employed on the last day of the Plan year and completed 1,000 hours of service in the Plan year.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Sponsor's matching contributions, as well as allocations of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion of their accounts is based on years of continuous service as follows:

Years of Service	Vesting Percentage
Less than 1	0%
At least 1 but less than 2	20%
At least 2 but less than 3	40%
At least 3 but less than 4	60%
At least 4 but less than 5	80%
At least 5 or more years	100%

In addition, a participant becomes 100% vested in all allocated Sponsor contributions upon death, disability or the attainment of age 65 while employed by the Sponsor.

Note 1 - Description of Plan (cont'd.)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%, as defined by the Plan. The interest rate is determined as of the date of origination and is fixed for the loan term. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, unless the funds are used to acquire a principal residence, in which case the maximum repayment period is thirty years. Upon termination of employment with the Sponsor, a participant must repay the outstanding balance immediately.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over the period of the participant's life expectancy. For termination of service for other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

At December 16, 2025 and December 31, 2024, forfeited nonvested accounts totaled $0 and $13,189, respectively. These accounts will first be used to pay any Plan administrative expenses, and then any remaining forfeitures attributable to amounts other than Sponsor matching contributions will be used to reduce any Sponsor contribution. In 2025, $16,171 of forfeitures was used to offset Sponsor contributions. The amounts exclude dividends, transfers, and other fees.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment adviser. See Note 4 for a discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. Notes receivable from participants are reclassified as distributions once the participant is no longer employed by the Sponsor. At December 16, 2025, there were no outstanding notes receivable from participants.

Payment of Benefits

Benefits are recorded when paid.

Deemed Distributions

For participant loans in which the participant has a distributable event, such as employment termination, death, or disability, the loan is considered a deemed distribution. The participant loan is removed from the statement of net assets available for benefits and a distribution is recorded. For active participants who have not incurred a distributable event, but have delinquent loans, the participant loan remains outstanding until a distributable event occurs. For the period from January 1, 2025 to December 16, 2025, the Plan had $120,987 in deemed distributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation or depreciation of fair value of investments. Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan.

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Adoption of ASU No. 2025-12

During 2025, the Plan early adopted Financial Accounting Standards Board Accounting Standards Update ("ASU") No. 2025-12, *Codification Improvements*, which amends various topics within the Financial Accounting Standards Board's Accounting Standards Codification to correct, clarify, and make other incremental improvements to U.S. GAAP. ASU No. 2025-12 includes amendments intended to improve the consistency and operability of existing guidance across a broad range of accounting topics and generally is not expected to significantly change current accounting practices for most entities. The adoption of ASU No. 2025-12 did not have a material impact on the Plan's financial statements.

Note 3 - Information Certified By Trustee and Custodian

The following information, including investments and notes receivable from participants as of December 16, 2025 and December 31, 2024, and related investment income and interest income on notes receivable from participants for the period from January 1, 2025 to December 16, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard Fiduciary Trust Company as of December 31, 2024 and for the period from January 1, 2025 through July 25, 2025, and by Voya Retirement Insurance and Annuity Company as of December 16, 2025 and for the period from July 25, 2025 through December 16, 2025.

	2025	2024
Investments, at fair value:		
Mutual funds	$ -	$ 30,515,981
Stable value collective trust funds	-	662,820
Total Investments, at Fair Value	$ -	$ 31,178,801
Notes receivable from participants	$ -	$ 223,777
Investment income:		
Net appreciation of investments	$ 3,998,759	
Interest and dividend income	68,996	
Total Investment Income	$ 4,067,755	
Interest income on notes receivable from participants	$ 11,342	

Note 4 - Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement,* are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 16, 2025 and December 31, 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust funds: Valued at the NAV of units of the bank collective trust. NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification to ensure that securities liquidations will be carried out in an orderly business manner.

Note 4 - Fair Value Measurement (cont'd.)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

At December 16, 2025, the Plan's assets at fair value amounted to $0. For the period from January 1, 2025 to December 16, 2025, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2024.

	Assets at Fair Value at December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 30,515,981	$ -	$ -	$ 30,515,981
Stable value collective trust funds (a)				662,820
Total Investments at Fair Value				$ 31,178,801

(a) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at NAV per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 5 - Related Party Transactions and Party-in-Interest Transactions

Effective January 1, 2025, Anna Pavlik is the Trustee of the Plan. Vanguard Fiduciary Trust Company and its affiliate, The Vanguard Group, Inc., provided recordkeeping services to the Plan for the year ended December 31, 2024 and for the period from January 1, 2025 through July 25, 2025. For the period from July 25, 2025 through December 16, 2025, Voya Retirement Insurance and Annuity Company provided recordkeeping services to the Plan. Fees paid by the Plan to these service providers qualify as party-in-interest transactions.

Certain Plan investments are shares of mutual funds managed by the recordkeeper. Therefore, the transactions related to these investments qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in the net change in the fair value of investments.

Notes receivable from participants also qualify as party-in-interest transactions.

Note 6 - Tax Status

The Plan has adopted the CCH Incorporated dba ftwilliam.com non-standardized pre-approved profit sharing plan. Accordingly, the Plan is permitted to rely on CCH Incorporated dba ftwilliam.com's opinion letter. The Internal Revenue Service ("IRS") has determined and informed CCH Incorporated dba ftwilliam.com by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Code. Prior to the Plan's restatement on January 1, 2025, the Plan had adopted The Vanguard Group's non-standardized pre-approved profit sharing plan. The IRS has determined and informed The Vanguard Group by a letter dated June 30, 2020, that the Plan and related trust were designed in accordance with applicable sections of the Code.

Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore believes that the Plan is qualified and the related trust is tax exempt

U .S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan and recognize a tax benefit only if it is more likely than not that the tax position would be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that at December 16, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset), or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

Note 7 - Subsequent Events

The Plan administrator has evaluated all events or transactions that occurred after December 16, 2025 through October 13, 2026, which is the date that the financial statements were available to be issued. During the period, there were no material subsequent events requiring disclosure.
