INDEPENDENT AUDITORS' REPORT

To the Board of Directors
McKinley Children's Center, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of McKinley Children's Center, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2025 and December 31, 2024 and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the McKinley Children's Center, Inc. 403(b) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of McKinley Children's Center, Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about McKinley Children's Center, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of McKinley Children's Center, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about McKinley Children's Center, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of McKinley Children's Center, Inc. 403(b) Plan ("the Plan") provides only general information. Participants should refer to the Plan's documents for a more complete description of the Plan's provisions.

General

The Plan is a 403(b) tax-sheltered annuity plan covering all employees of McKinley Children's Center, Inc. ("MCC") except for nonresident aliens with no U.S. source of income, employees who normally work less than 20 hours a week, and student employees. Employees who are part of a collective bargaining agreement and individuals who were reclassified as employees are not eligible to participate in the matching and non-elective contributions of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and Section 403(b) of the Internal Revenue Code.

The Board of Directors is responsible for oversight of the Plan. The appropriateness of the Plan's investment options and the investment performance are monitored by their Investment Committee with the assistance of the Plan's third party administrator.

Contributions

Participants may contribute a percentage of their annual compensation, as defined in the Plan, up to the maximum limit as permitted by the Internal Revenue Code. In addition, participants qualifying for age-based provisions may contribute additional catch-up deferrals. Participants may also contribute amounts representing distributions from other eligible retirement plans. There is no age or service requirement to make salary reduction contributions.

A participant is eligible to receive an employer matching contribution and a non-elective, discretionary contribution, who is at least 21 years of age and has completed one year or 1,000 hours of service. The employer matching contribution is a fixed amount equal to 50% of the participant's salary deferral. Elective deferrals of up to 6% of the participant's compensation is considered for the match and catch-up contributions are excluded. Non-elective discretionary contributions, made at the employer's sole discretion, do not require participant participation in salary deferrals.

Effective July 1, 2016, all participants who become eligible on or after the effective date will be automatically enrolled in the Plan at a deferral rate of 3% of their eligible compensation.

Participant Accounts

Each participant's account is credited with the participant's contributions; matching contributions; the allocation of non-elective contributions, if any, and the Plan earnings. Investment allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

continued

1. Description of Plan, continued

Vesting

Participants are fully vested in all contributions plus actual earnings at all times.

Forfeitures

Forfeiture is the non-vested portion of a participant's account that is lost upon termination of employment. Upon termination of employment, non-vested portions of participant accounts are forfeited and remain in the Plan. MCC may use forfeitures to pay Plan expenses or to reduce amounts otherwise required to be contributed to the Plan. Forfeitures used to reduce MCC's discretionary contributions for the year ended December 31, 2025 and 2024 were $1,627 and $916, respectively. There were no forfeiture balances remaining as of year ended December 31, 2025 and 2024.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in any of the mutual funds' investment options offered by Empower Trust Company, LLC ("the Custodian"). Participants may change their investment options at any time.

Notes Receivable from Participants

Participants may borrow from their fund accounts, effective September 23, 2016, a minimum of $500 up to a maximum equal to the lessor of $50,000 or 50% of their vested account balance. The minimum loan term is one year and cannot exceed five years. Loans for the purchase of a primary residence may be from one to fifteen years. The loans are secured by the balance in the participant's account and bear interest fixed at 2% above USA Today's published prime rate.

Payments of Benefits

In general, on termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the fair value of the participant's account balance or monthly, quarterly, or annual installments over a period of not more than his or her assumed life expectancy (or the participant's beneficiary's assumed life expectancy).

Administrative Expenses

Investment management and administrative expenses of the plan are paid by the Plan as provided in the Plan document, unless paid by the Custodian, without reimbursement.

continued

2. Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Presentation

The financial statements of the Plan are reported on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned and related fees are recorded as administrative expenses and expensed when incurred.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and (losses) on investments bought and sold, as well as held, during the year.

Payments of Benefits

Benefits are recorded when paid.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs – quoted prices in active markets for identical assets
Level 2 inputs – quoted prices in active or inactive markets for the same or similar assets
Level 3 inputs – estimates using the best information available when there is little or no market

The Plan is required to measure certain investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relates to the element.

continued

2. Significant Accounting Policies, continued

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market volatility, and credit risks. Market risks include global events which could impact the value of investments securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the Statements of Net Assets Available for Benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across various asset classes and the utilization of investment managers.

Subsequent Events

Management has evaluated subsequent events through October 12, 2026, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements

3. Information Prepared and Certified by the Custodian

No auditing procedures were performed on investments and interest income as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following summarizes the information certified by Empower Trust Company, LLC., the custodian of the Plan, as of December 31, 2025 and 2024, respectively.

	2025	2024
Mutual funds	**$13,807,666**	$11,667,629
Fixed annuities	**563,696**	549,944
	$14,371,362	$12,217,573

During the years ended December 31, 2025 and 2024, the Plan's investments (including investments bought, sold, and held during the year) appreciated in value by $1,696,875 and $8,501, respectively, which is attributed to the mutual funds.

continued

4. Fair Value Measurements

Investments measured at fair value on a recurring basis consisted of the following types of instruments as of December 31, 2025 and 2024:

	Level 1	Level 2	Level 3	Total
December 31, 2025				
Mutual funds	$13,807,666	$ -	$ -	**$13,807,666**
Fixed annuities		563,696		**563,696**
Total investments at fair value				**$14,371,362**
December 31, 2024				
Mutual funds	$11,667,629	$ -	$ -	$11,667,629
Fixed annuities		549,944		549,944
Total investments at fair value				$12,217,573

The fair value of mutual funds has been measured on a recurring basis using quoted market prices, for identical assets in active markets (Level 1 inputs).

The fair value of fixed annuities has been measured on a non-recurring basis using quoted prices for similar assets in inactive markets (Level 2 inputs).

5. Notes Receivable from Participants

Notes receivable from participants are repaid semi-monthly at varying interest rates. Interest rates on outstanding notes receivable ranged from 4.25% to 9.50% at December 31, 2025 and 2024. Notes receivable from participants outstanding at December 31, 2025 and 2024 were $411,440 and $413,789, respectively.

6. Plan Termination

Although it has not expressed any intent to do so, MCC has the right under the Plan to discontinue its contribution at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their account.

continued

7. Tax Status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code. The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Internal Revenue Code to maintain the tax-exempt status for Plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

8. Related Party and Party-in-Interest Transactions

ERISA defines parties-in-interest more broadly than generally accepted accounting principles' related parties, encompassing all service providers to the Plan. Management identified no related parties that were not also parties-in-interest, and no material related party transactions occurred during the Plan year regarding compensation arrangements, expense allowances, or similar items.

Parties-in-interest transactions include those with Plan fiduciaries or employees, service providers, employers with covered employees, employee organizations with covered members, and persons owning 50% or more of such employers or employee associations, along with their relatives. Trustee transactions, including revenue sharing and fee offset agreements, as well as the Plan's payment of certain plan fees and expenses, qualify as parties-in-interest transactions. Administrative fees paid by the Plan to the trustee were $87,782.

The Plan's investment options include funds managed by Empower Trust Company, LLC's or its affiliates. As custodian and recordkeeper, Empower Trust Company, LLC's transactions qualify as exempt parties-in-interest transactions.
