# Independent Auditors' Report

To the Plan Administrator of
**Color Image Apparel, Inc. 401(k) Profit Sharing Plan**

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Color Image Apparel, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Color Image Apparel, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Color Image Apparel, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Color Image Apparel, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Color Image Apparel, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Color Image Apparel, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of or for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Notes to Financial Statements**

**As of December 31, 2025 and 2024 and**
**For the Year Ended December 31, 2025**

## 1. Description of Plan

The following description of the Color Image Apparel, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

### *General*

The Plan is a defined contribution plan established effective January 1, 2011. The Plan was amended and restated effective January 1, 2023. The Plan covers all employees, excluding residents of Puerto Rico, those who are covered by a collective bargaining agreement, unless the agreement requires employees to be included under the Plan, leased employees, non-resident aliens who do not receive any earned income from the Company which constitutes U.S. source income, and employees that are not on U.S. Payroll of Color Image Apparel, Inc. (the "Company"), and who have completed three months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Retirement Plan Committee is responsible for oversight of the Plan. The Plan's Retirement Plan Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Company's wholly-owned subsidiaries, Bella + Canvas, LLC, Alo, LLC, Alo Alliance, LLC are participating employers of the Plan.

Effective September 9, 2024, the Plan was amended to add Alo Intl IP, Inc. as a participating related employer in the Plan.

### *Contributions*

Each year, participants may contribute up to 50 percent of pretax annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code ("IRC"). Participants also may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan allows for employer safe harbor matching contributions equal to 100% of the participant's deferral up to 3% of eligible compensation, plus 50% of the next 2% of the participant's eligible compensation. Additional discretionary amounts may be contributed by the Company at the option of the Company's management. For the year ended December 31, 2025, there were no discretionary contributions to the Plan. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

## 1. Description of Plan (Continued)

Beginning January 1, 2025, the Plan implemented the enhanced catch-up contribution provisions available under the SECURE 2.0 Act, permitting eligible participants who attain ages 60 through 63 during the plan year to make catch-up contributions up to the increased statutory limits prescribed by the IRC. As of December 31, 2025, the Company was operating the Plan in accordance with these provisions but had not yet adopted a formal plan amendment. The Company intends to adopt the required amendment within the applicable remedial amendment period. Participant contributions remain subject to all IRC limitations.

***Participant Accounts***

Each participant's account is credited with the participant's contributions, allocations of the Company's discretionary contributions and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are vested immediately in their contributions and the Company's safe harbor contributions plus actual earnings thereon. The Company's discretionary matching and discretionary nonelective contributions made for periods prior to January 1, 2023 are subject to the vesting schedule as follows:

| Years of Service | Vesting Percentage |
|---|---|
| Less than 1 | 0% |
| 1 | 25% |
| 2 | 50% |
| 3 | 75% |
| 4 | 100% |

Participants who were previously participants of Cody 401(k) Plan are 100% vested on discretionary matching and nonelective contributions made prior to January 1, 2023.

***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined at the loan origination date, is set at 1% percent above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions. Terms range up to five years or ten years for the purchase of a primary residence.

## 1. Description of Plan (Continued)

***Payment of Benefits***

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. The Plan also allows for partial withdrawals. If a terminated participant's vested balance is less than or equal to $7,000, the amount may be automatically distributed in the form of a lump sum distribution. If the participant's vested balance is between $1,000 and $7,000, the participant's vested balance is automatically distributed in the form of a direct rollover to an individual retirement plan (IRA). In addition, the Plan allows for hardship distributions if certain criteria are met.

Beginning January 1, 2025, the Plan implemented certain optional distribution provisions permitted under the SECURE Act and SECURE 2.0 Act, including qualified birth or adoption distributions, qualified disaster recovery distributions, and domestic abuse victim distributions. These provisions permit eligible participants to receive distributions under specified circumstances in accordance with applicable IRC requirements. As of December 31, 2025, the Company was operating the Plan in accordance with these provisions but had not yet adopted a formal plan amendment. The Company intends to adopt the required amendment within the applicable remedial amendment period.

***Forfeited Accounts***

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $160 and $0, respectively. Forfeitures may first be used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the Plan. During 2025, employer contributions were reduced by $5,201, from forfeited nonvested accounts, in accordance with plan provisions.

## 2. Summary of Accounting Policies

***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## 2. Summary of Accounting Policies (Continued)

***Contributions***

Contributions from Plan participants and safe harbor matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company, as applicable. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. The Company evaluated the collectability of the notes receivable from participants, and determined that no allowance for credit losses is needed at December 31, 2025 and 2024.

***Payment of Benefits***

Benefits are recorded when paid.

***Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

## 2. Summary of Accounting Policies (Continued)

***Subsequent Events***

Subsequent events were evaluated through October 12, 2026, the date the financial statements were available to be issued. No events requiring recognition or disclosure in the financial statements have been identified other than disclosed below and in Notes 11 and 12.

In June 2026, the Company completed an asset sale of Bella + Canvas, LLC to a third-party. Upon the sale, most of the employees of Bella + Canvas, LLC became employees of the third-party buyer. Bella + Canvas, LLC continues to be a participating employer of the Plan.

## 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

**Level 1** – Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** – Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** – Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

## 3. Fair Value Measurements (Continued)

*Money market funds:* Valued at the quoted net asset value ("NAV") of shares held by the Plan at year end.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Investments measured at net asset value:* Consisting of common-collective trusts, valued at the NAV of units of bank collective trusts. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no funding commitments with these common-collective trusts.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

| **Assets at Fair Value as of December 31, 2025** | **Level 1** | **Level 2** | **Level 3** | **Total** |
|---|---|---|---|---|
| Money market funds | $ 10,052 | $ - | $ - | $ 10,052 |
| Mutual funds | 39,291,113 | - | - | 39,291,113 |
| **Total Assets in the Fair Value Hierarchy** | 39,301,165 | - | - | 39,301,165 |
| Investments measured at net asset value (a) | - | - | - | 1,623,343 |
| **Total Investments at Fair Value** | $ 39,301,165 | $ - | $ - | $ 40,924,508 |

| **Assets at Fair Value as of December 31, 2024** | **Level 1** | **Level 2** | **Level 3** | **Total** |
|---|---|---|---|---|
| Money market funds | $ 5,866 | $ - | $ - | $ 5,866 |
| Mutual funds | 22,085,280 | - | - | 22,085,280 |
| **Total assets in the fair value hierarchy** | 22,091,146 | - | - | 22,091,146 |
| Investments measured at net asset value (a) | - | - | - | 973,418 |
| **Total Investments at Fair Value** | $ 22,091,146 | $ - | $ - | $ 23,064,564 |

## 3. Fair Value Measurements (Continued)

(a) In accordance with FASB ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

***Fair Value of Investments that Calculate Net Asset Value***

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

| December 31, 2025 | Fair Value | Unfunded Commitments | Redemption Frequency (if currently eligible) | Redemption Notice Period |
|---|---|---|---|---|
| Common/collective trusts | $ 1,623,343 | $ - | Daily | N/A |

| December 31, 2024 | Fair Value | Unfunded Commitments | Redemption Frequency (if currently eligible) | Redemption Notice Period |
|---|---|---|---|---|
| Common/collective trusts | $ 973,418 | $ - | Daily | N/A |

## 4. Concentrations

At December 31, 2025 and 2024, the Plan held investments in the following funds that each represented more than 10% of net assets available for benefits:

2025
BlackRock LifePath Index 2050 Fund Class K Shares - 14%
BlackRock LifePath Index 2055 Fund Class K Shares - 14%
BlackRock LifePath Index 2060 Fund Class K Shares - 13%
Fidelity 500 Index Fund - 10%

2024
BlackRock LifePath Index 2055 Fund Class K Shares - 14%
BlackRock LifePath Index 2050 Fund Class K Shares - 14%
BlackRock LifePath Index 2060 Fund Class K Shares - 11%

## 5. Information Certified by Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, Fidelity Management Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

## 6. Related-Party and Party In Interest Transactions

Certain Plan investments are managed by the Trustee, and therefore, these transactions qualify as party in interest transactions.

Additionally, the Plan issues loans to participants, which are secured by the participant’s account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

## 6. Related-Party and Party In Interest Transactions (Continued)

Fees incurred by the Plan for the investment management services are included in net appreciation in the fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Fidelity Management Trust Company receives revenue from investment fund service providers for services Fidelity Management Trust Company provides to the funds. This revenue is used to offset certain amounts owed to Fidelity Management Trust Company for its administrative services to the Plan. If the revenue received by Fidelity Management Trust Company from such investment fund service providers exceeds the amount owed for its services, Fidelity Management Trust Company remits the excess to the Plan's trust on a quarterly basis. The Plan or Plan Sponsor may make a payment to Fidelity Management Trust Company for administrative expenses not covered by revenue sharing.

## 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

## 8. Tax Status

On April 17, 2023, the Plan adopted a pre-approved plan offered by FMR LLC. The pre-approved plan received an IRS Opinion Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

## 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## 10. Delinquent Participant Contributions

The Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Untimely remittances of $939,513 were identified on the Schedule of Delinquent Participant Contributions in prior years and were not corrected prior to January 1, 2025. The prior years' untimely remittances were not corrected in 2025. This amounts includes $443,510 of delinquent contributions from Color Image, Inc. 401(k) Profit Sharing Plan – Plan B, which was merged into the Plan effective December 31, 2022. Additionally, the Company will be compensating participants for lost earnings resulting from the delay in contributions.

## 11. Voluntary Correction Program

The Company previously sponsored two-volume submitter retirement plans, Color Image Apparel, Inc. 401(k) Profit Sharing Plan ("Plan A") and Color Image Apparel, Inc. 401(k) Profit Sharing Plan B ("Plan B"). Effective December 31, 2022, Plan B was merged into Plan A, with Plan A as the surviving plan ("Merged Plan"). On April 3, 2023, the Company submitted a request for a compliance statement under the Internal Revenue Service Voluntary Correction Program ("VCP") in connection with certain operational and demographic errors that occurred between 2016 through 2021 with respect to Plans A and B, including a failure to provide certain leased employees the opportunity to participate in Plan B in 2016 through 2021, and certain nondiscrimination testing failures that affected Plans A and B from 2016 through 2021. On June 21, 2024, the Company submitted a full restatement of its VCP submission to include the nondiscrimination testing failures that affected Plan A and B in 2016 through 2022 and certain Ingrid & Isabel, LLC participants in Plan B from 2016 through 2020.

In its VCP submission, the Company proposed correcting the errors described above by making a qualified nonelective contribution ("QNEC") on behalf of each affected leased employee to the Merged Plan, and amending the Merged Plan to provide for such QNEC. The total QNEC for each year that the Company proposed making would (1) allow Plans A and B to have passed coverage testing under Section 410(b) of the Internal Revenue Code on an aggregated basis, (2) allow Plans A and B to have passed the ADP and ACP tests on an aggregated basis, and (3) correct Plan B's missed deferral opportunity/missed employer contribution error, with each of the foregoing adjusted for earnings.

## 11. Voluntary Correction Program (Continued)

For the plan year 2022, the Plan did not perform the required nondiscrimination testing timely, and the Plan failed the minimum contribution and average deferral percentage tests. Accordingly, the Company will be making qualified nonelective contributions to Alo, LLC retail employees to allow the Plan to pass the tests.

As of December 31, 2025 and 2024, the Plan recorded qualified nonelective contributions receivable in the amount of $1,593,518 and $1,414,775, respectively.

In December 2025, the IRS approved the corrective action proposed by the Plan. On May 6, 2026, the Company made partial correction and remitted qualified nonelective contributions in the amount of $1,545,509 to the Plan. The Company intends to remit the remaining qualified nonelective contributions in 2026.

## 12. Operational Failures

During the plan years 2017 through 2023, operational failures have occurred in the administration of the Plan. These operational failures include (1) untimely processing of enrollment and deferral changes (2) incorrect set up of loan repayments (3) incorrect calculation of vested balance of a participant’s distribution (4) incorrect calculation of employee deferrals and employer matching contributions (5) untimely, duplicate or failure to remit employee contributions (6) duplicate refund of excess contributions (7) incorrect suspension of employee deferrals after a hardship distribution.

During the plan year 2024, operational failures that occurred in the administration of the Plan include (1) incorrect calculation of employee and employer safe harbor matching contributions (2) untimely remittance of employee contributions (3) missed employee deferrals and employer safe harbor matching contributions.

The Company is working with an ERISA counsel to evaluate the impact of these operational failures and to make such corrections as necessary in accordance with Revenue Procedure 2021-30, Employee Plans Compliance Resolution System. As of December 31, 2025, the Plan recorded qualified nonelective contributions receivable in the amount of $50,708 to correct the operational failures that occurred during 2017 through 2023 plan years.

In February through April 2026, the Company remitted qualified nonelective contributions in the amount of $50,708 to the Plan.

# Independent Auditors' Report

To the Plan Administrator of
**Color Image Apparel, Inc. 401(k) Profit Sharing Plan**

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Color Image Apparel, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Color Image Apparel, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Color Image Apparel, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Color Image Apparel, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Color Image Apparel, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Color Image Apparel, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of or for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Color Image Apparel, Inc. 401(k) Profit Sharing Plan

**Notes to Financial Statements**

**As of December 31, 2025 and 2024 and**
**For the Year Ended December 31, 2025**

## 1. Description of Plan

The following description of the Color Image Apparel, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

### *General*

The Plan is a defined contribution plan established effective January 1, 2011. The Plan was amended and restated effective January 1, 2023. The Plan covers all employees, excluding residents of Puerto Rico, those who are covered by a collective bargaining agreement, unless the agreement requires employees to be included under the Plan, leased employees, non-resident aliens who do not receive any earned income from the Company which constitutes U.S. source income, and employees that are not on U.S. Payroll of Color Image Apparel, Inc. (the "Company"), and who have completed three months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Retirement Plan Committee is responsible for oversight of the Plan. The Plan's Retirement Plan Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Company's wholly-owned subsidiaries, Bella + Canvas, LLC, Alo, LLC, Alo Alliance, LLC are participating employers of the Plan.

Effective September 9, 2024, the Plan was amended to add Alo Intl IP, Inc. as a participating related employer in the Plan.

### *Contributions*

Each year, participants may contribute up to 50 percent of pretax annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code ("IRC"). Participants also may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan allows for employer safe harbor matching contributions equal to 100% of the participant's deferral up to 3% of eligible compensation, plus 50% of the next 2% of the participant's eligible compensation. Additional discretionary amounts may be contributed by the Company at the option of the Company's management. For the year ended December 31, 2025, there were no discretionary contributions to the Plan. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

## 1. Description of Plan (Continued)

Beginning January 1, 2025, the Plan implemented the enhanced catch-up contribution provisions available under the SECURE 2.0 Act, permitting eligible participants who attain ages 60 through 63 during the plan year to make catch-up contributions up to the increased statutory limits prescribed by the IRC. As of December 31, 2025, the Company was operating the Plan in accordance with these provisions but had not yet adopted a formal plan amendment. The Company intends to adopt the required amendment within the applicable remedial amendment period. Participant contributions remain subject to all IRC limitations.

***Participant Accounts***

Each participant's account is credited with the participant's contributions, allocations of the Company's discretionary contributions and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are vested immediately in their contributions and the Company's safe harbor contributions plus actual earnings thereon. The Company's discretionary matching and discretionary nonelective contributions made for periods prior to January 1, 2023 are subject to the vesting schedule as follows:

| Years of Service | Vesting Percentage |
|---|---|
| Less than 1 | 0% |
| 1 | 25% |
| 2 | 50% |
| 3 | 75% |
| 4 | 100% |

Participants who were previously participants of Cody 401(k) Plan are 100% vested on discretionary matching and nonelective contributions made prior to January 1, 2023.

***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined at the loan origination date, is set at 1% percent above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions. Terms range up to five years or ten years for the purchase of a primary residence.

## 1. Description of Plan (Continued)

***Payment of Benefits***

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. The Plan also allows for partial withdrawals. If a terminated participant's vested balance is less than or equal to $7,000, the amount may be automatically distributed in the form of a lump sum distribution. If the participant's vested balance is between $1,000 and $7,000, the participant's vested balance is automatically distributed in the form of a direct rollover to an individual retirement plan (IRA). In addition, the Plan allows for hardship distributions if certain criteria are met.

Beginning January 1, 2025, the Plan implemented certain optional distribution provisions permitted under the SECURE Act and SECURE 2.0 Act, including qualified birth or adoption distributions, qualified disaster recovery distributions, and domestic abuse victim distributions. These provisions permit eligible participants to receive distributions under specified circumstances in accordance with applicable IRC requirements. As of December 31, 2025, the Company was operating the Plan in accordance with these provisions but had not yet adopted a formal plan amendment. The Company intends to adopt the required amendment within the applicable remedial amendment period.

***Forfeited Accounts***

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $160 and $0, respectively. Forfeitures may first be used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the Plan. During 2025, employer contributions were reduced by $5,201, from forfeited nonvested accounts, in accordance with plan provisions.

## 2. Summary of Accounting Policies

***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## 2. Summary of Accounting Policies (Continued)

***Contributions***

Contributions from Plan participants and safe harbor matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company, as applicable. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. The Company evaluated the collectability of the notes receivable from participants, and determined that no allowance for credit losses is needed at December 31, 2025 and 2024.

***Payment of Benefits***

Benefits are recorded when paid.

***Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

## 2. Summary of Accounting Policies (Continued)

***Subsequent Events***

Subsequent events were evaluated through October 12, 2026, the date the financial statements were available to be issued. No events requiring recognition or disclosure in the financial statements have been identified other than disclosed below and in Notes 11 and 12.

In June 2026, the Company completed an asset sale of Bella + Canvas, LLC to a third-party. Upon the sale, most of the employees of Bella + Canvas, LLC became employees of the third-party buyer. Bella + Canvas, LLC continues to be a participating employer of the Plan.

## 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

**Level 1** – Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** – Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** – Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

## 3. Fair Value Measurements (Continued)

*Money market funds:* Valued at the quoted net asset value ("NAV") of shares held by the Plan at year end.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Investments measured at net asset value:* Consisting of common-collective trusts, valued at the NAV of units of bank collective trusts. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no funding commitments with these common-collective trusts.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

| **Assets at Fair Value as of December 31, 2025** | **Level 1** | **Level 2** | **Level 3** | **Total** |
|---|---|---|---|---|
| Money market funds | $ 10,052 | $ - | $ - | $ 10,052 |
| Mutual funds | 39,291,113 | - | - | 39,291,113 |

| **Total Investments at Fair Value** | $ 22,091,146 | $ - | $ - | $ 23,064,564 |

## 3. Fair Value Measurements (Continued)

(a) In accordance with FASB ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

***Fair Value of Investments that Calculate Net Asset Value***

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

| December 31, 2025 | Fair Value | Unfunded Commitments | Redemption Frequency (if currently eligible) | Redemption Notice Period |
|---|---|---|---|---|
| Common/collective trusts | $ 1,623,343 | $ - | Daily | N/A |

| December 31, 2024 | Fair Value | Unfunded Commitments | Redemption Frequency (if currently eligible) | Redemption Notice Period |
|---|---|---|---|---|
| Common/collective trusts | $ 973,418 | $ - | Daily | N/A |

## 4. Concentrations

At December 31, 2025 and 2024, the Plan held investments in the following funds that each represented more than 10% of net assets available for benefits:

2025
BlackRock LifePath Index 2050 Fund Class K Shares - 14%
BlackRock LifePath Index 2055 Fund Class K Shares - 14%
BlackRock LifePath Index 2060 Fund Class K Shares - 13%
Fidelity 500 Index Fund - 10%

2024
BlackRock LifePath Index 2055 Fund Class K Shares - 14%
BlackRock LifePath Index 2050 Fund Class K Shares - 14%
BlackRock LifePath Index 2060 Fund Class K Shares - 11%

## 5. Information Certified by Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, Fidelity Management Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

## 6. Related-Party and Party In Interest Transactions

Certain Plan investments are managed by the Trustee, and therefore, these transactions qualify as party in interest transactions.

Additionally, the Plan issues loans to participants, which are secured by the participant’s account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

## 6. Related-Party and Party In Interest Transactions (Continued)

Fees incurred by the Plan for the investment management services are included in net appreciation in the fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Fidelity Management Trust Company receives revenue from investment fund service providers for services Fidelity Management Trust Company provides to the funds. This revenue is used to offset certain amounts owed to Fidelity Management Trust Company for its administrative services to the Plan. If the revenue received by Fidelity Management Trust Company from such investment fund service providers exceeds the amount owed for its services, Fidelity Management Trust Company remits the excess to the Plan's trust on a quarterly basis. The Plan or Plan Sponsor may make a payment to Fidelity Management Trust Company for administrative expenses not covered by revenue sharing.

## 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

## 8. Tax Status

On April 17, 2023, the Plan adopted a pre-approved plan offered by FMR LLC. The pre-approved plan received an IRS Opinion Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

## 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## 10. Delinquent Participant Contributions

The Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Untimely remittances of $939,513 were identified on the Schedule of Delinquent Participant Contributions in prior years and were not corrected prior to January 1, 2025. The prior years' untimely remittances were not corrected in 2025. This amounts includes $443,510 of delinquent contributions from Color Image, Inc. 401(k) Profit Sharing Plan – Plan B, which was merged into the Plan effective December 31, 2022. Additionally, the Company will be compensating participants for lost earnings resulting from the delay in contributions.

## 11. Voluntary Correction Program

The Company previously sponsored two-volume submitter retirement plans, Color Image Apparel, Inc. 401(k) Profit Sharing Plan ("Plan A") and Color Image Apparel, Inc. 401(k) Profit Sharing Plan B ("Plan B"). Effective December 31, 2022, Plan B was merged into Plan A, with Plan A as the surviving plan ("Merged Plan"). On April 3, 2023, the Company submitted a request for a compliance statement under the Internal Revenue Service Voluntary Correction Program ("VCP") in connection with certain operational and demographic errors that occurred between 2016 through 2021 with respect to Plans A and B, including a failure to provide certain leased employees the opportunity to participate in Plan B in 2016 through 2021, and certain nondiscrimination testing failures that affected Plans A and B from 2016 through 2021. On June 21, 2024, the Company submitted a full restatement of its VCP submission to include the nondiscrimination testing failures that affected Plan A and B in 2016 through 2022 and certain Ingrid & Isabel, LLC participants in Plan B from 2016 through 2020.

In its VCP submission, the Company proposed correcting the errors described above by making a qualified nonelective contribution ("QNEC") on behalf of each affected leased employee to the Merged Plan, and amending the Merged Plan to provide for such QNEC. The total QNEC for each year that the Company proposed making would (1) allow Plans A and B to have passed coverage testing under Section 410(b) of the Internal Revenue Code on an aggregated basis, (2) allow Plans A and B to have passed the ADP and ACP tests on an aggregated basis, and (3) correct Plan B's missed deferral opportunity/missed employer contribution error, with each of the foregoing adjusted for earnings.

## 11. Voluntary Correction Program (Continued)

For the plan year 2022, the Plan did not perform the required nondiscrimination testing timely, and the Plan failed the minimum contribution and average deferral percentage tests. Accordingly, the Company will be making qualified nonelective contributions to Alo, LLC retail employees to allow the Plan to pass the tests.

As of December 31, 2025 and 2024, the Plan recorded qualified nonelective contributions receivable in the amount of $1,593,518 and $1,414,775, respectively.

In December 2025, the IRS approved the corrective action proposed by the Plan. On May 6, 2026, the Company made partial correction and remitted qualified nonelective contributions in the amount of $1,545,509 to the Plan. The Company intends to remit the remaining qualified nonelective contributions in 2026.

## 12. Operational Failures

During the plan years 2017 through 2023, operational failures have occurred in the administration of the Plan. These operational failures include (1) untimely processing of enrollment and deferral changes (2) incorrect set up of loan repayments (3) incorrect calculation of vested balance of a participant’s distribution (4) incorrect calculation of employee deferrals and employer matching contributions (5) untimely, duplicate or failure to remit employee contributions (6) duplicate refund of excess contributions (7) incorrect suspension of employee deferrals after a hardship distribution.

During the plan year 2024, operational failures that occurred in the administration of the Plan include (1) incorrect calculation of employee and employer safe harbor matching contributions (2) untimely remittance of employee contributions (3) missed employee deferrals and employer safe harbor matching contributions.

The Company is working with an ERISA counsel to evaluate the impact of these operational failures and to make such corrections as necessary in accordance with Revenue Procedure 2021-30, Employee Plans Compliance Resolution System. As of December 31, 2025, the Plan recorded qualified nonelective contributions receivable in the amount of $50,708 to correct the operational failures that occurred during 2017 through 2023 plan years.

In February through April 2026, the Company remitted qualified nonelective contributions in the amount of $50,708 to the Plan.

# Independent Auditors' Report

To the Plan Administrator of
**Color Image Apparel, Inc. 401(k) Profit Sharing Plan**

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Color Image Apparel, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Color Image Apparel, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Color Image Apparel, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Color Image Apparel, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Color Image Apparel, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Color Image Apparel, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of or for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Color Image Apparel, Inc. 401(k) Profit Sharing Plan

**Notes to Financial Statements**

**As of December 31, 2025 and 2024 and**
**For the Year Ended December 31, 2025**

## 1. Description of Plan

The following description of the Color Image Apparel, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

### *General*

The Plan is a defined contribution plan established effective January 1, 2011. The Plan was amended and restated effective January 1, 2023. The Plan covers all employees, excluding residents of Puerto Rico, those who are covered by a collective bargaining agreement, unless the agreement requires employees to be included under the Plan, leased employees, non-resident aliens who do not receive any earned income from the Company which constitutes U.S. source income, and employees that are not on U.S. Payroll of Color Image Apparel, Inc. (the "Company"), and who have completed three months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Retirement Plan Committee is responsible for oversight of the Plan. The Plan's Retirement Plan Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Company's wholly-owned subsidiaries, Bella + Canvas, LLC, Alo, LLC, Alo Alliance, LLC are participating employers of the Plan.

Effective September 9, 2024, the Plan was amended to add Alo Intl IP, Inc. as a participating related employer in the Plan.

### *Contributions*

Each year, participants may contribute up to 50 percent of pretax annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code ("IRC"). Participants also may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan allows for employer safe harbor matching contributions equal to 100% of the participant's deferral up to 3% of eligible compensation, plus 50% of the next 2% of the participant's eligible compensation. Additional discretionary amounts may be contributed by the Company at the option of the Company's management. For the year ended December 31, 2025, there were no discretionary contributions to the Plan. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

## 1. Description of Plan (Continued)

Beginning January 1, 2025, the Plan implemented the enhanced catch-up contribution provisions available under the SECURE 2.0 Act, permitting eligible participants who attain ages 60 through 63 during the plan year to make catch-up contributions up to the increased statutory limits prescribed by the IRC. As of December 31, 2025, the Company was operating the Plan in accordance with these provisions but had not yet adopted a formal plan amendment. The Company intends to adopt the required amendment within the applicable remedial amendment period. Participant contributions remain subject to all IRC limitations.

***Participant Accounts***

Each participant's account is credited with the participant's contributions, allocations of the Company's discretionary contributions and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are vested immediately in their contributions and the Company's safe harbor contributions plus actual earnings thereon. The Company's discretionary matching and discretionary nonelective contributions made for periods prior to January 1, 2023 are subject to the vesting schedule as follows:

| Years of Service | Vesting Percentage |
|---|---|
| Less than 1 | 0% |
| 1 | 25% |
| 2 | 50% |
| 3 | 75% |
| 4 | 100% |

Participants who were previously participants of Cody 401(k) Plan are 100% vested on discretionary matching and nonelective contributions made prior to January 1, 2023.

***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined at the loan origination date, is set at 1% percent above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions. Terms range up to five years or ten years for the purchase of a primary residence.

## 1. Description of Plan (Continued)

***Payment of Benefits***

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. The Plan also allows for partial withdrawals. If a terminated participant's vested balance is less than or equal to $7,000, the amount may be automatically distributed in the form of a lump sum distribution. If the participant's vested balance is between $1,000 and $7,000, the participant's vested balance is automatically distributed in the form of a direct rollover to an individual retirement plan (IRA). In addition, the Plan allows for hardship distributions if certain criteria are met.

Beginning January 1, 2025, the Plan implemented certain optional distribution provisions permitted under the SECURE Act and SECURE 2.0 Act, including qualified birth or adoption distributions, qualified disaster recovery distributions, and domestic abuse victim distributions. These provisions permit eligible participants to receive distributions under specified circumstances in accordance with applicable IRC requirements. As of December 31, 2025, the Company was operating the Plan in accordance with these provisions but had not yet adopted a formal plan amendment. The Company intends to adopt the required amendment within the applicable remedial amendment period.

***Forfeited Accounts***

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $160 and $0, respectively. Forfeitures may first be used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the Plan. During 2025, employer contributions were reduced by $5,201, from forfeited nonvested accounts, in accordance with plan provisions.

## 2. Summary of Accounting Policies

***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## 2. Summary of Accounting Policies (Continued)

***Contributions***

Contributions from Plan participants and safe harbor matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company, as applicable. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. The Company evaluated the collectability of the notes receivable from participants, and determined that no allowance for credit losses is needed at December 31, 2025 and 2024.

***Payment of Benefits***

Benefits are recorded when paid.

***Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

## 2. Summary of Accounting Policies (Continued)

***Subsequent Events***

Subsequent events were evaluated through October 12, 2026, the date the financial statements were available to be issued. No events requiring recognition or disclosure in the financial statements have been identified other than disclosed below and in Notes 11 and 12.

In June 2026, the Company completed an asset sale of Bella + Canvas, LLC to a third-party. Upon the sale, most of the employees of Bella + Canvas, LLC became employees of the third-party buyer. Bella + Canvas, LLC continues to be a participating employer of the Plan.

## 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

**Level 1** – Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** – Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** – Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

## 3. Fair Value Measurements (Continued)

*Money market funds:* Valued at the quoted net asset value ("NAV") of shares held by the Plan at year end.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Investments measured at net asset value:* Consisting of common-collective trusts, valued at the NAV of units of bank collective trusts. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no funding commitments with these common-collective trusts.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

| **Assets at Fair Value as of December 31, 2025** | **Level 1** | **Level 2** | **Level 3** | **Total** |
|---|---|---|---|---|
| Money market funds | $ 10,052 | $ - | $ - | $ 10,052 |
| Mutual funds | 39,291,113 | - | - | 39,291,113 |
| **Total Assets in the Fair Value Hierarchy** | 39,301,165 | - | - | 39,301,165 |
| Investments measured at net asset value (a) | - | - | - | 1,623,343 |
| **Total Investments at Fair Value** | $ 39,301,165 | $ - | $ - | $ 40,924,508 |

| **Assets at Fair Value as of December 31, 2024** | **Level 1** | **Level 2** | **Level 3** | **Total** |
|---|---|---|---|---|
| Money market funds | $ 5,866 | $ - | $ - | $ 5,866 |
| Mutual funds | 22,085,280 | - | - | 22,085,280 |
| **Total assets in the fair value hierarchy** | 22,091,146 | - | - | 22,091,146 |
| Investments measured at net asset value (a) | - | - | - | 973,418 |
| **Total Investments at Fair Value** | $ 22,091,146 | $ - | $ - | $ 23,064,564 |

## 3. Fair Value Measurements (Continued)

(a) In accordance with FASB ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

***Fair Value of Investments that Calculate Net Asset Value***

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

| December 31, 2025 | Fair Value | Unfunded Commitments | Redemption Frequency (if currently eligible) | Redemption Notice Period |
|---|---|---|---|---|
| Common/collective trusts | $ 1,623,343 | $ - | Daily | N/A |

| December 31, 2024 | Fair Value | Unfunded Commitments | Redemption Frequency (if currently eligible) | Redemption Notice Period |
|---|---|---|---|---|
| Common/collective trusts | $ 973,418 | $ - | Daily | N/A |

## 4. Concentrations

At December 31, 2025 and 2024, the Plan held investments in the following funds that each represented more than 10% of net assets available for benefits:

2025
BlackRock LifePath Index 2050 Fund Class K Shares - 14%
BlackRock LifePath Index 2055 Fund Class K Shares - 14%
BlackRock LifePath Index 2060 Fund Class K Shares - 13%
Fidelity 500 Index Fund - 10%

2024
BlackRock LifePath Index 2055 Fund Class K Shares - 14%
BlackRock LifePath Index 2050 Fund Class K Shares - 14%
BlackRock LifePath Index 2060 Fund Class K Shares - 11%

## 5. Information Certified by Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, Fidelity Management Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

## 6. Related-Party and Party In Interest Transactions

Certain Plan investments are managed by the Trustee, and therefore, these transactions qualify as party in interest transactions.

Additionally, the Plan issues loans to participants, which are secured by the participant’s account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

## 6. Related-Party and Party In Interest Transactions (Continued)

Fees incurred by the Plan for the investment management services are included in net appreciation in the fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Fidelity Management Trust Company receives revenue from investment fund service providers for services Fidelity Management Trust Company provides to the funds. This revenue is used to offset certain amounts owed to Fidelity Management Trust Company for its administrative services to the Plan. If the revenue received by Fidelity Management Trust Company from such investment fund service providers exceeds the amount owed for its services, Fidelity Management Trust Company remits the excess to the Plan's trust on a quarterly basis. The Plan or Plan Sponsor may make a payment to Fidelity Management Trust Company for administrative expenses not covered by revenue sharing.

## 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

## 8. Tax Status

On April 17, 2023, the Plan adopted a pre-approved plan offered by FMR LLC. The pre-approved plan received an IRS Opinion Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

## 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## 10. Delinquent Participant Contributions

The Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Untimely remittances of $939,513 were identified on the Schedule of Delinquent Participant Contributions in prior years and were not corrected prior to January 1, 2025. The prior years' untimely remittances were not corrected in 2025. This amounts includes $443,510 of delinquent contributions from Color Image, Inc. 401(k) Profit Sharing Plan – Plan B, which was merged into the Plan effective December 31, 2022. Additionally, the Company will be compensating participants for lost earnings resulting from the delay in contributions.

## 11. Voluntary Correction Program

The Company previously sponsored two-volume submitter retirement plans, Color Image Apparel, Inc. 401(k) Profit Sharing Plan ("Plan A") and Color Image Apparel, Inc. 401(k) Profit Sharing Plan B ("Plan B"). Effective December 31, 2022, Plan B was merged into Plan A, with Plan A as the surviving plan ("Merged Plan"). On April 3, 2023, the Company submitted a request for a compliance statement under the Internal Revenue Service Voluntary Correction Program ("VCP") in connection with certain operational and demographic errors that occurred between 2016 through 2021 with respect to Plans A and B, including a failure to provide certain leased employees the opportunity to participate in Plan B in 2016 through 2021, and certain nondiscrimination testing failures that affected Plans A and B from 2016 through 2021. On June 21, 2024, the Company submitted a full restatement of its VCP submission to include the nondiscrimination testing failures that affected Plan A and B in 2016 through 2022 and certain Ingrid & Isabel, LLC participants in Plan B from 2016 through 2020.

In its VCP submission, the Company proposed correcting the errors described above by making a qualified nonelective contribution ("QNEC") on behalf of each affected leased employee to the Merged Plan, and amending the Merged Plan to provide for such QNEC. The total QNEC for each year that the Company proposed making would (1) allow Plans A and B to have passed coverage testing under Section 410(b) of the Internal Revenue Code on an aggregated basis, (2) allow Plans A and B to have passed the ADP and ACP tests on an aggregated basis, and (3) correct Plan B's missed deferral opportunity/missed employer contribution error, with each of the foregoing adjusted for earnings.

## 11. Voluntary Correction Program (Continued)

For the plan year 2022, the Plan did not perform the required nondiscrimination testing timely, and the Plan failed the minimum contribution and average deferral percentage tests. Accordingly, the Company will be making qualified nonelective contributions to Alo, LLC retail employees to allow the Plan to pass the tests.

As of December 31, 2025 and 2024, the Plan recorded qualified nonelective contributions receivable in the amount of $1,593,518 and $1,414,775, respectively.

In December 2025, the IRS approved the corrective action proposed by the Plan. On May 6, 2026, the Company made partial correction and remitted qualified nonelective contributions in the amount of $1,545,509 to the Plan. The Company intends to remit the remaining qualified nonelective contributions in 2026.

## 12. Operational Failures

During the plan years 2017 through 2023, operational failures have occurred in the administration of the Plan. These operational failures include (1) untimely processing of enrollment and deferral changes (2) incorrect set up of loan repayments (3) incorrect calculation of vested balance of a participant’s distribution (4) incorrect calculation of employee deferrals and employer matching contributions (5) untimely, duplicate or failure to remit employee contributions (6) duplicate refund of excess contributions (7) incorrect suspension of employee deferrals after a hardship distribution.

During the plan year 2024, operational failures that occurred in the administration of the Plan include (1) incorrect calculation of employee and employer safe harbor matching contributions (2) untimely remittance of employee contributions (3) missed employee deferrals and employer safe harbor matching contributions.

The Company is working with an ERISA counsel to evaluate the impact of these operational failures and to make such corrections as necessary in accordance with Revenue Procedure 2021-30, Employee Plans Compliance Resolution System. As of December 31, 2025, the Plan recorded qualified nonelective contributions receivable in the amount of $50,708 to correct the operational failures that occurred during 2017 through 2023 plan years.

In February through April 2026, the Company remitted qualified nonelective contributions in the amount of $50,708 to the Plan.
