INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator
Delaware Valley Floral Group, LLC Savings & Investment Plan
Sewell, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Delaware Valley Floral Group, LLC Savings & Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Delaware Valley Floral Group, LLC Savings & Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Delaware Valley Floral Group, LLC Savings & Investment Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Delaware Valley Floral Group, LLC Savings & Investment Plan 's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Delaware Valley Floral Group, LLC Savings & Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Delaware Valley Floral Group, LLC Savings & Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

STEPHANO SLACK LLC
CERTIFIED PUBLIC ACCOUNTANTS

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – Description of Plan

The following description of the Delaware Valley Floral Group, LLC Savings & Investment Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering substantially all employees of Delaware Valley Floral Group, LLC (the "Company"), as described in the Plan agreement, who meet the eligibility requirements of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Administrative Committee is responsible for the oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Administrative Committee.

Plan Amendments - Effective November 1, 2025, the Plan was amended and restated to credit employees of Marvin's Flower Gardens, Inc. with prior service for purposes of determining eligibility for employer contributions.

Contributions – There are two types of salary deferrals: Pre-Tax 401(k) deferrals and Roth 401(k) deferrals. Each year, participants may contribute up to 100 percent of their pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers one money market fund and twenty-seven (27) mutual funds as investment options for participants. Participants may change their investment options at any time. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2 percent of eligible compensation and their contributions are invested in a designated fund until changed by the participant. The Company may elect to make a discretionary matching employer contribution to the Plan based on a discretionary percentage of participant's elected deferral to the Plan. For the year ended December 31, 2025, the Company's discretionary matching employer contributions was equal to 25 percent of each employee's contribution up to 6 percent of participant's compensation contributed to the Plan. The Company's discretionary employer matching contributions are participant directed as stated above. Contributions are subject to certain IRS limitations

Participant Accounts – Each participant's account is credited with the participant's contributions and Company's discretionary matching employer contributions, as well as allocation of the Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – Description of Plan (continued)

Vesting – Participants are vested immediately in their contributions, including rollovers, plus actual earnings thereon. Vesting in the Company's contribution of their account is based on years of continuous service and a participant is 100 percent vested after five (5) years of credited service. A participant is 100 percent vested upon death, disability, or normal retirement.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. Loans are secured by the balance in the participant's account and bear interest at the Wall Street Journal Prime Rate plus 1 percent at the loan issue date. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits – On termination of service due to death, disability or retirement, or upon termination of employment, a participant or their beneficiary (ies) may elect to receive a lump-sum payment, equal to the vested value of the participant's account balance. An account balance less than $1,000 will receive an automatic lump-sum payment regardless of whether the participant or their beneficiary (ies) elects to receive payment. If the account balance is at least $1,000 but does not exceed $5,000, the account balance will be rolled into an IRA with an individual retirement account trustee, unless a cash payment or other direct rollover is elected.

Forfeited Accounts – At December 31, 2025 and 2024, forfeited non-vested accounts totaled $32,475 and $17,661, respectively. Forfeitures may be applied to payment of administrative expense and/or to reduce Company discretionary matching employer contributions. During the year ended December 31, 2025, $2,644 of non-vested forfeitures were used to reduce employer matching contributions.

NOTE 2 – Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 4 for discussion of fair value measurements.

NOTE 2 – Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued) – Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions – Contributions from Plan participants and the Company's discretionary matching employer contributions are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan payments and the Plan administrator deems the participant loan to be in default, the participant loan is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

Contributions Payable – The Plan received contributions totaling $55,615 prior to the related compensation being earned by participants as of December 31, 2024. These amounts were not recognized as contributions or assets of the Plan as of December 31, 2024 and were recognized in 2025 when the related contributions was withheld from compensation.

Payments of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Fees related to the administration of certain participant transactions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments. Professional fees associated with the Plan administration are paid by the Plan sponsor or paid from forfeitures.

Subsequent Events – The Plan has evaluated subsequent events through October 13, 2026, the date the financial statements were available to be issued. Effective March 1, 2026, the Plan was amended and restated to recognize service with Marvin's Flower Gardens, Inc., Georgia State Floral Distributors, LLC, and Rokay Floral, Inc. in determining participant eligibility.

NOTE 3 – Certification of Investment Information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, dividends, interest income on notes receivable from participants, and other income for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company, the trustee of the Plan.

NOTE 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 4 – Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds and Money Market Fund: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and the money market fund held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Investments at Fair Value				
Mutual Funds	$ 37,117,650	$ 0	0	$ 37,117,650
Money Market Fund	2,910,973	0	0	2,910,973
TOTAL INVESTMENTS AT FAIR VALUE	$ 40,028,623	$ 0	$ 0	$ 40,028,623

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Investments at Fair Value				
Mutual Funds	$ 33,441,298	$ 0	0	$ 33,441,298
Money Market Fund	2,471,605	0	0	2,471,605
TOTAL INVESTMENTS AT FAIR VALUE	$ 35,912,903	$ 0	$ 0	$ 35,912,903

NOTE 5 – Related Party Transactions and Party in Interest Transactions

At December 31, 2025 and 2024, the Plan held investments and notes receivable from participants through Capital Bank and Trust, which serves as the Plan's trustee. Capital Research and Management Company issued the money market fund and certain mutual funds. The Plan also held mutual funds issued and managed by unaffiliated investment companies through the custodial platform. Certain fees incurred by the Plan for the investment management services are included in net appreciation of the investment, as they are paid through revenue sharing, rather than a direct payment. Fees paid by the Plan for administrative expenses, which include fees related to the administration of notes receivable from participants, participant distributions, and Plan administrative fees amounted to $7,378 for the year ended December 31, 2025. Management believes these transactions were conducted in accordance with the Plan's provisions and applicable ERISA requirements, including available prohibited-transaction exemptions.

NOTE 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 7 - Tax Status

The prototype non-standardized pre-approved profit-sharing plan has received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, stating that the form of the Plan is accepted under Section 401 of the Internal Revenue Code (the "IRC") for use by employers for the benefit of their employees. The Company has adopted this Plan and may rely on the current qualifications of the IRS non-standardized pre-approved profit-sharing plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – Reconciliation of Financial Statements to Form 5500

The following is reconciliation of net assets available for benefits per the financial statements to Form 5500, Schedule H at December 31:

	2025	2024
Net Assets Available for Benefits per Financial Statements	$ 40,571,042	$ 36,387,356
Adjustment for Deemed Distributed Loans	(513)	(467)
NET ASSETS AVAILABLE FOR BENEFITS PER FORM 5500	$ 40,570,529	$ 36,386,889

The following is reconciliation of deemed distributed loans per the financial statements to Form 5500, Schedule H as of and for the year ended December 31:

	December 31, 2025		
	Amount Per Financial Statements	Effect of Deemed Distributed Loans	Amount Per Form 5500
Notes Receivable from Participants	$ 542,419	$ 513	$ 541,906
Interest on Deemed Distribution	$ 42,433	$ 46	$ 42,387

	December 31, 2024		
	Amount Per Financial Statements	Effect of Deemed Distributed Loans	Amount Per Form 5500
Notes Receivable from Participants	$ 530,068	$ 467	$ 529,601

NOTE 10 – Legislative and Regulatory Developments

On December 29, 2022, the "Setting Every Community Up for Retirement Enhancement Act of 2022" ("SECURE Act 2.0") was signed into law. The Act includes numerous provisions affecting retirement plans, with effective dates ranging from 2023 through 2027. The Plan is evaluating applicable provisions and is preparing to implement the necessary operational and compliance updates.
