Independent Auditors' Report

Plan Administrator
Tampa Bay Rays 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Tampa Bay Rays 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) Description of Plan

The Tampa Bay Rays 401(k) Plan (the "Plan") was established by Tampa Bay Rays Baseball, Ltd. (the "Company") as a defined contribution plan, covering substantially all employees of the Company and its participating subsidiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan has adopted the Empower Retirement LLC non-standardized pre-approved profit-sharing plan with CODA, under which, Empower Trust Company, LLC ("ETC") and Empower Annuity Insurance Company of America ("Empower") serve as the trustees of the Plan.

The Plan was adopted January 1, 1996 and entirely amended and restated January 1, 2022. As part of the 2022 restatement, the Plan Sponsor was changed to Rays Baseball Club, LLC.

The following description of the Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) Eligibility

An employee who is 21 years of age may participate in the Plan beginning the first day of the month after obtaining 60 days of employment, excluding any part-time, temporary, or seasonal employees who work less than 1,000 hours in the relevant eligibility computation period as well as any collective bargaining (union) employees, non-resident aliens, and Puerto Rican employees.

(b) Contributions

Part-time, temporary, or seasonal employees who work more than 1,000 hours in the relevant eligibility computation period may elect to have contributions withheld through payroll deductions. All other participants are automatically enrolled, once meeting eligibility requirements, at a deferral percentage of 6% of eligible pretax compensation, which can be changed by participants at any time. Effective September 15, 2023, a participant who has in effect a salary reduction agreement of 0% shall have their contrary election expire and is thereafter subject to automatic deferrals unless they make a new contrary election. Contributions are automatically increased by 1% on January 2 of each year until a participant reaches 15% unless a participant opts out of such automatic increase. Elective deferrals were limited to $23,500 in 2025. As allowed by the Internal Revenue Service, the limit on catch-up elective deferrals for participants age 50 and over was an additional $7,500 for the 2025 plan year. The Company may elect to contribute an amount equal to a discretionary percentage of the participant's elective deferrals. During the year ended December 31, 2025, the Company elected to match 50% of participants' deferrals up to 6% of the participants' eligible compensation, or for any participants not also participating in the Major League Baseball Pension Plan for Non-Uniformed Personnel, the Company elected to match 100% of participants' deferrals up to 4% of the participants' eligible compensation. The Company also made a non-elective contribution equal to 6% of eligible compensation for any employees not participating in the Major League Baseball Pension Plan for Non-Uniformed Personnel.

(1) Description of Plan - Continued

(b) Contributions - Continued

Each participant's account is credited with their contributions, the Company's matching contribution, any applicable Non-Elective Contribution and plan earnings. Allocations of plan earnings by fund are made based on the ratio of each participant's account balance to the total account balances of all participants on a daily basis, as defined in the plan agreement.

(c) Vesting

Participants become fully vested in Company matching contributions, Company discretionary contributions and earnings thereon upon retirement (age 65), at death, upon total and permanent disability, or as described in the following vesting schedule:

Years of Service	Vested Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants become fully vested in the Company's Non-elective Contribution and earnings thereon upon retirement (age 65), at death, upon total and permanent disability or after completing two years of service. At all times participants are fully vested in their own contributions and related plan earnings thereon.

(d) Forfeitures

Forfeitures of terminated participants' non-vested accounts are used to reduce the Plan's ordinary and necessary administrative expenses for the plan year and to reduce the Company's contribution in the following year. The forfeited non-vested accounts used to offset company contributions in 2025 were approximately $146,000. At December 31, 2025 and 2024, the Company had available approximately $128,000 and $78,000, respectively, of forfeitures to reduce future administrative expenses and contributions.

(e) Distribution of Benefits

Benefits may be paid to terminated, disabled or otherwise inactive participants or their beneficiaries in lump-sum amounts equal to the vested portion of their accounts. The Plan allows participants to withdraw a portion of their elective deferral account in the event of immediate and heavy financial need. Any hardship withdrawal is limited to the amount needed to meet the financial need and must qualify with respect to plan provisions.

(1) Description of Plan - Continued

(f) Termination

Although the Company has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. Upon the occurrence of either event, all accounts of the participants become fully vested and are not subject to forfeiture. All assets of the Plan would then be distributed to the participants.

(g) Notes Receivable from Participants

The Plan provides for loans to all participants. The loans bear interest at prime plus 1% at the time of withdrawal, and must be repaid over a period not to exceed five years unless the loan is for the purchase of the participant's principal residence. The term for a loan related to the purchase of a principal residence is to be no greater than 10 years. In addition, the minimum loan is $1,000 and is limited to the lesser of $50,000 or 50% of the participant's vested accrued benefits less accumulated Roth contributions. Principal and interest are paid ratably through payroll deduction.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The accompanying financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

(b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

(c) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Interest income related to the notes receivable from participants has been separately presented as interest income from notes receivable from participants. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the loan balance is reduced, and a benefit payment is recorded.

(2) Summary of Significant Accounting Policies - Continued

(d) Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The net appreciation in fair value of investments includes both realized gains and losses on investments sold during the year and unrealized gains and losses on investments held at the end of the year.

(e) Risks and Uncertainties

The Plan provides for various investment options in any combination of investment securities based upon participant requests. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

(f) Administrative Expenses

Certain expenses of the Plan are paid by the Company and are not included in the statement of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

(g) Contributions

Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

(h) Benefit Payments

Benefit payments are recorded when paid.

(i) Participant Investment Account Options

Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers nine mutual funds, four pooled separate accounts and one guaranteed investment contract as investment options for participants.

(3) Information Certified by the Trustees

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower and ETC, the trustees, have certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

- Total investments
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest and dividends
- Interest income from notes receivable from participants
- Schedule of Assets (Held at End of Year)

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) Tax Status

The Plan is a non-standardized pre-approved profit-sharing plan developed by Empower Retirement LLC. The Internal Revenue Service has determined and informed the trustees by a letter dated September 16, 2022, that the pre-approved profit-sharing plan is designed in accordance with applicable sections of the Internal Revenue Code. The pre-approved profit-sharing plan has been amended since receiving the opinion letter. However, the plan administrator and the Plan's tax counsel believe that the pre-approved profit-sharing plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(5) Transactions with Parties-in-Interest

Certain plan investments are funds managed by Empower, and therefore these transactions qualify as party-in-interest transactions. During the year ended December 31, 2025, the Plan paid approximately $44,000 to Empower for services provided as the recordkeeper of the Plan.

(5) Transactions with Parties-in-Interest - Continued

The Plan received investment consulting services from SageView Advisory Group, LLC during the year ended December 31, 2025, and therefore these transactions qualify as party-in-interest transactions. During the year ended December 31, 2025, the Plan paid approximately $46,000 for the services received.

These transactions qualify as party-in-interest transactions; however, they are expressly exempt from prohibited transaction rules.

(6) Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

(a) Quoted prices for similar assets or liabilities in active markets;

(b) Quoted prices for identical or similar assets or liabilities in inactive markets;

(c) Inputs other than quoted prices that are observable for the asset or liability;

(d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: valued at quoted market prices in active markets, which represent the net asset values of shares held by the Plan at year-end and are classified as Level 1 investments.

(6) Fair Value Measurements - Continued

Pooled Separate Accounts: pooled separate accounts are invested in mutual funds valued at quoted market prices in active markets, which represent the net asset values of shares held by the Plan at year end and are classified as Level 2 investments.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

		Fair Value Measurements at December 31, 2025 Using		
Description	Assets Measured at Fair Value at December 31, 2025	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 53,301,025	53,301,025	-	-
Pooled separate accounts	16,073,790	-	16,073,790	-
Total assets at fair value	$ 69,374,815	53,301,025	16,073,790	-

		Fair Value Measurements at December 31, 2024 Using		
Description	Assets Measured at Fair Value at December 31, 2024	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 42,914,929	42,914,929	-	-
Pooled separate accounts	13,115,170	-	13,115,170	-
Total assets at fair value	$ 56,030,099	42,914,929	13,115,170	-

(7) Guaranteed Income Fund

The Plan participates in the Empower Guaranteed Income Fund ("GIF"), which is a group annuity insurance contract issued by Empower and backed by the full faith and creditworthiness of the issuer.

All transactions are conducted at contract value, including discontinuance of the contract. The group annuity insurance contract is considered to be fully benefit-responsive; therefore, it is required to be presented at contract value. Contract value as reported to the Plan by Empower represents contributions made under the contract, plus earnings at guaranteed crediting rates, less participant withdrawals and administrative fees. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their account balances at contract value. Guarantees are based on the claims-paying ability of Empower and not on the value of the securities within the insurer's general account. Deposits made to the GIF are deposited in Empower's general account. Payment obligations under the GIF represent an insurance claim supported by all general account assets.

(7) Guaranteed Income Fund - Continued

There are generally no events that would limit the Plan's ability to transact at contract value, regardless of whether payment is made within 90 days or over a longer period. In addition, the issuer may not terminate the contract and settle at an amount other than contract value, regardless of the timing of payment.

(8) Subsequent Events

In preparing these financial statements, the Plan's management evaluated events and transactions for potential recognition or disclosure through October 13, 2026, the date the financial statements were available to be issued.

In June 2026, the Plan transitioned its trustee and recordkeeping services from Empower Trust Company, LLC to ADP Retirement Services. The transition occurred after the Plan year-end and did not affect the Plan's net assets available for benefits or changes in net assets available for benefits as of and for the year ended December 31, 2025. Accordingly, no adjustments were made to the accompanying financial statements as a result of this subsequent event.
