Independent Auditor's Report

To the Medical Benefit Executive Committee
Wyoming Machinery Company Employee
Medical Benefit Plan

Opinion

We have audited the financial statements of Wyoming Machinery Company Employee Medical Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits and benefit obligations as of December 31, 2025 and 2024 and the related statement of changes in net assets available for benefits and changes in benefit obligations for the years then ended and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2025 and 2024 and the changes in net assets available for benefits and benefit obligations for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Medical Benefit Executive Committee
Wyoming Machinery Company Employee
Medical Benefit Plan

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Note 1 - Plan Description

The following description of Wyoming Machinery Company Employee Medical Benefit Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General

The Plan was established in January 1975 for the purpose of providing health and other benefits to eligible employees of Wyoming Machinery Company (the "Company" or the "Employer"), participants electing Consolidated Omnibus Budget Reconciliation Act (COBRA) coverage, and a limited number of former employees who elected early retirement.

Certain plan assets were held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides health (medical, vision, dental, and prescription drugs), life and accidental death, and short-term and long-term disability benefits.

Employees working at least 1,000 hours per year are generally eligible for medical, vision, dental, and prescription drug insurance benefits the first day following 30 days of continuous full-time employment. Employee beneficiaries and covered dependents become eligible for benefits on the same day the employee becomes eligible. An employee is eligible for disability benefits following two years of full-time employment. The Plan also provides continuation of certain benefits upon termination of employment to certain qualifying retirees and through COBRA.

Certain former employees who turned 60 years of age during 2016 and accepted a voluntary early retirement program are also eligible until their 65th birthday or until they become eligible for Medicare, Medicaid, or any other group health insurance plan through their or their spouse's employment and provided they pay the required normal, active contributions, as described below. The Plan includes coverage to covered employees who are absent from work due to a temporary layoff from 30 to 60 days.

Insured Benefits

The Plan fully insures the life insurance, vision, accidental death benefits, and short- and long-term disability. The Company purchases annual insurance contracts for these insured benefits.

Stop-loss and Self-insured Benefits

Self-insured Benefits

All other plan benefits (medical, dental, and prescription drugs) are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under an administrative services only (ASO) arrangement. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the general assets of the Company for claims in excess of pharmacy rebates received by the third-party claims processor relating to the plan. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Stop-loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits related to medical and prescription drug claims (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). For the years ended December 31, 2025 and 2024, the individual stop-loss was $200,000 and the aggregate stop-loss was $1,000,000.

Note 1 - Plan Description (Continued)

Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Participants pay the full cost of supplemental and dependent life insurance and supplemental accidental death and dismemberment insurance programs based on the current group rate premium cost. The Company pays the full cost of basic life insurance, basic accidental death and dismemberment insurance, and stop-loss insurance, net of rebates receivable for pharmacy prescriptions.

The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

The Plan gives participants the option to choose between three types of coverage, one generally covering 90 percent of the participant's medical cost and the others covering 70 percent, with one having a high deductible health plan option. The participant's monthly contribution varies according to the plan selected. During 2025, the Plan was amended to include only the two options covering 70 percent of the participant's medical cost.

For the year ended December 31, 2025, employees were required to make the following monthly contributions based on either the wellness or standard option:

	70/30		70/30 HDHP	
	Wellness	Standard	Wellness	Standard
Employee only	$ 79	$ 103	$ 55	$ 72
Employee and spouse	195	261	139	186
Employee and children	149	193	105	136
Employee and family	253	337	166	221

For the year ended December 31, 2024, employees were required to make the following monthly contributions based on either the wellness or standard option:

	90-10		70/30		70/30 HDHP	
	Wellness	Standard	Wellness	Standard	Wellness	Standard
Employee only	$ 218	$ 290	$ 69	$ 89	$ 53	$ 69
Employee and spouse	539	728	169	227	132	177
Employee and children	411	547	129	168	100	129
Employee and family	706	917	220	293	158	211

Additionally, qualifying retired employees and terminated employees under COBRA contribute to the Plan.

Benefits provided under the Plan are funded by employer and participant amounts contributed to the Plan and by the payment of premiums on a stop-loss medical insurance contract.

Party-in-interest Transactions

The Plan is administered by Blue Cross Blue Shield of Wyoming (BCBSWY). BCBSWY is the contract administrator of the Plan and, therefore, qualifies as a party in interest, as defined by ERISA. BCBSWY is paid a per participant monthly administration fee, as described in the service agreement between BCBSWY and the Employer. BCBSWY was also paid a fee for negotiating discounts with providers. Fees paid by the Plan to BCBSWY totaled $444,072 and $452,184 for the years ended December 31, 2025 and 2024, respectively.

Wyoming Machinery Company provides certain accounting and administrative services to the Plan, for which no fees are charged.

Note 2 - Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Benefit Payments

Claim payments are recorded when paid by the third-party claims processor.

Stop-loss

Premiums for stop-loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits and changes in benefit obligations. Stop-loss refunds totaled $0 for the years ended December 31, 2025 and 2024.

Claims Incurred but not Reported

Benefit obligations at December 31, 2025 and 2024 consist of claims approved but unpaid and estimated health claims incurred by active participants but not reported at that date. This estimate is based upon subsequent disbursements for claims incurred as of December 31, 2025 and 2024.

Claims Payable

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have not been reimbursed by the Plan are recorded as claims payable in the accompanying statement of net assets available for benefits and benefit obligations.

Risks and Uncertainties

The benefit obligations are reported based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics. Due to the changing nature of these assumptions, it is at least reasonably possible that changes in these assumptions will occur in the near term and, due to the uncertainties inherent in setting assumptions, that the effect of such changes could be material to the financial statements.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 13, 2026, which is the date the financial statements were available to be issued.

Note 3 - Tax Status

The trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code (the "Code"), and, accordingly, the trust's net investment income is generally exempt from income taxes. The trust has obtained a favorable tax exemption letter from the Internal Revenue Service, and the plan sponsor believes that the trust continues to qualify and to operate in accordance with applicable provisions of the Code.

Note 4 - Plan Termination

Although it has not taken steps to do so, the Company has the right under the Plan to amend and terminate the Plan subject to the provisions set forth in ERISA. In the event of plan termination, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants.
