Independent Auditor's Report

To the Plan Administrator
Sodexo, Inc. Dental Plan
North Bethesda, Maryland

Opinion

We have audited the financial statements of Sodexo, Inc. Dental Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. Description of the Plan

The following description of the Sodexo, Inc. Dental Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a complete description of the Plan's provisions. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

General

The Plan, which was established on March 27, 1998, provides preventive and corrective dental coverage to all eligible employees of Sodexo, Inc. (Sodexo, Employer or the Company), who elect such coverage, and their eligible dependents. To be eligible for the Plan, participants must be either one of the following:

- A non-temporary, active exempt employee; or
- A non-temporary, full-time hourly employee working an average of at least 30 hours per week over a 52-week measurement period. Hours will be measured each year to determine whether an employee has maintained an average of at least 30 hours per week and remain eligible for the Plan the following Plan year.

The Plan is administered by the Company's Benefit Operations Department (the Plan Administrator).

Effective January 1, 2020, a trust was established to hold Plan assets. All contributions made by participants are held in Trust for the exclusive benefit of Participants.

Contributions

The Plan is a contributory plan that is funded by both participating employees and Company contributions. Participant contributions are withheld through payroll deductions in amounts determined by the participant's elections during the annual enrollment period. The Company contributes a percentage of the premium based on the participant's election. Consolidated Omnibus Budget Reconciliation Act (COBRA) contributions are remitted directly to the Company in amounts determined by the participant's election during the annual enrollment period.

Benefits

The Plan provides certain coverage (i.e., 0 to 100 percent) to the participating employees and their eligible family members based on the type of service rendered and whether a participating dentist is used. Generally, the Plan has a $2,250 maximum benefit per participant per Plan year. The Plan also provides continuation of certain benefits upon termination of employment through the COBRA.

Administrative Expenses

Certain administrative expenses are paid by the Company and excluded from these financial statements. Metropolitan Life Insurance Company (MetLife) performs the claims processing and receives a fee based on the number of participating employees in the Plan. The MetLife fees, as well as the audit fees, are paid from Plan assets.

2. Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities; and the benefit obligations at the date of the financial statements, and changes therein. Actual results could differ from those estimates.

Benefit Obligations

The claims incurred but not reported obligation is determined by MetLife based on historical claims experience and includes an estimate for associated claims processing fees. Claims payable represents claims processed but not paid as of year-end.

The post-employment benefit obligation is determined by an actuary and represents the estimated liability for former employees who have elected continuation of coverage under COBRA.

Self-insured Benefits

All Plan benefits are self-insured. Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have not been reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan's trust or the general assets of the Company. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Trust.

Concentration of Credit Risk

The Plan maintains deposits with high quality institutions in amounts that are in excess of Federal Deposit Insurance Corporation limits up to $250,000. The uninsured balances were $2,615,848 and $4,850,281 at December 31, 2025 and 2024, respectively. The Plan has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash.

3. Benefit Obligations and Related Changes

The following were significant assumptions used in the valuations:

December 31,	**2025**	2024
Discount rate	**3.75%**	4.50%
Initial and ultimate health care cost trend	**5.00%**	5.00%

The foregoing assumptions are based on the presumption that the Plan will continue in the near future. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the post-employment benefit obligation.

The following tables present components of the Plan's benefit obligations and the related changes in the Plan's benefit obligations:

December 31,	**2025**	2024
Benefit obligations		
Amounts currently payable		
Claims payable	**$ 513,273**	$ 548,432
Claims incurred but not reported	**847,286**	918,444
Total amounts currently payable	**1,360,559**	1,466,876
Post-employment benefit obligation, net of amounts currently payable	**53,000**	27,000
Total benefit obligations	**$ 1,413,559**	$ 1,493,876

Year ended December 31,	**2025**
Changes in benefit obligations	
Changes in amounts currently payable:	
Benefits earned	**$ 17,198,857**
Benefit claim payments	**(17,305,174)**
Net decrease in amounts currently payable	**(106,317)**
Changes in Post-employment benefit obligation, net of amounts currently payable	
Change in assumptions	**26,000**
Change in post-employment benefit obligation	**26,000**
Net decrease	**(80,317)**
Benefit obligations, beginning of year	**1,493,876**
Benefit obligations, end of year	**$ 1,413,559**

4. Risks and Uncertainties

Plan contributions are made and the actuarial present value of the post-employment benefit obligation is reported on certain assumptions pertaining to interest rates, health care inflation and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimation and assumption processes, it is at least reasonably possible that changes in these estimates and assumptions in the near future could materially affect the amounts reported and disclosed in the financial statements.

5. Plan Termination

Although it has not expressed any intention to do so, the Company has the right to modify the benefits provided under the Plan and to terminate the Plan subject to the provisions set forth in ERISA. If the Company terminated the Plan, any assets in the Plan will be used to pay outstanding benefit claims as directed by the Company. The Company will pay any benefit claims in excess of the Plan's assets. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

6. Income Tax Status

The assets of the Plan reside in a trust. The trust is not tax-exempt under Section 501(a) of the Internal Revenue Code (the Code) as a Voluntary Employee Beneficiary Association. No federal or state income taxes have been recorded in 2025 as there is no taxable income earned by the Plan. The Plan Administrator believes the Plan is currently designed and operating in conformity with the Code and ERISA.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Parties-in-Interest and Related Party Transactions

Sodexo is the sponsor of the Plan, and, as such, executes the normal duties associated therewith. The Plan's assets are held at BMO Bank, N.A., and JPMorgan Chase Bank; as such, BMO Bank, N.A., and JPMorgan Chase Bank, as custodians, are parties-in-interest that have engaged in permissible transactions with the Plan. Fees paid by the Plan to the third-party administrators and audit fees amounted to $741,507 for the year ended December 31, 2025.

8. Reconciliation of the Financial Statements to the Form 5500

Claims payable and claims incurred but not reported are reflected as benefit obligations for financial statement purposes but are presented as liabilities on the Form 5500. The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

December 31,	**2025**	2024
Net assets available for benefits, per financial statements	**$ 3,338,718**	$ 5,518,230
Items reflected in the Form 5500 that are not reflected in the statements of net assets available for benefits:		
Claims payable	**(513,273)**	(548,432)
Claims incurred but not reported	**(847,286)**	(918,444)
Net assets available for benefits, per the Form 5500	**$ 1,978,159**	$ 4,051,354

The following is a reconciliation of benefit claim payments per the financial statements to the Form 5500:

Year ended December 31,	**2025**
Claims paid per financial statements	**$ 17,305,174**
Add: Claims payable at end of year	**513,273**
Claims incurred but not reported at end of year	**847,286**
Less: Claims payable at beginning of year	**(548,432)**
Claims incurred but not reported at beginning of year	**(918,444)**
Claims paid per Form 5500	**$ 17,198,857**

9. Subsequent Events

The Plan evaluated subsequent events through October 14, 2026, the date the financial statements were available to be issued. There were no subsequent events noted that required adjustment to or disclosure in these financial statements.
