INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
SGI, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of SGI, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the SGI, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (continued)

- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SGI, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit did not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SGI, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are inconformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SGI, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SGI, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1. DESCRIPTION OF THE PLAN

SGI, Inc. 401(k) Profit Sharing Plan (the "Plan") was sponsored by SGI, Inc. and its subsidiaries (the "Company"). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan was a defined contribution plan covering substantially all employees of the Company and was subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Company was the Plan's sponsor and served as plan administrator.

Plan Termination

In 2025, Gold.com completed its acquisition of SGI, Inc. In connection with the acquisition, management approved the merger of the Plan into the Gold.com, Inc. and Subsidiaries 401(k) Plan (Successor Plan).

The plan merger became effective on January 1, 2026. As a result, participants' account balances in the Plan were transferred to the Successor Plan and participants became subject to the provisions of the Successor Plan as of that date. The merger did not affect participant vesting in account balances accumulated under the Plan as of the transfer date.

Prior to the effective date of the merger, the Plan's investments were liquidated and converted to cash. The resulting cash balance of approximately $18.7 million was transferred to the Successor Plan on January 1, 2026.

Eligibility

Employees of the Company were eligible to participate in the Plan upon reaching age 18 and after completing three months of service in each 12-month eligibility period, as defined by the Plan.

Note 1. DESCRIPTION OF THE PLAN (continued)

Contributions

Participant contributions – Each year, participants could contribute up to 90% of eligible compensation, as defined in the Plan. Participants who had attained age 50 before the end of the plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans (rollover contributions). The Plan included an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants had their deferral rate set at 3% of eligible compensation and their contributions invested in a designated fund until elected otherwise by the participant.

Employer discretionary contributions – The Company could elect to make discretionary contributions to the Plan. There were no employer discretionary contributions during the years ended December 31, 2025 and 2024.

Employer matching contributions – During the years ended December 31, 2025 and 2024, the Company matched 30% of employees' contributions up to 60% of their compensation.

Contributions were subject to regulatory limitations.

Participant Accounts

Each participant account was credited with the participant's contribution and allocations of the Company's contributions and plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Vesting

Participants were vested immediately in their contributions, employer discretionary contributions, employer matching contributions, and the earnings or losses thereon.

Note 1. DESCRIPTION OF THE PLAN (continued)

Investments

Participants could direct their account balance to the investment options offered by the Plan. The number of such funds and the type of investments therein could be changed at any time by the Plan. Participants could change their investment options at any time.

Notes Receivable from Participants

Participants could borrow from their accounts a minimum of $1,000, up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans were issued by the Plan and secured by the balance of the participant's account. All loans must be repaid within a period of 5 years, unless the loan was used to purchase a principal residence, in which case, the loan could be issued for a period exceeding 5 years. Under the terms of the Plan Agreement, plan loans would bear fixed, reasonable rates of interest, as determined by the plan administrator. Principal and interest were paid ratably through semi-monthly payroll deductions. A participant could not have more than one loan outstanding at any one time. Prior to the transfer of the Plan's net assets to the Successor Plan, interest rates on outstanding loans were 4.25% to 9.50% as of December 31, 2025.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant or the participant's beneficiary could elect to receive a lump-sum amount equal to the value of the participant's account balance. With the plan administrator's approval, participants could withdraw all or part of their aggregate contributions in the event of financial hardship.

Risks and Uncertainties

The Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 1. DESCRIPTION OF THE PLAN (continued)

Administrative Expenses

General plan administrative expenses were paid by the Company. Investment management, distribution, and loan transaction fees were paid by the plan participants.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation

Investments were stated at fair value based on the net asset value of the shares held by the Plan at year end.

Purchases and sales of investments were recorded on a settlement date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net gain or loss includes the Plan's gains and losses on investments bought and sold during the year.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans were reclassified as distributions based upon the terms of the Plan.

Payment of Benefits

Benefits were recorded when paid.

Note 3. FAIR VALUE MEASUREMENTS

Plan investments were generally reported at fair value in the statements of net assets available for benefits. Generally accepted accounting principles establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Fair Value Measurements

Fair values were based on publicly quoted prices in active markets for identical assets. The fair value of investments in registered investment companies was based on the publicly quoted net asset value of the shares held by the Plan.

Level 2 Fair Value Measurements

Fair values were based on observable inputs other than publicly quoted prices in active markets for identical assets.

Level 3 Fair Value Measurements

Fair values were based on unobservable inputs used for valuing the asset.

Fair Value Measurements as of December 31, 2024:

	Total	Level 1	Level 2	Level 3
Investments in registered investment companies	$ 14,986,929	$ 14,986,929	$ -	$ -
Total investments, at fair value	14,986,929	14,986,929	-	-
Investments measured at net asset value*	64,989	-	-	-
Total investments	$ 15,051,918	$ 14,986,929	$ -	$ -

* Certain investments that were measured at fair value using the net asset value per share (or its equivalent) practical expedient were not required to be valued in the fair value hierarchy. The amounts presented in this table were intended to permit reconciliation to the amounts presented in the corresponding statement of net assets available for benefits. Shares of such investments can be redeemed daily on demand.

Note 4. INFORMATION PREPARED AND CERTIFIED BY QUALIFIED INSTITUTIONS

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company for the years ended December 31, 2025 and 2024.

	2025	2024
Investments in registered investment companies	$ -	$ 14,986,929
Investments in common collective trusts	-	64,989
Notes receivable from participants	-	181,372
Net realized and unrealized gain in fair value of investments in registered investment companies	2,013,105	1,117,801
Net realized and unrealized gain in fair value of investments in common collective trusts	1,640	1,729
Dividends	605,693	514,649
Interest income on notes receivable from participants	14,819	16,658
Other interest	17,178	19,594

Note 5. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2024:

	2024
Net increase per the financial statements	$ 2,674,082
Participant contributions receivable at the beginning of the year	41,340
Company contributions receivable at the beginning of the year	12,402
Participant contributions receivable at the end of the year	-
Company contributions receivable at the end of the year	-
Net increase per the Form 5500	$ 2,727,824

Note 6. PARTY-IN-INTEREST TRANSACTIONS

Certain expenses of the Plan were paid by the Company. The Company was the sponsor of the Plan and, therefore, these transactions qualify as party-in-interest. The most significant of these costs paid by the Company were the salaries for the employees responsible for plan administration and fees paid to a third-party administrator.

Plan investments included several registered investment companies of the custodian of the Plan and, therefore, transactions with that entity qualified as exempt party-in-interest transactions.

Note 7. FEDERAL INCOME TAX STATUS

The IRS has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the Plan and related trust was designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan had been amended since receiving the determination letter, the Plan administrator believed that the Plan was designed, and was being operated, in compliance with the applicable requirements of the IRC and, therefore, believed that the Plan was qualified, and the related trust was tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for an uncertain position if it is not more likely than not that the position would be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan was subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

Note 8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 12, 2026, which is the date the 2025 financial statements were available to be issued.
