# Independent Auditor's Report

To the Plan Administrator of
Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan:

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedures that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. Description of Plan

The following description of the Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**
The Plan is a defined contribution plan established effective November 5, 2011, as restated January 1, 2020. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") and is open to all eligible employees of Marriott Vacations Worldwide Corporation (the "Company") as more fully described in the Plan document.

**Eligibility**
Employees are automatically enrolled in the Plan on their first day of employment with a 3% contribution of eligible compensation, as described in the Plan document. On the first pay period in April of each Plan year, all active participants, provided they have completed at least six months of service, will automatically have a 1% increase in the deferral amount, unless the participants elect a different deferral percentage, decline this option, or have reached a 6% deferral. Certain groups of eligible employees, as more fully defined in the Plan document, are not subject to the automatic enrollment provisions and shall, therefore, only be enrolled under the affirmative election provisions of the Plan.

A participant may make an affirmative election to begin, modify or cancel participation in the automatic escalation feature at any time, provided such election must be made no later than the last payroll period in March of the Plan year.

**Contributions**
*Participant*
Each participant may contribute up to 80% of either their pre-tax or after-tax annual compensation, as defined in the Plan, up to the Internal Revenue Code ("IRC") maximum limits. A participant may contribute at any time through payroll deductions in multiples of 1/10 of 1%, an amount which is at least 1% of the participant’s compensation. Alternatively, a participant may contribute a fixed dollar amount of at least $3 per week, up to $999 per week. The Plan also allows for participants to make after-tax Roth contributions through payroll deductions. Any participant, age 50 or over, may make an additional “catch-up” contribution in an amount as determined by the Internal Revenue Service (“IRS”).

The Plan administrator may limit contributions by highly compensated employees to ensure satisfaction of nondiscrimination tests. A participant may suspend contributions at any time or may increase or decrease their level of participation at any time during the Plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

*Employer*
The Plan provides for discretionary employer matching contributions for eligible participants. For the year ended December 31, 2025, the Company made a discretionary matching contribution equal to 75% of the first 6% of eligible compensation deferred by non-highly compensated employees and 75% of the first 4.5% of eligible compensation deferred by highly compensated employees. Employer matching contributions totaled $40,135,338 for the year ended December 31, 2025. In addition, the Company made qualified nonelective contributions of $6,006 during 2025.

**Participant Accounts**
Each participant's account is credited with the participant's contributions, Company matching contributions and an allocation of the Plan’s earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**
Participants are vested immediately in their contributions and the Company’s contributions plus actual earnings thereon.

**Investment Options**
Participants direct the investment of their contributions and Company match into various investment options offered by the Plan. Participants may change their investment options daily.

**Notes Receivable from Participants**
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The Plan committee shall determine a reasonable rate of interest at the time the loan is made commensurate with the interest rate charged by persons in the business of lending money for loans which would be made under similar circumstances. Principal and interest are paid ratably through monthly payroll deductions. Terms range up to five years or ten years for the purchase of a primary residence.

**Payment of Benefits**
Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or installment payments as provided in the Plan document. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. If a terminated participant's vested balance is less than or equal to $5,000, the amount may be automatically distributed in the form of lump sum cash payment. In addition, the Plan allows for hardship distributions if certain criteria are met.

## 2. Summary of Accounting Policies

**Basis of Accounting**
The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

**Use of Estimates**
The preparation of financial statements in accordance with GAAP requires Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**
Investments are reported at fair value or net asset value ("NAV"), which approximates fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred.

**Payment of Benefits**
Benefits are recorded when paid.

**Administrative Expenses**
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Administrative fees charged directly to participant's accounts are included in these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

**Subsequent Events**
The Plan‘s management evaluated events that occurred after December 31, 2025 through October 5, 2026, the date when the financial statements were available to be issued.

### 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification Topic 820, *Fair Value Measurements*, ("Topic 820") are described below:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

*Level 2* - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodology used for the Plan's assets measured at fair value. There have been no changes in the methodology used for the period presented in these financial statements.

Shares of Registered Investment Companies (Mutual Funds and Money Market Mutual Funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish the daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts ("CCT"): Valued at the NAV of units of a common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the CCT, the investment advisor reserves the right to temporarily delay withdrawal from the trust to ensure that securities liquidations will be carried out in an orderly business manner.

The fair value of the CCT is measured using the NAV practical expedient, and in accordance with Topic 820, it is not required to be categorized within the fair value hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

| | December 31, 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| **Investments, at fair value** | | | | |
| Shares of registered investment companies (mutual funds) | $ 1,019,102,518 | $ - | $ - | $ 1,019,102,518 |
| Interest-bearing cash (money market mutual funds) | 1,284,868 | - | - | 1,284,868 |
| | 1,020,387,386 | - | - | 1,020,387,386 |
| Common collective trusts measured at net asset value* | - | - | - | 100,067,296 |
| **Total investments at fair value** | $ 1,020,387,386 | $ - | $ - | $ 1,120,454,682 |

| | December 31, 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| **Investments, at fair value** | | | | |
| Shares of registered investment companies (mutual funds) | $ 848,804,213 | $ - | $ - | $ 848,804,213 |
| Interest-bearing cash (money market mutual funds) | 900,976 | - | - | 900,976 |
| | 849,705,189 | - | - | 849,705,189 |
| Common collective trusts measured at net asset value* | - | - | - | 114,896,116 |
| **Total investments at fair value** | $ 849,705,189 | $ - | $ - | $ 964,601,305 |

* In accordance with GAAP, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

**Fair Value of Investments that Calculate Net Asset Value**

The following tables summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

| | December 31, 2025 | | | |
|---|---|---|---|---|
| | Fair Value | Unfunded Commitments | Redemption Frequency (if currently eligible) | Redemption Notice Period |
| Common collective trusts | $ 100,067,296 | $ - | Immediate | None |

| | December 31, 2024 | | | |
|---|---|---|---|---|
| | Fair Value | Unfunded Commitments | Redemption Frequency (if currently eligible) | Redemption Notice Period |
| Common collective trusts | $ 114,896,116 | $ - | Immediate | None |

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan administrator believes that its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**4. Related-Party and Party-in-Interest Transactions**

The Plan's investments and notes receivable from participants' are managed by Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan and, therefore, transactions with Fidelity qualify as party-in-interest. Fees paid by the Plan to the trustee for the year ended December 31, 2025, totaled $990,003. In addition, there are certain transaction fees charged by the trustee that are absorbed in investment income that are not readily determinable.

Additionally, the Plan issues loans to participants, which are secured by the participants' account balances. These transactions qualify as party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

**5. Information Certified by Trustee**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, Fidelity, the Trustee of the Plan, has certified the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

**6. Plan Termination**

Plan management intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, all participants shall receive a total distribution of their accounts as described in the Plan.

**7. Tax Status**

The IRS has determined and informed the Company by a letter dated July 21, 2017, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving this letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan sponsor evaluated the tax positions taken by the Plan and has concluded that, as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. Furthermore, there are no tax related interest or penalties included in the financial statements presented.

**8. Risks and Uncertainties**

The Plan provides participants with various investment options. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. As of December 31, 2025 and 2024, one investment represented a concentration of greater than 10% of the Plan's net assets available for benefits.

**9. Delinquent Participant Contributions**

For the years ended December 31, 2025 and 2024, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Untimely remittances in 2025 identified on the Schedule of Delinquent Participant Contributions, which totaled $206,202, were corrected outside of the DOL's Voluntary Fiduciary Correction Program in 2026. Untimely remittances of $47,177 were identified on the Schedule of Delinquent Participant Contributions in a prior year and were not corrected prior to January 1, 2025. The prior year untimely remittances were corrected outside of the DOL's Voluntary Fiduciary Correction Program in 2025. Additionally, the Company contributed the lost earnings on the 2024 late contributions in accordance with the DOL's self-correction program and the Company filed Form 5330. The 2025 Plan year lost earnings were contributed during 2026, and the Form 5330 will be filed during the 2026 Plan year. All applicable excise taxes will be paid from the Company's assets and not from the assets of the Plan.
