Independent Auditor's Report

To the Plan Administrator
Sodexo, Inc. Vacation Benefits Plan and Trust
North Bethesda, Maryland

Opinion

We have audited the financial statements of Sodexo, Inc. Vacation Benefits Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of the Plan

The following description of the Sodexo, Inc. Vacation Benefits Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

General

The Plan, which was established on March 27, 1998, provides vacation benefits to eligible employees of Sodexo, Inc. (Sodexo or the Company). The Company maintains three vacation policies, an Accrue and Take Vacation Policy (the Forfeiture Policy), a Vested/Unvested Vacation Policy (the Vested Policy), and an Immediate Vesting Vacation Policy (the Immediate Policy).

To be eligible for the Plan, participants must be either one of the following:

- The Forfeiture Policy: A non-temporary employee in classification code 1-4 whose work location is not in California.

- The Vested Policy: A non-temporary full-time frontline/hourly employee in classification code 6 working an average of 30 hours or more per week over a 52-week measurement period, who is not otherwise eligible to participate in another vacation plan sponsored by the Company. In some cases, part-time employees (classification code 6) may also be eligible. Employees working in California are not eligible to participate.

- The Immediate Policy:

    - A non-temporary classification code 1-4 employee whose work location is California, or a non-temporary full-time hourly employee in classification code 6, working an average of 30 hours or more per week over a 52-week measurement period. In some cases, part-time employees (classification code 6) may also be eligible;

    - Employee whose unit or location participates in the Immediate Vesting Vacation Plan;

    - Employee does not participate in the Vested Vacation Plan or the Accrue and Take Vacation Plan; and

    - Employee who does not work in California and is not covered under the McNamara-O'Hara Service Contract Act.

The Plan is administered by the Company's Benefit Operations Department (the Plan Administrator).

Contributions

The Plan is a noncontributory plan that is funded by Company contributions and accumulated investment income. The Company made $1,687,000 as an initial contribution to fund the Plan and must maintain the endowment balance in the Plan's bank account.

The Company makes periodic contributions to the Plan sufficient to satisfy current vacation benefit payment requirements. In the event that the Plan's assets are insufficient to meet current benefit payment requirements, the Company is required to contribute funds immediately to satisfy those requirements.

Payment of Benefits

The Forfeiture Policy covers all salaried and full-time administrative and clerical employees; the Vested Policy covers all full-time administrative and clerical employees and full-time hourly employees; and the Immediate Policy covers all salaried and full or part-time administrative and clerical employees and full-time hourly employees who are not eligible for the Forfeiture Policy or the Vested Policy. All vacation benefits are determined at each employee's current wage rate during the employee's scheduled vacation period.

Under the Forfeiture Policy, vacation benefits accrue beginning at the employee's date of hire of the Plan year in accordance with specified vacation benefits schedules. Any vacation earned during the year, but not taken by the end of the financial year, is forfeited. Eligible vacation leave accrued prior to participating in the Forfeiture Policy will be paid out when an employee becomes eligible for the Forfeiture Policy.

Under the Vested Policy, vacation benefits begin to accrue at the employee's date of hire in accordance with specified vacation benefits schedules. Vacation benefits accrued during each year vest on the employee's anniversary date or the unit vesting date. Employees can carry over a maximum of 30 days from one year to the next year. Vested vacation benefits are paid in cash when an employee retires or terminates employment.

Under the Immediate Policy, the vacation benefits accrued are considered "vested benefits." Vacation benefits earned by employees will not be forfeited. Vacation benefits earned under the Forfeiture Policy or the Vested Policy will be transferred into the Immediate Policy and can be carried over each year in accordance with the Immediate Policy. Vested vacation benefits are paid in cash when an employee retires or terminates employment.

Administrative Expenses

Administrative expenses, such as audit fees, are paid from Plan assets.

2. Summary of Accounting Policies

Basis of Presentation

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities; and the benefit obligations at the date of the financial statements, and changes therein. Actual results could differ from those estimates.

Benefit Obligations

The Plan has a vacation benefit obligation balance outstanding at year-end representing vacation benefits incurred prior to year-end but not paid until after year-end. See Note 3. Vested and unvested vacation balances are accrued and adjusted each payroll cycle by the payroll provider, Automatic Data Processing (ADP). Vacation payments are reported by ADP to the Plan on a weekly basis.

Concentration of Credit Risk

The Plan maintains deposits with high quality institutions in amounts that are in excess of Federal Deposit Insurance Corporation limits up to $250,000. The uninsured balances were $19,493,373 and $4,020,568 as of December 31, 2025 and 2024, respectively. The Plan has not experienced any losses in such accounts historically and does not believe it is exposed to any significant credit risk on deposits.

3. Benefit Obligations and Related Changes

The following table presents components of the Plan's benefit obligations and the related changes in the Plan's benefit obligations:

December 31,	**2025**	2024
Benefit obligations		
Vested benefits	**$ 49,859,396**	$ 48,262,610
Unvested benefits	**1,800,348**	2,362,420
Benefit obligations	**$ 51,659,744**	$ 50,625,030

Year ended December 31,	**2025**
Changes in benefit obligations	
Benefit obligations, beginning of year	**$ 50,625,030**
Benefits earned and other changes	**158,352,743**
Benefit claim payments	**(157,318,029)**
Benefit obligations, end of year	**$ 51,659,744**

4. Plan Termination

Although it has not expressed any intention to do so, the Company has the right to modify the benefits provided under the Plan and to terminate the Plan subject to the provisions set forth in ERISA. If the Company terminated the Plan, any assets in the Plan will be used to pay outstanding vacation benefit claims as directed by the Company. The Company will pay any benefit claims in excess of the Plan's assets. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

5. Income Tax Status

The trust funding the Plan has received an exemption letter from the Internal Revenue Service (IRS) dated July 9, 1999, stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (the Code) as a Voluntary Employee Beneficiary Association. The Plan and the trust are required to operate in conformity with the Code to maintain the tax-exempt status of the trust. The Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and, therefore, believes the related trust is tax-exempt.

Under Section 512 of the Code, the investment earnings attributable to reserves for vacation benefit obligations are not exempt from income taxes. Therefore, the trust is subject to tax on unrelated business income under Section 511 of the Code.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Parties-in-Interest and Related Party Transactions

Sodexo is the Sponsor of the Plan and as such, executes the normal duties associated therewith. Costs incurred for legal and other administrative functions are paid by the Sponsor on behalf of the Plan and are excluded from these financial statements. The Company contributed $172,720,135 in contributions to the Plan during 2025. The Plan's assets are held at BMO Bank, N.A.; as such, BMO Bank, N.A., as a custodian, is a party-in-interest that has engaged in permissible transactions with the Plan. Fees paid by the Plan to the third-party administrators and audit fees amounted to $38,506 for the year ended December 31, 2025. The Plan Sponsor pays any other fees related to the Plan's operations. Expenses that are paid by the Plan Sponsor are excluded from these financial statements.

7. Reconciliation of Financial Statements to the Form 5500
