**Tadiso, Inc. 403(b) Plan**

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Tadiso, Inc. 403(b) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that,

individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of December 31, 2025 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under

ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# TADISO, INC. 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED DECEMBER 31, 2025 AND 2024

## 1. Description of Plan

Tadiso, Inc. (Tadiso) operates a comprehensive multiple-modality drug abuse treatment program whose objectives focus on the treatment of addictive behavior on a psychological, as well as a physical basis. The client base consists primarily of residents of Allegheny County, Pennsylvania, for whom treatments are rendered on an outpatient basis. Effective January 1, 2017, the Tadiso, Inc. 403(b) Plan (Plan) was established for providing the employees of Tadiso with a retirement savings program. The accompanying financial statements include only the activity and financial position of the Plan and are not intended to reflect Tadiso as a whole.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 403(b) plan covering all employees of Tadiso. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective July 2024, the Plan was amended to change the recordkeeper from PenServ Plan Services (PenServ) to T. Rowe Price Services, Inc. (T. Rowe) and the custodian from Matrix Trust Company (Matrix) to Reliance Trust Company (Reliance).

Eligibility and Contributions

All employees are eligible to participate in the Plan and make elective deferrals upon hire. Employees become eligible to receive employer matching and non-elective contributions upon attaining age 21 and completion of one year of service, defined as 1,000 hours of service during a 12-consecutive-month period. Under the Plan document, employer matching and non-elective contributions are discretionary and are determined annually by Tadiso. For the years ended December 31, 2025 and 2024, Tadiso made matching contributions equal to 100% of each eligible participant’s elective deferrals up to 3% of eligible compensation. Non-elective contributions were allocated at 2% of eligible compensation for 2024. For 2025, non-elective contributions were allocated at rates ranging from 2% to 3% of eligible compensation.

Participant Accounts

Participants direct the investment of their contributions and Tadiso's contributions into various investment options offered by the Plan.

Each participant's account is increased by the participant's contributions, employer matching and non-elective contributions, an allocation of Plan earnings, and any participant rollovers. Participant accounts are decreased by administrative expenses and distributions. The benefit to which a participant is entitled is equal to the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions, including rollovers and transfers, and actual earnings thereon. Participants are also completely vested in their accounts upon retirement age or due to death or permanent disability. Vesting in the employer contributions is based on the years of service as follows:

| Years of Service | Percentage |
|---|---|
| 0-2 | 0% |
| 3 | 100% |

Forfeitures

Forfeitures represent participant account balances that are not vested upon the termination of an employee. Forfeitures are used for the payment of plan expenses and to offset employer contributions. Approximately $7,446 and $8,100 was forfeited from participant accounts in 2025 and 2024, respectively. Approximately $0 and $6,900 was used to offset employer contributions during 2025 and 2024, respectively. The balance of the forfeiture account at December 31, 2025 and 2024 was $17,536 and $9,657, respectively.

Notes Receivable from Participants

The Plan permits participants to borrow up to 50% of their vested account balance up to $50,000. Loans cannot be less than $1,000. A participant may only have one outstanding loan at any given time. Notes receivable are to be repaid over a period not to exceed five years, unless used to acquire a principal residence. Notes receivable are secured by the

balance in the participant's account and bear a reasonable rate of interest of 5.50% to 10.50% during the Plan years ended December 31, 2025 and 2024.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive their vested benefits under any option allowed under the plan. Participants may receive in-service distributions from all accounts upon attaining age 59½, subject to the Plan's terms. Participants with vested account balances of $7,000 or less are subject to an involuntary cash-out distribution in accordance with the Plan's terms. Hardship withdrawals may be made for purposes outlined in the Plan document.

## 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at a measurement date. See Note 3 for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the matching contributions from the Organization are recorded in the year in which the participant contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis of accounting. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefits are recorded when paid. There were $871 of benefits allocated to the accounts of persons who had withdrawn from the Plan but were not paid as of December 31, 2025 and 2024, respectively.

Plan Expenses

Certain expenses of maintaining the Plan are paid by Tadiso and are therefore excluded from these financial statements. Fees related to the administration of distribution requests and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of investments.

Subsequent Events

Subsequent events have been evaluated through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

## 3. Fair Value Measurements

Fair values for Level 1 investments are determined by reference to unadjusted quoted market prices for identical assets in active markets that the Plan has the ability to access. Fair values for Level 2 investments are determined by reference to quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets,

inputs other than quoted prices that are observable for the asset, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. Level 3 investments have significant unobservable inputs, as they trade infrequently or not at all.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025.

*Money market and mutual funds:* Valued at the closing price reported on the active market on which the individual securities are traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

| | | Fair Value Measurements at Reporting Date Using | | |
|---|---|---|---|---|
| Description | 12/31/2025 | Quoted Prices in Active Markets for Identical Assets (Level 1) | Significant Other Observable Inputs (Level 2) | Significant Unobservable Inputs (Level 3) |

## 4. Information Certified by the Plan's Custodian

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments and interest and dividends for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance, the custodian of the Plan for July 2024 through December 2025, and Matrix, the custodian of the Plan for January 2024 through July 2024.

## 5. Related Party and Party-In-Interest Transactions

Recordkeeping and administrative services for the Plan are performed by T. Rowe from July 2024 – December 2025, and PenServ from January 2024 – July 2024. Custodial services are performed by Reliance from July 2024 – December 2025 and Matrix from January 2024 – July 2024. Advisory services are performed by Commonwealth Financial Network. As transaction fees and other fees are paid to these entities, these transactions qualify as party-in-interest transactions. Administration fees paid by the Plan amounted to $19,276 and $6,053 for the years ended December 31, 2025 and 2024, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

For the Plan years ended December 31, 2025 and 2024, there were delinquent participant contributions of $0 and $24,911, respectively. In addition, delinquent participant contributions related to the Plan years ended December 31, 2023 and 2022 totaled $10,792 and $34,065, respectively. As of December 31, 2025, the delinquent participant contributions related to the 2024, 2023, and 2022 Plan years, totaling $69,768, had not been corrected. These amounts are disclosed in the supplemental schedule, Schedule of Delinquent Participant Contributions as of December 31, 2025, and on the 2025 Form 5500 Schedule H, Line 4a. Plan management is working to correct these contributions.

## 6. Plan Termination

Although it has not expressed any intent to do so, Tadiso has reserved the right to terminate or to amend the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

## 7. Tax Status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The plan administrator believes that terms of the Plan have been prepared to conform with the written plan requirements of Regulation 1.403(b)-3 of the Code. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). The Plan annually files a Form 5500.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress for the Plan.

## 8. Risks and Uncertainties

The Plan's investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with these investments and the level of uncertainty related to changes in the value of these investments, it is at least reasonably possible that changes in the near-term could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.
