Independent Auditors' Report

To the Retirement Plan Committee
of Fross Zelnick Lehrman & Zissu, P.C. 401(k) and Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Fross Zelnick Lehrman & Zissu, P.C. 401(k) and Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) Schedule H, Line 4i as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of Fross Zelnick Lehrman & Zissu, P.C. 401(k) and Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established effective April 1, 1982 as a defined contribution plan for eligible employees of Fross Zelnick Lehrman & Zissu, P.C. (the "Sponsor" or "Employer"), as defined.

Effective June 1, 2000, the Sponsor amended and restated the Plan to ensure continued qualification. Effective January 1, 2002, the Plan was amended to incorporate the changes required by the Economic Growth Tax Relief Reconciliation Act 'EGTRRA'. Effective January 1, 2008, the Plan was further amended to allow automatic enrollment. Effective January 1, 2009, the Plan was amended and restated to make various clarifying changes. Effective January 1, 2010, the Plan was amended to allow for more frequent date changes in deferral election and investment choices. Effective January 1, 2012, the Plan was amended and restated to revise the automatic enrollment provision.

The Plan was amended several times for modification of certain provisions. The Plan, as amended, is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan adopted the required provisions of the Setting Every Community Up for Retirement Enhancement Act, known as SECURE 2.0 Act. Plan amendments required by the Act need not be made until the end of the first plan year beginning on or after January 1, 2025. Provisions that are in effect for the Plan year ended December 31, 2023 include increasing the Required Minimum Distributions age to 73 starting on January 1, 2023. Under the SECURE 2.0 Act, retirement plans may allow participants to elect to receive non-elective contributions as Roth contributions. In addition, Plan Sponsor may rely on employee certification that deemed hardship withdrawal conditions have been met.

Eligibility for Participation

All employees are eligible to participate in: (i) the profit-sharing portion of the Plan upon completing one year of service, as defined, provided that they have attained the age of 21, and (ii) the 401(k) portion of the Plan upon completing three months of service, provided that they have attained the age of 21, as defined. For purposes of receiving the discretionary contributions, the date of enrollment is January 1st, April 1st, July 1st or October 1st coincident with or next following the date the employee meets the eligibility requirements. For all other purposes, the date of enrollment is the first day of the month of the Plan year coincident with or next following the date the employee meets the eligibility requirements.

Eligibility for Contribution

I. *Salary Deferral Contributions*. The maximum contribution for the calendar year 2025 was limited to $23,500, plus up to $7,500 in a catch-up contribution for participants of age 50 or over. Participants direct the investment of their contributions into various investment options offered by the Plan. At December 31, 2025 and 2024, the Plan's investments were maintained in fixed annuities and mutual funds. The Plan maintains an individual account for each participant-directed investment showing the participant's interest in each fund. Each participant's share of investment income is allocated on a pro-rata basis. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at three percent of eligible compensation and their contributions are invested in a designated balanced fund until changed by the participant. A participant is allowed to defer a maximum of 75% of pre-bonus compensation, up to the Internal Revenue Service ("IRS") maximum, per year.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Eligibility for Contribution (continued)

II. *Employer Discretionary Contributions*. The Employer's contributions (profit-sharing contributions) are made at the discretion of the Plan Sponsor for eligible employees. The allocation of discretionary contributions is made with respect to the participant allocation group: partners and non-partners. The amount of the discretionary contribution for partners is allocated among the eligible partners in the same ratio that each partner's compensation bears to the total compensation of all eligible partners. For the Plan year ended December 31, 2025, the maximum amount for partners was $25,000. For the Plan year ended December 31, 2025, the Sponsor's contributions for non-partners were 3.00% of eligible compensation.

Participants file an election designating the proportion in which contributions on their behalf are to be allocated among investment funds. Participants may change their investment options (participant-directed).

Participant Accounts

Each participant's account is credited with the employee-elected salary deferral contribution, employer discretionary contributions, qualified distributions from other retirement plans, and an allocation of Plan earnings, (and charged with an allocation of administrative expenses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their voluntary contributions plus actual earnings thereon.

Vesting of the Employer's profit-sharing contributions is as follows:

1) For participants with an employment commencement date after December 31, 2012:

Year(s) of Service	Percentage
Less than 2	0%
At least 2 but less than 3	20%
At least 3 but less than 4	40%
At least 4 but less than 5	60%
At least 5 but less than 6	80%
6 and more	100%

2) For participants with an employment commencement date before January 1, 2013:

Year(s) of Service	Percentage
Less than 1	0%
At least 1 but less than 2	25%
At least 2 but less than 3	50%
At least 3 but less than 4	75%
4 and more	100%

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants are permitted to take loans from the Plan. Participants are allowed to borrow up to one-half of their vested interest up to a maximum of $50,000 pursuant to the Plan agreement. The loans have terms that range from one to five years, (unless the loan is used for the purchase of a primary residence, in which case the repayment period may be up to 30 years), are secured by the balance in the participant's accounts and bear interest rates that range from 4.25 percent to 10.25 percent, as set by the Plan Sponsor. Principal and interest are paid ratably through monthly payroll deductions. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. On termination of service, participants may elect to postpone their distribution until their required beginning date. For five percent owners, distributions are required to begin no later than April 1st following the end of the year in which they reach age 73. For participants who are not five percent owners, distributions are required to begin no later than April 1st following the later of the end of the year in which they reach age 73 or terminate employment.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $53,626 and $92,777, respectively. Forfeitures were used for the non-elective profit-sharing contributions for the year ended December 31, 2025.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Investment Committee determines the Plan’s valuation policies utilizing information provided by the investment advisers, and Empower Trust Company, LLC (“Empower”), the Plan’s custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN AS COMPLETE AND ACCURATE

Empower the custodian of the Plan, has certified to the completeness and accuracy of the investments included in the financial statements as of December 31, 2025 and 2024, and the investment activity included in the financial statements for the year ended December 31, 2025. The following information is certified by the custodian of the Plan:

	2025	2024
At December 31:		
Investments, at fair value	$ 53,185,074	$ 48,576,006
Fully benefit-responsive investment contracts at contract value	$ 2,868,622	$ 3,103,750
Year Ended December 31, 2025:		
Net appreciation in fair value of investments	$ 4,785,432	
Dividend and interest income	$ 2,643,116	

Notes receivable from participants of $306,412 and $271,422 as of December 31, 2025 and 2024, respectively, and interest income on notes receivable from participants of $25,657 for the year ended December 31, 2025 have also been certified by the trustee.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds:

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 53,185,074	$ --	$ --	$ 53,185,074

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 48,576,006	$ --	$ --	$ 48,576,006

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan entered into a fully benefit-responsive guaranteed investment contract ("GIC") with Empower. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (CONTINUED)

Because the GIC meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the GIC. The GIC is presented on the face of the statements of net assets available for plan benefits at contract value.

Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the GIC at December 31, 2025 and 2024 was $2,868,622 and $3,103,750, respectively.

Empower is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with Empower. The average yield earned by the Plan for the Benefit Responsive fund was 2.60% and 2.56% for the years ended December 31, 2025 and 2024, respectively. The actual yield earned by the Plan for the Benefit Responsive fund was 2.60% and 2.56% for the years ended December 31, 2025 and 2024, respectively. Such interest rates are reviewed on a semi-annual basis for resetting. The crediting rate of the product will be established based on current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account. These rates are established without the use of a specific formula.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity-wash provisions, (3) bankruptcy of the Plan sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

The investment contract does not have any restrictions that impact the ability of the Plan to collect the full contract value. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. Empower may not terminate the contract at any amount less than the contract value.

NOTE 6 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

At December 31, 2025 and 2024, certain Plan assets were invested in the EI Fixed Account – Series Class V. This fund is a fixed account that is part of the General Account of Empower. Empower Trust Company LLC is the Trustee of the Plan, and therefore, these transactions qualify as party-in-interest transactions. For the Plan year ended December 31, 2025, the Plan incurred $105,196 to CapFinancial Partners LLC, the Plan's investment advisor, $44,642 to Empower for recordkeeper services, $24,537 to Groom Law Group Chartered, the ERISA attorney, $31,030 paid to CBIZ CPAs, P.C. for the Plan's audits, and $2,855 to Empower Advisory Group, LLC, investment management. The Plan's recordkeeper receives compensation from certain mutual funds ("revenue sharing") and allocates it to the Plan. For the Plan year ended December 31, 2025, the revenue sharing income was $142,806, and was used to offset fees paid to Empower for recordkeeper services. In addition, the Plan received assets fee credit of $16,116 for the year ended December 31, 2025.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Sponsor may determine.

NOTE 8 – TAX STATUS

The IRS has determined and informed the Sponsor by a letter dated February 1, 2018, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 10 – SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events subsequent to the date of the statement of net assets available for plan benefits through October 8, 2026, the date the financial statements were available to be issued.
