Independent Auditor's Report

To the Plan Administrator
National Express Safe Harbor 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of National Express Safe Harbor 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024 and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 - Plan Description

The following description of National Express Safe Harbor 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

Effective January 1, 2026, the Plan was amended to change its name from National Express Safe Harbor 401(k) Plan to Summit School Services LLC Safe Harbor 401(k) Plan.

General

The Plan is a defined contribution plan covering substantially all employees of the following National Express Corporation affiliated entities: Durham School Services, LP; Durham D&M, LLC; National Express Transit Corporation; National Express Transit Services Corporation; Petermann, Ltd. LLC; National Express LLC; On Top Tours NYC Inc.; Rainbow Management Service Inc.; Trans Express Inc.; "The Provider" Enterprises, Inc.; Septran, Inc.; SR Leasing Company Inc.; Smith Bus Service, Inc.; White Plains Bus Co., Inc.; Suburban Paratransit Service, Inc.; Trinity, Inc.; Trinity Cars, Inc.; JNC Leasing Inc.; Trinity Coach LLC; Trinity Management Services Co. LLC; Caravans Leasing Vehicles LLC; Transit Express Services, Inc.; Meda-Care Vans of Waukesha, Inc.; New Dawn Transit LLC; Diamond Transportation Services, Inc.; Safeway Training and Transportation Service, Inc.; Cook-DuPage Transportation Company, Inc; Coach Lines, LLC; and Transit Express, Inc. (collectively, the "Company"). Certain nonresident aliens, leased employees, union employees to the extent the collective bargaining agreement does not specifically provide for coverage of such employees of the Company under the Plan, state employees eligible to participate under the Ohio State Pension 401(k) Plan, and state employees eligible to participate under the Ohio State Employee Retirement System are excluded from participation in the Plan. All covered employees of the Company become eligible to participate in the Plan on January 1, April 1, July 1, or October 1 following their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During 2024 and 2025, participants employed by the following entities were transferred out of the Plan: National Express Transit Corporation; National Express Transit Services Corporation; Transit Express Services, Inc.; Meda-Care Vans of Waukesha, Inc.; Cook-DuPage Transportation Company, Inc.; Trans Express Inc.; Diamond Transportation Services, Inc.; White Plains Bus Co., Inc.; Coach Lines, LLC; and Transit Express, Inc. Effective January 1, 2026, a plan amendment was adopted to formally remove these entities as participating employers.

Administration

Durham School Services, LP is the sponsor of the Plan. The administrative committee, as provided in the plan agreement, is the plan administrator and has responsibility for the administration of the Plan. Matrix Trust Company and OneAmerica Retirement Services LLC served as the Plan's trustee and recordkeeper, respectively, through December 7, 2025. Effective December 8, 2025, Voya Institutional Trust Company and Voya Retirement Insurance and Annuity Company served as the Plan's trustee and recordkeeper. Investment management fees and trustee fees are paid by the Plan in accordance with the plan agreement.

Effective January 1, 2026, Summit School Services, LLC replaced Durham School Services, LP as the sponsor of the Plan.

Contributions

The Plan provides for employee 401(k) deferral contributions up to a maximum of 50 percent of annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may elect to make Roth contributions, which are after-tax contributions that are also subject to certain IRC limitations. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

Note 1 - Plan Description (Continued)

The Plan provides for employer safe harbor matching contributions equal to 100 percent of the participant's contribution, not to exceed 3 percent of the employee's compensation, plus 50 percent of the participant's contributions up to the next 2 percent of compensation.

The Company may make annual discretionary profit-sharing contributions to the Plan equal to 3 percent of certain employees' compensation. To qualify for such discretionary profit-sharing contributions, employees must be union members covered by the collective bargaining agreement between the International Brotherhood of Teamsters Local 553 and New Dawn Transit LLC, a participating employer in the Plan. Such contributions are fully vested at all times.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Vesting

All participants are fully vested at all times in their 401(k) deferral accounts, rollovers, safe harbor matching accounts, and plan earnings thereon. Prior contributions related to plans previously sponsored by Double A Transportation, Inc.; Petermann, Ltd. LLC; Carrier Management Corporation d/b/a Matthews Bus Company; White Plains Bus Co., Inc.; and Cook-DuPage Transportation Company, Inc. that were merged into the Plan shall also remain 100 percent vested.

Benefit Payments

Upon termination of employment, the participant or, in the case of death, the surviving spouse can elect to receive the participant's account balance in a single lump sum. In-service withdrawals are permitted for participants after attainment of age 59½. Account balances less than $5,000 are paid in a single lump sum upon termination.

Participants may request that all or a portion of their accounts be distributed in the case of financial hardship, as defined in the plan document. The plan administrator must approve any such hardship withdrawals.

Party-in-interest Transactions

Certain plan assets are in investment funds managed by OneAmerica Retirement Services LLC and Voya Institutional Trust Company or their affiliates. OneAmerica Retirement Services LLC and Voya Institutional Trust Company are the recordkeeper for the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

Termination

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA.

Note 2 - Summary of Significant Accounting Policies

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Note 2 - Summary of Significant Accounting Policies (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Various administrative costs are paid by the Company.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 7, 2026, which is the date the financial statements were available to be issued.

Note 3 - Certified Information

In 2025, the Plan changed its trustee from Matrix Trust Company to Voya Institutional Trust Company (collectively, the "Trustees"). The Trustees held the Plan's investments and executed all investment transactions during the periods under audit. The investment balances and related investment income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by the Trustees.

Note 4 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

Level 1

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Note 4 - Fair Value Measurements (Continued)

Level 3

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset.

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The following valuation methodologies have been used to value the Plan's investments:

Mutual Funds

Mutual funds are valued at quoted prices reported in active markets.

Common/Collective Trust Fund

The common/collective trust fund is valued at net asset value per share (NAV) or its equivalent of the fund, which is based on the fair value of the fund's underlying assets. There are no redemption restrictions or unfunded commitments on these investments.

The following tables present information about the Plan's assets measured at fair value on a recurring basis at December 31, 2025 and 2024:

	Assets Measured at Fair Value on a Recurring Basis at December 31, 2025			
	Investments (at Fair Value)	Level 1	Level 2	Level 3
Mutual funds	$ 138,728,530	$ 138,728,530	$ -	$ -
Investments measured at NAV - Common/collective trust fund	7,494,748			
Total investments at fair value	$ 146,223,278			

	Assets Measured at Fair Value on a Recurring Basis at December 31, 2024			
	Investments (at Fair Value)	Level 1	Level 2	Level 3
Mutual funds	$ 122,247,709	$ 122,247,709	$ -	$ -
Investments measured at NAV - Common/collective trust fund	7,305,947			
Total investments at fair value	$ 129,553,656			

Note 5 - Tax Status

The Plan uses a preapproved plan. The preapproved plan has received a favorable opinion letter from the Internal Revenue Service indicating that the Plan, as designed, is qualified for federal income tax-exempt status. The Plan has not individually sought its own determination letter.

Note 6 - Plan Transfers

During 2025, certain participant account balances were transferred from the Plan to the WeDriveU 401(k) Plan, which is sponsored by an entity within the same controlled group of employers as the Plan.

Note 7 - Reconciliation of the Financial Statements to Form 5500

As of December 31, 2025, the accompanying financial statements have included contributions receivable from the Company in the amount of $905,609. For 2025, Form 5500 has recorded its assets on the cash method of accounting and did not record contributions receivable at December 31, 2025. Accordingly, contribution income on Form 5500 for the year ended December 31, 2025 is $905,609 lower than amounts reported on the accompanying financial statements.
