INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
MPR Associates, Inc. 401(k) and Profit Sharing Plan

SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT

We have performed an audit of the financial statements of MPR Associates, Inc. 401(k) and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of MPR Associates, Inc. 401(k) and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2025 and 2024, and for the year then ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

OPINION

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America;

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MPR Associates, Inc. 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MPR Associates, Inc. 401(k) and Profit Sharing Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore

is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the MPR Associates, Inc. 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MPR Associates, Inc. 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTER - SUPPLEMENTARY SCHEDULES REQUIRED BY ERISA

The supplementary information are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the

- form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MPR ASSOCIATES, INC. 401(K) AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025

1. Description of plan

The following brief description of the MPR Associates, Inc. 401(k) and Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution profit sharing and 401(k) plan to cover substantially all employees of MPR Associates, Inc. (the Company). For the profit-sharing feature, the participant must be employed on the last day of the Plan year. There is no minimum age requirement, and participation commences on the employment date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The SECURE 2.0 Act of 2022 ("Act") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act, 2023. The Plan is required to be operated in accordance with the effective date of each applicable provision. Deadlines for adopting the related plan amendments are established under IRS Notice 2024-2 and subsequent guidance and vary by provision. The Plan was amended effectively on January 1, 2026, to incorporate applicable provisions of the Act.

Contributions - For 2025, each participant may contribute a maximum of $23,500 to the Plan. In addition, participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions not to exceed $7,500 and participants between ages 60 to 63 at the end of the Plan year are eligible to make super catch-up contributions not to exceed $11,250. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers, as investment options, nineteen mutual funds, thirteen collective trusts, and a stable value fund. The Plan Sponsor makes discretionary contributions to the Plan and is subject to approval by the Company's Board of Directors. The Plan Sponsor contributions are subject to certain limitations imposed by the Internal Revenue Service (IRS).

Participants' accounts - Each participant's account is credited or charged, as appropriate, with (a) the participant's contribution, (b) the Plan Sponsor's discretionary contributions, (c) forfeitures of terminated participants non-vested accounts, and (d) Plan earnings or losses and expenses. Allocation of Plan Sponsor's discretionary contributions and forfeitures are based on participant earnings, as defined by the plan agreement, for the entire year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting - Participants are vested immediately in their contributions plus earnings thereon. The Plan Sponsor's contribution vesting is based on year of continuous service. A participant becomes 100% vested after five years of credited service (25% per year, beginning with the second year of credited service).

1. Description of plan (continued)

Participant notes receivable - Participants may (with the consent of their spouse under certain conditions) borrow from their 401k accounts up to a maximum amount which, when added to the outstanding balance of all other loans to the participant, will not exceed the lesser of (a) $50,000 reduced by the excess (if any) of the larger of the highest loan balance outstanding during the one-year period prior to making the loan, or (b) 50% of their vested account balance. The loans are to be repaid over a period not to exceed five years, except as to loans used to acquire a home, in which event the term is to be determined by mutual agreement between the Plan and the participant. The notes are secured by the balance in the participant's account and incur interest at a fixed rate determined by the plan administrator, currently 1% above the prime rate in effect on the date the loan is made. Interest rates on participant notes at December 31, 2025 ranged from 4¼% to 9½%. Principal and interest are paid in level amounts through bi-weekly payroll deductions.

Benefits - Participants are entitled to 100% of their vested account balance at age 65 or earlier in the event of death, disability or termination of employment. Benefit payments may be made in the form of a single sum payment or a paid-up annuity contract as elected by the participant or beneficiary. In addition, in-service distributions of up to 100% of their vested account balances may be made to participants who have reached 59½ years of age. Upon termination of employment, participants whose vested account balance is $5,000 or less may have their vested account balance distributed to them in a single sum payment or by direct rollover to an IRA or other eligible retirement plan. If the vested portion of the participant's account is greater than $5,000, no distribution or any part thereof may be paid prior to the participant's attainment of age 65 without the participant's written consent, or in the event of death, the participant's interest will be distributed to the designated beneficiary upon request. In addition, participants may elect to make an In-Plan Roth Rollover Contribution of any amount held in their account. Benefit payments may be made at any time of rollover contributions after age 59½.

Forfeited accounts - Forfeitures during 2025 aggregated $168,345. During 2025, $50,000 was used to reduce the Plan Sponsor's employer contributions and reimburse the Plan Sponsor for plan expenses they paid in advance aggregating to $85,013 (see Note 7). Investment gains and earnings on such funds aggregated $9,734 and $11,785 at December 31, 2025 and 2024, respectively. The balance of non-vested forfeited accounts was $314,824 and $163,833 at December 31, 2025 and 2024, respectively.

2. Accounting policies

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting and present net assets available for benefits and changes in those net assets.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. *Accounting policies (continued)*

Investment valuation and income recognition - The Plan's investments are stated at fair value (except for stable value funds, which are reported at net assets value). Shares in mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end.

Certain investments that are measured using the NAV per unit (or its equivalent) practical expedient have not been classified in the fair value hierarchy (see Note 5). The NAV per unit is computed at the close of the New York Stock Exchange (NYSE), normally at 4 p.m. eastern time, each day the NYSE is open for business. The NAV per unit is computed by dividing the total fair value of the assets of the funds, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income is reinvested in the fund and included in the determination of units of values.

Purchases and sales of securities are recorded on the trade-date. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis of accounting. The net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as investments held during the year.

Participant notes receivable - Loans to participants are measured at their unpaid principal balance plus unpaid accrued interest. Participant loans which, under the provisions of the Plan, are deemed delinquent are reclassified as distributions.

Payment of benefits - Benefits are recorded when paid.

Subsequent events - The Plan has evaluated subsequent events through October 7, 2026, which is the date these financial statements were available to be issued. All subsequent events requiring recognition as of December 31, 2025 have been incorporated into these statements.

3. *Investments (unaudited)*

On December 31, 2025 and 2024, the Plan's investments were held by the Trustee. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

	2025	***2024***
Mutual funds	$ 118,949,229	$ 103,605,486
Stable value funds	9,929,591	8,998,740
Common trust funds	91,848,481	82,292,736
Notes receivable from participants	553,384	529,559
	$ 221,280,685	$ 195,426,521
Net appreciation in value	$ 25,532,049	$ 19,822,175
Interest and dividend income	$ 4,453,597	$ 5,159,052

4. Fair value measurements (unaudited)

For the year ended December 31, 2025, the net appreciation in the fair value of investments (including investments bought, sold and held during the year) is attributable solely to mutual fund investments.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

December 31, 2025	***Fair Value***	***Level 1***
Stock funds	$ 103,674,588	$ 103,674,588
Bond funds	7,996,355	7,996,355
Money market funds	314,849	314,849
Multi-class funds	6,963,437	6,963,437
	$ 118,949,229	$ 118,949,229

December 31, 2024	***Fair Value***	***Level 1***
Stock funds	$ 90,133,585	$ 90,133,585
Bond funds	7,167,202	7,167,202
Money market funds	163,832	163,832
Multi-class funds	6,140,867	6,140,867
	$ 103,605,486	$ 103,605,486

Authoritative accounting guidance sets forth a framework for measuring fair value. That framework provides a fair value hierarchy that gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Plan measures fair value using Level 1 inputs whenever possible because they generally provide the most reliable evidence of fair value. To the extent practicable, Level 2 inputs are used by the Plan when the Plan cannot measure fair value using Level 1 inputs, and Level 3 are only used when Level 1 or Level 2 inputs are unavailable. The Plan measures the fair value of all of its investments using Level 1 inputs at December 31, 2025 and 2024.

The preceding method described may produce a fair value calculation that is not indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair spot value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Stable value and common trust funds (unaudited)

The T. Rowe Price Stable value common fund and common trust fund (T. Rowe Price Retirement Target Date Funds Class E and PGIM Total Return Funds) are valued at the net asset value (NAV) of units of the fund. This valuation is a practical expedient under accounting standards, allowing for the use of NAV without adjustment for fair value. The NAV is determined by the underlying assets and is used for reporting purposes. Using NAV as a practical expedient does not require disclosure of the investment's level in the fair value hierarchy.

The investment objective of the stable fund is to maximize current income and maintain principal stability of $1.00 units by investing primarily in a diversified portfolio of guaranteed investment contracts (GIC), bank investment contracts (BIC), synthetic investment contracts (SIC), and/or separate account contracts (SACs). These types of investment contracts are designed to provide stability and a competitive yield.

The investment objective of the retirement funds is to seek the highest return with an emphasis on both capital growth and income. The funds pursue their objectives by diversifying exposure to stocks, bonds and cash for investors based on risk and return in consideration of specific target dates.

The investment objective of the PGIM total return bond fund is to seek return by investing in a diversified portfolio of bonds from multiple fixed income sectors. The fund may be appropriate for investors seeking current income and capital appreciation in a diversified core fixed income fund.

The table below summarizes investments measured at fair value based on NAV per share as of December 31, 2025 and 2024.

December 31	*Fair Value*	Unfunded *Commitments*	*Redemption Frequency (If Currently Eligible)*	*Redemption Notice Period*
2025	$ 101,778,072	N/A	Daily	None
2024	$ 91,291,476	N/A	Daily	None

The weighted average current yield earned by the trusts is 16.17% and 4.03% at December 31, 2025 and 2024, respectively.

6. Risks and uncertainties

Although the Plan permits participants to invest in a variety of mutual funds, investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks will occur in the near term. Such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

6. Risks and uncertainties (continued)

Financial instruments, which potentially subject the Plan to concentrations of credit risks, consist primarily of mutual funds which invest in debt instruments. The Plan has offered Plan participants options in a variety of bond funds with varying investment objectives as a means of reducing the effects of such risks.

The Plan has a money market mutual fund account (the T. Rowe Price Government Money Fund) which is an investment whose underlying assets consist of high-quality, short-term money market investments issued by U.S. issuers. Funds in this account, aggregating $314,849 at December 31, 2025, are not insured by the FDIC. The investment objective of the fund is to maintain a stable net asset value of $1 per share, liquidity, and earn income commensurate with yields on high-quality, short-term investments.

7. Related party transactions

A substantial portion of the Plan's investments are funds managed by T. Rowe Price, Trustee of the Plan. T. Rowe Price contributed $107,950 to the Plan during 2025 to fund the Plan's administrative expense. Under ERISA, such transactions qualify as party-in-interest transactions.

For the 2025 Plan year, some costs of administering the Plan, principally professional fees, were paid in advance by the Plan Sponsor. The Plan owes the Plan Sponsor $268,997 and $158,516 at December 31, 2025 and 2024, respectively, for non-interest bearing advances which are due on demand, to fund professional fees.

8. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account.

9. Reconciliation of financial statements to Form 5500

	Per financial statement	*Adjustment to income*	*Per 5500*
Contributions	$ 9,346,021	$ 107,950	$ 9,238,071
Other income	-	(107,950)	107,950
Net appreciation in fair value of investments	25,532,049	(288,753)	25,820,802
Interest and dividends	4,453,597	288,753	4,164,844
Interest income on notes receivable	38,721	-	38,721
Distributions	(13,434,052)	-	(13,434,052)
Administrative fees and transfer	(120,237)	-	(120,237)
Net increase in net assets available for benefits	$ 25,816,099	$ -	$ 25,816,099

10. Tax status

Effective January 1, 2026, the Plan was amended in accordance with T. Rowe Price's prototype plan. The prototype plan received its latest determination letter on August 19, 2020. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the prototype Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore, believe that the Plan is qualified and the related trust is tax exempt, thus no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audit by tax jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022, generally for three years after the tax returns have been filed.
