INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor and Participants
Card-Monroe Corp. 401(k) Plan
Chattanooga, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of Card-Monroe Corp. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedules Required by ERISA

The supplementary schedule of assets held at end of year as of December 31, 2025, and the schedule of delinquent participant contributions for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary schedules agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of Card-Monroe Corp. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Card-Monroe Corp. (the Company) who are age 18 or older and have reached 30 days of service. Once the employee has reached all requirements, they are eligible to participate at the first of each month. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year, participants may contribute up to a dollar amount set by law of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). The Company may make matching contributions equal to a discretionary percentage, to be determined by the employer, of the participant's contributions. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, rollover contributions, and allocations of (a) the Company's contribution, if applicable, and (b) plan earnings and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Investments are currently held by Empower Trust Company (Empower), the trustee of the Plan.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants are vested according to the following table:

Years of Service	Vesting Percentage
less than 2	0%
2	20
3	40
4	60
5	80
6 or more	100

(Continued)

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Investment Options

The Plan's investment options are managed by Empower. Upon enrollment in the Plan, a participant may direct employee contributions in 1% increments in any of the available funds managed by Empower.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or their beneficiary may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship withdrawals are allowed. Participant loans are not allowed.

Forfeited Accounts and Unallocated Assets

At December 31, 2025 and 2024, forfeitures and unallocated assets totaled $22,994 and $12,646, respectively. Forfeitures may be used to reduce employer contributions. In 2025, forfeitures of $20,360 were used to reduce employer contributions.

Administrative Expenses

The plan sponsor absorbs some of the expenses related to the operation of the Plan. Those expenses are excluded from these financial statements.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

(Continued)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan's investments are valued daily.

The Plan invests in common trusts that determine their fair value using the net asset value (NAV) of the funds. The NAV is determined by each fund's trustee using the fair value of the underlying securities within the fund at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified as to complete and accurate by the trustee, Empower, as of December 31:

	2025	2024
Investments	$ 22,758,823	$ 20,905,734
Investment income:		
Interest and dividends	726,707	
Net appreciation in fair value of investments	2,120,945	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 consists of unadjusted quoted prices in active markets for identical assets or liabilities and has the highest priority.
Level 2 consists of inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.
Level 3 consists of significant unobservable inputs for the asset or liability and has the lowest priority.

	Fair Value Measurements Using:		
December 31, 2025	**Level 1**	**Level 2**	**Fair Value**
Mutual funds	$ 15,825,211	$ -	$ 15,825,211
Fixed annuities	-	1,733,372	1,733,372
Investments measured at net asset value (NAV)*	-	-	5,200,240
Total	$ 15,825,211	$ 1,733,372	$ 22,758,823

December 31, 2024	**Level 1**	**Level 2**	**Fair Value**
Mutual funds	$ 14,863,386	$ -	$ 14,863,386
Common collective trusts	-	1,679,421	1,679,421
Investments measured at net asset value (NAV)*	-	-	4,362,927
Total	$ 14,863,386	$ 1,679,421	$ 20,905,734

*In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in their fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

(Continued)

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments measured at fair value using the NAV per share practical expedient as of:

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
December 31, 2025				
Stable value collective trust fund	$ 5,200,240	N/A	Daily	30 Days
December 31, 2024				
Stable value collective trust fund	$ 4,362,927	N/A	Daily	30 Days

NOTE 5 – PARTIES-IN-INTEREST

Certain plan investments are shares of collective trust funds managed by the investment trustee. Therefore, these transactions qualify as party-in-interest transactions. Investment fees paid to the trustee are netted against investment returns.

NOTE 6 – TAX STATUS AND UNCERTAIN TAX POSITIONS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the plan administrator is not aware of any events that have occurred that might adversely affect the Plan's qualified status.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. Based on its evaluation, the Plan has concluded that there are no significant uncertain tax positions requiring recognition in its financial statements. The Plan's evaluation was performed for the tax years ended December 31, 2022, through December 31, 2025, for U.S. Federal income tax. These are the years which remain subject to examination by major tax jurisdictions as of the year ended December 31, 2025.

NOTE 7 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS

At December 31, 2025, the amount of net assets available for benefits that were in accounts of participants that are no longer employees of the plan sponsor totaled $1,054,318. None of those balances had been requested to be paid to the participants as of the Plan's year end.

NOTE 8 – SUBSEQUENT EVENTS

The plan administrator evaluated events and transactions subsequent to December 31, 2025, through October 12, 2026 (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. The plan administrator has not identified any items requiring recognition or disclosure in the financial statements.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	2024
Net assets available for benefits per financial statements	$ 22,781,881	$ 20,928,195
Contribution receivable	(23,058)	(22,461)
Net plan assets per Form 5500	$ 22,758,823	$ 20,905,734

The following is a reconciliation of changes in net assets per the financial statements for the year ended December 31, 2025, to Form 5500:

Changes in net assets per financial statements	$ 1,853,686
Current year contribution receivable	(23,058)
Prior year contribution receivable	22,461
Changes in net assets per Form 5500	$ 1,853,089

NOTE 10 – PROHIBITED TRANSACTIONS

During 2025 and 2024, the plan sponsor failed to remit all employee contributions to the Plan on a timely basis, which is a prohibited transaction under ERISA. The plan sponsor is in the process of calculating the lost earnings attributable to the participants for the 2025 contributions and will contribute that amount to the Plan in order to correct the prohibited transactions. The plan sponsor corrected the 2024 contributions in 2025.
