We have performed an audit of the accompanying financial statements of **Plan de Retiro San Lucas**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of **Plan de Retiro San Lucas's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Empower Trust Company LLC, a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Plan de Retiro San Lucas** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Plan de Retiro San Lucas's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Plan de Retiro San Lucas's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Plan de Retiro San Lucas's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for purposes of additional analysis. It is not a required part of the financial statements but is supplementary information required by the Department of Labor. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than information agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures. These procedures included comparing and reconciling the information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and performing other procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information with the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

The following description of the **Plan de Retiro San Lucas,** (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's information.

General — The Plan is a defined contribution plan created on August 19, 2022, for substantially all employees of Saint Luke's Memorial Hospital, Inc., Servicios de Salud Episcopales, Inc., and Servicios Generales Episcopales, Inc. who are not covered by another plan. These entities are collectively referred to as the Plan Sponsors. According to the Deed of Trust, the adoption of the Plan was effective retroactively to January 1, 2022. The Boards of Directors of the Plan Sponsors appointed the Pension Plan Committee to control and manage the operation and administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments — Effective January 1, 2024, Section 5.1 of the Plan was amended to increase the automatic enrollment percentage for employees' elective deferrals from 1% to 2%. The remaining Plan provisions were unchanged.

Contributions — Contributions to the Plan include (i) salary reduction contributions authorized by participants, (ii) discretionary matching contributions made by the Plan Sponsors; and (iii) participant rollovers from another plan. There will be no profit sharing and/or additional contributions made by the Plan Sponsor.

Participants may elect to contribute a percentage of their compensation, excluding bonuses and commissions, each year, subject to the limitations defined in the plan document. Such contributions are excluded from participants' taxable income for Puerto Rico income tax purposes until distributed or withdrawn from the Plan. The minimum elective deferral percentage is 1% of eligible compensation, and contributions are invested in a designated balanced fund. Participants who attain age 50 before the end of the plan year are eligible to make catch-up contributions, subject to the limitations of Section 1081.01(d)(7)(C) of the Puerto Rico Internal Revenue Code of 2011 (PRIRC).

The Plan Sponsors may make contributions at the discretion of their Boards of Directors, including the discretion to forgo a contribution for one or more Plan years. During the year ended December 31, 2025, matching contributions made by the Plan Sponsors totaled $337,569.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain PRIRC limitations.

Participant Accounts — Individual accounts are maintained for each participant of the Plan. Each participant's account is credited with the participant's contribution and related nonelective contributions and Plan earnings. Participant accounts are also charged with withdrawals and an allocation of plan losses and administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF THE PLAN, Continued

Investments — Participants may direct the investment of their contributions and/or account balances into various investment options offered by the Plan and may change investments and transfer amounts between funds daily. The Plan offers various registered investment companies and mutual funds.

Vesting — Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service. Following is a table of vesting interest on Plan Sponsors' contribution portion based on years of continuous service:

Years of Service	Vested Interest
1	20%
2	40%
3	60%
4	80%
5	100%

Notes Receivable from Participants — Notes receivable from Participants are not permitted.

Payment of Benefits — Upon termination of service with the Plan Sponsors, including termination due to death, disability, or retirement, a participant may generally elect to receive a lump-sum amount equal to the participant's vested account balance or annual installments if the participant's vested account balance exceeds $5,000.

Participants are also eligible to make hardship withdrawals from their deferred contributions in the event of certain financial hardships. Following a hardship withdrawal, participants are not allowed to contribute to the Plan for a period of twelve (12) months following the date of the in-service withdrawal.

Forfeited Accounts — When certain terminations of participation in the Plan occur, the nonvested portion of a participant's account represents a forfeiture, as defined by the Plan. The plan document permits forfeitures to be used to reduce future employer contributions or pay Plan administrative expenses. If a participant is reemployed and satisfies the requirements defined in the plan document, the forfeited account may be reinstated. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $9,961 and $1,413, respectively. During 2025, forfeitures of $42 were used to reduce employer contributions; no forfeitures were used to pay Plan expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting — The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates — The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties — The Plan provides various investment options to its participants. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the value of the participants' account balances and the amounts reported in the financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Investment Valuation and Income Recognition — The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses — Administrative expenses of the Plan are paid by the Plan or the Plan Sponsor, as provided in the plan document. Investment management and transaction fees directly related to Plan investments are paid by the Plan. Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, such fees and expenses are reflected as a reduction of investment return.

Payment of Benefits — Benefit payments to participants are recorded upon distribution. Amounts allocated to participants who have elected to withdraw from the Plan but had not yet been paid were $8,583 and $1,061 at December 31, 2025 and 2024, respectively. In accordance with FASB ASC 962-205-50-1(i), these amounts are disclosed but are not reported as liabilities in the statements of net assets available for benefits.

Excess Contributions Payable — The Plan is required to return contributions received during the Plan year in excess of the PRIRC limits.

Date of Management's Review of Subsequent Events — Subsequent events were evaluated through October 13, 2026, the date the financial statements were available to be issued. No events occurred after December 31, 2025 and through October 13, 2026 that required adjustment to, or disclosure in, the financial statements.

3. INFORMATION CERTIFIED BY THE CUSTODIAN

Certain unaudited information regarding the Plan as of December 31, 2025 and included in the Plan's financial statements and supplemental schedule was prepared by Empower Trust Company LLC, the custodian of the Plan's assets, for the year ended December 31, 2025. The information was furnished to the Plan trustee and the Plan administrator. The Plan administrator obtained a certification from the custodian stating that the information disclosed below is complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA:

- Investments measured at fair value, including any cash equivalents classified within investments, were $2,624,698 and $1,495,894 as of December 31, 2025 and 2024, respectively, as reported in the accompanying Statements of Net Assets Available for Benefits.

- Investments, at contract value, included in the accompanying Statements of Net Assets Available for Benefits of $48,539 and $11,681 as of December 31, 2025 and 2024, respectively,

- Net investment income, consisting of net appreciation in the fair value of investments of $280,384 and dividends and interest of $73,302, as reported in the accompanying Statement of Changes in Net Assets Available for Benefits, totaled $353,686 for the year ended December 31, 2025.

3. INFORMATION CERTIFIED BY THE CUSTODIAN, Continued

- All investment balances and investment information disclosed in Notes 4, 5 and 6, excluding the classification of investments by level,

- All investments-related information, included in the accompanying Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year).

4. FAIR VALUE MEASUREMENTS

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined are as follows:

- Level 1—observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.

- Level 2—observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.

- Level 3—inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The Plan's investments are comprised of mutual funds, which are valued at the published per share net asset value ("NAV") of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at NAV.

There have been no changes in the methodologies used at December 31, 2025 and 2024. The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2025 and 2024. The Plan has no assets classified within Level 2 or Level 3 of the valuation hierarchy.

	(Level 1) 2025	**(Level 1) 2024**
Mutual funds:	$ 2,624,698	$ 1,495,894

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy**.**

5. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2022, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company (Empower). Empower maintains the contributions in a pooled account. The account is credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value.

Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2025 and 2024, was $48,539 and $11,681, respectively. The crediting interest rate is based on an agreed-upon formula with the issuer, which may never fall below zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Empower. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants or the issuer, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

6. INVESTMENTS

During the year ended December 31, 2025, the Plan’s investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $280,384.

7. RELATED PARTY TRANSACTIONS AND EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan cash accounts and investments are shares of money market funds managed by Empower Trust Company, LLC, the custodian and recordkeeper, as defined by the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid for investment management services were included as a reduction of the return earned on each fund. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

8. NONEXEMPT PARTY-IN-INTEREST TRANSACTION

Excess Contribution Payable

During the years ended December 31, 2025 and 2024, the Plan Sponsors did not comply with the applicable discrimination test under Section 1081.01(a)(3)(B). The Plan could correct the noncompliance by making an additional contribution for non-highly compensated participants or by returning excess contributions to highly compensated participants, with the returned amounts reported as taxable income in the year of correction. The Plan Sponsors elected to return the excess contributions. Excess contributions determined for 2025 and 2024 were $17,307 and $20,090, respectively. At December 31, 2025, the $17,307 excess contribution determined for 2025 remained payable.

9. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

10. INCOME TAX STATUS

The Puerto Rico Treasury Department (PRTD) has determined and informed the Plan Sponsors by a letter dated December 14, 2022, that the Plan and related trust are designed in accordance with applicable sections of the Puerto Rico Internal Revenue Code (PRIRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the PRIRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain tax position that, based on its technical merits, is not more likely than not to be sustained upon examination by the applicable taxing authority. The Plan is subject to routine audits by taxing authorities; however, no audits are currently in progress for any tax period.
