# INDEPENDENT AUDITORS' REPORT

To the Board of Directors
GEBA Benefit Plan
Hanover, Maryland

## Opinion

We have audited the financial statements of GEBA Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of GEBA Benefit Plan as of December 31, 2025 and 2024, and the changes in net assets available for benefits for the year ended December 31, 2025 in accordance with accounting principles generally accepted in the United States of America.

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of GEBA Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GEBA Benefit Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GEBA Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GEBA Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

**Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i - schedule of assets held at end of year, December 31, 2025 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## Note 1 - Description of Plan

The following description of the GEBA Benefit Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### General

Government Employees' Benefit Association, Inc. ("GEBA" or the "Company") established the Plan effective as of October 1, 1965. GEBA exists to educate and promote the financial security, general welfare and well-being of its members by principally, but not exclusively, making available various types of insurance and other benefits and services. GEBA was established for the purpose of offering benefit programs in accordance with section 501(c)(9) of the Internal Revenue Code and other applicable laws. In this connection, the GEBA organization and/or its designated agents negotiates all contracts with underwriting companies or agents who fulfill the requirements of applicable Federal, State, and Association laws.

GEBA is the named fiduciary of the Plan, with full authority to control and manage the operation and administration of the Plan. The Plan is a contributory welfare plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan provides various health and welfare programs to regular and associate (as defined) members of GEBA and eligible retirees as defined by the Plan Document.

Membership in GEBA is open to civilians who are actively employed by the United States Government. In January 2017, the Plan amended its bylaws to include civilians actively employed by any branch, department, or agency of the U.S. Government including, without limitation, the U.S. Postal Service and U.S. Courts.

The various programs of the Plan and related contributions policies are described as follows:

### Term Life Insurance Program

Provides life insurance coverage, along with accidental death and dismemberment coverage, for enrolled members. Contributions are paid by the member in an amount necessary to pay premiums for the insurance coverage.

### Dependent Life Insurance Program

Provides life insurance for an enrolled member's spouse and dependents. Contributions are paid by the member in an amount necessary to pay premiums for the insurance coverage.

### Long-Term Disability Insurance Program

Provides long-term insurance coverage, which pays 66.67% of salary (up to $7,500 per month) for enrolled members who experience long-term disabilities. Contributions are paid by the member in an amount necessary to pay premiums for the insurance coverage.

### Long-Term Care Insurance Program

Provides long-term insurance coverage, which pays up to $500 per day for enrolled members to reimburse costs associated with assistance needed for simple activities (such as bathing, dressing and eating) to skilled care that is provided by nurses, therapists or other professionals. Contributions are paid by the member in an amount necessary to pay premiums for the insurance coverage. New policies under the long-term care program are now provided by Government Employees' Mutual Benefit Association, Inc. ("GEMBA"), a related party. All existing policies under GEBA remain in force.

### Vision Insurance Program

Provides coverage for routine services for eye exams, lenses, or contacts. Contributions are paid by the enrolled member in an amount necessary to pay premiums for the insurance coverage.

National Vision Administrators, LLC ("NVA") administers, and processes vision claims and pays the provider's office. The Plan pays NVA insurance premiums, which cover the claims and administrative fees for each individual enrolled.

Note 1 - Description of Plan (Continued)

Emergency Travel Insurance Program
Provides emergency travel coverage, which pays up to 80% (up to $1,500 per person per year) of round-trip coach air or train fare to respond to the serious illness, death or injury of a family member. Contributions to the program are made by the enrolled member. GEBA determines the amount of contributions necessary to meet the program's funding requirements.

Dental Benefits Program
Provides dental benefits for enrolled members with a family coverage option. Contributions to the program are made by the enrolled member. GEBA determines the amount of contributions based on a similar amount that would be charged by Delta Dental of Pennsylvania ("Delta Dental") if the program was fully insured.

Insured Benefits
The Plan fully insures the life insurance benefits (basic and dependent), long-term care benefits, and long-term disability benefits. The GEBA purchases insurance contracts for these insured benefits. Premiums for these insurance programs are paid to the insurance company from the assets of the Plan.

Self-Insured Benefits
Dental, emergency travel and vision benefits are self-insured. The claims for self-insured dental and vision benefits are processed by the Plan's third-party claims processor under administrative services only ("ASO") arrangements. The claims processor pays claims directly to or on behalf of participants and are then reimbursed by the Plan. Despite the Plan's utilization of the third-party claims processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

Delta Dental and NVA process dental and vision claims respectively and, on behalf of the trustee, disburses payments in accordance with the provisions of the Plan to the participant or designated assignee. The Plan pays Delta Dental and NVA an administrative fee based on the number of enrolled members.

Note 2 - Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan have been prepared on the accrual basis of accounting.

Investments
The Plan's investments are stated at fair value. Mutual fund investments are valued based on quoted market prices, which represent the net asset value of shares held by the Fund at year-end. Purchases and sales of investment securities are recorded on a trade-date basis. Realized gains or losses from the sale of investment securities and the change in unrealized gains and losses for investments held at year-end are presented together as net appreciation in fair value of investments. Realized gains and losses from security transactions are determined using the average cost method. Dividend income is recorded on the ex-dividend date and interest income is recorded on the accrual basis. See Note 3 for discussion of fair value measurements.

Investments are exposed to certain risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, changes in the value of investment securities could occur in the near term, and these changes could materially affect the amounts reported in the accompanying financial statements.

Investment Policy Statement
The Plan adopted an investment policy statement (IPS) that was to become effective in 2023 but was delayed until after December 31, 2023. An updated and revised policy was approved by the Board in May 2024. The original and revised IPS was adopted by the Board to set forth an understanding of the investment policy for the management and monitoring of the Plan's reserve fund assets (Reserve). The investment policy statement includes guidelines, objectives, risk tolerance, and time constraints for the investment of these assets. The Reserve under the IPS will consist of three funds: 1) the long-term/core fund to ensure the short-term operational continuity and member service in the event of adverse financial events, 2) self-insured claims fund to fund potential and/or incurred but unreported claims for GEBA self-insured plans, and 3) undesignated assets reserve fund to hold assets not required to fund the long-term/core and self-insured claims funds. The asset allocation of the Reserve's assets is governed by the IPS and investment asset mix is to be reviewed periodically and rebalanced as needed to ensure that the asset mix is meeting the guidelines, objectives, risk tolerance and time constraints of the IPS.

Note 2 - Significant Accounting Policies (Continued)

Cash and Cash Equivalents
Cash and cash equivalents consist of highly liquid debt instruments purchased with original maturities of three months or less when purchased.

Accounts Receivable
Accounts receivable (marketing reimbursement and other) generally consist of fees due from administrative services and are non-interest bearing. The Plan evaluates receivables for collectability based on the age of the receivable, the credit history of the customer and past collection experience.

Property and Equipment, net
Property and equipment are recorded at cost when acquired or fair market value, if donated. Depreciation of property and equipment are provided for using the straight-line method over the estimated useful lives of the assets, ranging from three to seven years. Expenditures for improvements and betterments, which increase the useful life or substantially increase serviceability of the asset are capitalized. When equipment is sold or otherwise disposed of, the cost and related accumulated depreciation are removed from their respective accounts, and any resulting gain or loss is included in the statement of changes in net assets available for benefits and benefit obligations. For the year ended December 31, 2025, depreciation expense totaled $64,283.

Trademark, net
Intangible assets subject to amortization include trademark costs, which are amortized using a straight-line basis over ten years.

Payment of Benefits
Premiums paid by the Plan are recorded as insurance premium payments. Dental and vision claim payments are recorded when paid by the Plan to the third-party claims processor. Amounts due to the claims processor that have yet to be reimbursed by the Plan are included in benefit obligations.

Administrative Expenses
Administrative fees are paid to a third party for performing certain administrative functions. All other expenses are paid directly by the Plan.

Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Reclassifications
Certain reclassifications have been made to prior year amounts to conform to the current year presentation.

Note 3 - Fair Value Measurements

The Plan's investments are reported at fair (current) value in the accompanying statements of net assets available for benefits and benefit obligations. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The FASB Accounting Standards Codification ("ASC") establishes a framework for measuring fair value. That framework provides a three-level fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value in the disclosure of investments recorded at fair value. The classification of investments within the hierarchy is based on whether the inputs to the valuation methodology used for measurement are observable or unobservable. Observable inputs reflect market-derived or market-based information obtained from independent sources. Unobservable inputs would reflect the Plan's own assumptions about risk. The three levels for measuring fair value are based on the reliability of inputs and are as follows:

Note 3 - Fair Value Measurements (Continued)

Level 1 - Quoted prices are available in active markets for identical investments as of the reporting date. The types of investments included in Level 1 are publicly traded securities.

Level 2 - Other significant observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 - Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The inputs or methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities. The following is a summary of the inputs used to value the Plan's net assets as of:

| | Fair Value Measurement at December 31, 2025 | | | |

Note 3 - Fair Value Measurements (Continued)

Level 1 Fair Value Measurements

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2025 and 2024.

Mutual funds are valued at the quoted market price of shares held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 - Retirement Plan

The Plan maintains a 401(k) profit sharing plan, which covers substantially all employees who are employed by the Plan. The Plan matches employee contributions up to five percent (5%) of compensation after completing one year of service. In addition, the Plan has elected to make employer qualified non-elective contributions of one percent (1%) of participants' compensation. Retirement plan expenses for the year ended December 31, 2025 totaled $57,554.

Note 5 - Cost Stabilization Reserve

In August 2022, the Plan entered into an agreement with New York Life Insurance Company to create a Cost Stabilization Reserve (CSR) as part of the long-term disability insurance program described in Note 1. The agreement automatically renews annually on August 1st. The CSR was established for the purpose of stabilizing member premiums. The reserve can be drawn against to reduce future premiums caused by an increase or change in the program's experience rating.

The full funding of the CSR occurs when the value of the reserve matches the expected annual premium (EAP) of the program as determined actuarially by New York Life. To establish the reserve, the Plan paid 25% of the EAP of $178,342 in 2022 with another 25% of the EAP of $179,729 paid in 2023. At the end of 2024 and 2025, New York Life held a total of $358,071, representing approximately 50% of the EAP. The remaining 50% will be accumulated by payment of the annual calculated dividend, as specified in the agreement, until such time the CSR equals or exceeds the EAP.

Any amount in the CSR that exceeds the EAP at the end of each accounting period will be transferred to the Dividend on Deposit Account (DOD). Interest will be credited on the CSR and DOD balance at the beginning of each accounting period, (August 1st to July 31st). Negative balances from the prior period will be carried over and will incur interest 2025 charges. In 2025, the Plan received $352,611 in dividend income.

The reserve is nonforfeitable should the contract with New York Life terminate. There have been no withdrawals for the years ending December 31, 2025 and 2024, respectfully.

Note 6 - Related Party Transactions

The Plan has the same Board of Directors as Government Employees' Mutual Benefit Association, Inc. ("GEMBA"), a related organization. GEMBA was formed for the purpose of promoting the general welfare of its members by making available to them types of insurance services and investments that focus on retirement and education. The Plan and GEMBA incur certain administrative expenses, which are common to both the Plan and to GEMBA. These common administrative expenses were allocated to the Plan at approximately 45%, based upon usage. Unreimbursed administrative expenses outstanding at the end of the year are reflected as Due to Government Employees' Mutual Benefit Association, Inc. in the accompanying statements of net assets available for benefits and benefit obligations. At December 31, 2025 and 2024, administrative fees of $196,439 and $838,135, respectively, were due to GEMBA.

Note 6 - Related Party Transactions (Continued)

The Plan shares office space with Government Employees' Mutual Benefit Association, Inc. ("GEMBA"). GEMBA, a related party, signed a five and half-year lease, which was set to expire on July 1, 2026, with the first six months of the lease rent abated. GEMBA signed an amendment to the original lease to extend the lease for an additional three and a half years to January 31, 2030. The Plan reimburses GEMBA for its portion of the base rent. The lease also includes a provision for shared additional rents, which are based on square footage and are calculated annually when operating expenses and real estate taxes exceed the 2021 base year of expenses and taxes. The Plan also reimburses GEMBA for its portion of additional rents.

As described in Note 1, the Plan has several arrangements with service providers. The Plan pays administrative fees to a third-party claims administrator. These expenses are reported on the statement of changes in net assets available for benefits and benefit obligations as administrative service fees. These transactions are party-in-interest transactions under ERISA. For the year ended December 31, 2025, administrative service fees totaled $232,303.

Note 7 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits according to the financial statements to Form 5500:

| | 2025 | 2024 |
|---|---|---|
| Net assets available for plan benefits per the financial statements | $ 23,260,793 | $ 22,328,820 |
| Benefit obligations | (1,357,216) | (1,491,475) |
| Net assets available for plan benefits per Form 5500 | $ 21,903,577 | $ 20,837,345 |

The following is a reconciliation of benefits paid to participants per the financial statements to Form 5500:

| | |
|---|---|
| Insurance premium payments per the financial statements | $ 4,147,063 |
| Benefit payments for self-funded programs per the financial statements | 4,176,529 |
| | 8,323,592 |
| Add: benefit obligations at end of year | 1,357,216 |
| Less: benefit obligations at beginning of year | (1,491,475) |
| Benefit payments per Form 5500 | $ 8,189,333 |

Note 8 - Concentrations of Credit Risk

Financial instruments which potentially subject the Plan to concentrations of credit risk consist principally of cash deposits in excess of the Federal Deposit Insurance Corporation insured limit of $250,000. The Plan generally limits its exposure by placing its deposits with quality financial institutions. At December 31, 2025 and 2024, the Plan exceeded the insured limits by approximately $841,000 and $1,219,000, respectively.

The Plan also maintains cash and cash equivalents in brokerage firms. The funds maintained by these brokerage firms are insured against theft and fraud by the Securities Investor Protection Act (SIPA) for amounts up to $500,000 per institution, including up to $250,000 for cash and cash equivalents. At December 31, 2025 and 2024, the Plan did not exceed the SIPA insured limit for cash and cash equivalents.

Note 9 - Commitments and Contingencies

Emergency Travel Plan

The Plan provides an Emergency Travel Insurance Program to its members for which it is self-insured. The Plan is responsible for collecting premiums and processing claims for payments under this insurance program. The maximum claim liability per insured is $1,500 with a limit of one claim per insured during a twelve-month period. The Plan accrues for claims exposure, which are probable of occurrence and can be reasonably estimated. As of December 31, 2025 and 2024, the Plan believes no accrual is deemed necessary.

Note 9 - Commitments and Contingencies (Continued)

Dental Plan

The Plan also provides a dental insurance program (the "Program") to its members for which it is self-insured. The plan year, which commenced on January 1, 2013, begins January 1 of each year and is funded by premium payments from members. The Plan utilizes a third-party administrator to enroll members into the program and pay claims. The maximum exposure to the Program ranges from $4,000 (basic) to $35,000 (enhanced) per member depending on the Program options selected. As of December 31, 2025 and 2024, the amount for estimated future claims under the Program was approximately $425,000 for the years ending 2025 and 2024. The reserve reflects the Plan's best estimate of its liability for claims, which were incurred prior to the consolidated statements of financial position date. The Plan considers all relevant information, such as prior claims history and the knowledge of claims submitted, in the calculation of the estimated liability.

Vision Plan

The Plan utilizes a third-party administrator to enroll members into the programs and pay claims. Consideration of a recorded reserve reflects the Plan's best estimate of its liability for claims, which were incurred prior to the consolidated statements of financial position date, which are probable in occurrence, can be reasonably estimated, and material to the financial statements. The Plan considers all relevant information, such as prior claims history and the knowledge of claims submitted, in the calculation of the estimated liability. As of December 31, 2025 and 2024, the Plan believes no accrual is deemed necessary.

Term Life

In 2017, the Plan made the decision to pay the death benefits of members ninety years of age and over, as the current term life insurance carrier no longer agreed to cover these policies. All other members with term life coverage are insured directly through insurance contracts purchased by the Plan. Approximately $29,000 and $102,000 in death benefits were paid in 2025 and 2024, respectively. The Plan accrues for claims exposure, which are probable of occurrence and can be reasonably estimated. As of December 31, 2025 and 2024, the Plan believes no accrual is deemed necessary.

Note 10 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and benefit obligations.

Note 11 - Plan Termination

Although it has not expressed any intent to do so, GEBA has the right to terminate the Plan. If the Plan is terminated, GEBA may use Plan assets to pay Covered Expenses (as defined in the Summary Plan Description) outstanding as of the later of the date the termination is adopted or is effective, and GEBA expenses. Any remaining assets will be allocated by a Board of Directors' resolution that conforms with applicable law and does not adversely affect the Code Section 501(c)(9) qualified status of GEBA. If the Plan is merged with another plan or Plan assets are transferred to another plan, Plan assets will be allocated according to the merger or acquisition agreement's terms.

Note 12 - Tax Status

The trust established under the Plan to hold the Plan's assets has received an exemption letter from the Internal Revenue Service (IRS) dated May 29, 1979, stating that the trust is tax exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (IRC) and, therefore, the trust's net investment income is exempt from federal income taxes. The Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust.

Note 12 - Tax Status

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2023.

Note 13 - Subsequent Events

The Plan has performed an analysis of the activities and transactions subsequent to December 31, 2025 to determine the need for any adjustments to and/or disclosures within the financial statements for the year ended December 31, 2025. Management has performed its analysis through August 6, 2026, the date the financial statements were available to be issued. Activities subsequent to this date have not been evaluated by management. Management has concluded that no subsequent adjustments are required.
