INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
MVHS, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements MVHS, Inc. 401(k) Plan (formerly Faxton-St. Luke's Healthcare 401(k) Plan) (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As more fully described in note 1(a) to the financial statements, effective September 12, 2025, the Visiting Nurse Association of Utica & Oneida County, Inc. 401(k) Plan was merged into the MVHS, Inc. 401(k) Plan. Our report is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements, Continued

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PLAN

Notes to Financial Statements

December 31, 2025 and 2024

(1) Description of Plan

The following description of the MVHS, Inc. 401(k) Plan (formerly Faxton-St. Luke's Healthcare 401(k) Plan) (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering eligible employees of MVHS, Inc. (formerly Faxton-St. Luke's Healthcare) (Hospital), St. Luke's Home Residential Health Care Facility, Inc. d/b/a MVHS Rehabilitation and Nursing Center (Home), Mohawk Valley Home Care, LLC (MVHC) and Senior Network Health, LLC (SNH) who have elected to participate. The Hospital, Home, MVHC and SNH (collectively known as the Employer) are affiliated entities. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Mohawk Valley Health System (MVHS), a not-for-profit corporation was the sole member of St. Elizabeth Medical Center (SEMC) and MVHS, Inc. Effective October 29, 2023, all SEMC employees became employees of MVHS, Inc., and were immediately eligible to participate in the Plan as a result of MVHS finalizing the construction of its new hospital campus in downtown Utica and consolidating operations and services from SEMC and MVHS, Inc. On that date, Faxton-St. Luke's Healthcare was renamed MVHS, Inc. and the Faxton-St. Luke's Healthcare 401(k) Plan was renamed the MVHS, Inc. 401(k) Plan.

Effective January 1, 2024, contributions ceased for certain employees no longer eligible to participate in the MVHS, Inc. 403(b) Retirement Plan due to a change in their collective bargaining unit. These employees, under their new collective bargaining unit, are eligible to participate in the MVHS, Inc. 401(k) plan.

Effective January 19, 2024, the St. Elizabeth Medical Center 401(k) Plan was merged into the Plan and account balances totaling approximately $100,000,000 were transferred to the Plan.

Effective January 1, 2025, the Plan was amended to include Qualified Automatic Contribution Arrangement (QACA) provisions. Eligible participants who do not make an affirmative salary deferral election are automatically enrolled in the Plan at a 3% deferral rate. The automatic deferral percentage increases annually by 1% up to a maximum of 6%, unless modified or revoked by the participant.

(1) Description of Plan, Continued

(a) General, Continued

Effective January 1, 2025, MVHS Inc. 401(k) Plan was amended to add Visiting Nurse Association of Utica and Oneida County, Inc. as a participating employer and to expand eligibility to employees of Home and SNH. Certain employees of Visiting Nurse Association of Utica and Oneida County, Inc. were deemed to satisfy the Plan's minimum age and service requirements, and existing salary deferral elections were transitioned to the Plan pursuant to the amendment.

Effective May 1, 2025, leased employees and employees under UFCW and CWA collective bargaining agreements are excluded from participating in the MVHS, Inc. 401(k) Plan.

Effective September 12, 2025, the Visiting Nurse Association of Utica & Oneida County, Inc. 401(k) Plan was merged into the Plan and account balances totaling approximately $4,400,000 were transferred to the Plan.

(b) Contributions

Each year, participants may contribute a percentage of their pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). For each participant who has completed at least one year of service and is age 21 or older, the Employer matches 50%-100% of participant contributions up to 1%-4% of eligible compensation based on years of service. To earn a year of service a participant must complete 1,000 hours of service during a Plan year. The Employer will contribute a fixed contribution amounting to 3% of eligible compensation (4% for employees hired prior to December 1, 2001), if the participant completed 500 hours of service during the Plan year. Effective January 1, 2024, the Employer will make a safe harbor contribution equal to 3% of eligible compensation (and an additional 1% for employees hired prior to December 1, 2001). Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Effective January 1, 2025, the Plan amended its definition of eligible compensation used in determining participant and employer contributions. The revised definition excludes certain compensation components and reimbursements as specified in the Plan document.

(1) Description of Plan, Continued

(c) Participant Accounts

Each participant's account is credited with the participant's contributions and related Employer contributions, as well as allocations of Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service and is as follows:

For participants hired prior to January 1, 2011:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

For participants hired on or after January 1, 2011:

Years of Service	Vesting Percentage
Less than 3	0%
3 or more	100%

Effective January 1, 2024, vesting in the Employer's safe harbor non-elective contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as follows (including participant balances transferred from other plans in 2024 and 2025):

Years of Service	Vesting Percentage
Less than 2	0%
2 or more	100%

(Continued)

(1) Description of Plan, Continued

(e) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 3.50% to 9.50%, which are commensurate with local prevailing rates as determined by the Plan administrator at the time the loan is originated. Principal and interest are paid ratably through payroll deductions or directly from participants.

(f) Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, a life annuity, a joint life and last survivor annuity or equal installments over a period of not more than the participant's or their beneficiary's assumed life expectancy.

(g) Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled approximately $167,000 and $67,000, respectively. These accounts may be used to pay Plan administrative expenses or reduce Employer contributions that are allocated to each participant's account based upon the relation of the participant's compensation to total compensation for the Plan year. During 2025 and 2024, Employer contributions were reduced by approximately $294,000 and $683,000, respectively, from forfeited nonvested accounts.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(Continued)

(2) Summary of Significant Accounting Policies, Continued

(c) Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive group fixed annuity contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Pension Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodian, and insurance company. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains on investments bought and sold as well as held during the year.

(d) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

(e) Payment of Benefits

Benefits are recorded when paid.

(f) Administrative Expenses

The Plan's expenses are paid by the Plan as provided by the Plan agreement. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Fees incurred by the Plan for the investment management services are included in administrative expenses. In addition, certain investment related expenses are included in net appreciation in fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

(g) Subsequent Events

The Plan has evaluated subsequent events through October 13, 2026, the date the financial statements were available to be issued.

(Continued)

(3) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

(Continued)

(3) Fair Value Measurements, Continued

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 347,447,759	-	-	347,447,759

	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 296,984,971	-	-	296,984,971

(4) Group Fixed Annuity Contracts with Insurance Company

The Plan maintains fully benefit-responsive group fixed annuity contracts with Lincoln Life and Annuity Company of New York (Lincoln). Lincoln maintains the contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Lincoln is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

These contracts meet the fully benefit-responsive investment contract criteria and, therefore, are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Lincoln, represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligation. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

(Continued)

(4) Group Fixed Annuity Contracts with Insurance Company, Continued

The group fixed annuity contracts do not mature and permit the contract holder and insurance company to terminate the agreements with proper notice, as defined in the contracts.

(5) Certified Information

Certain investment information disclosed in the accompanying financial statements and ERISA - required supplementary schedule, including all investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants, and transfer of assets to the Plan for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Lincoln Financial Group Trust Company, Inc., the custodian of the Plan.

(6) Party-in-Interest Transactions

Certain Plan investments are group fixed annuity contracts issued by Lincoln Life and Annuity Company of New York. Lincoln Financial Group Trust Company, Inc. is the custodian as defined by the Plan and is a related party of Lincoln Life and Annuity Company of New York and, therefore, these transactions qualify as party-in-interest transactions. The Plan made direct payments to the third-party administrator of $641,566 and $609,257 for the years ended December 31, 2025 and 2024, respectively.

In addition, the Plan issues notes receivable to participants, which are secured by the balances in the participants' accounts.

(7) Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Employer contributions.

(8) Tax Status

The IRS has determined and informed the prototype sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

(8) Tax Status, Continued

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

(9) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(10) Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to the changes in net assets available for benefits per the Form 5500 for the year ended December 31, 2024:

Changes in net assets available for benefits per the financial statements	$ 28,070,390
Change in employee contributions receivable	412,881
Change in employer contributions receivable	188,015
Change in net assets available for benefits per the Form 5500	$ 28,671,286
