ADVISORY TAX AUDIT

Independent Auditor's Report

To the Finance Committee of
Philabundance Employee Benefit Plan:

Opinion

We have audited the financial statements of the Philabundance Employee Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and of benefit obligations of the Philabundance Employee Benefit Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in its benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Philabundance Employee Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Philabundance Employee Benefit Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Philabundance Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Philabundance Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. Description of Plan

The following description of the Philabundance Employee Benefit Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The following brief description of the Philabundance Employee Benefit Plan is provided for general information purposes only. Participants should refer to the Plan Agreement, for a complete description of the Plan's provisions; copies of which may be obtained from Philabundance, the Plan Sponsor.

The Plan is a contributory health and welfare plan that provides health and other benefits to eligible members and dependents of the Philabundance (the "Company"), which represents members employed at the non-profit organization with the mission to fight hunger in local communities in Pennsylvania. A member will be eligible for coverage upon 30 days of continuous full-time employment with the Plan.

Certain Plan assets are held in a voluntary employees' beneficiary association ("VEBA") trust. The Plan is a single employer, welfare benefit plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Benefits and Fund Policy

The Plan provides medical, hospital, prescription, and vision. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA"). During the years ended December 31, 2025 and 2024, total COBRA contributions were $3,498 and $9,438, respectively.

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

All Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only ("ASO") arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the general assets of the Plan Sponsor. Despite the Plan's utilization of the third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-to-the-max basis. The Company pays monthly amounts to fund up to the maximum liability of the Plan.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Interest Income Recognition

Interest income is recognized when earned and recorded on the accrual basis. Interest income includes earnings from interest-bearing cash accounts held by the Plan.

Benefits
Benefits are recognized when paid. Premiums paid by the Plan are recorded as premium payments in the accompanying statements of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processor that have not been reimbursed by the Plan are recorded as payable to the claims administrator in the accompanying statements of net assets available for benefits.

Prescription Rebates and Rebates Receivable
Prescription rebates due from the Plan's pharmacy benefit manager ("PBM") are recorded when earned. Rebates received subsequent to year-end for a coverage quarter during the year are recorded as a receivable on the accompanying statements of net assets available for benefits. Prescription rebates totaling $25,405 and $69,186 have been netted against claims paid for the years ended December 31, 2025 and 2024, respectively, on the accompanying statements of changes in net assets available for benefits. Prescription rebates receivables were $8,628 and $40,831 for the years ended December 31, 2025 and 2024, respectively.

Benefit Obligations
The Plan's third-party administrator estimates the obligation for claims incurred but not reported in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party administrator.

Stop Loss and Stop Loss Reimbursement Receivable
Premiums for stop loss insurance are included in premium payments in the accompanying statements of changes in net assets available for benefits. For the years ended December 31, 2025 and 2024, total stop loss premiums, net reimbursements were $160,649 and $180,337, respectively, have been netted with premiums paid in the accompanying statements of changes in net assets available for benefits. Stop loss reimbursement receivables were $451,502 and $0 for the years ended December 31, 2025 and 2024, respectively.

Advanced Employer Contributions
Plan contributions to fund claims in excess of participant contributions that are recorded in advance will be recognized as advanced employer contributions.

Subsequent Events
The Plan's management evaluated events that occurred after December 31, 2025 through October 13, 2026, the date when the financial statements were available to be issued. Based on that evaluation, the Plan's management has determined that no subsequent events have occurred which would require disclosure in the financial statements

3. Benefit Obligation

Plan obligations at December 31 for claims incurred but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Benefit obligations as of December 31, 2025 and 2024 are as follows:

Claims payable and claims incurred but not reported	$ 167,010	$ 442,471

Changes in benefit obligations for the years ended December 31, 2025 and 2024 are as follows:

Claims payable and claims incurred but not reported at beginning of year	$ 442,471	$ 64,687
Net change in claims payable and claims incurred but not reported	(275,461)	377,784
Claims payable and claims incurred but not reported at end of year	$ 167,010	$ 442,471

4. Meritain Health, Inc. Provider Agreement

Effective January 1, 2024, the Plan entered into an agreement with Meritain Health, Inc (the “Provider”) as the claims administrator. Payments by the Plan to the Provider are based upon the amount of claims paid by the Provider during the preceding month plus a claims’ administration charge.

The agreement specifies that in the event of termination of this agreement, the Company is liable for all claims incurred prior to the date of termination plus the claims’ administration charge and other charges. The Provider will continue to administer payment for services incurred prior to termination, provided the request for benefits is received within eighteen months after the date the charges for services were effective.

5. Administrative Expenses

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

The Plan pays administrative expenses that consist primarily of administrative fees paid to the third-party claims administrator. These expenses are reported on the statements of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company.

At December 31, 2025 and 2024, administrative fees consist of the following:

	2025	2024
Broker fees	$ 63,972	$ 60,030
Administrator fees	17,168	14,584
Accounting fees	22,000	22,000
Administrative - management fees	31,632	29,147
Administrative - cost containment fees	18,239	-
Total administrative expenses	$ 153,011	$ 125,761

6. Tax Status

The Plan filed for tax exempt status for the VEBA trust as of the year ended December 31, 2025. The Plan's administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require management of an entity to evaluate tax positions taken and recognize a tax liability if the entity has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service ("IRS"). Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

7. Priorities Upon Termination

It is the intent of the Finance Committee to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved by the Finance Committee. In the event of termination, the Finance Committee shall first satisfy the obligations of the Plan. Any remaining assets will be distributed in such manner as will in the opinion of the Finance Committee bring about the purpose of the Plan. Termination shall not permit any part of the Plan to be used for, or diverted to, purposes other than the exclusive benefit of the participants.

8. Risks and Uncertainties

The benefit obligations are reported based on certain assumptions pertaining to unreported claims, reported but unprocessed claims, and processed but unpaid claims with a reserve factor applied. Due to uncertainties inherent in the estimation and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could materially affect the amounts reported and disclosed in the financial statements.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits as reported on the financial statements to the net assets reported on Form 5500 for the years ended December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$ 764,839	$ 236,124
Less: Claims payable and claims incurred but not reported	(167,010)	(442,471)
Net assets available (deficit) for benefits per Form 5500	$ 597,829	$ (206,347)

The following is a reconciliation of health benefits paid per the financial statements to benefit payments per the Form 5500, for the year ended December 31, 2025:
