INDEPENDENT AUDITORS' REPORT

To Plan Management and Trustees
Thrive Behavioral Health, LLC 401(k) Plan
Rosedale, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of Thrive Behavioral Health, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Thrive Behavioral Health, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Thrive Behavioral Health, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Thrive Behavioral Health, LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Thrive Behavioral Health, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Thrive Behavioral Health, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control - related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

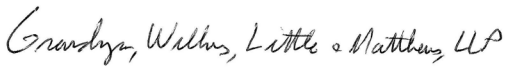

The supplemental schedules of assets held for investment purposes at end of year December 31, 2025 and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1: Plan Description

The following description of Thrive Behavioral Health, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General
The Plan is a defined contribution plan established by Thrive Behavioral Health, LLC (the Sponsor or Employer) on October 1, 2013 and restated January 1, 2016. The Plan is subject to the provisions of ERISA. Plan management is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility
All employees, except union employees, nonresident aliens, and leased employees, are eligible to participate in the Plan upon hire. To receive employer discretionary matching, participants must complete one year of service, defined as 1,000 hours. Entry date for the employer discretionary match is the first day of the Plan year quarter coinciding with or next following the date the eligibility requirement is met. To receive employer safe harbor matching, participants must be 21 years of age and must complete one year of service. Entry date for the employer safe harbor matching is the first day of the Plan year coinciding with or next following the date the eligibility requirement is met.

Contributions
Individual accounts are maintained for each Plan participant. Each year, participants may contribute pretax or after-tax (Roth) compensation up to the maximum limit established by the Internal Revenue Code (IRC). Participants who are 50 before the end of the Plan year are eligible to make catch-up contributions. Starting in 2025, participants who are ages 60-63 are eligible to make higher catch-up contributions not to exceed the limits of the applicable Internal Revenue Code section. Participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan is a safe harbor plan and the Sponsor makes safe harbor matching contributions to all eligible participants equal to 100% of participant salary deferrals, not to exceed the first 4% of Plan compensation. In addition, the Sponsor may make discretionary matching contributions. For the year ended December 31, 2025, the employer made a safe harbor contribution of $538,484.

Participants' Accounts
Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and allocations of: (a) the Sponsor's safe harbor and discretionary matching contributions, if any, (b) Plan earnings (losses) and (c) charged with an allocation of any administrative expenses paid by the Plan. Expense allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Hardship Withdrawals
Hardship withdrawals are permitted in accordance with the Plan Agreement.

Note 1: Plan Description (Continued)

Vesting
Participants are immediately vested in their salary deferral, safe harbor matching, and rollover contributions. Vesting in employer discretionary matching contributions is determined by the following vesting schedule and is based on continuous service:

Years of Service	Percentage
Less than 1 Year	0%
2 Years	20%
3 Years	40%
4 Years	60%
5 Years	80%
6 Years	100%

Regardless of the vesting schedule, participants become fully vested upon death.

Payment of Benefits
Upon termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive a partial amount or an amount equal to the value of the participant's vested interest in their account in either a lump-sum or annual installments at least equal to the required minimum distribution amount. For termination of service due to other reasons, a participant may elect to receive the value of the vested interest in their account as a lump-sum distribution. In-service distributions may be made to a participant who has not separated from service provided the participant has attained age 59 1/2.

Forfeitures
Forfeitures related to employer discretionary matching contributions are to be used to reduce future employer matching contributions, other than contributions that must be fully vested when contributed. At December 31, 2025 and 2024, there was no forfeiture balance and no amounts were used during the year ended December 31, 2025 to reduce the employer matching contributions.

Notes Receivable from Participants
Participants may borrow from their account a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from one to five years except for loans for purchase of a primary residence, which may be longer as determined by the Plan Administrator. The loans are secured by the vested balance in the participant’s account and bear interest at a rate of 1% above prime at the time of the loan’s origination and will remain fixed for the duration of the loan. Principal and interest are paid ratably through payroll deductions.

Note 2: Summary of Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting.

Note 2: Summary of Accounting Policies (Continued)

Use of Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions
Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

Contributions Receivable
Contributions from the Employer and participants of the Plan are accrued in the period in which they become obligations under provisions of the Plan Agreement. The contributions not received by the Plan for the years ended December 31, 2025 and 2024 amounted to $68,913 and $-0-, respectively, and are reported as receivables on the statements of net assets available for benefits. For contributions receivable, the allowance estimate is derived from a review of the Plan's historical losses. This estimate is adjusted for the Plan's assessment of factors deemed relevant by the Plan. The Plan's management believes historical loss information is a reasonable starting point from which to calculate the expected allowance for credit losses for contributions receivable. In the Plan's opinion, the balance of contributions receivable at December 31, 2025 is fully collectible, therefore the allowance for credit losses is $-0-.

Payment of Benefits
Benefits are recorded when paid.

Note 2: Summary of Accounting Policies (Continued)

Administrative Expenses
Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of the Plan, including administration of notes receivable from participants and payment of benefits, are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Recently Adopted Accounting Guidance - Allowance for Credit Losses
Effective December 31, 2025, the Plan early adopted ASU 2025-05, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses for Accounts Receivable and Contract Assets*. The Plan has elected the practical expedient to assume that current economic conditions as of the date of the statement of net assets available for benefits do not change for the remaining life of its current contributions receivable for purposes of estimating current expected credit losses.

Date of Management's Review
The Plan has evaluated events and transactions that occurred during the period from the date of the financial statements through October 15, 2026, the date the Plan's financial statements were available to be issued. There were no events or transactions that occurred during the period that materially impacted the amounts or disclosures in the Plan's financial statements.

Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Note 3: Fair Value Measurements (Continued)

Level 3 Fair Value Measurements - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money Market Funds: Valued at cost, which approximates fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	Investments at Fair Value	
	Total	Level 1
DECEMBER 31, 2025		
Money Market Funds	$ 17,314	$ 17,314
Mutual Funds	12,910,177	12,910,177
TOTAL	$ 12,927,491	$ 12,927,491
DECEMBER 31, 2024		
Money Market Funds	$ 13,640	$ 13,640
Mutual Funds	9,838,929	9,838,929
TOTAL	$ 9,852,569	$ 9,852,569

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2025 are reported in net appreciation (depreciation) in fair value of investments.

Note 4: Information Prepared and Certified by the Plan's Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by Capital Bank and Trust Company, the custodian of the Plan, except for comparing such information certified by the custodian to information included in the Plan's financial statements as of December 31, 2025 and 2024 and supplemental schedule of assets held for investment purposes at end of year December 31, 2025.

	2025	2024
INVESTMENTS AT FAIR VALUE:		
Money Market Funds	$ 17,314	$ 13,640
Mutual Funds	12,910,177	9,838,929
TOTAL INVESTMENTS AT FAIR VALUE	$ 12,927,491	$ 9,852,569
NOTES RECEIVABLE FROM PARTICIPANTS	$ 71,089	$ 53,975

The custodian also certified to the completeness and accuracy of $1,291,492 of net appreciation (depreciation) in fair value of investments, $723,108 of interest and dividends, and $5,925 of interest on notes receivable from participants during the year ended December 31, 2025.

Note 5: Tax Status

The Plan is a qualified volume submitter plan under the Internal Revenue Code (IRC) as per opinion letter dated March 31, 2014. The Plan has since been amended; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The previous three tax years remain subject to examination by the IRS.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their sponsor contributions.

Note 7: Rollover Contributions

In accordance with the Plan Agreement, qualified direct rollovers are permitted by the Plan. During the year ended December 31, 2025, $126,828 of rollovers were contributed to the Plan.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9: Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are interests in registered investment companies managed by Capital Bank and Trust. Capital Bank and Trust is the custodian and recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Additionally, any transactions with Pollard & Associates, Inc., the third-party administrator, and Wells Fargo Advisors, LLC, the investment advisor, also qualify as party-in-interest transactions. Certain fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing rather than a direct payment. During the year ended December 31, 2025, the Plan made direct payments for certain administrative expenses of $101,452. The Sponsor pays any other fees related to the Plan's operation.

The trustees of the Plan are also participants in the Plan.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 10: Prohibited Transactions

In 2025, the Plan had delinquent contributions of $2,551 that were remitted in 2025. Such delinquent contributions are included in contributions corrected as of December 31, 2025 in the schedule of delinquent participant contributions.
