INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Raleigh Capitol Ear, Nose & Throat 401(k) Profit Sharing Plan
Raleigh, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Raleigh Capitol Ear, Nose & Throat 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Raleigh Capitol Ear, Nose & Throat 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Raleigh Capitol Ear, Nose & Throat 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Raleigh Capitol Ear, Nose & Throat 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Raleigh Capitol Ear, Nose & Throat 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Raleigh Capitol Ear, Nose & Throat 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and the Schedule of Assets (Held at End of Year) as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RALEIGH CAPITOL EAR, NOSE & THROAT 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

1. Description of Plan

The following description of Raleigh Capitol Ear, Nose & Throat 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants in the Plan should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan became effective on July 1, 1971 as a trusteed profit sharing 401(k) salary deferred thrift plan. The Plan was restated on January 1, 2013 as a result of the merging of two plans, Raleigh Ear, Nose & Throat Head & Neck Surgery, Inc. 401(k) Profit Sharing Plan and Capitol Ear, Nose, & Throat 401(k) Plan. The Plan covers all full-time employees of Raleigh Capitol Ear, Nose and Throat (the "Company") who have one year of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Assets of the Plan are held by a Plan trustee selected by the plan sponsor. The Company acts as plan sponsor.

Contributions

The Plan accepts employee pre-tax and Roth (after-tax) deferral contributions which cannot exceed a dollar limit set by the Internal Revenue Service ("IRS"). Participants who obtain age 50 before the end of the Plan year are eligible to make catch-up contributions, as defined in the plan document and subject to IRS limitations. Effective January 1, 2025, the Plan adopted the optional SECURE Act 2.0 provision which increased the catch-up contribution limit for participants aged 60 to 63 to the greater of $10,000 or 50% more than the regular catch-up amount in 2025. The Plan includes an auto-enrollment feature, whereby all participants are auto-enrolled in the Plan at a deferral rate of 3%, unless they elect otherwise. Participants auto-enrolled in the Plan are also subject to auto-escalation. Participants' deferral elections will increase by 1% each year until reaching a maximum deferral rate of 10%. The Company contributes under a Qualified Automatic Contribution Arrangement ("QACA"), a safe harbor non-elective contribution of 3% of participants' compensation and has the option to make a discretionary additional matching contribution equal to 100% of participants' elective deferrals up to 4%. Each year, the Company may also make a discretionary nonelective contribution. The Plan also permits rollover contributions from other qualifying retirement plans.

Participant Accounts

Employee contributions, employer safe harbor match, employer non-elective contributions and rollover contributions activity are maintained separately in each participant's account. Participants direct the investment of their account balances into various investment options offered by the Plan. Each participant's account is credited with an allocation of the Company's contribution and Plan earnings. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account, based on the Plan's vesting schedule.

1. Description of Plan (Continued)

Vesting
Participants are vested immediately in their elective deferral contributions, rollover contributions and the Company's safe harbor matching plus actual earnings thereon. Vesting in the Company's additional discretionary matching contributions and non-elective contributions is determined on a graduated basis based upon years of creditable service. A participant is fully vested in the Company's additional discretionary matching and non-elective contributions after six years of credited service.

Forfeited Accounts
At December 31, 2025, forfeited non-vested accounts totaled $39,610. Forfeited accounts may be used to reduce the Company's non-elective or matching contributions, or may be used to pay plan expenses. During the year ended December 31, 2025, the Plan used $31,532 of forfeited accounts to reduce employer matching contributions.

Payment of Benefits
Generally, participants become eligible to receive benefits on their normal retirement age (65), death, disability, termination of employment, or reasons of proven financial hardship. Participants are also eligible to take in-service withdrawals once they attain age 59½. For retirement, death or disability, the participant may receive 100% of their account balance in a lump sum, or in equal installments over a designated number of years, not to exceed life expectancy. If the vested account balance is less than $7,000, payment is made in a single lump sum. Participants who terminate their employment will receive their vested account balance under the same options above.

Hardship Withdrawals
A participant may withdraw all or part of their elective contributions for immediate and severe financial need. Participants self-certify that they have an immediate and severe financial need and that the amount requested does not exceed the amount necessary to satisfy the need. In accordance with IRS regulations, the participant must exhaust all other assets available prior to obtaining the hardship withdrawal.

Notes Receivable from Participants
Participants may borrow a minimum of $1,000 from their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of the participant's vested balance. The $50,000 maximum is reduced by the participant's highest outstanding loan balance in the previous 12 months over the existing loan balance on the date the new loan is made. Participants may have only one loan outstanding at a time. The loans are secured by the balance in the participants' accounts and the fixed interest rate on newly issued notes receivable from participants is the prime rate plus 1% (7.75% at December 31, 2025). Loan terms range from one to five years. Loans may be repaid over a longer period of time if the loan is for the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants were $55,861 and $76,580 at December 31, 2025 and 2024, respectively.

2. Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates
The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits
Benefits are recorded when paid.

Cash and Cash Equivalents
The Plan considers all invested cash balances to be cash equivalents.

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Investment Valuation and Income Recognition
All contributions and rollovers are invested at the direction of each participant in any combination of the investment funds offered. Investments in mutual funds are valued at quoted market prices established in an active market which represent the net asset value of shares held by the Plan at year end. The fair value of the collective investment trust funds, depending on the contract, is determined based on the fair value of the underlying securities, which include market securities and open-end mutual funds or based on the present value of the contract's expected cash flows, discounted by current market interest rates for like investments. The fully benefit-responsive investment contract (“FBRIC”) investment is reported at contract value.

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized appreciation and depreciation in value of investments are allocated to the participant accounts based on participant holdings in each fund.

Plan Expenses
Certain plan expenses are paid by the plan sponsor as provided by the plan document. Expenses related to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participant's account.

3. Federal Income Taxes

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing plan document. This document received an opinion letter dated June 30, 2020, in which the IRS stated that the document was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). As allowed by the IRS, the Plan is relying on the opinion letter issued on the plan document for its own qualification. The plan document has been amended for changes required by the IRS since receiving the opinion letter. The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

5. Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained or derived from information certified as complete and accurate by Empower Trust Company, LLC ("Empower") and Lincoln Financial Group Trust Company, Inc., ("Lincoln"), the trustees of the Plan, and was not subject to audit for the years ended December 31:

	2025	2024
Mutual Funds	$ 31,906,817	$ 30,694,196
Collective Investment Trust Fund	333,046	428,787
Fully Benefit-Responsive Investment Contract	294,347	
Notes Receivable from Participants	55,861	76,580
Net Change in Value of Investments	$ 2,609,256	
Interest and Dividend Income	1,999,058	
Interest Income on Notes Receivable from Participants	5,862	

6. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

	Fair Value Measurements Using Quoted Prices in Active Markets for Identical Assets (Level 1)	Total
December 31, 2025:		
Mutual Funds	$ 31,906,817	$ 31,906,817
Investments Measured at Net Asset Value		333,046
Investments at Fair Value	$ 31,906,817	$ 32,239,863
December 31, 2024:		
Mutual Funds	$ 30,694,196	$ 30,694,196
Investments Measured at Net Asset Value		428,787
Investments at Fair Value	$ 30,694,196	$ 31,122,983

6. Fair Value Measurements (Continued)

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 Inputs are based on significant other observable inputs such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no Level 2 or 3 investments in the Plan.

Level 1 Fair Value Measurements
The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

7. Collective Investment Trust Fund

The MetLife Group Annuity Contract (the "Fund") is a collective investment trust fund, whose objective is stability of principal and high current income. The Fund invests in separate accounts and simulates the performance of a guaranteed investment contract through the guarantee of a specific interest rate and a portfolio of financial instruments that are owned by Metropolitan Life Insurance Company (“MetLife”). Transactions are executed at contract value. MetLife guarantees the contract value, which represents contributions, plus interest, less participant-initiated withdrawals or transfers. This is the Fund's guaranteed value. The Fund's fair value equals the Fund's proportionate share of the fair value of the separate accounts. The Plan’s fair value in the Fund equals the Fund's fair value times the ratio of the Plan's guaranteed value to the Fund's guaranteed value.

7. Collective Investment Trust Fund (Continued)

The Fund provides a fixed interest rate for a fixed period that will apply to the entire guaranteed value. The interest rate is reset every quarter as determined by MetLife with consideration of the market value of the underlying investments, the anticipated market yields-to-maturity of benchmark indices of underlying investments, expected payments into and out of the Fund, amortization of the difference, if any, between the market value of underlying investments and the guaranteed value of the Fund, and the fees allowed under the Fund. MetLife guarantees that the rate will never be less than zero.

The Fund sells new units and repurchases outstanding units on a daily basis. Unit purchases and redemptions are transacted at the net asset value ("NAV") per fee class determined as of the close of business each day. The NAV is calculated daily based on the contract value.

If a withdrawal is made from the Fund as a result of an employer or plan sponsor-initiated event or if a withdrawal is requested due to a complete or partial termination of a participating plan in the Fund before the contract ends, and the Fund's fair value equals or exceeds the guaranteed value, payment is made in an amount equal to the amount of the guaranteed value which is attributable to the participating plan. If the Fund's fair value is less than its guaranteed value, the amount paid is equal to the guaranteed value reduced by the amount of fair value deficit allocable to the participating plan.

8. Investment Contract with Insurance Company

The Lincoln Stable Value Account is a group fixed annuity contract by The Lincoln National Life Insurance Company. The contract provides a guarantee of principal and insurance and is backed by the insurance company. Interest rates are declared quarterly and backed by the general account. The investment is considered a fully benefit-responsive investment contract and included in the financial statements at contract value as reported to the Plan by Lincoln. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

9. Prohibited Transactions

During 2023, the Company failed to deposit $4,478 of participant deferrals and loan repayments within the required timeframe as stated by the Department of Labor (“DOL”). The DOL considers late deposits to be a prohibited transaction. The Company calculated and deposited lost earnings in 2025 to correct for the failures and filed Form 5330 for applicable excise taxes on the delinquent participant contributions and loan repayments. Excise tax payments were made from the plan sponsor’s assets and not from the assets of the Plan.

10. Party-in-Interest Transactions

Plan investments are managed by Empower and Lincoln, the trustees of the Plan. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan to the trustees for contract administration, advisory and professional services were $25,833 for the year ended December 31, 2025. The Plan also holds notes receivable from participants. As a result, these notes receivable and all related transactions were with a party-in-interest. All of these transactions are exempt from being prohibited transactions by ERISA.

11. Risks and Uncertainties

The Plan invests in various investment securities as directed by its participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

12. Reconciliation to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 at December 31:

	2025	2024
Net Assets Available for Benefits Per the Financial Statements	$ 32,873,240	$ 31,546,231
Less: Employer Contributions Receivable	(283,169)	(346,668)
Net Assets Available for Benefits Per the Form 5500	$ 32,590,071	$ 31,199,563

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to net income per the Form 5500 for the year ended December 31, 2025:

Net Increase in Net Assets Available for Benefits Per the Financial Statements	$ 1,327,009
Change in Employer Contributions Receivable	63,499
Net Income per Form 5500	$ 1,390,508

13. Subsequent Events

The Company has evaluated events and transactions for potential recognition or disclosure in the financial statements through October 12, 2026, which is the date the financial statements were available to be issued.

In December 2022, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2022 ("SECURE Act 2.0") that continued the retirement system reform previously passed in 2019. Certain provisions of the SECURE Act 2.0 are effective starting at various dates through 2026, with the plan amendment for the adoption of SECURE Act 2.0 due by December 31, 2026.

As part of SECURE Act 2.0, effective January 1, 2026, catch-up contributions made by high-income earners will be designated as Roth contributions.
