Independent Auditor's Report

To the Plan Administrator
Cohen & Company Profit Sharing/401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Cohen & Company Profit Sharing/401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Cohen & Company Profit Sharing/401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cohen & Company Profit Sharing/401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cohen & Company Profit Sharing/401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cohen & Company Profit Sharing/401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cohen & Company Profit Sharing/401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its

form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

The financial statements of Cohen & Company Profit Sharing/401(k) Plan as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 12, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements , other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 supplemental schedule, other than the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COHEN & COMPANY PROFIT SHARING/401(K) PLAN

Notes to Financial Statements

December 31, 2025 and 2024

Note 1: Description of Plan

The following description of the Cohen & Company Profit Sharing/401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement and its amendments for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of Cohen & Company Enterprises, Ltd. (formerly known as Cohen Sequoia Enterprises, Ltd.), (the Plan Sponsor) and affiliated employers including Cohen & Company, Ltd., and Cohen & Co Advisory, LLC (collectively, the Company). Certain employees covered under similar plans are not eligible. Employees who have three continuous months of employment and are age twenty-one or older may participate in the 401(k) portion of the Plan. All employees are eligible to participate in the profit sharing portion of the Plan from date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The trustee is responsible for oversight of the Plan. The Retirement Committee determines the appropriateness of the Plan's investment offerings, monitors plan activity and investment performance and reports to the trustee.

Amendment

Effective November 1, 2024 the Plan was amended to exclude interns (normally short-term, temporary employees) from the auto-enroll provision of the Plan.

Contributions

Each year 401(k) participants may contribute a percentage of pretax annual compensation as defined in the Plan up to the maximum allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6 percent of eligible compensation and their contributions invested in a designated targeted fund until changed by the participant. The Company contributes a matching contribution equal to 50% of the participant's deferral up to 6% of compensation. Profit sharing amounts may be contributed at the option of the Company.

Note 1: Description of Plan - Continued

Participant Accounts

Each participant's account is credited with the participant's contribution, allocation of the Company's contribution and all earnings and losses on the participant's selected investments. Each account is also charged with fees and investment expenses for selected investments and for participant notes receivable, as applicable. Profit sharing contributions are allocated using the grouping method where participants are assigned to a group which will share in the profit sharing contribution (if any) made for that group.

The profit sharing is cross-tested with a related plan to ensure contributions overall meet requirements. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching and discretionary contributions plus actual earnings thereon, is based on years of service. Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching and discretionary contributions plus actual earnings thereon is based on years of service. Previously, vesting was based on a 2-20 graded vesting schedule. Effective January 1, 2018 vesting is as follows:

Years of Service	
1	0%
2-3	33%
3-4	67%
4 or more	100%

Investment Options

Upon enrollment in the Plan, a participant may direct the investment of their contributions in a wide variety of mutual funds or a collective investment trust. Participants may change their investment options daily.

Notes Receivable from Participants

Participants may borrow from their fund accounts a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loan terms range from one to five years or higher for the purchase of a primary residence.

Note 1: Description of Plan - Continued

Notes Receivable from Participants - Continued

The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Interest rates range from 4.25% to 9.5%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest of his or her account, or annual installments over a period of time not to exceed the participant's life expectancy (or the expectancy of the participant and his or her designated beneficiary). For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Participants who suffer serious financial hardship, as defined by the Plan, may withdraw a portion of their vested account in order to meet their financial needs. Once participants attain age 59-1/2, they may also elect to withdraw from their account, any amount not to exceed their vested portion.

Forfeited Accounts

Forfeited non-vested accounts are used to reduce employer contributions or pay expenses of the Plan. The balance in the forfeiture account was $90,565 and $91,307 at December 31, 2025 and 2024, respectively. Employer contributions receivable are recorded net of the anticipated forfeitures to be applied, if any. Forfeitures for the years ended December 31, 2025 and 2024 were $86,449 and $87,991, respectively. During the years ended December 31, 2025 and 2024, forfeitures of $91,169 and $99,600, respectively, were applied to employer matching contributions during 2025 and 2024.

Amounts Allocated to Withdrawing Participants

At December 31, 2025 and 2024, net assets available for benefits included $8,016 and $25,942, respectively, for withdrawing participants (primarily under plan force out provisions) which were distributed subsequent to year end.

Note 2: Summary of Significant Accounting Policies - Continued

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. The Plan does not currently offer any benefit-responsive investments.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Committee determines the Plan's valuation policies utilizing information provided by its investment advisers and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

The Plan sponsor remits the matching contributions and profit sharing contributions, when applicable, on an annual basis. Participant contributions receivable represent amounts withheld from participants' pay for deferrals which have not been received by the Plan. Both are stated at actual computed amounts, and no credit loss allowance is needed as amounts have been and are anticipated to be paid in the amounts stated. Plan management evaluates current economic conditions that may impact receipt as well as historical experience.

Note 2: Summary of Significant Accounting Policies – Continued

Notes Receivable from Participants

Participant notes receivable are reported at their unpaid principal balances, plus accrued but unpaid interest, if any. The receivable is secured by the account balance; therefore, no allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Allowance for Credit Losses

The Plan follows FASB ASC Topic 326 - "*Financial Instruments - Credit Losses*" which significantly changes how entities measure credit losses for most financial assets and certain other instruments that are not measured at fair value. The standard shifted from the incurred loss model to the expected loss model. Under this standard, disclosures are required to provide users of the financial statements with useful information analyzing and entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Plan that are subject to the guidance in FASB ASC 326 are receivables.

There were no allowances for credit losses at December 31, 2025 and 2024

Excess Contributions

There were no corrective distributions required for 2025 and 2024.

Payment of Benefits

Benefits are required when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Date of Management's Review of Subsequent Events

Subsequent events have been evaluated by management through October 13, 2026, which is the date the financial statements were available to be issued.

Note 3: Investments

The December 31, 2025 and 2024 Statements of Net Assets Available for Benefits, the investment activities included on the Statements of Changes in Net Assets Available for Benefits for the years then ended, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Charles Schwab Trust Bank, the Trustee, in accordance with 29 CFR2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of $94,776,787 and $74,059,749 and participant notes receivable (exclusive of accrued interest) of $446,904 and $339,663 at December 31, 2025 and 2024, respectively, and related cash-basis investment income of $14,561,686 and $9,413,109 for the years ended December 31, 2025 and 2024, respectively, which includes interest income on notes receivable from participants.

The following table presents the current value of investments at December 31, 2025 and 2024. All investments of the Plan are participant-directed.

	2025	2024
Investments at fair value:		
Mutual funds	$ 94,396,762	$ 73,734,913
Collective investment trust	380,025	324,836

During 2025 and 2024, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $12,038,355 and $7,357,953, respectively, as follows:

	Realized	Unrealized	Total
December 31, 2025:			
Mutual funds	$ 572,706	$ 11,375,708	$ 11,948,414
Collective investment trust	9,375	80,566	89,941
	$ 582,081	11,456,274	12,038,355
December 31, 2024:			
Mutual funds	$ 1,332,172	$ 6,052,510	$ 7,384,682
Collective investment trust	(198)	(26,531)	(26,729)
	$ 1,331,974	$ 6,025,979	$ 7,357,953

Note 4: Fair Value Measurements

The fair value accounting literature establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at the price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan also offers a collective investment trust (CIT) to participants. Although the fund is not available to the general public but only offered to employer-sponsored retirement plans, it is structured similarly to mutual funds though subject to different regulations and disclosure requirements. The fund has a daily Net Asset Value (NAV) at which it trades, based on the fair value of the underlying investments.

Note 4: Fair Value Measurements - Continued

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

		Fair Value Measurements at Reporting Date Using:	
	Total	Quoted Prices In Active Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
December 31, 2025:			
Money market mutual fund	$ 2,176,315	$ 2,176,315	$ -
Other mutual funds	92,220,447	92,220,447	-
Total mutual funds	94,396,762	94,396,762	-
Collective investment trust	380,025	-	380,025
Total investments	$ 94,776,787	$ 94,396,762	$ 380,025
December 31, 2024:			
Money market mutual fund	$ 2,620,083	$ 2,620,083	$ -
Other mutual funds	71,114,830	71,114,830	-
Total mutual funds	73,734,913	73,734,913	-
Collective investment trust	324,836	-	324,836
Total investments	$ 74,059,749	$ 73,734,913	$ 324,836

The preceding method described may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The Retirement Committee determines the Plan's valuation policies. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

Note 5: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7: Tax Status

The Plan obtained its latest determination letter on March 30, 2018, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan files Form 5500, Annual Return/Report of Employee Benefit Plan, in compliance with DOL and IRS regulations. The returns for the years ending December 31, 2021 and subsequent are subject to examination by the IRS, generally three years after filing. For DOL purposes, the returns are subject to review for six years after filing.

Note 8: Related Party and Party-In-Interest Transactions

Certain administrative functions are performed by officers or employees of the Company or its affiliates. No such officer or employee receives compensation from the Plan.

The recordkeeper for the Plan is Schwab Retirement Plan Services, Inc., an affiliate of Charles Schwab Trust Bank which is a trustee with respect to the Plan. Schwab fees paid directly by the Plan totaled $18,963 and $18,063 for the years ended December 31, 2025 and 2024, respectively. In addition, Charles Schwab Trust Bank and related affiliate(s) may receive indirect compensation from mutual fund companies.

Investment management fees paid to the Plan's pension and investment consulting firm totaled $-0- and $646 for the years ended December 31, 2025 and 2024, respectively..

All these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 9: Transfers From/To the Plan

Effective January 1, 2025, additional employees became ineligible for the Plan. These employees are now eligible for another plan maintained by the Company. As a result of this change, assets totaling $838,231 were transferred from this Plan during 2025.

In addition, during 2025, certain retiring partners were no longer owners and therefore no longer eligible for another plan maintained by the sponsor. Since they continued as employees, they became eligible for this plan and in conjunction with that assets totaling $1,742,432 were transferred into this plan and out of the other plan.

Effective February 2012, the Plan amended its definition of eligible employees to exclude certain employees designated as Core Service Leaders by the Plan sponsor. These employees are instead eligible to participate in a separate profit sharing plan maintained by the Plan sponsor. Assets totaling $1,964,947 were transferred from the Plan in 2024.

Note 10: Reconciliation of the Financial Statements to Form 5500

Net assets available for benefits per the financial statements were the same as per Schedule H of Form 5500 at December 31, 2025 and 2024. The statements of changes in net assets available for benefits were consistent with the income and expense statements included on Schedule H of Form 5500 for the years ended December 31, 2025 and 2024.
