# INDEPENDENT AUDITORS' REPORT

To the Trustees, Retirement Committee and Participants of the Conexon 401(k) Plan
Kansas City, Missouri

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Conexon 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

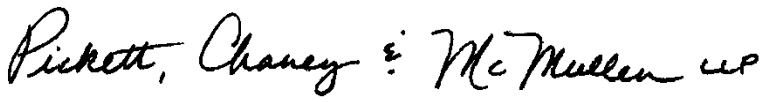

**Supplemental Schedules Required by ERISA**

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2025, and the supplemental Schedule of Assets as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# CONEXON 401(k) PLAN

## NOTES TO FINANCIAL STATEMENTS
## DECEMBER 31, 2025 AND 2024

### 1. DESCRIPTION OF THE PLAN

The following description of Conexon 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. The Plan was originally established January 1, 2017.

***General –*** The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") for employees of Conexon, LLC (the "Company").

The Standard Insurance Company ("Standard") serves as custodian and Standard Retirement Services serves as recordkeeper of the Plan. Owners of the Company serve as Trustees to the Plan.

***Eligibility –*** An employee is eligible to participate in the Plan upon reaching the age of 18 and completing 3 months of service. Entry dates for employee and employer contributions are the first of the month following eligibility. The Plan excludes leased employees, union employees, residents of Puerto Rico and nonresident aliens.

***Contributions –*** Participants may contribute amounts up to certain Internal Revenue Code ("IRC") limitations. Participants may contribute pre-tax amounts ("401(k) contributions") or after-tax amounts ("Roth contributions"). A participant who is at least 50 years old may also contribute catchup contributions to the Plan. Under the Secure 2.0 Act of 2022, effective January 1, 2025, a participant who reaches the age of 60 through 63 during the Plan year may contribute an additional catch-up contribution to the Plan.

The Company may make a discretionary matching contribution to all eligible employees who have deferred to the Plan. The matching contribution is paid into the Plan each payroll. In 2025, matching contributions were 100% up to 7% of eligible compensation that a participant contributes to the Plan.

The Company may also make a discretionary profit-sharing contribution. A participant must be employed on the last day of the year in order to receive a profit-sharing contribution (if declared). No profit-sharing contribution was declared in 2025.

***Participant Accounts –*** Each participant's account is credited with the participant's and Company's contributions, investment earnings, and is charged with the participant's withdrawals and distributions, and an allocation of expenses, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Investment Options –*** The Plan offers a variety of pooled separate accounts and a guaranteed interest account as investment options for participants.

***Vesting –*** Participants' contributions and nonelective employer contributions are fully vested at all times. Vesting in the Company's other contributions is based on a graded vesting schedule depending on the participant's employment date and years of service as noted below. Participants have completed a year of service for vesting purposes if they worked at least 1,000 hours during a plan year or the twelve-month period beginning on their hire date.

| Employees hired prior to 7/1/2021 | | Employees hired 7/1/2021 to 3/31/2022 | | Employees hired After 3/31/2022 | |
|---|---|---|---|---|---|
| Years of Service | Vesting % | Years of Service | Vesting % | Years of Service | Vesting % |
| 0+ | 100% | Less than 1 | 0% | Less than 1 | 0% |
| | | 1 | 50% | 1 | 33% |
| | | 2 | 100% | 2 | 66% |
| | | | | 3 | 100% |

In the event of permanent disability, death, reaching normal retirement age, or termination of the Plan, the Company contributions will become fully vested.

***Forfeitures –*** Forfeitures occur upon termination of employment by a participant who is not fully vested in the Plan. Forfeitures may be applied to employer contributions and Plan expenses. As of December 31, 2025 and 2024, there were $1 and $621 in forfeitures, respectively. In 2025, the Plan Sponsor used approximately $112,000 in forfeitures to reduce employer contributions.

***Payment of Benefits –*** Distributions of a participant's vested balance may occur upon normal retirement, termination of employment, death, or permanent and total disability in the form of a total lump sum or installment payments if the participant is subject to lifetime required minimum distributions. Participant balances under $1,000 may be automatically distributed to the participant in a lump-sum. If a participant's account balance is between $1,000 and $7,000, the balance will be automatically rolled over to an IRA, unless a different election is made.

***In-Service Withdrawals –*** Participants may make withdrawals prior to termination of employment as follows:

- Hardship withdrawals are available to the plan participants for reasons as defined in the Plan Document and are limited to a participant's vested balance.
- Participants who have obtained the age of 59 ½ may elect to receive a distribution of all or any portion of their vested account balances in a single lump sum payment.
- Participants may withdraw amounts that are designated as rollover contributions at any time.

***Notes Receivable from Participants –*** Participants are permitted to borrow against their individual account balances a minimum of $1,000 up to the lesser of $50,000 or 50% of the participant's vested account balance. Loans are secured by the participant's vested account balance. Interest rates on the loans are set 2% plus the prime rate, as determined by the *Wall Street Journal,* or 1% plus the prime rate for a residential loan. Loan terms are in accordance with limitations set forth by the Internal Revenue Service, and may not exceed five years, unless the loan is to purchase a primary residence. Loan repayments are made ratably through payroll deductions or through automatic clearing house ("ACH") payments.

***Administrative Expenses –*** Administrative expenses incurred by the Plan may be paid by the Plan or by the Company. During 2025, the Plan paid administrative expenses of $89,812.

***Termination of the Plan –*** Although the Company has not expressed any intent to do so, it has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the Plan and under ERISA. In the event that the Plan should be terminated, participants shall become fully vested, and all remaining Plan assets shall be allocated to the participants as described in the full text of the Plan.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

***Basis of Accounting –*** The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

***Use of Estimates –*** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

***Contributions –*** Employer and employee contributions are reported in the year services are rendered to the Company by the Plan participants.

***Investment Valuation and Income Recognition –*** The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Management fees and operating expenses charged to the Plan for investments in the pooled separate accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

***Payment of Benefits –*** Benefit payments are reported in the year paid.

***Excess Contributions Payable*** – Amounts payable to participants for contributions in excess of amounts allowed by the IRC are recorded as a liability with a corresponding reduction to contributions.

***Notes Receivable from Participants –*** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance is considered necessary.

***Date of Management's Review –*** Subsequent events have been evaluated through October 14, 2026, which is the date the financial statements were available to be issued, and there were no material events requiring recognition or disclosure.

## 3. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

Pooled Separate Accounts – Valued at the net asset value ("NAV") provided by the administrator of the fund. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the value of the underlying assets (i.e., common stock, mutual funds, short term securities) owned by the fund, less its liabilities, and then divided by the number of shares outstanding.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments are reported at fair value as follows at December 31, 2025 and 2024:

| | Fair Value Measurements Using: | | | |
|---|---|---|---|---|
| | **Level 1** | **Level 2** | **Level 3** | **Total** |

**(a)** Investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits. These investments are valued daily, can be redeemed daily with no restrictions, and without prior notice. There are no unfunded commitments.

## 4. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which hold securities including U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

## 5. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan provides the Minnesota Life Guaranteed Return Account, a fully benefit-responsive investment contract issued by Minnesota Life, acquired by The Standard Insurance Company in October 2022, as an investment option for participants. The objective of this investment option is to guarantee principal and provide a stated interest crediting rate backed by Minnesota Life. The contract is included in the financial statements at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Minnesota Life is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is determined on a quarterly basis, as designated by Minnesota Life. The investment contract may be subject to a market value adjustment should the Plan discontinue the contract, as prescribed in the contract. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. Minnesota Life may not terminate the contract at any amount less than contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

## 6. INFORMATION CERTIFIED BY CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Minnesota Life Insurance Company, the custodian of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate with respect to investments as of December 31, 2025 and 2024, and for the year ended December 31, 2025:

- Investments, at fair value
- Investments, at contract value
- Notes receivable from participants and related interest income
- Net appreciation in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

## 7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Plan investments are units of pooled separate accounts, and a guaranteed return account managed by Minnesota Life, which was acquired by The Standard Insurance Company in October 2022. The Standard is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Certain fees are paid to the custodian and recordkeeper, and these are party-in-interest transactions.

Notes receivable from participants also qualify as party-in-interest.

## 8. TAX STATUS

The Plan has adopted a non-standardized pre-approved profit-sharing Plan with CODA, which obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## 9. PROHIBITED TRANSACTIONS

During 2025, employee deferrals of $1,488 were not remitted to the trust on a timely basis (as defined by the Department of Labor) by the Plan Sponsor. The Plan Sponsor has or will subsequently remit all such deferrals to the trust, will calculate lost earnings on these untimely contributions and remit the related excise tax to the IRS. These transactions are prohibited according to the provisions of the DOL.

During 2024, employee deferrals of $504,247 were not remitted to the trust on a timely basis (as defined by the Department of Labor) by the Plan Sponsor. The Plan Sponsor has or will subsequently remit all such deferrals to the trust, will calculate lost earnings on these untimely contributions and remit the related excise tax to the IRS. These transactions are prohibited according to the provisions of the DOL.

## Part IV Compliance Questions

**4** CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

| | | Yes | No | Amount |
|---|---|---|---|---|
| **a** Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.) | **4a** | | | |
| **b** Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible?
