INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
Point Spring Company Employees
401(K) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Point Spring Company Employees 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025, and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Point Spring Company Employees 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Point Spring Company Employees, 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Point Spring Company Employees 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Point Spring Company Employees 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

POINT SPRING COMPANY EMPLOYEES
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025, AND 2024

NOTE 1 – DESCRIPTION OF PLAN

The Point Spring Company Employees 401(k) Profit Sharing Plan was established for the benefit of the employees of Point Spring Company Employees. The Plan was amended on November 3, 2021. The Plan was amended again on June 1, 2024.

The following provides only general information. Participants should refer to The Plan document for a more complete description of The Plan's provisions.

1. DEFINED CONTRIBUTION

The Plan is a defined contribution plan as defined by Section 414(i) of the Internal Revenue Code as amended by ERISA.

2. EMPLOYEE SALARY DEFERRALS

Each year, participants may elect to have compensation deferred up to the maximum amount allowable by law so as not to exceed the limits in Sections 401(k), 402(g), 404, and 415 of the Internal Revenue Code. Catch-up contributions may be made by eligible Participants. Compensation is defined as your total compensation that is subject to income tax and paid to you by the Company.

3. AUTOMATIC ENROLLMENT UPON ELIGIBILITY

When an employee becomes eligible to participate in the Plan, a fixed amount is automatically taken from the employee's pay, unless elected otherwise. This is known as an "Eligible Automatic Contribution Arrangement." At the participant's time of hire, the employee receives a notice which explains this feature and a salary deferral agreement. The employee also receives information about his or her rights to alter those amounts including how and when the amount of automatic deferral may be amended. This election is effective for the first pay period and all subsequent pay periods, unless elected otherwise at the time of hire or a change with the Plan Administrator is filed within a reasonable period thereafter.

This Automatic Contribution Arrangement is effective the effective date of the plan and applies to employees:

- Who were hired or rehired on or after the date specified above.
- Whose entry date for Elective Deferrals is on or after the date specified above.
- Who are eligible to make Elective Deferrals, but who have not completed a prior Salary Deferral Agreement.

The Automatic Deferral Amount is 5% of Compensation and designated as a pre-tax Elective Deferral.

Annually, this amount will increase for all employees who are eligible for automatic enrollment unless they elect not to have automatic increases apply. Effective each year, the increase is 1% per year up to a maximum Elective Deferral of 10% Compensation.

4. PARTICIPATION

There is no minimum age requirement. Employees become eligible after three months of credited service. The Plan will cover all employees. Employees will begin participation in the plan once the employee has met the eligibility requirements, if any.

5. PROFIT SHARING CONTRIBUTIONS/EMPLOYER NON-ELECTIVE CONTRIBUTION

The term “Profit Sharing Contribution” has been replaced with “Employer Non-elective Contribution.” The employer may make contributions to the Plan in any amount up to the maximum percentage of Compensation and dollar amount permissible under Code Section 402(g) and 414(v) not to exceed the limits of Code Section 401(k), 404, and 415. The employer has not made any Profit Sharing Contributions since the 2008 plan year.

6. EMPLOYER CONTRIBUTIONS

The Employer will make a Matching Contribution equal to 100% of each Participant's Elective Deferrals not exceeding 3% of the participant's Compensation, plus 50% of each Participant's Elective Deferrals in excess of 3% but not in excess of 5% of the Participant's Compensation

7. VESTING

The vesting of employer match contributions is based upon each participant's years of credited service as outlined in the following schedule. A year of service is credited upon completion of one thousand (1,000) hours during a calendar year.

Employer Match/Non-Elective	
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Participants are fully vested in their own salary deferrals or rollover contributions, actual earnings thereon, plus Safe Harbor Contributions, if any.

8. INVESTMENT OPTIONS

Upon enrollment in The Plan, a participant may direct the investment of their plan contributions to a variety of investment options.

9. DISTRIBUTIONS

The Plan will make a Mandatory Distribution following Severance from Employment. For a Participant who incurs a Severance from Employment and who will receive distribution before attaining the later of age 62 or Normal Retirement Age, balances of $5,000 and under will be distributed. A Mandatory Distribution to a Participant before attaining the later of age 62 or Normal Retirement Age is subject to automatic rollover provisions only if the participant balance exceeds $1,000. In-service distributions are permitted for participants age 60 and older as well as hardship distributions. Post-severance and lifetime RMD distributions may be made as a Lump-Sum or installments, either periodically or ad hoc.

10. FORFEITURES

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. In accordance with the Plan document, forfeited nonvested amounts are used to fund Safe Harbor Contributions and to pay administrative expenses of the Plan. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $15,075 and $29,565, respectively. During 2025 and 2024, forfeitures of $11,898 and $12,319, respectively, were used to pay administrative expenses.

11. ALLOCATION OF EARNINGS OR LOSSES

Participants invest in self-directed accounts. The income and losses on the accounts are immediately credited to the participant accounts by The Plan administrator.

12. ADMINISTRATIVE EXPENSES

Administrative expenses of the Plan are paid from forfeitures, as described in Note 1.10, with any remaining expenses paid by participants.

13. PARTICIPANT LOAN

The plan does not permit loans.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ACCOUNTING METHOD

The accrual method of accounting is being used for financial statement presentation. Under this method, revenue is recorded when earned and expenses are recorded when incurred without regard to the time of cash receipt and disbursement.

ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires The Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Investments in mutual funds are valued at the daily published net asset value (NAV) of shares held by the Plan at year end. See Note 6 for a discussion of fair value measurements. Net appreciation (depreciation) in fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of securities are recorded on a trade date basis. Interest and dividend income is recorded on an accrual basis.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

SUBSEQUENT EVENTS

Subsequent events have been evaluated by management through October 2, 2026, which is the date the financial statements were available to be issued.

NOTE 3 – INVESTMENTS

The Plan's investments are held in various type of participant directed individual accounts at December 31, 2025, and 2024:

	2025	2024
Cash Equivalents	$ 516,261	$ 628,052
Registered Investment Companies	9,510,791	9,036,930
	$ 10,027,052	$ 9,664,982

NOTE 4 – CERTIFIED INVESTMENTS

The plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan management instructed the plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Empower Trust Company LLC the trustees of the plan, as complete and accurate, except for comparing such information certified by the trustees with information included in the plan's financial statements and supplemental schedules:

a. Investments held and participant loans receivable certified by Empower Trust Company LLC

	2025	2024
Investments	$ 10,027,052	$ 9,664,982

b. Investment income (loss) certified by Empower Trust Company LLC and Reliance Trust:

	2025	2024
Net appreciation (depreciation) in fair value	$ 741,369	$ 797,130
Interest and Dividend Income	541,628	359,517

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, The Plan sponsor has the right under The Plan to discontinue its contributions at any time and to terminate The Plan subject to provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE 6 – FAIR VALUE MEASUREMENTS

FASB ASC 820 provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs for other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025, and 2024.

Mutual funds: Valued at the daily published net asset value (NAV) of shares held by the Plan at year end. The mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price, and they are deemed to be actively traded.

Money market fund: Valued at the NAV of $1.00 per share, which approximates fair value.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025, and 2024.

	Assets at fair value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 9,510,791	$ -	$ -	$ 9,510,791
Cash Equivalents	516,261	-	-	516,261
	$ 10,027,052	$ -	$ -	$ 10,027,052

	Assets at fair value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 9,036,930	$ -	$ -	$ 9,036,930
Cash Equivalents	628,052	-	-	628,052
	$ 9,664,982	$ -	$ -	$ 9,664,982

NOTE 7 – INCOME TAX STATUS

The Plan obtained its latest determination letter on September 17, 2001, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions: however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan investments consist primarily of mutual funds and a money market fund, which are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
