PHOENIX Savings & Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the PHOENIX Savings & Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the PHOENIX Savings & Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the PHOENIX Savings & Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit

evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PHOENIX Savings & Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PHOENIX Savings & Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PHOENIX Savings & Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of the Plan

The following description of the PHOENIX Savings & Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan, formerly the Express Savings and Retirement Plan, is a defined contribution plan covering certain employees of PHOENIX Retail LLC (the "Employer"). The Plan was amended effective June 21, 2024, to change the Plan sponsor's name to PHOENIX Retail LLC and rename the Plan to PHOENIX Savings & Retirement Plan as a result of PHOENIX Retail LLC acquiring the majority of the operating assets of Express, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Eligibility

Employees become eligible to participate in the Plan upon reaching age 21 and meeting one of the following criteria: 1) Employment as a full-time employee, or 2) Employment as a part-time employee who has completed one year of service with at least 1,000 hours. To be eligible for the Employer's matching contribution, employees must complete one year of employment. In accordance with federal regulations, effective January 1, 2024, part-time employees who complete at least 500 hours of service in three consecutive 12-month periods are also eligible to participate in the Plan. Beginning January 1, 2025, this requirement is reduced to two consecutive 12-month periods.

Contributions

A participant may elect to make a voluntary tax-deferred, or after-tax Roth contribution of 1% to 75% of his or her annual compensation up to the maximum permitted under Section 402(g) of the Internal Revenue Code (the "Code") adjusted annually ($23,500 and $23,000 for 2025 and 2024, respectively). This voluntary tax-deferred and after-tax Roth contribution may be limited by Section 401(k) of the Code. Plan participants turning age 50 at any time before the end of the Plan year, whose contributions to the Plan reach either the maximum percent of his or her annual compensation allowed by the Plan or the maximum dollar amount allowed by the Plan, are eligible to make "catch up" contributions to the Plan. Catch-up contributions are voluntary and limited to a total of $7,500 for each eligible participant for both 2025 and 2024. Beginning in 2025, participants who attained ages 60 through 63 before the end of the Plan year were eligible for an increased catch-up contribution limit of $11,250.

The Employer provides a matching contribution of 100% of the participant's voluntary contributions up to 4% of the participant's annual eligible compensation.

Investment Options

Both the Employer and participant contributions can be directed into various investment options offered by the Plan solely at the participant's discretion. The Employer periodically reviews and may make changes to the investment choices available in order to ensure the funds offered are meeting their investment objectives and the financial goals of the participants. The Plan's investment options offered as of December 31, 2025 and 2024, include mutual funds and collective investment trusts.

If a participant makes no investment fund election, any contributions made into such participant's account are invested into the Plan's default investment funds. The default investment funds are the age-appropriate T. Rowe Price Retirement Hybrid Funds, which are selected based on the participant's date of birth.

Participant Accounts
Each participant's account is credited with the participant's and Employer's contributions as well as allocated investment earnings and administrative expense. The benefit to which a participant is entitled is equal to the vested balance in the participant's account.

Vesting
A participant is fully and immediately vested in their contributions and the Employer's matching contributions plus earnings thereon.

Payment of Benefits
The full value of participants' accounts becomes payable upon retirement, disability, or death. Upon termination of employment for any other reason, participants' accounts, to the extent vested, become payable. Participants with vested account balances between $1,000 and $5,000, who have not elected to either have such distribution paid to them or to an eligible retirement plan, shall be rolled over to an individual retirement account with a properly accredited and regulated financial institution. Those participants with vested account balances greater than $5,000 have the option of leaving their accounts invested in the Plan until the date they must take required minimum distributions under the Code. Benefits are paid as a lump-sum distribution. Participants have the option of having benefits paid directly to an eligible retirement plan specified by the participant.

A participant may at any time request an in-service withdrawal of all or a portion of their rollover account. A participant may also request a hardship distribution due to an immediate and heavy financial need based on the terms of the Plan.

Amounts Allocated to Participants Withdrawn from the Plan
There were no amounts allocated, but not yet paid, to participants withdrawn from the Plan as of December 31, 2025 and 2024.

Forfeitures
Forfeitures are used to reduce the Employer's matching contributions, and if so elected by the Employer, to reduce administrative expenses. Forfeitures of $531 and $741 were used during 2025 and 2024 to reduce the Employer's contributions, respectively. No forfeitures were used during 2025 and 2024, to pay administrative expenses. There were $2,181 and $855 of unused forfeitures at December 31, 2025 and 2024, respectively.

Administrative Expenses
A distribution fee for termination or in-service withdrawals are deducted from participants' accounts. In addition, participants are charged quarterly for recordkeeping and administrative expenses. These charges aggregate in a separate account and are used as the Plan incurs expenses.

Other administrative fees, if so elected by the Employer, may be paid using forfeitures as noted under Forfeitures. Any additional Plan expenses are paid by the Employer.

2. Summary of Significant Accounting Policies

Basis of Presentation
The accompanying financial statements have been prepared on the accrual basis of accounting, including investment valuation and income recognition.

Use of Estimates
The Plan prepares its financial statements in conformity with accounting principles generally accepted in the United States of America, which require management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from these estimates.

Risks
The Plan provides for the various investment options as described in Notes 1 and 3. Any investment is exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. These risks could result in a material effect on participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Net Appreciation/Depreciation in Fair Value of Investments
Net realized and unrealized appreciation/depreciation is recorded in the accompanying statements of changes in net assets available for benefits as net appreciation in fair value of investments.

Benefit Payments
Benefits are recorded when paid.

Investment Valuation and Income Recognition
Plan investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis using fair value. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis.

Contributions
Contributions from Plan participants, and the relating matching contributions from the Employer, are recorded in the year in which the participant compensation is earned.

3. Fair Value Measurement

Accounting Standards Codification ("ASC") 820*, Fair Value Measurement,* establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 — Inputs to the valuation methodology include

- quoted prices for similar assets and liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the techniques and inputs used for each major class of assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trusts: Valued using NAV as reported by the trust, which represents fair value. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. The Plan does not have any contractual obligations to make additional investments in the trusts. These investments are not classified within the valuation hierarchy, but are presented for reconciliation purposes only.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at fair value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 25,136,824	$ -	$ -	$ 25,136,824
Investments measured at NAV practical expedient				129,808,723
				$ 154,945,547

	Assets at fair value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 27,482,357	$ -	$ -	$ 27,482,357
Investments measured at NAV practical expedient				113,208,788
				$ 140,691,145

The following table summarizes investments for which fair value is measured at NAV practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

4. Unaudited Information Certified by the Plan Trustee

Investment information disclosed in the accompanying financial statements and supplemental schedule including investments held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments and interest and dividends from mutual funds for the years then ended, was obtained or derived from information provided to the Plan administrator and certified as complete and accurate within the meaning of 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA by T. Rowe Trust Company (the "Trustee"), as of and for the years then ended December 31, 2025 and 2024.

5. Tax Status

The Plan sponsor adopted a non-standardized pre-approved plan document. The Internal Revenue Service ("IRS") has determined and informed the pre-approved plan sponsor, by an opinion letter dated on August 19, 2020, that the pre-approved plan is designed in accordance with applicable sections of the Code. The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Plan Administration

The Plan Investment Committee is comprised of members appointed by the Board of Managers of PHOENIX Retail LLC administers the Plan. The Board of Managers has delegated the day-to-day administrative duties to the Plan Investment Committee. T. Rowe Price Retirement Plan Services, Inc. provides recordkeeping services to the Plan.

7. Parties-in-Interest

Parties-in-interest are defined under Department of Labor ("DOL") regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. At December 31, 2025 and 2024, certain Plan investments were shares of mutual funds and collective investment trusts managed by the Trustee for which for which the Plan is charged investment expenses which constitute exempt party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Employer. CAPFINANCIAL PARTNERS, LLC serves as the investments advisor and is partially paid by the Plan. Additionally, certain recordkeeping services were performed by the Trustee for which the Plan is charged administrative fees. These fees constitute exempt party-in-interest transactions.

8. Plan Termination

Although the Employer has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time. PHOENIX Retail, LLC has the right at any time, by action of its Board of Managers, to terminate the Plan subject to provisions of ERISA. Upon Plan termination or partial termination, participants will become fully vested in their accounts.

9. Subsequent Events

Subsequent events have been evaluated through October 8, 2026, the date the financial statements were available to be issued.
