INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Diamond Vogel, Inc. 401(k) Plan
Orange City, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of DIAMOND VOGEL, INC. 401(k) PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Diamond Vogel, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Vogel, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Vogel, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Vogel, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Vogel, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - DESCRIPTION OF THE PLAN

The following description of the Diamond Vogel, Inc. 401(k) Plan (the Plan), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan available to all eligible employees of Diamond Vogel, Inc. (formerly Vogel Paint, Inc.), related companies, and certain unrelated companies under common control and management. The Plan is available to all employees who have completed two months of service and who have attained age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may contribute up to the maximum percentage of compensation and dollar amount permissible under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested in a designated fund until changed by the participant. The Plan includes an auto deferral increase for all Plan participants with a deferral rate greater than zero. The automatic increase is 1% each year as a pre-tax deferral contribution for the pay period on or after April 1, unless the participant affirmatively elects not to participate. The automatic increase will continue for those participants until the deferral rate reaches 10%. The employer makes matching contributions to the Plan. The match is 100 percent of the first 1 percent of employee contributions and 50 percent of the next 5 percent of employee contributions.

Participant Accounts - Each participant’s account is credited with the participant’s contributions, the employer’s contributions, as well as an allocation of the Plan’s earnings and participant forfeitures, and charged with withdrawals and an allocation of Plan losses and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer's contribution portion of their accounts is based on continuous years of service. A participant is 100 percent vested after two years of service.

Notes Receivable from Participants - Participants may borrow from their participant account balances, a minimum of $1,000 up to a maximum equal to the lesser of 50% of their vested account balance or $50,000. The loans are secured by the balance in the participant’s account and bear interest at rates commensurate with local prevailing rates at the time the funds are borrowed as determined by the trustee. Principal and interest are paid ratably through payroll deductions.

Note 1 - DESCRIPTION OF THE PLAN
(Cont.)

Payments of Benefits - On termination of service due to death, disability, or retirement, a participant will become fully vested automatically. For termination of service for other reasons, a participant may receive the value of the vested balance in their account as a lump-sum distribution. A participant with a vested balance of less than $7,000 is automatically enrolled into an IRA. The Plan also includes provisions for early retirement before attainment of age 65.

Forfeited Accounts - Participants who are not fully vested at the time of their termination from service must forfeit a portion of the employer contribution. Activity in the forfeiture account is summarized below:

	2025	2024
Beginning Balance	$ 37,624	$ 41,500
Forfeitures of Participant Non-Vested Amounts	42,771	57,464
Used to Reduce Fees	(45,880)	(64,425)
Earnings	11,331	3,085
Ending Balance	$ 45,846	$ 37,624

Recent Legislative Update - On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as "SECURE 2.0". These provisions continue the themes and reforms introduced with the 2019 SECURE Act, focusing on increasing participation in the retirement system and facilitating the accumulation of more assets. These changes have various effective dates starting in 2023 and forward. Since the provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan follows accounting standards set by the Financial Accounting Standards Board, commonly referred to as the FASB. The FASB sets generally accepted accounting principles (GAAP) that the Plan follows to ensure it consistently reports the net assets and changes in net assets available for benefits. References to GAAP issued by the FASB in these footnotes are to the *FASB Accounting Standards Codification*, sometimes referred to as the Codification or ASC.

The following are the significant accounting policies followed by the Plan.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

Risks and Uncertainties - The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value based on quoted market prices or net asset value using a practical expedient. Net appreciation in the fair value of investments is based on the fair value of investments at the beginning of the year, or cost, if purchased during the year. Purchases and sales of securities are recorded on a trade-date-basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon terms of the Plan document.

Voluntary Withdrawals - Participants may apply for a hardship withdrawal for reasons stipulated in the Plan document. While an employee is employed by the employer, he/she may withdraw the amount of elective deferrals and vested employer discretionary contributions credited to his/her account with written consent from the Plan Administrator.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid directly by the company and are excluded from these financial statements. The Plan paid Fidelity Management Trust Company, the trustee of the Plan, fees for recordkeeping and administrative services totaling $154,115 and $168,883 for the years ended December 31, 2025 and 2024, respectively. Investment related expenses are included in net appreciation of fair value of investments.

Note 3 - INVESTMENTS (UNAUDITED)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from Fidelity Management Trust Company, the trustee of the Plan, that all of the information is complete and accurate. Information included in the accompanying financial statements as to investments, investment income, and all information in the supplemental schedule is presented in reliance solely upon those certifications.

Note 3 - INVESTMENTS (UNAUDITED)
(Cont.)

Fair Value Measurements - FASB Codification defines fair value, establishes a framework for measuring fair value in generally accepted accounting principles and establishes a hierarchy that categorizes and prioritizes the inputs to be used to estimate fair value. The three levels of inputs used are as follows:

* Level 1 - Quoted prices in active markets for identical assets or liabilities.

* Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as outside comparable sales.

* Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The assets or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025

Investment Category	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Mutual Funds	$ 81,003,678	$ 81,003,678	-	-
Total	$ 81,003,678	$ 81,003,678	-	-
Other Investments Measured at Net Asset Value (a)	2,608,615			
Total Investments	$ 83,612,293			

Note 3 - INVESTMENTS (UNAUDITED)
(Cont.)

Assets Measured at Net Asset Value as of December 31, 2025

Investment Category	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Return Fund	$ 2,608,615	-	Daily	1 Day (b)
Total Investments	$ 2,608,615			

Assets at Fair Value as of December 31, 2024

Investment Category	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Mutual Funds	$ 76,149,431	$ 76,149,431	-	-
Total	$ 76,149,431	$ 76,149,431	-	-
Other Investments Measured at Net Asset Value (a)	3,849,125			
Total Investments	$ 79,998,556			

Assets Measured at Net Asset Value as of December 31, 2024

Investment Category	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Return Fund	$ 3,849,125	-	Daily	1 Day (b)
Total Investments	$ 3,849,125			

(a) In accordance with ASC Subtopic 820-10 certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

(b) Redemptions other than for benefit payments and participant transfers to noncompeting options require a twelve month written notice.

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in investment income in the statement of changes in net assets available for benefits.

Note 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

Note 5 - TRANSACTIONS WITH PARTIES IN INTEREST

The Plan pays several vendors for record keeping, administrative services, claims processing, custodianship of its investments, benefit consulting services, legal services and audit services. Transactions with the providers of these services would be considered to be transactions with parties in interest. Further, the Plan receives contributions from the participants and participants' employers, and those contributions would also constitute transactions with parties in interest.

Note 6 - FEDERAL INCOME TAX STATUS

The Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The administrator has concluded that any uncertain tax positions would be immaterial to the financial statements taken as a whole. Accordingly, the accompanying financial statements do not include any provision for uncertain tax positions, and no related interest or penalties have been recorded in the statement of changes in net assets available for benefits or accrued in the statement of net assets available for benefits.

Note 7 - TERMINATED AND RETIRED PARTICIPANTS

Account balances allocated to terminated and retired participants that had not been paid at December 31, 2025 and 2024 totaled $23,578,085 and $17,768,342, respectively. These amounts represent terminated and retired participants' vested account balances that had not yet been paid at year end. For financial statement purposes, these amounts are included in net assets available for benefits.

Note 8 - TRANSFER OF NET ASSETS

During the year Vogel Traffic Services, Inc. exited the Diamond Vogel, Inc. plan and the net assets of $4,657,066 were transferred to Vogel Traffic Services' new plan effective June 30, 2025.

Note 9 - SUBSEQUENT EVENTS

In preparing the financial statements, the Plan has evaluated all subsequent events, for potential recognition or disclosure, through October 9, 2026, the date the financial statements were available to be issued.

To the Board of Trustees
Diamond Vogel, Inc. 401(k) Plan
Orange City, Iowa

We have audited the financial statements of DIAMOND VOGEL, INC. 401(k) PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2025, and we will issue our report thereon dated October 9, 2026. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated April 23, 2026. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Diamond Vogel, Inc. 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2025. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no uncorrected misstatements other than those considered trivial to the financial statements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 9, 2026.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship, and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Board of Trustees and management of Diamond Vogel, Inc. 401(k) Plan and is not intended to be and should not be used by anyone other than these specified parties.
