Independent Auditor's Report

To the Plan Administrators
Connecticut On-Line Computer Center, Inc. 401(k) Plan
Southington, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Connecticut On-Line Computer Center, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the

aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CONNECTICUT ON-LINE COMPUTER CENTER, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2025 AND 2024
AND FOR THE YEAR ENDED DECEMBER 31, 2025

NOTE 1 - DESCRIPTION OF THE PLAN:

The following description of Connecticut On-Line Computer Center, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution 401(k) profit-sharing plan covering all eligible employees of Connecticut On-Line Computer Center, Inc. (the "Company"), who are age 21 or older. Eligible employees may participate in the Plan after 1/12 of a year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Directors is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan Sponsor's Board of Directors.

Contributions:

Each year, participants may contribute up to 100% of pre-tax annual eligible compensation and voluntary after-tax Roth 401(k) contributions, as defined by the Plan. Participants who attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Pursuant to the SECURE 2.0 Act, effective January 1, 2025, participants who attain ages 60 through 63 during the Plan year are eligible for an increased catch-up contribution limit, subject to applicable IRS limits. Participants may also contribute amounts representing eligible distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds comprised of money market accounts, stock funds, bond funds, and governmental funds, as well as a collective investment trust and a self-directed brokerage account as investment options for participants. Effective May 2021, the Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions invested in a designated target date fund until changed by the participant. Automatically enrolled participants will have their deferrals increase 1% each year, up to a maximum of 10% of eligible compensation.

The Company also makes non-discretionary safe harbor matching contributions equal to 100% of the first 3% of the eligible participant's Plan compensation that a participant contributes and 50% of the next 2% of the eligible participant's Plan compensation that a participant contributes on a payroll basis. Additional profit-sharing amounts may be contributed at the option of the Company's Personnel Committee. For the year ended December 31, 2025, the Company elected to make a discretionary profit-sharing contribution of $3,069,173, before forfeitures applied of $29,574. Contributions are subject to certain IRS limitations.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED):

Participant Accounts:

Each participant's account is credited with the participant's contributions and Company non-discretionary safe harbor matching contributions, as well as allocations of the Company's profit-sharing contribution and the Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are vested immediately in their contributions and the Company's non-discretionary safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's profit-sharing contribution is based on years of continuous service as follows:

Completed Years of Service	Percent of Company's Contribution
1	25%
2	50%
3	75%
4	100%

The value of the account of any employee becomes fully vested upon death or permanent disability.

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at one percent above the Wall Street Journal's published prime rate. Principal and interest are paid ratably through payroll deductions.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED):

Payment of Benefits:

Upon termination of service due to death, disability, retirement, or the attainment of the age of 59½, a participant may elect to receive either a lump-sum amount, deferred lump-sum amounts, or in installments equal to the value of the participant's vested interest in his/her account. If upon withdrawal, a participant has a vested account balance less than $1,000, participant will receive a lump-sum amount equal to the value of the participant's vested interest in his/her account. For participants with a vested account balance greater than $1,000, but less than $5,000, the Plan administrators will make a direct rollover of the participant's account to an individual retirement account designated by the Plan administrators.

Withdrawals from a participant's vested account may also be made in the event of a financial hardship in accordance with the provisions specified in the Plan.

Forfeited Accounts:

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $29,574 and $66,192, respectively. These accounts will be used to reduce future employer contributions. During 2025, the 2024 employer profit-sharing contribution was reduced by $66,192 from the forfeited non-vested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrators to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management and the Investment Committee determine the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit is recorded.

Payment of Benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events:

Plan management has evaluated subsequent events through October 9, 2026, the date which the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; and (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. The collective investment trust is excluded from the fair value hierarchy as the fund's fair value is measured using the net asset value per share practical expedient. This change in valuation methodology has been applied retrospectively.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Investments in mutual funds have been designated level 1 instruments.

Self-directed brokerage account: Common stocks held by the self-directed brokerage account are valued at the closing price reported on the active market on which the individual securities are traded. The money funds are valued using significant observable inputs, particularly dealer market prices as of the valuation date. Mutual funds are valued as noted in the aforementioned paragraph. Investments in the self-directed brokerage account have been designated level 1 instruments.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED):

Collective investment trust: Valued at net asset value ("NAV") of the fund. The NAV is calculated by the fund based on "net assets", which includes fully benefit-responsive investment contracts at contract value. This NAV represents the Plan's fair value since this is the amount at which the Plan transacts with the fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value for the collective investment trust stable value fund. The Fund seeks to provide preservation of principal and consistent returns by investing primarily in high-quality fixed-income securities and benefit-responsive contracts.

As of December 31, 2025 and 2024, there were no level 2 or 3 investments.

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31,:

2025	Level 1	Level 2	Level 3	Total
Investments in fair value hierarchy:				
Mutual funds	$ 143,030,381	$ -0-	$ -0-	$ 143,030,381
Self-directed brokerage accounts	10,322,674	-0-	-0-	10,322,674
Total investments in fair value hierarchy	$ 153,353,055	$ -0-	$ -0-	153,353,055
Other investments at net asset value:				
Collective trust fund[(a)]				6,588,469
Total investments, at fair value				$ 159,941,524

2024	Level 1	Level 2	Level 3	Total
Investments in fair value hierarchy:				
Mutual funds	$ 133,677,186	$ -0-	$ -0-	$ 133,677,186
Self-directed brokerage accounts	8,961,258	-0-	-0-	8,961,258
Total investments in fair value hierarchy	$ 142,638,444	$ -0-	$ -0-	142,638,444
Other investments at net asset value:				
Collective trust fund[(a)]				7,002,931
Total investments, at fair value				$ 149,641,375

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED):

(a) In accordance with Subtopic 820-10, the John Hancock Stable Value Fund, a collective investment trust stable value fund, was measured at net asset value per share (or its equivalent) and has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The following tables summarize the investment for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024, respectively. There are no participant restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Collective investment trust	$ 6,588,469	None	Daily	None

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Collective investment trust	$ 7,002,931	None	Daily	None

NOTE 4 - SUMMARY OF FINANCIAL DATA CERTIFIED:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, dividend income, and interest income from notes receivable from participants for the year ended December 31, 2025, was obtained or derived from information supplied to the Plan administrators and certified as complete and accurate by John Hancock Trust Company LLC ("John Hancock"), trustee of the Plan.

NOTE 5 - RELATED PARTY TRANSACTIONS:

Certain Plan investments were managed by John Hancock Trust Company LLC ("John Hancock"). John Hancock is the trustee as defined by the Plan, and therefore these transactions qualified as party-in-interest transactions. Fees incurred by the Plan for the investment management services were included in net appreciation in fair value of investments, as they were paid through revenue sharing, rather than a direct payment. The Plan sponsor pays directly any other fees related to the Plan's operations.

John Hancock provides certain administrative services to the Plan pursuant to a service agreement. The service agreement provides for service-based pricing in which John Hancock receives revenues from mutual funds in the Plan's core menu. These revenues are first used to satisfy John Hancock recordkeeping fees. The excess revenues are deposited into an unallocated plan expense reimbursement account. This amount is held for the exclusive purpose of defraying reasonable Plan expenses or providing benefits for participants. If the revenues do not cover the fees owed, the Plan Sponsor is billed for the difference.

At December 31, 2024, the plan expense reimbursement account had a balance of $15,506. At December 31, 2025, there was no balance in the plan expense reimbursement account.

NOTE 6 - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested.

NOTE 7 - INCOME TAX STATUS:

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the "IRC"). The Plan administrator believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 - SUBSEQUENT EVENT:

Subsequent to the year end, effective March 1, 2026, the Plan was merged into the Key 401(k) Pooled Employer Plan, a pooled employer plan ("PEP") as defined by ERISA Section 3(43). In connection with the merger, the Plan's assets and participant account balances were transferred to the PEP, and the Plan ceased to exist as a separate plan. Effective March 6, 2026, custodial responsibilities were transferred from the Plan's former trustee to a new trustee associated with the PEP. The merger did not result in a reduction in participants' accrued benefits.
