INDEPENDENT AUDITOR'S REPORT

To the Trustee of Lighthouse Living Services 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Lighthouse Living Services 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2025, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A – PLAN DESCRIPTION

The following description of the Lighthouse Living Services 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

General: The Plan is a defined contribution plan providing retirement benefits for all eligible employees of Lighthouse Living Services (the Company) who have three months of service, are age 18 or older, and are not covered under the terms of a collective bargaining agreement. The Plan was effective January 1, 2001, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(k) of the Internal Revenue Code (the Code). The Plan has been amended and restated to conform with regulatory and legislative changes.

The Plan's assets are held in the Lighthouse Living Services 401(k) Profit Sharing Plan & Trust and are invested in a group annuity contract (Contract No. 18958) issued by John Hancock Life Insurance Company (U.S.A.) (John Hancock), which serves as the Plan's insurance company, custodian, and recordkeeper.

Contributions: Participants may contribute up to the lesser of 100% of their eligible compensation or the limitation established by the Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions in accordance with Section 414(v) of the Code. The Plan is a safe harbor plan under Section 401(k)(12) of the Code. The Company makes a safe harbor matching contribution equal to 100% of a participant's elective deferrals that do not exceed 3% of compensation, plus 50% of elective deferrals that exceed 3% but do not exceed 5% of compensation; the matching contribution will not exceed 4% of a participant's compensation. Safe harbor matching contributions are allocated as of the last day of each pay period and are trued up as of the last day of the plan year. The Company may also make a discretionary profit sharing contribution, which is allocated to eligible participants in the ratio that each participant's compensation for the plan year bears to the compensation of all eligible participants. To share in an allocation of the profit sharing contribution, a participant must complete at least 500 hours of service during the plan year. Compensation is defined as amounts reported in Box 1 of Form W-2 plus elective deferrals. Employer contributions for the year ended December 31, 2025 were $102,005. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts: An account is maintained for each participant, which is credited with the participant's and the Company's contributions, if any, and an allocation of Plan investment income or loss on the participant's selected investment funds. Income or loss is allocated to participants by adjusting the stated value of each account to reflect the actual value of the account as of the valuation date. Participants direct the investment of their account balances by selecting from multiple investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their elective deferrals, rollover contributions, safe harbor matching contributions, and the earnings thereon. Discretionary profit sharing contributions, any non–safe harbor matching contributions, and top-heavy minimum contributions vest based on years of vesting service as follows: less than two years, 0%; two years, 20%; three years, 40%; four years, 60%; five years, 80%; and six or more years, 100%.

Distributions to Participants: Upon termination of employment, participants with vested account balances of $5,000 or less will receive their distribution in a lump sum as soon as administratively feasible. Vested account balances that exceed $1,000 and for which the participant does not make an affirmative election are directly rolled over to an individual retirement account. If a participant terminates employment with a vested account balance that exceeds $5,000, the Plan will commence distributions to the participant in the

NOTE A - PLAN DESCRIPTION - CONTINUED

manner elected by the participant and allowed by the Plan. The Plan has not adopted the increased $7,000 mandatory distribution threshold permitted by Section 304 of the SECURE 2.0 Act.

On termination of service upon retirement at age 65, a participant with an account balance over $5,000 may elect to receive either a lump-sum amount equal to the participant's vested interest in his or her account or installment payments. If the participant's account balance does not exceed $5,000, it will be distributed in a lump sum.

The Plan allows financial hardship distributions caused by certain events as defined in the Plan.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. A participant may have no more than three loans outstanding at any one time. The loans are secured by the balance in the participant's account and bear interest at the prime rate published by The Wall Street Journal plus 1.5 percentage points, determined as of the date the loan is made. Notes receivable from participants are repaid through payroll deductions over a period not to exceed five years, except that loans used to acquire a principal residence may be repaid over a period not to exceed 15 years. At December 31, 2025, notes receivable from participants bore interest at rates ranging from 9.00% to 10.00% and mature at various dates through 2030.

Forfeitures: Forfeited nonvested amounts are used to restore the accounts of rehired participants who are entitled to a restoration of forfeitures and to reduce future employer contributions. As of December 31, 2025 and 2024, there were no forfeited balances.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates: The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties: The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) in the fair value of investments consists of the unrealized appreciation (depreciation) and the realized gains or losses on the sales of investments during the year. Acquisition costs are included in the cost of investments, and sales are recorded net of selling expenses. Dividends are recorded on the ex-dividend date.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recorded as distributions in accordance with the terms of the plan document.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses incurred in maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

NOTE C – FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. U.S. GAAP establishes a fair value hierarchy that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. U.S. GAAP prescribes three levels of inputs that may be used to measure fair value:

> **Level 1 –** Quoted prices in active markets for identical assets or liabilities, which are considered to be most reliable.
>
> **Level 2 –** Observable market-based inputs or unobservable inputs that are corroborated by market data.
>
> **Level 3 –** Unobservable inputs reflecting the reporting entity's own assumptions, which require the most judgment.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no significant changes in the methodologies used during the years ended December 31, 2025 and 2024.

Pooled Separate Accounts: Value is based on the underlying investments (i.e., common stock, mutual funds, and short-term securities). While the majority of the underlying asset values are based on quoted prices, the net asset value (NAV) of the pooled separate accounts is not publicly traded. The NAV is reported by John Hancock as of the financial statement date based on recent transaction prices. The pooled separate accounts held by the Plan provide for daily redemptions at NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. There are no unfunded commitments. The investments in pooled separate accounts totaling $2,880,266 and $2,465,914 as of December 31, 2025 and 2024, respectively, are measured at fair value using the NAV per share (or its equivalent) as a practical expedient and, therefore, have not been categorized in the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock, the insurance company and custodian of the Plan. The certification covers the Plan's participant loans (notes receivable from participants), which are held under the John Hancock contract.

NOTE E – PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan at any time subject to the provisions set forth in ERISA and the Code. Upon termination of the Plan, the total net assets of the Plan are to be distributed to the participants in proportion to their account balances.

NOTE F – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of pooled separate accounts managed by John Hancock. John Hancock is the insurance company and custodian of the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Administrative expenses paid by the Plan to parties-in-interest, consisting of contract and recordkeeping fees charged by John Hancock and third-party administration fees charged by NLH & Company, amounted to $36,445 for the year ended December 31, 2025.

Notes receivable from participants also qualify as exempt party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officers or employees receive compensation from the Plan.

NOTE G – INCOME TAX STATUS

The Plan has adopted a non-standardized pre-approved plan document sponsored by Calcair Employee Benefit Systems, Inc. The Internal Revenue Service issued an opinion letter to the sponsor dated April 1, 2025 (serial number Q703729a) stating that the form of the plan document is acceptable under Section 401 of the Code. The Plan has not received a determination letter from the IRS; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, is exempt from federal income taxes.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H – ADMINISTRATIVE EXPENSES

Certain administrative expenses of the Plan are paid directly by the Company and are not reflected in these financial statements. Administrative expenses that are paid by the Plan may include recordkeeping fees and other costs directly related to the operation of the Plan. For the year ended December 31, 2025, administrative expenses paid by the Plan totaled $36,445.

NOTE I – SUBSEQUENT EVENTS

In preparing the financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 9, 2026, the date that the financial statements were available to be issued.
