# Independent Auditor's Report

Plan Administrator
CTLGroup Retirement Savings Plan
Mount Prospect, Illinois

## *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of CTLGroup Retirement Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the CTLGroup Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

## *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CTLGroup Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CTLGroup Retirement Savings Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## *Auditor's Responsibilities for the Audit of the Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CTLGroup Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CTLGroup Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### *Other Matter – Supplemental Schedule Required by ERISA*

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Note 1. Description of the Plan

### *General*

The following description of CTLGroup Retirement Savings Plan (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

The Plan was established effective January 1, 2007, by Construction Technology Laboratories, Inc. (Company). The Plan is a single-employer defined contribution retirement plan that is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended by subsequent legislation. Employees of the Company are eligible to participate in the Plan upon attaining age 18 and being scheduled to complete at least 1,000 hours of service in the succeeding 12-month period.

### *Contributions*

Covered employees may contribute from 1% to 75% of their annual compensation, as defined by the Plan, subject to certain Internal Revenue Code (Code) limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. As specified by the Plan, the Company makes matching contributions of 100% of the first 4% of participant contributions. The Company may also make a discretionary contribution. For the years ended December 31, 2025 and 2024, the Company made matching contributions of $285,474 and $268,940, respectively. No discretionary contributions were made during the years ended December 31, 2025 and 2024.

### *Investment Options*

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily.

### *Participant Accounts*

Each participant's account is credited with the participant's contributions, allocations of Company contributions and plan earnings, and charged with an allocation of any administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### *Vesting*

Participants are immediately vested in their contributions and Company matching contributions plus actual earnings thereon. Participants in the Plan, as of January 1, 2007, are fully vested in the Company discretionary match plus actual earnings thereon. Participants entering the Plan after January 1, 2007, vest in the Company's discretionary match plus actual earnings thereon based on the following schedule of service:

| Periods of Service | Percentage |
|---|---|
| 1 complete year | 20% |
| 2 complete years | 40% |
| 3 complete years | 60% |
| 4 complete years | 80% |
| 5 complete years | 100% |

### *Payment of Benefits*

Upon termination of employment with the Company, participants may elect to receive either a lump-sum amount equal to the value of the vested interest in their account, or a series of equal monthly installments extending over a period not longer than the joint life expectancy of the participant and his or her spouse, or the life expectancy of the beneficiary if other than the participant. Upon proof, to the satisfaction of the Plan Administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to age 59½.

### *Forfeitures*

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $32 and $31, respectively. These accounts will be used to pay plan administrative expenses and/or reduce future employer contributions. No forfeitures were used in 2025 or 2024.

### *Participant Loans*

Participants may borrow from their accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance. Loans are secured by the participant's account balance and are repayable through payroll deductions over periods ranging up to 60 months, except for loans for the purchase of a principal residence, which are repayable over 120 months. The interest rate is determined by the Plan Administrator based on prevailing market conditions and is fixed over the life of the note. Interest rates ranged from 4.25% to 9.50% at December 31, 2025.

## Note 2. Summary of Significant Accounting Policies

### *Basis of Accounting*

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

### *Investment Valuation and Income Recognition*

The Plan's investments are reported at fair value. The Plan's investments in shares of registered investment companies are valued at quoted market prices. The money market fund is valued at amortized cost, which approximates fair value.

The common or collective trust fund is valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. There are no participant redemption restrictions for these investments, and participant redemptions are allowed daily. A redemption notice period is applicable only at the plan level. There were no unfunded commitments at December 31, 2025 and 2024.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold during the year as well as held during the year.

### *Payment of Benefits*

Benefit payments to participants are recorded upon distribution.

### *Administrative Expenses*

The plan sponsor pays certain expenses of maintaining the Plan without charge or reimbursement. In addition, certain investment-related expenses are included in net appreciation in fair value of investments. The Company provides certain administrative services at no cost to the Plan.

### *Notes Receivable from Participants*

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

## Note 3. Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

**Level 1** Quoted prices in active markets for identical assets or liabilities

**Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

**Level 3** Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level or any input that is significant to the fair value measurement. There have been no changes in the methodologies used at December 31, 2025 and 2024.

The fair value of registered investment companies is determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs). The money market fund is valued at amortized cost (Level 2).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

| | December 31, 2025 | | | |
|---|---|---|---|---|
| | | Fair Value Measurements at Reporting Date Using | | |
| | Fair Value | Quoted Prices in Active Markets for Identical Assets/ Liabilities (Level 1) | Significant Other Observable Inputs (Level 2) | Significant Unobservable Inputs (Level 3) |
| Registered investment companies | $34,028,633 | $34,028,633 | $ - | $ - |
| Money market fund | 1,033,578 | - | 1,033,578 | - |
| Total investments within fair value hierarchy | 35,062,211 | 34,028,633 | 1,033,578 | - |
| Investments measured at net asset value (A) | 873,641 | - | - | - |
| Total | $35,935,852 | $34,028,633 | $ 1,033,578 | $ - |

| | December 31, 2024 | | | |
|---|---|---|---|---|
| | | Fair Value Measurements at Reporting Date Using | | |
| | Fair Value | Quoted Prices in Active Markets for Identical Assets/ Liabilities (Level 1) | Significant Other Observable Inputs (Level 2) | Significant Unobservable Inputs (Level 3) |
| Registered investment companies | $32,136,565 | $32,136,565 | $ - | $ - |
| Money market fund | 1,749,173 | - | 1,749,173 | - |
| Total investments within fair value hierarchy | 33,885,738 | 32,136,565 | 1,749,173 | - |
| Investments measured at net asset value (A) | 215,456 | - | - | - |
| Total | $34,101,194 | $32,136,565 | $ 1,749,173 | $ - |

(A) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

## Note 4. Information Certified by the Plan's Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, T. Rowe Price Trust Company, a qualified institution, has certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024
- Investment income components and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024
- Investment information and notes receivable from participants included in the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2025

The Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related information included in the financial statements and ERISA-required supplemental schedule.

## Note 5. Party-in-Interest Transactions

Certain plan investments are managed by the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments. Expenses paid to parties-in-interest were $40,575 and $36,325 in 2025 and 2024, respectively.

## Note 6. Income Tax Status

The Plan operates under a non-standardized pre-approved profit sharing/money purchase/CODA plan sponsored by T. Rowe Price Retirement Plan Services Inc. This non-standardized pre-approved plan document has been filed with the appropriate agency and the sponsor has obtained an opinion letter dated August 19, 2020, from the Internal Revenue Service (IRS), stating that the non-standardized pre-approved plan constitutes a qualified plan under Section 401 of the Code and that the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in all employer contributions.

## Note 8. Risks and Uncertainties

The Plan provides for investments that, in general, are exposed to various risks such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

## Note 9. Subsequent Events

Subsequent events have been evaluated through October 13, 2026, which is the date the financial statements were available to be issued.
