INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
of Totally Joined for Achieving C 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of *Totally Joined for Achieving C 401(k) Plan* (the Plan*),* an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

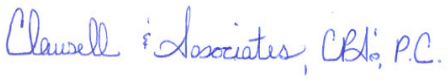

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes and the schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - Description of Plan

The following description of the ***Totally Joined For Achieving C 401(k) Profit Sharing Plan (the Plan)*** provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. **General** - The Plan is a defined contribution plan allowing participation to all eligible employees of the company 18 years or older, the first day of the month following being hired. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. **Contributions** - Each year, participants may contribute a portion of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefits or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance investment contract as investment options for participants. Empower Retirement is the custodian receiving contributions.

   Each pay period during the Plan year, the Company will make a matching contribution equal to 6% of base compensation that a participant contributes to the Plan. The maximum contribution amount eligible to be matched is 6% of eligible compensation. The Company's contributions are allocated to participants' accounts on each monthly valuation date. Total participant contributions in any calendar year are limited to the applicable limit under the Internal Revenue Code.

3. **Participant Accounts** - Each participant's account is credited with the participant's contribution and Company matching contributions, as well as allocations of the Plan earnings/losses and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. **Vesting** - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts is as follows:

   1. For employees hired prior to October 1, 2016, 100% immediate vesting.
   2. For employees hire after October 1, 2016: (a) less than one year service, 0% vested, (b) 1 year service, 50% vested, (c) 2 years service, 100% vested.

5. **Payment of Benefits** - Participants entitled to termination payments, receive payment in accordance with the plan document. On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a determined term. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

6. **Notes Receivable from Participants** - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably directly from the participant to the custodian.

NOTE A - Description of Plan - *Continued*

7. **Participant Investment Rollovers -** Participants are allowed to transfer or rollover funds into the Plan from another qualified retirement plan or IRA. Participants are 100% vested in all rollover amounts. Rollover contributions will be affected by an investment gains or losses under the Plan.

8. **Forfeited Accounts** - For the years ended December 31, 2025, the Plan's balance was $5,376. No forfeitures were used to offset employer match or expenses during the plan year.

NOTE B - Summary of Significant Accounting Policies

1. **Basis of Accounting** - The financial statements of the Plan are prepared using the accrual method of accounting.

2. **Investment Valuation and Income Recognition** - Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note D for discussion of fair value measurements.

   Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. **Basis of Presentation and Comparative Information** - U.S. Department of Labor (DOL) regulations and IRS Form 5500 require a comparative Statement of Net Assets Available for Benefits but only require that the current year's statement of changes in net assets available for benefits presented in the Form and also attached to it. The financial statements have been prepared to meet DOL and IRS requirements. The activity recorded in the 2024 column in the statement of changes in net assets available for benefits has been included for presentation purposes only, and is not required by GAAP, the DOL, or the IRS.

4. **Estimates** - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

5. **Payment of Benefits** - Benefits are recorded when paid.

6. **Subsequent Events -** The Plan has evaluated subsequent events through October 12, 2026, the date the financial statements were available to be issued.

7. **Plan Expenses -** Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE B - **Summary of Significant Accounting Policies - *Continued***

8. **Notes Receivable from Participants** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the plan administrator deems the participants loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

9. **Third-Party Administrator -** The plan sponsor has engaged a third party, My Benefits, LLC, to remit contributions, prepare financial statements, perform compliance testing, and prepare the annual information return.

NOTE C - **Tax Status**

The Plan has been designed to qualify under Section 401(k) of the Internal Revenue Code (Code). The Internal Revenue Service has determined and informed Empower Retirement under a Prototype Non-standardized Profit Sharing Plan with CODA that the Plan is acceptable under section 401 of the Code for use by employers for the benefit of their employees by letter dated March 31, 2014. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for the plan participants under Section 401. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or Georgia Department of Revenue. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE D - **Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; (4) inputs that are derived principally from or corroborated market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTE D- **Fair Value Measurements - *Continued***

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fixed Annuities (Guaranteed Interest Fund): Values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider. Guaranteed interest funds are valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer. The fixed account guarantees a minimum rate of interest for the life of an annuity contract but may credit a higher interest rate from time to time. The fund provides a stable rate of return by investing in a pool of government and/or financial securities backed by the insurance company.

Collective Trusts: Value at the NAV of units of bank or trust company. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. For the Plan to initiate a full redemption of the collective trust, the investment advisor reserve the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

NOTE E - **Fair Value of Investments that Calculate Net Asset Value**

Due to various unique investments that may be allowed in a collective trust, and the various redemption restrictions that may be imposed, the Plan sponsor individually reviews the prospectus and operations of each of these types of investment options. The following table summarizes investments measured at fair value based on net asset value (NAVs) per share as of December 31, 2025 and 2024, respectively.

December 31, 2025	**Fair Value**	**Unfunded Commitment**	**Redemption Frequency (if currently eligible)**	**Redemption Notice Period**
Collective Trust Fund	$2,189,552	-	Daily	1 Day
Total	**$2,189,552**			

December 31, 2024	**Fair Value**	**Unfunded Commitment**	**Redemption Frequency (if currently eligible)**	**Redemption Notice Period**
Collective Trust Fund	$2,002,480	-	Daily	1 Day
Total	**$2,002,480**			

NOTE F - **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE G - Certification of Plan Assets

ERISA Section 103(a)(3)(C)

The Plan's investments were held by Empower, as custodian for the years ended December 31, 2025 and 2024. The following investment, loan balances and investment income included in the accompanying financial statements, notes, and supplemental schedules (except participants loans) were obtained from data that has been certified by the custodians in accordance with 29 CFR 2520.10 3-5c and 8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Investments	2025	2024
Mutual Funds	$1,986,468	$1,753,895
Fixed Annuity	150,271	270,952
Collective Trust Fund	2,189,552	2,002,480
Total	**$4,326,291**	**$4,027,327**

NOTE H - Participant Loans

	2025	2024
Participant Loans	$41,734	$54,481
Total	**$41,734**	**$54,481**

The custodian also certifies net appreciation in investments for the years ended December 31, 2025 and 2024 of $454,777 and $479,290, respectively, which includes dividends and interest on investments of $73,616 and $62,709 for those same years.

NOTE I - Related Party Transactions and Party in Interest Transactions

Certain Plan investments are shares of mutual funds managed by Empower Retirement (parent company Great-West Life Co.) as custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Direct fees paid by the Plan for administrative services amount to $44,570 for 2025 and $38,417 for 2024. The Plan engaged a third-party administrator (My Benefits, LLC) to provide certain accounting and administrative services to the Plan. The Plan paid direct fees to My Benefit, LLC $4,024 during 2025.

NOTE J - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE L - Reconciliation of Financial Statements to Form 5500

NOTE M - Delinquent Contributions and Loss Earnings

As reported in the current year Schedule of Delinquent Participated Contributions, the Plan reported a total of $183,996 in late contributions during the year. The contributions were paid late in the Plan upon discovery by the Plan Sponsor. The Plan has applied, under the Voluntary Fiduciary Correction Program, to correct loss earnings for such contributions. The loss earnings will be restored to each participant's account balance as soon as practically possible and in accordance with the provisions as set forth under the Voluntary Fiduciary Correction Program.
