INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
Bretford Manufacturing, Inc. Employee Benefit Trust

Opinion

We have audited the accompanying financial statements of Bretford Manufacturing, Inc. Employee Benefit Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and of benefit obligations of Bretford Manufacturing, Inc. Employee Benefit Trust as of December 31, 2025 and 2024, and the changes in net assets available for benefits and changes in benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bretford Manufacturing, Inc. Employee Benefit Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bretford Manufacturing, Inc. Employee Benefit Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a

guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted accounting standards we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bretford Manufacturing, Inc. Employee Benefit Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bretford Manufacturing, Inc., Employee Benefit Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

(1) DESCRIPTION OF PLAN:

The following description of the Bretford Manufacturing, Inc. Employee Benefit Trust (Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

General -

The Plan provides health and other benefits to eligible employees of Bretford Manufacturing, Inc. (the Sponsor) and covered dependents.

Certain Plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Benefits -

The Plan provides health benefits (medical, vision, dental, and prescription drugs), basic life insurance, accidental death and dismemberment and temporary disability benefits to all participants and covered dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Stop Loss Coverage -

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-Insured Benefits -

All other Plan benefits are self-insured. The claims for self-insured benefits (other than short-term disability) are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan's VEBA trust or the general assets of the Sponsor. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

(1) DESCRIPTION OF PLAN (CONTINUED):

Contributions -

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. The Sponsor pays the full cost of basic life insurance, basic accidental death and dismemberment insurance and stop loss insurance. The Sponsor makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Sponsor on a pay as you go basis.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting and Use of Estimates -

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits -

Premiums paid by either the Sponsor or the VEBA trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processors. Amounts due to claims processors or the Sponsor that have yet to be reimbursed by the Plan are recorded as accounts payable in the accompanying statements of net assets available for benefits. Short-term disability payments are processed through the Sponsor's payroll system and paid from the general assets of the Sponsor. These payments are recorded as claims paid in the accompanying statement of changes in net assets available for benefits.

Stop Loss -

Premiums for stop loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. For the years ended December 31, 2025 and 2024, stop loss refunds totaling $28,932 and $101,888 have been netted with claims paid in the accompanying statement of changes in net assets.

Refunds -

Pharmacy rebates are reported when received. For the years ended December 31, 2025 and 2024, pharmacy rebates totaling $166,860 and $166,345 have been netted with claims paid in the accompanying statement of changes in net assets.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Investment Valuation and Income Recognition -

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies and procedures and reports to the Plan management. See note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned.

Subsequent Events -

Management has evaluated subsequent events for the Plan through October 14, 2026, the date the financial statements were available to be issued.

(3) CLAIMS INCURRED BUT NOT REPORTED:

Plan obligations at December 31, 2025 and 2024, for benefit claims incurred by participants but not reported at that date are estimated by the Plan based mainly on health benefits lag reports provided by the administrator. Such estimated amounts are reported in the accompanying statements of the Plan's benefit obligations at estimated present value. These amounts are paid by the Plan only if claims are submitted and approved for payment.

(4) FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

(4) FAIR VALUE MEASUREMENTS (CONTINUED):

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

The money market fund is valued at the daily closing price as reported by the fund. The money market fund is an open-end mutual fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily Net Asset Value ("NAV") and to transact at that price.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2025:

	Assets at Fair Value as of December 31, 2025:			
	Fair Value	Level 1	Level 2	Level 3
Money market funds *	$ 469,948	$ 469,948	$ -	$ -

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2024:

	Assets at Fair Value as of December 31, 2024:			
	Fair Value	Level 1	Level 2	Level 3
Money market funds *	$ 506,464	$ 506,464	$ -	$ -

* - Represents a nonparticipant directed investment and an investment that is more than 5% of the plan's ending net assets for the year reported.

(5) ADMINISTRATIVE EXPENSES:

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Sponsor on behalf of the Plan.

(6) TAX STATUS:

The VEBA trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)9 of the Internal Revenue Code and, accordingly, the Trust's net investment income is exempt from income taxes. The trust has obtained a favorable tax determination letter from the Internal Revenue Service, and the Plan sponsor believes that the trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the appropriate taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) TERMINATION OF THE PLAN:

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to, and contributions required of, participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

(8) RISKS AND UNCERTAINTIES:

The Plan invests in a money market fund with a bank. This money market fund is not covered by the bank's FDIC insurance.

The present value of benefit obligations is reported based on certain assumptions noted on health benefit lag reports. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

(9) RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500:

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to Schedule H of Form 5500 as of December 31, 2025:

Net assets available for benefits per the financial statements	$ 469,948
Benefit obligations currently payable	(50,992)
Net assets available for benefits per Schedule H of Form 5500	$ 418,956

The following is a reconciliation of benefits paid to participants per the accompanying financial statements to Schedule H of Form 5500 as of December 31, 2025:

Benefits paid to participants per the financial statements	$ 1,488,822
Add: Amounts payable at end of year	50,992
Less: Amounts payable at beginning of year per Form 5500	-
Benefits paid to participants per Schedule H of Form 5500	$ 1,539,814

Amounts currently payable to or for participants and dependents are recorded on Schedule H of Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, but not yet paid as of that date.
