Independent Auditor's Report

The Board of Trustees
Advance Services, Inc. Group Benefit Plan
Norfolk, Nebraska

Opinion

We have audited the financial statements of the Advance Services, Inc. Group Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and statements of benefit obligations as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits and benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Advance Services, Inc. Group Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1 - Description of Plan

The following description of the Advance Services, Inc. Group Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan documents for a complete description of the Plan's provisions.

General

The Plan provides health, prescription drug, dental, vision, long-term and short-term disability, and life, critical illness, and accidental death and dismemberment insurance benefits covering eligible employees of Advance Services, Inc. and Advance Services Professional, Inc. (collectively, the Employer) as defined by Plan documents.

Benefits and Eligibility

The Plan provides benefits for the Employer's eligible employees and their covered spouses and dependents. Employees are generally eligible to participate in the Plan following 60 days of employment. Certain employees must be full time employees working 30 hours or more per week to be eligible for Plan participation. The trust funds health and prescription drug benefits. Dental, vision, long-term and short-term disability, life, critical illness, accident, and accidental death and dismemberment benefits are provided through insurance contracts. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Stop Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over $110,000, as well as its aggregate exposure for all claims). Individual losses for paid claims for covered health care expenses in excess of the agreed-upon amounts will be paid by the insurance company.

Self-Insured Benefits

Plan benefits for medical and pharmacy are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claim processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan's voluntary employee's beneficiary association (VEBA) trust or the general assets of the Sponsor. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) that periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

The Plan has flexible spending account (FSA) arrangements for health care and dependent care reimbursements that are funded solely by active employee contributions. The FSAs allow eligible participants to be reimbursed tax free for qualified health care and dependent care expenses subject to annual limitations established under the Plan. The employer is not permitted to refund any part of the FSA balances to the employee; the accounts cannot be used for anything other than qualified health care and dependent care expenses; remaining amounts are not portable upon termination once the employee leaves the employer; and, any unused amount is forfeited back to the Plan sponsor. Residual FSA amounts unused at the end of the year can be carried over for two and one-half months into the next year to allow qualified expenses incurred during that period to be reimbursed from the account. Any residual FSA amounts remaining after the two and one-half month extension are immediately forfeited.

Contributions

The Plan provides for employer contributions and participant contributions. Participants, in addition to deductible, copayments, and coinsurance, contribute a specified amount each month based on applicable monthly premiums for their respective benefit elections, and the Employer voluntarily contributes the remaining estimated amount necessary to fund Plan obligations on a pay-as-you-go basis. Contributions are based on estimated Plan obligations determined by the Employer's review of the Plan's historical information.

Plan Funding

Plan assets are held in the Advance Services, Inc. Employee Benefit Trust (Trust), a voluntary employee's beneficiary association (VEBA) established on December 31, 2018. Plan disbursements are restricted to payment of premiums, administrative expenses, and Plan benefits.

Insured Benefits

The Plan fully insures dental, vision, long-term and short-term disability, life, critical illness, accident, and accidental death and dismemberment benefits through insurance contracts.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to modify the benefits provided to employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Employer or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, benefit obligations and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payments for Benefits

Claim payments are recorded when paid by the claims administrators. Amounts due to the claims administrators that have yet to be reimbursed by the Plan, if any, are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits. These payments, if any, are recorded as claims paid in the accompanying statement of changes in net assets available for benefits. Premiums paid by the Employer or the Trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Receivables and Allowance for Credit Losses

The Plan has tracked historical loss information for its receivables and determined that all receivables are fully collectible and no allowance for credit losses is needed.

Management believes that the historical loss information it has compiled is a reasonable base on which to determine expected credit losses for receivables held at December 31, 2025 and 2024, because the composition of the receivables at those dates is consistent with that used in developing the historical credit expectations (i.e. the similar risk characteristics of its receivables). Additionally, management has determined that the current and reasonable and supportable forecasted economic conditions are consistent with the economic conditions included in the historical information. As a result, the historical loss rates have not been adjusted for differences in current conditions or forecasted changes. Accordingly, the allowance for credit losses at December 31, 2025 and 2024, is $-0-.

Stop-Loss

Premiums paid for stop-loss insurance are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Stop-loss refunds totaling $692,510 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025. Stop-loss refunds not received as of December 31, 2025 and 2024 totaling $521,714 and 127,625, respectively, have been recognized as a receivable in the statements of net assets available for benefits.

Refunds

Refunds due from the Plan's claims administrators and PBM are recorded when earned. Pharmacy rebates totaling $189,629 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025. Pharmacy rebates not received as of December 31, 2025 and 2024 totaling $148,015 and $93,049, respectively, have been recorded as a receivable in the statements of net assets available for benefits.

Expenses

Administrative expenses incurred in the administration of the Plan that are paid by the Plan include claims administration fees paid to third-party claims administrators pursuant to administrative services arrangements. These expenses are recorded as deductions in the accompanying statement of changes in net assets available for benefits. Expenses that are paid by the Employer, if any, are excluded from these financial statements.

Benefit Obligations

Plan obligations at December 31, 2025 and 2024, for claims incurred by participants but not reported at that date are estimated based on an analysis of claims paid subsequent to the Plan year end. Such estimated amounts are included in the accompanying statements of the Plan's benefit obligations in the amounts currently payable.

Flexible Spending Accounts

Employee contributions totaling $113,567 were received during the plan year for health care and dependent care reimbursement spending accounts and are reflected in participant contributions in the accompanying statement of changes in net assets. Claims submitted under the health care and dependent care reimbursement accounts before year end or during the subsequent extension period totaled $120,232 and are included in claims paid in the statement of changes in net assets available for benefits. The net forfeited amount of approximately $2,000 will be used by the Sponsor to offset Sponsor contributions or utilized for the payment of Plan administrative fees.

Subsequent Events

The Plan Sponsor has evaluated subsequent events through October 13, 2026, the date which the financial statements were available to be issued.

Note 3 - Tax Status

The VEBA trust funding certain benefits is in the process of obtaining a tax-exemption letter under the provisions of Section 501(c)9 of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4 - Related Party and Party-in-interest Transactions

The Employer provides the Plan certain accounting and administrative services for which no fees are charged. Additionally, as described in Notes 1 and 2, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

Note 5 - Risks and Uncertainties

The estimated liability for claims incurred but not reported is based on historical trend information, which is subject to change. Due to uncertainties inherent in the estimation process, it is at least reasonably possible that changes in this estimate in the near term would be material to the financial statements.

Note 6 - Concentration of Credit Risk

The Plan’s financial instruments that are exposed to concentrations of credit risk consist primarily of cash deposits. The Plan believes it places its cash with high quality credit institutions. At times, these balances may exceed the Federal Deposit Insurance Corporation (FDIC) insurance limit. Accounts are guaranteed by the FDIC up to $250,000 per depositor, per insured bank, for each account ownership category. At December 31, 2025 and 2024, the Plan had cash deposits of approximately $254,000 and $109,600, respectively, in excess of FDIC insured limits.

Note 7 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 1,181,481	$ 902,303
Premiums due to insurers, claims payable, and claims incurred but not reported	(461,926)	(587,825)
Net assets available for benefits per the Form 5500	$ 719,555	$ 314,478

The following is a reconciliation of claims and insurance premiums paid per the financial statements for the year ended December 31, 2025, to Form 5500:

Claims and premiums paid per the financial statements	$ 3,321,106
Change in premiums due to insurers, claims payable, and claims incurred but not reported	(125,899)
Benefits paid to participants per the Form 5500	$ 3,195,207

Claims and premiums that have been processed and approved for payment at year-end but not paid and claims incurred but not reported are not considered liabilities under generally accepted accounting principles (GAAP) and, therefore, are not presented as liabilities or claims paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.
